

More Than Lust - 36) Brothers!

Authors pov

Grace sat on the bed while he was drinking his coffee with cunning smirk on his face. She was curious to know what's making him smirk like that.

She was still shaken because of the conversation, she knew he won't hesitate to kill her and he just made it clear giving her another reason to fear him.

She looked at him, he was standing by the wall size window while resting his hand on the glass like he is The king and admiring his realm.

He is still in towel, she can see the droplets on his body. No doubt that body is droolworthy and Grace wasn't exception, she would have fall for him if it wasn't for his nature. Her eyes wondered on his V shaped back, she has never seen Handsome man like him in real life.

He turned around and she quickly looked away. He placed the coffee cup aside and gave her clothes to wear.

It was his shirt but she was relieved that at least he has given her denim shorts and inners. She wore it while he was dressing up in closet.

She looked around the bedroom as she didn't get the chance to admire it's beauty.

It was like 5 star restaurant room, she never imagined that she will stay in luxurious room like this.

She walked outside to take a tour of villa, yesterday she didn't get the chance to explore.

Dominick wore shorts and cotton shirt, he rolled up his sleeves and left few buttons open as it was hot outside. He was looking hot in transparent shirt.

He unlocked his phone and called Gomez.

"Is it done?"

He asked in authoritative tone.

"Almost done chief"

Gomez replied.

"I don't want your 'almost' Gomez..."

Dominick scolded.

"It should be done before I come back..."

"Yes chief... I understand"

Gomez replied.

"But Grace, what are we____"

"Do your fucking job..."

Dominick gritted and disconnected the call.

He placed his phone in pocket and Smirked.

"Eight days!"

He walked out of the closed but Grace wasn't there. He frowned and looked around. Since they have arrived that girl is roaming everywhere like she has wheels under her feet. He saw how she was running here and there yesterday but didn't interrupt her. When she came back he just wanted to mess with her and said that it's time for punishment but he had no idea that she will faint. He called the doctor and he informed that she got panicked and dehydration made it worst.

Dominick walked outside to look for his little bunny. As expected he spotted her outside, she was plucking the flowers. His lips turned into smile when she placed one white flower above her ear and peaked into small pond to see her face, she scrunched her nose in disapproval and changed white flower with yellow one.

He crossed his hands over his chest and kept looking at her with small smile on his lips. He knows that she is too innocent to be in his world.

But he didn't drag her in it, she came by herself. He didn't wanted to scare her in the bathroom, he know that he was rude in conversation. She is definitely scared of him now but it was necessary.

The trap he has planned for everyone should go according to his strategy and he will do anything to execute it. If he wants it to become successful then Grace has to fear him and he will make sure of that.

Evil smirk spread on his lips when he thought, how everything is going to change after eight days.

He snapped out of his thoughts when Grace came running towards him, she looked terrified. She hid behind him and he looked at her with a frown. She clutched on his shirt tightly and looked at the main gate.

Dominick followed the direction of her eyes and saw his brother coming towards him.

Dominick couldn't control his smile when he saw her hiding behind him like a scared bunny. There was weird relief that she ran towards him when she got scared, at least for now he is her safe place. He wasn't wrong when he named her scared bunny. He let her hide behind him.

"What the fuck are you doing here?"

Dominick asked Alexander madly.

Alexander was holding a girl on his shoulder who was unconscious. It was a same girl who was with him in business meeting.

"Mind helping a bit?"

Alexander faked a smile.

"I don't have graveyard here"

Dominick rolled his eyes.

"You know who she is, don't fuck with me"

Alexander warned.

"Get the fuck out of my Island. Who the fuck let you in?"

He said frustratingly.

"Come on brother, what's your is mine too"

Alexander grinned, he tilted his head and winked at grace.

"Hii, little birdy"

Grace clutched on Dominick tightly as she remembered what Alexander has done with her.

"Alex!"

Dominick warned.

"I am not into kids... Keep your toddler for yourself."

Alex rolled his eyes. He walked passed by and entered inside.

Dominick closed his eyes frustratingly. He followed Alexander leaving Grace behind.

"Open the fucking door"

Alexander yelled at the guard.

He entered inside when guard opened the door of bedroom. He placed the girl on bed and sighed.

"Damn..."

