'There is an internal problem at the party last night. You were not attending, and they were not happy. They told me that you disgrace them from their loyalty. They are holding another party for you tonight with a poker table. You have to come!' Andrea is reporting to his boss regarding their satisfaction last night.

'Should I yield to my underling, or they are working with me? They are still too arrogant and my late grandfather to indulge them so much,' Vito is getting really annoyed with their word. He does not want to bring her into

the party, but he did not want to leave her alone in here with Luo Han Zheng is keeping eyes on her.

‘It’s up to you but my suggestion is to attend the party. You still need to uphold your image as the head of the underworld clan,’ Andrea is giving out his advice to his boss.

‘I will think about it!’ Vito is closing his phone and arranged for his assistant to book the best make up artist for his wife and get them some outfits for the party.

He is going to the shower and ask Ai Jia to get a car ready for them. He wants to take his wife to have a romantic brunch in the Public library in Manhattan. Vito wants to rent the whole place and arrange a famous Japanese chef Morimoto to cook for them.

Ai Jia wanted to cough blood to arrange his boss wishes for his wife. However, in the reality, they are pushing the boss to listen to their wishes and Don Mancuso is not someone they can trample on.

He is going to see Mimi still sleeping naked on the bed. He is removing her handcuff and letting her enjoy her freedom after she begs her last night by deciding to stay in the mansion.

He is going to get closer to her and kiss her toes to the top of her thigh. He buried his face and tongue to play with all her sensitive parts. She is already wet and opening herself for Sun An to enjoy all his play.

He is not stopped until then when her body is reacting to his touch. She is opening her eyes due to all his arousals in her body. She is starting to moan again.

‘You tell me, my dear girl. What do you want?’ Sun An is sucking her nipple while his three fingers are inside her body.

‘I... I do not know. Ahhhhhh,’ Mimi can’t think straight from all the arousals from his finger play.

‘You are so wet, and it seems your body is sucking my finger inside your body. Let me see if you can take my four fingers inside,’ Sun An is entering her womb with four fingers and playing it inside her body. She is arching her body backward and grasping the bed sheet to vent all these frenzies.

‘What do you want? Lick all your own body juices’ Sun An is asking her again and he takes off his finger and puts it on her mouth. She is obediently licking his finger.

‘I want you inside my body,’ Mimi is telling him loudly. She is already beyond crazy after the whole night of getting tortured by Sun An.

Sun An is taking off his robe and pyjamas pants to show his strength. He is opening one of the drawers to get out one tool to use with her. he is putting the cold gel generously on top of it before shoving it to her arse.

Mimi is screaming in agony for the sudden pain in her body. Sun An does not stop and thrust her to make her shift the pain with the extreme pleasure in her body. It is painful yet so demanding and pleasure.

She is really struggling to sit down on the chair with those things shoved inside her body. Sun An is looking at her.

‘Do you want to sit on my lap?’ Sun An is looking at her when she is going to his lap straight away.

Meanwhile, the maid is serving their food. however, she is letting out the moan from her mouth and Sun An can see her reaches the climax in her body.

Sun AN is taking it out from her body and throw it on the floor. She is throwing herself to Sun An chest after all the craziness in her body.

‘Eat first and I will make sure to satisfy you after the meal,’ Sun An is telling her to eat the food in front of her. He is getting the bread and eating it. he really did not have any big appetite. She is eating the food and ignoring everything and her naked body. She is eating everything so quickly when Sun An is shoving her with his body. She almost choked to death because of the surprise attack.

The butler is telling everyone to leave them alone in the dining room and they can get their privacy. No one is allowed to enter the dining room for a while. The butler feels pity for the girl when she is a good girl to start with. However, her faith tangled with the monster in this house.
