

## Marriage To The Mafia Boss -

### Chapter 101 - Luo Han Zheng Is Sick

They are going out from the hotel to the restaurant to get some coffee and bread when she bumped into Luo Han Zheng.

‘Emma, Are you okay?’ Luo Han Zheng is asking about her condition after bumping into her. Li Na is already coming out and shielding her boss from this man. She is well aware of this man who eyeing her lady boss.

‘I am fine. What are you doing in here brother Han Zheng? You look so skinny!’ Emma is making her remark to the person in front of her. She can’t believe that he is changing so much from the handsome person to this skinny older person in front of her. He still looks handsome, but he loses some weight which makes her a little worried about his sudden drop in weight.

‘Good morning Miss Yin. How are you?’ Long Ji is greeting her as usual when he knows her position is always special in his boss heart.

‘I am fine Long Ji. Thank you for remembering me and how are you?’  
Emma is returning her greeting when she can see his condition really not good.

‘Brother Han Zheng, hold my body. Have you eaten any breakfast?’ Emma is getting her body to close into him and helped him to sit up at the one table.

‘Long Ji, get some plain rice congee and warm tea with honey. Li Na go to pharmacy and get some gastro tablet,’ Emma is giving instruction to their assistant. Emma knows about his old diseases with his stomach. He must be under a lot stress lately and his alcohol drinking problem get worse.

Emma is hating this man in front of her until the core of her heart, but she can’t let him die so easily in front of her. This is not the right thing to do. Her heart pain to see his condition like this.

‘I told you so many times to keep something to eat even you are busy. Also, you need to keep down your alcohol,’ Emma is nagging him while stirring the hot congee and blowing it with her mouth.

‘Miss Yin, Boss has been too busy with the company matter, and he always forget to eat some food. He just come out of the hospital because of his liver problem,’ Long Ji is making comment to his boss before stopping because

Han Zheng is giving him a mean stare. He did not want to look weak in front of her,

‘What happens with his liver?’ Emma is looking sternly to his assistant who is standing in between two hard rocks.

‘I will make some hot tea with honey,’ Long Ji decides to run away from them. Emma is feeding the congee to his mouth.

‘I can eat by myself. Long Ji always overreacting to many pieces of stuff. What are you doing in here?’ Han Zheng is asking about her visit to New York. It means their fate is continued to tangle and twist together.

Emma is passing the bowl of congee to him and supervise him to finish his meal. Luo Han Zheng needs to be supervised while he eats his food while working. It was Emma Job to cook for him and bring him lunch. One time, Emma was so busy with her intern, and it make her did not have time to cook for Han Zheng. It turns out that week, Han Zheng stays in hospital for the whole week for his stomach infection.

‘I am having a holiday in here. I am still recuperating from the accident,’ Emma is answering her with a low voice.

Luo Han Zheng is finishing the whole congee bowl and drinking his honey tea. As usual, Emma will not let him go if he did not finish the whole food.

‘Happy?’ Luo Han Zheng is asking her with his pale face. Emma is checking into his temperature and finding out about his temperature.

‘Brother Han Zheng, let’s go to the hospital!’ Emma is going to take him to the hospital.

‘I am fine. Let me just go to my room and lay down. I am too tired from long haul flight,’ Han Zheng is insisting her to go back to his room.

Emma is helping him to his room and take off his jacket. Emma is assisting him until he lay down on the bed.

‘Long Jin, Please cancel all brother Han Zheng meeting today,’ Emma is making decision for Han Zheng. He did not refute all her arrangements as he wants the time to freeze up or stop. He wanted her to care only for him.

‘Emma, can you get my medicine pouch in the suitcase? I need to take my pills,’ Han Zheng is asking her politely. Emma is going to his suitcase and open it up. Surprisingly, he packed it up as Emma instructed as before.

She is easily spotting the medicine pouches as it is her who teaches him when Luo Han Zheng goes abroad or another city for business. She is opening the pouches in front of him and pouring him a glass of hot water.

She can see him going through the medicine and taking a few of them. He is drinking some warm water to wash the medicine down to his stomach.

‘May I hold your hand?’ Luo Han Zheng is asking politely. Emma is giving out her hand to Luo Han Zheng. She always knows he likes to hold her hand when he got sick. Emma is sitting on the side of his bed and playing with her phone while one hand is held tightly by Han Zheng until he falls to sleep.

Li Na is running and get her some quick breakfast when she is well aware about her boss condition. Li Na is getting her some croissants with some coffee so she can have her breakfast. However, she is taking the picture and reporting it to his boss.

Meanwhile, Vito is not happy with the report from Li Na regarding his wife. She will not bump into Luo Han Zheng if Vito did not have to deal with this culprit. He is smashing his mobile phone and swearing to vent his anger to see the picture sent by Li Na. His own wife is holding some other man hand while sleeping.

This time, Vito is changing his clothes into hockey outfit. He is telling Andrea and Max to do the same thing. He needs to shift his crazy mind to something else.

Vito is using his ice skating shoes and getting his stick to get ready to hit the small ball in the middle of the ice rink. Andrea and Max are following him to the ice rink and play the game with him.

Max is telling Andrea about Vito's anger due to the lady boss. Because of this problem, He has to leave his wife alone and lead into meeting with her ex-fiancé, Luo Han Zheng, who is in his mind pretending to be sick.

Andrea is understood and feels pity for the person today. They are going to be the punching sack for Vito wrath.

They are making him feel better and entertain him by playing with the hockey game with him. They are following all his lead to play until Andrea complained.

'Boss, Stop. I am tired. I can't do anymore,' Andrea is going to the side while catching his breath. Vito is becoming really frightening when he is angry. Andrea is falling to the ground with his full costume who already get wet from his sweat. Vito did not spare anyone from his wrath.

Max subordinates are bringing in the culprit for the problem in the Mancuso family. These two people are trying to fight each other and create a big mess for Vito to clean up. The police are breathing behind their neck because of them and Vito really can't forgive them.

They are kneeling down on the cold ice with their business suits when get abducted by Vito's men. Vito is smashing his helmet to the ice.

'Make them naked!' Vito is telling them to strip them off from their clothes in this freezing ice rink.

Everyone is scared of their boss at the moment. Andrea is looking at him with full amusement to vent all his jealousy toward them. The greatly Vito Mancuso kept producing vinegar at the full speed and they are drowning in a surplus amount of vinegar at the moment.

The three people are holding certain important posts inside the New York branch. At the moment of the last attack, they got greedy and easily influenced by the opponent for their own personal advantages.

They start to deal inside the organization to profit for their own pockets and disturb the harmonious relationship within inside the organization. Vito really did not care about their position and relationship with his grandfather. However, they dare to make mess in his organization and make the police

breathe down and look into their organization and have a corporation with Interpol to check and look into their organization.

It comes to Vito attention from one of his people in Interpol and the FBI who alerts him regarding this matter.. Any other things, He has to spend time with them in this ice rink and resulted in his wife walking into Luo Han Zheng trick of sickness.
