‘Arrrrgghhh!!! Do not come closer! I will kill myself if you come near me!’  
Emma screams in her sleep.

Vito is hearing the scream come from their bedroom decides to leave his meeting and go straight to their bedroom.

‘Honey, no one can touch you. I am here,’ Vito is hugging her inside his arm. Li Na is coming to get him the stethoscope to check her condition.

However, Vito is refusing it and kept hugging her so tightly. Emma is sweating profusely. He is asking for a towel to wipe her sweat.

Emma is gasping for air after sobbing in her sleep. Emma is opening her eyes to find Vito’s handsome face within her arm length.

‘Are you having a bad dream? You are safe and sound in my arm,’ Vito is caressing her back and comforting her.

‘I dream that I am already on the ship, and someone tries to touch me. I am so scared,’ Emma still can’t contain her shaking body. In these both lives, the scariest thing in her life is getting violated. Luo Han Zheng has almost forced himself into her when she got confined into his dungeon.

At least, He stopped himself after she cried and pleaded in front of him. However, He still impregnated her and killed her with his baby because of Lin Yan.

‘No one can touch you when I am still alive,’ Vito is giving him a kiss on her head.

‘But you let your mistress slap me!’ Emma is looking fiercely at her husband. She still remembers this morning incident and the kidnapper’s information about the culprit.

‘I will make her pay for your slap. Do you believe me? I will make her pay tenfold for your kidnapping today,’ Vito is hugging her tightly.

‘I promised you! As long as you are happy then I am going to make them pay for your suffering,’ Vito is whispering to her ear.

‘Boss,’ Ai Jia is coming and getting his boss inside the bedroom.

‘You can go. I will wait for you in here,’ Emma is wiping her tears and letting out from Vito’s arm.

‘Speak! I am not going to move from this room,’ Vito is telling his assistant to speak up for the urgent stuff.

‘Are you sure, boss?’ Ai Jia is seeking the confirmation of his boss.

‘Yes!’

‘Miss Sophia is inviting you for dinner and she wants to discuss the plan for the organization. She mentions helping you to suppress the elder’s disagreement about your management,’ Ai Jia is relaying the message from Sophia.

‘tell her that I am not interested. Even If I am not the leader of the Mancuso family, I am still can live,’ Vito is on his end wits to refuse Sophia. She is thinking to use the elders in the Mancuso family to force his hand out.

He really did not know anything about Vito. He manages to become the leader from the bottom of the ladder and survives the politic of the family.

The people inside of the Mancuso family has their own agenda and they always attack each other due to their own agenda.

This time, he will show them and all the old fox about his power. They need to be wary about his move.

‘Go! I am fine and make sure you keep your promise. You still need to work and pay for food on our table,’ Emma is smiling to see her husband.

‘Are you sure? Even if I am not going there tonight, I still can put luxurious food on our table. I want to be with you when you just suffer from the ordeal,’ Vito is looking at her with a wary facial expression.

‘I seriously fine. I might ask Li Na to get me a takeaway ice cream from the cafeteria with an extra wafer and have a movie night. I really am going to

stay here with her. you can finish your work and get back home quickly,' Emma is telling him while caressing his nose with his finger.

'I will. Let me arrange the family room to get ready for your request,' Vito is kissing her thin lip. She is putting her arm to his neck to kiss him back.

Ai Jia already leaves the room and give his reply to Sophia. She is so happy to hear the answer from Vito.

It means her plan is blessed by heaven to get her righteous place in the side of Vito. She is preparing everything to welcome him to their mansion.

She is going to use this opportunity to make him climb into their bed and spend their first night as husband and wife.

She is changing into some alluring clothes and preparing all the food that favourite of Vito. She is making effort with all the expensive wine that comes from their family wine cellar to serve and cater for the taste of Vito.

'Have you gotten the thing that I asked you ?' Sophia is asking her assistant, Gia when she comes inside the dining room.

‘Yes, miss,’ Gia is handing in a small vial of the bottle to her boss.

‘Only this much? How can it be enough for making Vito be submissive into my hand?’ Sophia is looking at her with a piercing deadly stare.

‘I have two bottles of it from the seller. But he told me to use only half of the bottle because this drug is so powerful and there is no antidote. As soon as this drug is in your system, you have to get an orgasm or reach the top of sexual satisfaction to release the hormone to remove the drug,’ Gia is telling her for the drug on her hand.

‘Put it into his favourite Masseto red wine,’ Sophia is telling her about the plan to drug him.

‘Do you want me to decant the wine and put the drug into the decanter?’ Gia is asking for her confirmation.

‘he is already on his way to the mansion. I will welcome him in front of the house. Put it in the decanter and do the wine,’ Sophia is looking at her phone and spraying the special perfume into her body.

Gia is bowing to her master, and she is going to get the wine. Sophia is going to the front area of the mansion and waiting for Vito with her happy expression.

Vito is going out of the car and sees Sophia in her alluring dress. She is coming closer to Vito, but he is ignoring her.

He is entering his own mansion to deal with this little witch. He has already told her about their relationship only based on their team member and nothing else.

This time, she has touched his bottom line and hurt his wife. He will not allow her to do whatever she like when Vito is still the head of the family.

‘Vito, please follow me to the dining room for our dinner. I have brought back with me Masseto wine for you,’ Sophia is telling him and showing him to their dining room.

‘This is my mansion, and I am well aware of the whole house floor plan. I do not have much time to waste,’ Vito is walking to his dining room.

He can see her making tremendous changes in his house with her taste. She has already redecorated the whole mansion as her house.

‘Where is Alfredo?’ Vito is asking Ai Jia for his loyal butler.

‘I told her to get back to Milan. He is getting muddle-headed and his old age means he has to retire early,’ Sophia is getting him the wine and pouring it into their glass.

‘Max, get my old man here. No one can dismiss him without my approval. Get him to pack up all my belonging and move him to serve me in my penthouse. Get the name of all the maids in this mansion and dismiss them from the list of my employee. If they still need to work as them to ask Miss Sophia Pesci. Sold this mansion!’ Vito is tapping his finger when he is giving out the instruction.

‘Where am I going to live?’ Sophia is gritted her teeth and held her anger in front of Vito.

‘Is it my problem? You can go to the elder in the Mancuso family to find you roof to live or you can buy this mansion,’ Vito is telling her with his tremendous cold voice.

‘But I am your mistress and the first lady of Mancuso. You can’t treat me like this and reap all the benefit of the Mancuso Family,’ Sophia is complaining about his word.

'test me. If you want to know my limit!' Vito is playing with the wine glass. Sophia is looking at the wine and hope for him to drink the wine.

Vito is swirling the glass and smelling it in her nose. Sophia wants him to drink the wine so he can belong to her.. this is the only change to drag him to their bedroom.
