

Marriage To The Mafia Boss -

Chapter 133 - The New Drug

'this cake is really good, right? Next one will be the mango gateau and their mocha trifle,' Emma is giving him the last cut of the cake with a lot of fresh cream on the end of the cake. Emma is humming happily to the dessert table and get the mango cake, and few other desserts to her big plate.

'Get me strong black coffee!' Vito demands from Alfredo to get him some coffee refill as soon as possible before his wife come back with more sweets.

Butler Alfred is making his master coffee and serve it straight away in the mug. It got more dose of caffeine compared to another one.

Emma is back to her seat and see the new full cup of coffee in front of Vito's when she is not really happy with the whole situation.

‘Who gives Vito a big mug of black coffee? Butler Alfred, can you change this coffee with a chamomile tea to make him get less caffeine?’ Emma is getting the strong cup of coffee from Vito and hand it to Butler Alfred.

Andrea and the others laugh to see all the torture give to the hopeless Don on the head of the dining table.

Butler Alfred is bringing a set of chamomile tea into the table with a timid face to deal with the devil. No one dare to take away his coffee from him.

‘Madame, are you sure? Maybe, Young master need caffeine for his work tonight,’ Butler Alfred is telling her about the whole routine for his young master.

‘The new rule in this household. No coffee after six pm. If I find out someone make coffee in the night, I will make sure their life will be like hell,’ Emma is telling everyone on the table regarding this new rule.

They all look really concern with their boss well-being to get banned from his routine. Vito did not smoke, and he is rarely drink alcohol. But no one can cure his addiction to coffee.

If he did not get his cup of coffee then he will get a withdrawal reaction in his body which is making everyone in the group become uncomfortable.

‘Babe, you know that I really need coffee to focus on my job. I really can’t live without coffee,’ Vito tries to plea toward his wife with his shock face.

‘Which one more important for you? Coffee or me?’ Emma is asking about the commotion behind of the whole coffee banned. Emma just does not want him to get heart attack due to overdose of caffeine.

‘What kind of option is that? of course I will choose you not matter what,’ Vito is speaking with his wife so sweetly even though realising about his suffering from no coffee in the night.

‘Boss, you are changing so much. We have been together for almost two decades, and you are evolving through this marriage with madame,’ Ai Jia is telling his boss about his change of behaviour.

‘So, what he is looking like before marry me?’ Emma is smiling and looking at her husband so lovingly.

‘He is looking like a straight plain paper. Nothing and no expression and once the paper get crest on it surface. It will be stay there until we are pressing it again,’ Andrea is telling the truth about his boss.

Emma is laughing to hear about the whole situation. She is holding her husband hand and hold it tight.

Xiao Hui is crying to see this warm atmosphere in this group. Regardless of his position as the leader but all of them like a big family in this place.

In the hotel, Sun An is coming a get closer to Sophia on the lobby café. He is not really happy with the whole place for the meeting.

In his mind, they are going to meet up privately in the room. He is going to the reception to book in some superior room.

‘I am going up to room 1449. If you are really wanting to discuss our relationship sincerely, you can follow me to the hotel room,’ Sun An is leaving her on the café to the elevator.

Sophia did not have any other option rather than follow him to the room. She is standing next to Sun An in front of the elevator.

They did not know that one of the subordinates of Max follow them into the hotel and Ai Jia arranges him to get into the hotel camera.

They are proceeding into the room 1449 together when Sun An is opening the room door straight away.

Sophia is following him to the room and turn around to close the door when Sun An is injecting something into her neck.

‘What did you do? What did you inject me?’ Sophia is holding the injection site with her slender hand.

‘I have to make sure your sincerity, so I need some reassurance from my side. I am sorry for the inconvenience, but I have to be safe,’ Sun An is opening the minibar after tossing the used syringe on the rubbish bin.

‘I am going to ask you once again. What did you inject me with?’ Sophia is giving him a deadly look on her face.

‘A little poison called the love desire. It is a special poison create with my special gen mutate to make you want my little seed. As long as I come inside your body then you are settled from the poison. You can try and

check your blood in the laboratories to check everything,' Sun An is opening one of the drinks and pour it to the glass.

'I am pausing our cooperation. Damn you!' Sophia is really angry and go away from the room. She never been so angry and get coerced into something really low.

Sophia is smashing the door and walk out into the corridor to the elevator when she feels something wrong in her body when her knee starts to get weak.

She is getting hard to breathe and try to hold the wall to support her body. It was Sun An who sweep her into his arm.

'I told you and you do not believe me. Now the toxin already goes to your heart and now you get hard to breathe,' Sun An is looking pale inside his arm.

He puts her into the bed slowly before ripped off her clothes. Sophia tries to hold up her last effort to stop him from making her naked on the bed.

‘I try to help you to put off the poison. You do not want it. fine, I will go and you can die before getting back to Emma for taking your man back,’ Sun An is telling her on the bedside while unbuttoning his clothes.

=====

Read the new imagination of mine about the time travel story

‘Look at it, Chun Xia. The new comic of romance between us already uploads online. I can’t wait to see the crown Prince make a move and eat her in their bed. He is so handsome,’ Ji Annie is shaking my body out of excitement.

‘Hey, we are just turning eighteen years old, and you want to read some adult scene. Can you show some restrained young girl?’ Chu Xia told her best friend for her reaction toward her mother comic.

‘I just wish that I become you in the comic, who get entangled by the crown prince and become his wife,’ Ji Annie is preying about her favourite comic made by Chun Xia’s mother.

‘Can you be quiet, and the class almost starts now?’ Chu Xia is telling her while opening her workbook.

An Chu Xia is looking outside the window. The view of the mountain as the background of her class window makes it the perfect mood booster for the boring class. She is in her senior year and not yet make her decision in regard of her university.

Jie Annie is already set to go into the nursing department on the Jian Ling university. Meanwhile, she is not yet sure about her whole life.

The comic is made by the famous comic writer, Yin Lu, her mother. She is making the comic after she finishes work in their restaurant with her father. However, no one know about her mother crazy side which charm the whole country with her comic.

She uses her imagination and my name as the second female lead, to support the female lead of the story. My tragic end already writes down as support for the main character to be the future queen. The wicked second lead who getting in the way and trapped in the early marriage with the crown prince due to the trap set by the female lead. The crown prince agrees to marry her in place of the female lead to protect the love interest of both of them.. In the end, Chu Xia's mother decide to kill her own daughter in the story to give a happy end toward the story of the king and the female lead.