He stretched his hands.

"You are lucky, your girl is tiny..."

"Shut up"

Dominick Scolded. He looked at the girl who was lying on the bed unconscious, her hands and legs were tied in chains.

"What the fuck are you doing to her?"

He asked.

Alexander scoffed.

"She is my wife... At least I am not tagging her as a whore."

Dominick grabbed his collar madly when he said that.

"Don't cross your limits."

He gritted.

Alexander pushed him back.

"You are crossing your limits Damian"

He growled.

"Dominick... My name is Dominick..."

He spat.

"That was my name!"

Alexander yelled.

"Fuck these names... You have no right to question me when you are destroying that girls life... She is terrified of you, can't you see that... You are putting her in danger, Leena is waiting to get her hands on her. Do you have any idea what can happen to her... Let her go, it's better for both of you.."

"Did you let her go?"

Dominick looked at the girl.

"She is not your wife... You don't deserve her either still you have her."

"I love her"

Alexander said.

"I love her and I have guts to claim it unlike you. Do you have courage
to accept your feelings?"

He challenged.

"Maa sent you here, isn't she?"

Dominick scoffed.

"She knows how to play games"

"That's why you are hiding, aren't you?"

Alexander stated.

"You are scared that maa will Take that girl away from you... Your fear
is valid because she will and you can't stop her."

Dominick clenched his jaw at his words.

"You can stop this... Stop hiding Dominick, stop running from everyone and everything. You have already fucked up so many relationships don't do it with that girl... Give her the love and respect she deserves or let her go..."

"I don't need your advice..."

He growled.

"Does Maa know what are you doing with this girl?... It will take just a second to turn her attention on you from me..."

Alexander scoffed.

"She knows that I love her Unlike you. Do you love your girl or you are just abusing her... I haven't purchased any girl for sex, that too Innocent like her."

"I haven't purchased her"

Dominick spat.

"What's the difference... She is with you just because of that loan."

Alexander closed his eyes frustratingly.

"How could you Dom... How can you step so low? You are raping her!"

Dominick punched him on the face and grabbed his collar.

"I haven't raped her... Do you hear me... I didn't do that"

He growled.

"Get out of here... I don't need you people in my life... Why can't you leave me alone?... Haven't i made myself clear that I am not a part of

that family anymore."

Alexander pushed him away.

"You can't change blood relations by changing your fucking name... We are family and you can't change that..."

His eyes watered.

"You are heartless Dom, you don't care about our feelings... You abandoned us just because you had small fight with Dad... Have you ever thought about Maa, she loves you. She cries everyday for you, she misses you, we all do... We tried everything but your ego is too big...

Why it was so easy for you to leave everything?"

Alexander grabbed his collar.

"I will never forgive you for this, i was your better half. Your fucking twin, you broke me. You left me when I needed you in my life... You

failed as a brother..."

Dominick pulled back.

"I told you to come with me... It's not my fault that you gave up and married that whore just because Dad wanted you to do that. I fought for my freedom, you didn't. You ruined your life with your own hands and now you are running with this girl here and there. You are talking about me but have you think about yourself, what would happen if Amanda get

her hands on Bella."

Alexander scoffed.

"I killed her... Problem solved... And i am not heartless enough to leave Maa alone... That woman will kill us first and will cry later, you are alive because of me. I stopped her from killing you."

He mocked. They both have got the taste of Asian mother's love.

"She loves me, she can't kill me..."

Dominick scoffed. They always fight with the topic that whom Anamika loves more.

"She loves me more than you"

"She tells you that so you won't feel bad... She loves me more... Don't forget you have received more flying slippers."

Alexander mocked.

"What are you, a fucking kid?"

Dominick scowled.

"You started it... Don't fuck with me... Fuck off..."

Alexander pushed him and started walking away.

"Egoistic bastard..."

Dominick growled in frustration.

"When are you leaving?"

"Tumhara baap bhi nhi nikal sakta mujhe yahase" (Even your father
can't get me out of here)

Alexander mocked while walking out.

Dominick rubbed his forehead annoyingly. Alexander always creates problems for him and now a days he has started doing it intentionally.

His eyes fell on the girl and he Smirked.

"Sister in law!"

He looked at her evilly when he got the idea to mess with Alexander.
