

Marriage To The Mafia Boss

Chapter 114 - Dinner Party

"did you really call Jones to come here? What makes you so angry until you actually summon the God of death to come here?" Andrea is barging into Vito's office without any restraint.

If the big boss is calling his secret weapon to surface, it means something big will be happening in the city.

Andrea is really shocked to get notified of Jones arrival. He will stay with him in C city. Andrea is rushing to his boss office.

"Have you done all the stuff that I have assigned to you?" Vito is looking coldly toward his right hand.

"Yes. I am going back, and I am going to wrap up soon. If I got anything then Ai Jia and myself are going to contact you in your penthouse," Andrea is informing him.

"We are staying in the Lin mansion. You can come anytime with the update," Vito is informing him when Emma is turning on the television for her adopted sister press conference.

In the Lin Mansion, Lin Yan and Jack got picked up by her agent at the hotel for the press conference. The agency is arranging for them to have the grandeur press conference equivalent with Lin Yan brand image as the queen in entertainment.

The grandeur hotel ballroom is prepared as the venue of the press conference. They arrive at the hotel with tight security measurements.

"I never know that you are really famous," Jack is following his wife to the hotel elevator with her assistant and agent. Jack looks like marrying a queen and he feels so small.

His wife is walking elegantly with her impeccable persona looks like a royal descendant. He is looking like a beggar compared to his wife.

Jack is feeling lost with all this madness. He did not sign up to be in the limelight. Jack is really not happy when he sees his wife do everything naturally.

He has to get stripped and change into a matching suit with his wife, and he gets a makeover with his hair and make-up.

Everything moves so fast around Jack, and he gets shocked by the sudden change in his life. He got elevated from only a chauffeur to the husband of a superstar.

"Jack!" he is still in trance and did not realise about his wife. Lin Yan is shaking his body to nudge him back to reality.

"I am sorry. Yes, What can I do for you?" Jack is apologetic to his wife.

"It's fine. I do understand everything is new for you. But I do need you to cooperate with me on this one. we have to act like a couple in love," Lin Yan is asking him.

"I am falling in love with you at the first sight. I always love you," Jack is holding both of her hands to ease her worry.

"Thank you. You just need to follow my lead," Lin Yan is eloping her hand to his arm. Jack is escorting his wife toward her team of assistants.

They are going to the ballroom and get ready to show their love story into reality. Jack is reading the script of their love story.

The ballroom is full of the press and the agency is arranging for some refreshment for them to enjoy.

Lin Yan is wearing a tulle dress with crystal detail all over the sleeveless dress. Lin Yan hair gets pulled up and make a bun with a headband to compliment her glamour make-up.

Jack is wearing a black suit with a silver tie to match Lin Yan outfit. His hazelnut hair compliments his grey eyes.

They are looking really compatible with each other and looks, passionate newlywed. She is clinging to his arm.

They are surviving the intense press conference. Jack is feeling more tired compared to driving straight for fifteen hours. He is slumping in their van, and they are driving back home for a family dinner.

Emma and Vito are already changing their outfit for family dinner. Sun An is arriving not long before Lin Yan and Jack.

Jack knows this man up to no good. He is working for the late Musso family, and everyone grows wary of him.

Apparently, he is cunning and has a side business behind Mr Musso. Jack is talking with one of his friend who works for the Musso family and finds out about the story.

Jack is following his wife to sit down and he is not engaging in any conversation when Sun An is sitting down at the table.

Vito as usual looks expressionless and looks solemn while helping his wife to get her drink. Vito looks at Jack reaction which is not happy and straight.

"Grandfather Sun, I am so glad to see you healthy likewise," Sun An is born and naturally snake in his disguise.

"You are saying that I have to be bedridden. What a nice wish from you? Where is your father?" Grandfather Sun is asking him. He is

well aware of this grandson of his behaviour and is mentally ill.

"Father is resting in the hospital. He gets a stroke attack after finding out about my mother died," Sun An is answering naturally.

In the reality, he is already killed his own mother in cold-blooded and made his own father bedridden.

Sun An is getting mesmerized by Emma's beautiful face. Sun An wishes to know her more and want to give her some sort of security.

Sun An is ignoring the fact about his cousin presence at the table. Sun An even in the open tries to flirt with Emma in front of Vito.

Everyone at the table can see Vito's dark expression and change into darker within a minute.

"An, you have to respect your older cousin wife. She is someone else wife," Elder Sun is reminding his grandson.

"I just being hospitable with my cousin-in-law. Do not get my intention wrong," Sun An is answering back to his elder.

Sun An is moving to sit next to Emma. He is looking lecherously toward her body while licking his lips.

Jack is getting a blanket and covering his wife leg with the blanket. He did the same to his sister-in-law.

Emma is getting all her goosebump after Sun An is brushing his hand into her thigh. He is also stroking his leg to her. Vito can see her facial expression which never lies.

"Sister, what do you think about joining into the Sun family," Sun Lan is in open trying to hold her hand.

Vito is standing up from his chair and pulling up Sun An collar of the neck. He can't hold his anger any longer to see him touching his wife.

"How dare you lay a finger to my wife. No one can touch her!" Vito is unleashing his wrath. He really can't contain his wishes to snap this guy neck.

"Enough!" Grandfather Sun is smashing the table to stop them.
