

Chapter 1212 Prepare For The Fight

After dinner, Trevor, Doris, and Bess chatted for a while before the two women went home respectively.

Bess was still blushing slightly, and she was a little reluctant to leave.

Trevor waved his hand and said goodbye to them absent-mindedly. He was lost in deep thought.

Just now, Bess told him that the Murray family had set up a battle ring to deal with her and her father.

He had promised to help them, so he had to take part in the fight.

He might also find some inside stories about the collusion between the Murray family and Mobius.

The next day, Trevor drove his modified car early in the morning to pick up Bess. They went to the place arranged by the Murray family.

The official meeting of the Murray family would be held in a few days. Trevor and Bess wanted to get familiar with the place in advance.

The gathering was not arranged in the manor of the Murray family's headquarters but in a large gymnasium.

"The Murray family booked the entire gymnasium as the venue of their family gathering?" Trevor asked in confusion, raising his eyebrows.

For the three major families, it was indeed a piece of cake to book a large gymnasium.

However, Trevor was a little surprised that the Murray family arranged their family meeting outside the headquarters.

Bess nodded. "Yes. The head of the Murray family now is Ferrell Murray.

He has always been arrogant and capricious. So we don't know what he is up to. Maybe he has some plans."

Trevor didn't say anything more. He just nodded and looked around the gymnasium.

Indeed, the gymnasium was very large, and the auditorium was ring-shaped. The seats at the back were higher than those in front.

The entire venue was decorated to look like the ancient Roman Colosseum. And in the middle was a huge battle ring.

Trevor touched his chin, thinking deeply.

Suddenly, an arrogant voice sounded behind them.

"Wow! Bess, you're here?"

Trevor and Bess looked in the direction where the voice came from. Then they saw a feminine face in the first row of the auditorium.

It turned out to be Aldwin.

He rested his hands on the guardrail and sneered, "Bess, I haven't seen you for days. Have you thought it through?"

Bess snorted coldly. "Thought of what?"

Aldwin laughed out loud. "Marrying me, of course! I'm kind, so I will give you one last chance. How about we get a room in the best hotel tonight? Then we can get to know each other well."

Bess got furious at once. She pointed at Aldwin and shouted, "You're such a shameless bastard! Go away! You're an eyesore!"

Aldwin's face darkened, showing undisguised malice.

He shouted angrily, "Fine! You're asking for it, huh? You are as useless as your good-for-nothing father. Both of you are trash. I am giving you a chance, but you don't want to seize it. Wait for the family meeting. Then you will be kicked out of the Murray family with shame."

He paused for a while before he sneered, "Bess, just a piece of advice. Be

more careful. The man beside you is not good either. You don't even know that he's cheating on you, right? Ha-ha! I must say that you really have no taste in choosing a boyfriend."

Trevor raised his eyebrows and smiled upon hearing this.

Did he cheat on Bess?

Indeed, he pretended to be Doris' boyfriend yesterday. He was surprised that Aldwin had already gotten the news today.

He thought about it carefully, and there was only one possibility. Edlin, the mole in the police, must be doing his best to convey information.

But unfortunately, Edlin and Aldwin thought it wrong.

If only they knew that Bess and Doris even met yesterday.

Trevor couldn't help smiling. He was about to retort when Bess spoke first.

She boldly held Trevor's hand and shouted at Aldwin, "It's none of your business. I like it when Dragon cheats. I like him dating two women at the same time. It has nothing to do with you. And even if he messes with other women, he is ten thousand times better than you."

Aldwin was stunned for a moment. He knew that Bess was deliberately pissing him off, but he still couldn't help flying into a rage. His expression became ferocious when he shouted, "Bess Murray, you bitch! You must be fucking courting death! How dare you compare me with him! Who do you think he is? You wait and see! You will be doomed soon. When the family meeting comes, don't try to cry and beg me. It's useless!"
