

# Marriage To The Mafia Boss -

## . Chapter 16 - Lin Yan Scandal

In the small kitchen, there are chefs preparing their scrumptious breakfast. The butler is placing the bottle of water from France on the table.

‘Vito this is too much...’ Emma is closing her mouth with her both hand.

‘What is too much? Nothing is too much for the first lady of Mancuso,’ Vito is pushing her into the dining table before he opens the chair for her.

Emma surrenders to his wishes and sits down on the chair. Ai Jia is handing the butler his boss special coffee. The butler is making the espresso for the big boss and caramel latte for the madame.

‘Vito, can you help me with something? I want to give my sister the taste of her own medicine while I do not want to come and get caught by her...’ Emma is asking her husband for some help.

‘What it is for me to meddle into the Lin Family business?’ Vito is asking her with his cold expression while sipping his water.

‘What do you want?’ Emma is asking him in return.

‘I tell you later.... Remember it’s okay! What do you want me to do? AI Jia...’ Vito said coyly with his aloof expression. His assistant is coming closer to the table and waits for his instruction.

‘My sister is meeting with the new artist, Gao Mika, in the lobby. She must be working together to ruin the new artist reputation with someone who wants to ruin the happy family.’ Emma is telling him about their plan. She is asking for the paper and write down her plan to Ai Jia.

‘Now, eat and rest up... you will soon become a panda if you do not sleep...’ Vito is reprimanded her about her own condition.

‘I will... Can I get a Chinese set of breakfast? How about you, husband?’ Emma turns to speak sweetly to her husband to flatten him.

‘Get me the same as her...’ He instructs the butler who is nodding to his order and excusing himself. The chef in the kitchen listens to their order

and make the orders directly. The butler is changing their cutlery with some spoon and chopsticks while he serves their coffee.

Downstairs in the lobby coffee shop, Lin Yan is working together with the assistant director who already sleeps together with Lin Yan. However, he did not know that Lin Yan just used him as a minion. She was so angry to change the story around as Mika acting better than her female lead. Lin Yan needs to change her way around the clock. Mika is a naïve girl and can be stir or ambush easily.

She already bribes the hotel employee to put something into her drink while the assistant director is treating the director and the other executive crew for some breakfast. The hotel employee will put the drug into the director and Mika drinks.

The server is serving the drink and Lin Yan is as friendly as she acts as an innocent flower. She is taking the same drink as Mika and drink it in front of her. Mika does not have any other choice rather than drink it with her. They are chatting while waiting for the instruction of the assistant director.

Apparently, Lin Yan feels a sudden headache. she is trying to take a gasp when the feeling of coldness comes to her body.

‘I think I need to excuse myself... I am feeling not good and let me go to get some room...’ Lin Yan is standing up. Mika is looking perplexed with her condition.

Lin Yan is walking to the front desk to get a room for her to rest. She is sweating and feeling unpleasant about her condition. The front desk gives her the room key after sweeping her credit card. She is going to her room and taking off her clothes straight away to remove her body’s unpleasant feeling.

However, someone is opening the door to her room when she is naked. She cannot think anymore and pounced her body toward the person. He is taking off his clothes and joining her inside the shower cubicle. Lin Yan knows the scent of the body belongs to the assistant director, Long Man.

She did not restrain herself anymore and turn her body to arouse him. he thrust her under the flow of water from the showerhead. She is moaning and screaming to thrust her harder.

Ai Jia is opening the door for the entertainment industry to come inside the room only to find the couple indecent activities inside the shower cubicle. They start to take pictures and videos of them together. As soon as the camera blitz blinded their eyes, Lin Yan gets sober. She looks at her naked body with Long Man inside of her. the reporter can see her naked body clearly and taking the picture of it.

Lin Yan is screaming and shoved Long Man body away. She is rushing to get the towel nearby to cover her body. She is rushing to find her phone and lock herself into the bedroom. Thankfully, there is a door with a lock in the bedroom. She is calling her assistant and manager to help her with the mess.

Lin Yan is sitting in the corner of the room with only a towel wrapping her body. This is supposedly for Mika and the director, but it becomes her and the stupid assistant director. She is thinking of all sorts of possibilities for the wrong outcome.

In the end, the manager and her assistant are coming to the room. They manage to chase out the reporter and secure the room for her. she is really mad when her assistant brings the bag with her new clothes. Long Man is coming out of the bathroom with his new clothes.

‘What happens? How can you get caught in this kind of scandal? You are the pure flower Goddess Lin Yan... I have told you so many times to be careful...’ Her manager is slamming her bag to the table.

‘I do not know... I am making sure that my door was a lock before I enter the room and how can Long Man enter my room?’ Lin Yan is puzzled by the condition.

‘How do you want me to do the PR now? The company will ask me about this...’ The manager is getting angry with her. at the moment, all the images from her are already ruined.

‘I will ask brother Luo to help me...’ Lin Yan is sitting and acts pitiful.

‘I thought you are marrying him, and how can he end up with Rou Ya?’ Her manager is asking for all sorts of bad luck on her side.

‘My sister sabotages it... you know that I owe my life to her and she does not like me as always,’ Lin Yan become as weak as she can in front of everyone.
