

Chapter 1866 He Is A Member Of Mobius

Just as Trevor was about to react, there was a loud noise outside the villa, followed by a few gunshots.

Hearing the commotion outside, Lenard frowned and glared angrily at the assassin he had hired.

"What's happening outside? Go out and check!" he ordered.

Trevor sneered silently.

Earlier in the hospital, Trevor had witnessed the assassin attacking Jasmine.

As a high-ranking member of Klein, Jasmine had the powder to command the army.

When Lenard was distracted, Trevor quickly knocked Lenard's gun away with an elbow and took the gun.

"Ah!"

Lenard screamed in shock and fear when he realized what had happened.

Trevor wasted no time and as soon as he had the gun in his hands, he pulled the trigger.

He shot the barrel of the shotgun in the assassin's hand.

And just like that, the situation immediately reversed.

Trevor was now holding Lenard and the assassin at gunpoint.

Looking at his captors with disdain, Trevor sneered. "Did you really thought you had caught me?"

He snorted coldly and spat angrily, "Idiots! I caught you!"

The assassin was shocked by Trevor's sudden action. However, he wasn't going to admit defeat and tried to fight back.

him no chance to fight back.

Trevor snorted coldly. He didn't care about the assassin at all. He grabbed the man who was his main target, Lenard.

Pressing Lenard's neck hard, Trevor revealed the snake tattoo on his wrist. At that time, he glared at the assassin and roared, "Are you so stupid? Do you really want to fight Mobius?"

Lenard was initially scared when Trevor grabbed his neck. But at the thought that he had so many subordinates, he said stubbornly, "Raven, do you think you alone can fight all my bodyguards? They all have guns!"

What Lenard didn't know was that the assassin had no will to fight against Trevor. He was stunned when he saw Ouroboros tattoo on Trevor's wrist and the fear in his heart intensified.

He glared at Lenard and roared angrily, "Lenard! Damn you! How dare you hire me to attack the master of Mobius?"

At this time, the fighting outside had stopped.

The next second, there was a loud bang!

The gate of the villa had just been crushed by a tank.

Jasmine got out of the tank.

Upon seeing her, both Lenard and the assassin were stunned.

Jasmine glared at the assassin and slowly walked over to him. When she got close to him, she slapped him hard across the face and asked coldly, "Do you now believe that I'm a military officer?"

The assassin was so scared he couldn't move. He felt a burning pain on his face but he was unable to speak.

He was truly desperate at this time and thought that Lenard made him offend very powerful people. This woman was really a high-ranking official in the army. And he had dared to attack her... It was all Lenard's fault.

On the other side, Lenard's face was pale and his legs shook uncontrollably. A yellowish liquid dripped down his legs.

He was so scared he wet himself.

Unable to take the pressure anymore, Lenard completely broke down and shouted loudly, "Help! Somebody help me!"

Alas, no one in the villa even paid attention to him. The bodyguards had all been subdued by Klein.

At this moment, Jasmine ordered coldly to her men, "Take them all away!"

The assassin was instantly taken out.

Lenard was also handcuffed. As he was dragged out of the villa, he
