

Marriage To The Mafia Boss -

. Chapter 121 - The Favourite Drama

‘My only reason to kill the bastard is that he dares to disturb my angel. I will crush him with my hand because it is my duty to protect her,’ Han Zheng is telling him before he stands up and leaves the study room.

‘Is something wrong with the fuse in his brain?’ EXO is making a comment after the door closed up. Exo really can’t stand with his wrong brain fuse for his admiration toward his lady boss.

‘Is something wrong with your brain fuse also? Remember about your claim of duty to protect the lady madame,’ Ai Jia is making comment also regarding his behaviour earlier which almost make him blow up his head to think if he leaves the organization.

‘I still have the duty to protect her. I am happy if the boss does not want Emma. I can take her everywhere in the world and protect her,’ EXO is still blabber for his sincere intention to annoy his boss. He already gets over his crush love and blesses his boss love with his crushed love.

‘in your dream. Are you forgotten your position and position in this world? do you want to stay inside maximum-security prison to understand about your past sin?’ Vito is reminding him about all his past deeds until now that he has the tendencies to break into law enforcement data to steal some information now and then.

Vito is shielding him as he understands his tendencies to break the law. EXO is having a hard time curing his sickness of kleptomania. However, his tendency to steal and break the law come from his kleptomania.

‘I still speechless for your sickness. People steal small things for their kleptomania, but you are breaking into NIS and Interpol to steal their code and information. Next time, can you break into the bank and get me some money?’ Andrea is telling him to use his ability to earn money.

‘Where do you think the source of money from his newest jets inside the hangar of Mancuso?’ Max is opening his mouth to join the crowd for all EXO bad deeds.

‘Hey, you betray me! I manage to get your wife the latest diamond ring from Richard and co. it is not enough to silent your mouth,’ EXO is giving Max a sharp stare toward his best friend.

‘How can Lina get something, and I did not get anything? I thought we had something,’ Andrea starts to weep for attention from his best friend.

‘What do you mean? I do send you the limited edition of Patek Phillip. It cost me more money than the latest Ferrari in my garage,’ EXO is refuting his comment.

‘Enough. I want to know about your next plan!’ Vito is smashing his palm to the table as all his subordinates react like a kindy.

‘I will deal with Su Jin. She is mine,’ Andrea is determined to deal with his opponent.

‘I will deal with the new factory in this city with Max. the factory needs to be burned out to ashes. How dare he made a synthetic drug?’ Jones is getting worked up with Sun An way of working.

‘I am not dealing with anything. You just need to tell me if you need something,’ EXO is telling them really confident for his job.

‘I will restrain Lin Yan so she did not make any problem with you or her sister,’ Jack is giving his contribution when Emma is coming inside the room and go to EXO straight away for hugging him.

Vito is looking at his wife action speechless and does not know to speak.

‘Thank you. How do you know that I have been eyeing this thing for a long time?’ Emma is telling him after she releases herself from his hug.

‘Do you like it? it is an easy piece for me to pull up some connection and get the author to sign the book,’ EXO is telling her with the cutest smile on his face.

‘What do you get, my love?’ Vito is hugging her waist from behind and asking her.

‘These comic books. I have eyed this last book online, but the price is too high, and I am reluctant to pay for the whole amount of money. However, EXO is getting it for me, and it has the author sign the book,’ Emma is telling him with all enthusiasm.

‘I do not know about your hobbies to collecting comic books,’ Vito is turning her to face him.

‘I only like a certain book. I like this story because I love drama. It is the love story of the emperor and his naughty empress. He is so possessive with

her, and she protects him as the emperor with all her heart. Is it not romantic?’ Emma is looking at her seriously about the story.

‘It is romantic. I will make sure to protect you with all my life. Next time, if you want something even it is too expensive. You can just buy it as the credit card that I give you has an unlimited limit. I have more than enough funds to get you the most expensive thing in the world,’ Vito is swiping his index finger on top of her nose.

‘Miss Emma, Can you lend me the only unlimited credit card in the world to purchase the number one football team in Italy?’ Andrea is turning his body because he knows his boss financial position.

‘Eh, I really can buy the football team with the black credit card from Vito?’ Emma is looking at Andrea for the question.

‘You can buy all the football teams in Europe with the credit card from your husband,’ Andrea is informing his naïve lady boss.

‘really. Can I buy my university hospital with a credit card?’ Emma is looking at him.

‘The hospital is already under your name. you do not need to buy it anymore,’ Vito is telling her about the whole scenario to solve the latest problem attacks by Su Jin.

Andrea is smiling cunningly to see his boss aloof expression in front of his wife. He actually gives out the solution to the problem as easy as turning his palm.

Andrea is getting his computer to deal with all his boss instructions. He is changing the ownership in the lightning speed into his lady boss.

In the nick of time, he already prints out the paper and asks his lady boss to sign it. He used all his connections to crush Su Jin in the morning.

‘Fine, you all have your job already. I am going to take my wife to sleep,’ Vito is escorting Emma to go out from the study to the family room.

‘What is he doing in this house?’ Vito is asking her about Han Zheng presence in their family room.

‘He is staying with us for a couple of days as he still recuperating from his sickness. Grandmother Lin is asking him to stay here,’ Emma is explaining

while she takes the empty seat next to her grandmother who is enjoying the cut fruit while watching the historical drama.

‘Grandmother, what did I miss?’ Emma is getting a piece of sliced pear on the table.

‘I did not know about your new hobbies to watch the historical romance drama,’ Han Zheng is asking softly regarding Emma interest.

‘I find this drama quite interesting. He is loving her so much and protecting her from everything while she is doing the same thing behind his back. I read the ongoing book and it is quite interesting,’ Emma is explaining her theory.

‘I can get you to the studio to get their firsthand shooting experience. I also know their actor and actress,’ Han Zheng is informing them about his connection.

‘Can you take this old lady for visiting the scene also?’ Grandmother Lin is asking Han Zheng.

‘Sure. It will be my honour to take these beautiful two lady to tour inside the shooting. Let my assistant arrange the whole thing and we can go to the studio tomorrow,’ Han Zheng is sipping his tea.

‘Are you not taking me? A Man, why your company is not investing in the movie and making the sequel of the whole drama?’ Grandfather Sun is telling his stupid grandson to retaliate against his opponent.

‘You can come also, grandfather. It will be my honour for Grandfather Sun to inspect my newest project in the entertainment industry,’ Han Zheng is feeling proud of his hard work coming to harvest the fruit.

He finds out about Emma new hobbies to reads romantic historical stories from her Weibo account. He is investing in this drama project by buying an entertainment company.

He is really happy to find out about the fruition of his meticulous planning to get her attention. He did not think that his plan becomes successful to attract her attention.

He is looking at her who is busy watching the drama on the television.. He is drinking his coffee while smiling so cunningly.
