

## Marriage To The Mafia Boss - Chapter 21

.

### . Chapter 21 - The Acting

‘We are married, and I am poor... what other thing that you can take from me?’ Emma is looking at his handsome face with a cute naïve face. Vito really wants to take her inside a bedroom and enjoy her like a hungry wolf try to savour the little red hood.

‘That you have to satisfy me inside our bed contract.... Are you not afraid?’ Vito is telling her without any restraint about AI Jia presence inside the elevator. AI Jia wants to chew into his leather bag to hear the insult from his boss for a single dog like him.

‘Stop it!’ Emma blushed red to hear the teasing from her husband. she can’t believe the demon king that everyone scares off become so shameless. Meanwhile, Ai Jia is feeling these elevator rides took forever until the floor they intended.

They are arriving at the VIP floor when Emma is coming out from the elevator with her husband arm in her hand. He is holding her hand tightly

as if declaring his territory and proprietorship. In the nurse station, Emma bows her head to respect her work Colleagues. They are really surprised to see her in the VIP wards as there is not any Prof Lim Xu's patient on this floor.

They are knocking to the room of Lin Yan before entering the VIP room. They can see Luo Han Zheng and Grandmother Lin on the bedside while Lin Yan is on the bed with a drip on her body. She can see the bandages wrist on her left hand. in her mind, this is exactly as expected from her as the cunning girl. in her previous life, she was able to stab herself to manipulate brother Han Zheng to push the blame toward Emma. at the moment, she is doing the same thing again. At least, she needs to think of another way to trap her into her plan.

'Yes.. grandma. What happened to my sister? wait a second let me go out and heck to sister chart...' Emma is making her face a little concerned about her sister condition. She is leaving her husband in the room while she runs to the nurse station to check her sister chart.

As expected, she can see the wound is not cutting through the artery and deep through her tendon. She actually can rest and discharge at home, but her mental is not ready, and she will get a consult from psych ward.

Emma is going back to her room and look really sad when she enters the room. Her act is really not bad compared to Lin Yan.

‘What happen, my dear ?’ Grandmother Lin is asking in worry for her granddaughter health.

‘Sister Lin Yan will get crippled if she is not undergoing some operation to fix her wound in the wrist,’ Emma is weeping sadly in front of her grandmother. Han Zheng is standing up and almost going to lend her on his shoulder when Vito is reaching his wife and put her into his embrace.

He immerses murdering aura and imposing his noble toward everyone inside the room when he saw his wife weeps. He comforts her by rubbing her back to stop her cry. Emma is using her husband sturdy body to shield her from holding her laugh.

Lin Yan listens to her sister diagnosis and she is opening her eyes straight away. She forgets about the acting and she is sitting up straight away.

‘It is not the doctor told me...’ Lin Yan is telling them with her full strong voice.. Everyone in the room startled to see her reaction.
