

Chapter 1859 Come On! Stab Me!

Just when Collen was about to take Luisa away, he heard the door clang.

His heart skipped a beat. He turned around immediately and saw that the door had been kicked open. A figure then entered the private room. It was Trevor!

Collen was shocked and a little flustered. He stammered nervously, "Ra... Raven... Why are you here? How did you get in here? What about the people who were outside?"

With bloodshot eyes, Trevor gritted his teeth and said coldly, "Collen, how dare you?"

Trevor's angry and domineering aura made Collen tremble. The latter panicked and wondered, "Is this still Raven? I have never found him so scary!"

Well, so far, Collen's provocations were little things and Trevor didn't bother getting angry over such trivialities.

But this time was different.

Collen wanted to hurt Luisa!

He had even drugged her!

For Trevor, this was unforgivable!

While Collen was still confused, a large number of bodyguards swarmed into the room.

They were the people sent by Lenard. These men were not less powerful than the bodyguards at the door.

They were really strong and good at fighting.

Lenard's men quickly surrounded Trevor and Balfour.

Seeing this, Collen instantly calmed down. He regained his arrogant attitude and sneered at Trevor.

"After embarrassing me countless times, you've probably thought you were a tough guy, right? Know that there are several people in Zayden that you can't afford to offend. You'd better get out of here at once. Otherwise... Otherwise, I will stab you to death right here and now!"

As Collen spoke, he grabbed a steak knife from the table.

The oil on the blade of the knife made it somewhat shinier.

Ignoring Collen, Trevor went straight to Luisa to check on her.

It wasn't until he had confirmed that Luisa was fine that Trevor breathed a sigh of relief.

Fortunately, he came in time. For now, Luisa was just unconscious.

After he had examined Luisa, Trevor turned to look at Collen. His eyes were ice cold and it seemed as if he was looking at an idiot.

Trevor took a few steps forward and approached Collen. Pointing at his own chest, he said coldly, "Go ahead! If you have the guts, stab right here! Today, I'd like to see what you can do!"

Collen thought Trevor was crazy, and this made him all the more scared.

He held the knife with both hands but didn't dare to make a move.

Collen was both flustered and scared.

Of course he knew that the steak knife was not sharp enough to hurt Trevor. It was even dumber to stab Trevor in the chest with this.

Seeing that Collen didn't dare to do anything, Trevor slapped him across the face. He held the back of Collen's neck firmly and said with disdain, "It's useless to give you a chance!"

Collen's face turned red with embarrassment. Trevor's humiliating words infuriated him. He couldn't hold back his anger anymore and roared, "Damn it! Raven! You seem to have a death wish!"

At the same time, Collen clenched the knife firmly and muttered viciously, "Let's see who is more ruthless. I have already been to jail a few times. I'm not afraid of anything at this point. My life can't be worse than it is now!"

Glaring at Trevor, with the knife firmly in his hands, Collen prepared himself to stab him. He shouted angrily, "Damn it! Who cares? Let's settle our accounts today!"

However, after saying that, Collen looked at the bodyguards and roared anxiously, "Why are you standing there? Do you think this is a fucking movie? Kill him!"

Collen definitely didn't have the guts to go one-on-one with Trevor.

On the other hand, a murderous glimmer flashed through Trevor's eyes. He suddenly stretched out his hand and grabbed the knife from Collen's hand.

Before Collen could understand what was happening, the knife was stabbed right into his stomach.

Collen couldn't believe it. The next moment, he collapsed to the floor as if all his strength was gone.

Glaring at the man on the floor, Trevor said with a sneer, "Loser! That's how a knife is used!"

The bodyguards were shocked by what Trevor just did.

All of them stood still, and they didn't dare to act now. Their eyes were filled with horror. At this moment, they only had one thought.

This man was cruel!
