

## Chapter 396 I Really Can't Afford It

It turned out that there was such kind of service in the Blue Lake Restaurant.

Just now, Tillie had mocked Trevor on the internet. However, now, the tables were turned. Both she and Orion felt very embarrassed. 

The whole time, they had been bragging, but the table reserved by Trevor was much better than theirs. This was simply a shame!

While they were still in a daze, another shocking scene appeared in front of their eyes.

At that time, a large line of waiters came towards Trevor's table with delicious dishes.

When Trevor saw the pale looks on their faces, he was pleased.

Now, they had no courage to mock Trevor. What was more, they might have lost the sense of superiority.

In fact, Luisa rarely showed off. However, this time, she took out her phone and took a few selfies before posting them on the internet.

The way she acted with satisfaction looked so cute.

Many people wanted to join for the fun.

Obviously, her selfies were sent to Tillie which made her even more furious.

Since Luisa was on good terms with others, many girls took her side and insulted Tillie.

In the end, Tillie couldn't bear it anymore. She was furious!

With her arms crossed over her chest, Tillie stood up and snorted.

Then, she pointed a finger at Trevor and said, "If Trevor can enjoy that kind of treatment, I want it too."

After saying that, she dragged Orion towards Trevor's table.

At that time, Orion didn't know what to say. After all, he had already paid for the table he had booked.

He had no idea that this would happen.

If he had known it earlier, he wouldn't have provoked Trevor in the first place. Now, he regretted it so much. ①

If he couldn't satisfy his girlfriend, how was he going to have a chance to have sex with her?

He had already spent a lot of money. If he stepped out now, everything he spent before would be in vain.

Damn it!

After hesitating for a while, Orion had no choice but to follow Tillie.

Once Tillie got to the No.9 table which Trevor was booked, she looked at the waiter and snapped, "We also want to change the table."

Hearing it, the waiter, who was responsible for serving Trevor, rolled his eyes in annoyance. Obviously, he didn't like Tillie and Orion who kept making trouble.

However, he restrained himself because of the service concept of the restaurant.

After calming himself down, the waiter looked at Tillie coldly and said, "This is the VIP area for VIP customers. The charge is different for the tables here."

To Orion's surprise, Tillie grabbed his arm and said angrily, "This is for VIP customers? We can also afford that. I also want the same treatment as Trevor!"

At this point, she couldn't give up now. Because if she did, she would become a laughingstock once the new semester began.

When the waiter heard her words, he said in a displeased voice, "Well, let me tell you. The price of the VIP table is 2, 000 dollars, the use of silver tableware is 500 dollars. The band performance is 3, 000 dollars. For service, you have to pay 1, 000 dollars. All the dishes cost 20, 000 dollars. Plus, if you order wine, you will have to pay for it. So, if you still want to sit here, I'll help you change to the VIP table. But I have to remind you about the price in

advance."

After hearing the waiter's words, Tillie was taken aback. The meal cost more than 20,000 dollars and that hadn't even included the price of wine!

Nonetheless, she had no intention of leaving this place in dejection.

She quickly composed herself and batted her eyelashes at Orion with flattery and said, "Well, it's only a piece of cake for us. Honey, let's sit down!"

After all, her boyfriend was the one who would pay the bill.

On the other hand, Orion was already in cold sweat.

Honestly, he had already spent several months of living expenses to have a meal there. Now, the price of the VIP table was double the money he had already spent. How could he get that amount of money to pay for it?

If he booked a VIP table, he would have to suffer from starvation for the next half a year.

Looking embarrassed, Orion muttered, "Let's go, Tillie."

Even if he wanted to please his girlfriend, the amount was way out of his league.

Then, he grabbed his girlfriend's hand and prepared to leave.

At that time, Tillie was furious as she thought that all of

her friends had known about the matter.

If she left now, she would be a laughingstock in front of her friends.

Wasn't it like admitting defeat to the poor loser?

"Why should we leave? You don't even have enough money to have a meal here?"

At that time, Tillie lost her temper and vented it on Orion.

Her loud voice attracted many people's attention.

Trevor, Luisa, waiters and some onlookers watched the farce from aside.

Under the limelight, Tillie felt so ashamed that her face turned red.

However, Orion had no choice but to accept the fact that he didn't have so much money.

All of a sudden, he shouted in a loud voice, "I have no money now. If you don't want to leave, you can find a way to get enough money to eat by yourself. I'm going to leave."

Right now, Orion was completely defeated. After all, his family wasn't a super-rich one at all. Where would he get that amount of money?

However, the next moment, he was slapped hard by his girlfriend!
