

Chapter 1848 Lenard's Test

After Lenard came up with a method to test him, he rushed over to the gym.

He was overjoyed when he saw that Trevor was still there. Luisa and Balfour, on the other hand, had already left.

But to secretly test Trevor, Lenard called over Sinclair and said, "Sinclair, I want to do some exercises. Can you teach me how to do it?"

Sinclair's face darkened as soon as he saw Lenard.

"Do what you promised me first, then. I want to take over the gym."

Lenard internally rolled his eyes.

"Don't worry, I'll give it to you. If you teach me now, I'll ask my father to transfer the ownership to you. What do you think?"

Trevor, on the other hand, was quite suspicious of them.

He wondered what trick Lenard was trying to pull. Why was he being so generous all of a sudden?

Sinclair agreed without a hint of hesitation as soon as he heard that. It didn't even cross his mind that Lenard might have ulterior motives.

"If that's the case, then sure. Just don't forget to transfer the ownership to me, alright? What do you want to practice first?"

Lenard's eyes instantly lit up. He was happy that Sinclair agreed so easily.

"I don't know, but I'm willing to try anything."

With that, with Sinclair's professional guidance, Lenard began to work on his core muscles.

Trevor just stayed silent the whole time while looking at Lenard's training.

He really wanted to know more about what Lenard wanted to do.

At first, Lenard pretended to be quite serious about it. But after a while,

he deliberately let the equipment fall on him while Sinclair wasn't paying attention.

"Oh my God!" he exclaimed. I'm going to die! Please, help me!"

Sinclair's eyes widened in shock as he instantly panicked. He didn't know what to do, especially since someone had been taken away by an ambulance just now.

Trevor saw the whole thing, so he didn't panic at all.

Smirking, he patted Sinclair's shoulder and said, "Don't panic, it's okay. It's normal for people to get hurt while they're exercising. I'll give him first aid."

Lenard was overjoyed when he heard that.

This was part of his test. He wanted Trevor to check on him so Trevor could finally expose himself.

The moment Lenard confirmed that Trevor was Raven, he instantly knew he could use that to blackmail him. By then, Luisa could finally be his.

"How the hell can you be a coach?!" Lenard reprimanded Sinclair to make the situation more believable.

"You're not teaching me properly at all! You won't be able to get this gym if you can't do something about this!"

Sinclair was taken aback by what he heard. The only thing he could think of doing at that moment was anxiously turning to look at Trevor with pleading eyes.

Trevor simply smiled. Then, on purpose, he loudly exclaimed, "Don't worry, I'll try my best to cure him for you."

Lenard chuckled. He felt proud of himself. Raven finding out that he was pretending to be sick would be enough proof to prove that he was Trevor.

He'd only have to take back the gym in case Raven wouldn't be able to help him.

Either way, he didn't think he would lose anything.
