‘No, brother Yu. I still have to be inside my room to avoid the suspicion from my sister and the media,’ Lin Yang is telling him on the phone because she already gives him everything for this job.

‘I am also inside the hospital because of you. Why do you not tell me that your sister is the wife of the Mancuso family?’ Bai Yu is asking her while he tries to hold for his anger.

‘It is relevant for this issue. I thought that the Mancuso family will disown her because of the scandal,’ Lin Yang is asking him to confirm her brilliant idea.

‘You are a stupid woman! Deal her with your own power and do not contact me again!’ Bai Yu is reprimanding her with his voice which makes his wound open again. His assistant is calling the nurse to nurture the open wound of his boss.

Lin Yang is really puzzled by the whole situation on the phone. She makes a phone call to the owner of Mercury Rising. She can hear the answer on the other part.

‘Miss Lin, what else do you want?’ the owner is not in a happy mood to answer this women phone call. He presses the button without even looking at the caller ID on the phone.

‘How is everything? Do you already make the big headline for the scandal of malpractice in this hospital?’ Lin Yang is asking the owner of the media channel.

She throws her phone to the wall to vent her anger toward her sister. how can she get all the good things while she gets cast away? The only hope can be toward his dear brother Han Zheng. She comes down to get the smashed phone on the floor and it is broken. She cries alone in the room to vent all the hardship because of her sister. she hates her so much.

In the morning, Emma is waking up inside the warm body of her husband. she opens her eye to find the God made sculptures made bodies next to her. however, she can see some of the marks left on his fit body from the wound. She touches his perfect six-pack abs to his neck and his tall nose.

‘Are you trying to seduce me, Madame Mancuso?’ Vito asks her with his hoarse voice.

‘No. I do not dare to seduce God on the bed. I am going to work,’ Emma is trying to wake up quickly when her head is spinning from the low blood pressure.

‘Be careful...’ Vito is catching her back from the fall. She is taking it slowly when the blanket falls down and showing her naked breast. The mark of their love bites in their body was very obvious on her breast area until her neck. It is the same with Vito where his neck is full of the love bite.

‘Do you need my help to take shower?’ Vito is teasing her with his small cunning smile.

‘Can I survive to take shower without you tries to eat me?’ I turn my body and look at him with a big question mark.

‘It depends on your behaviour. I only play along with your game,’ Vito is telling his wife.

‘My game. What do you mean by that?’ Emma is putting her arms fold in front of her chest with a pouting lip.

‘You seduce me last night, remember!’ Vito is telling her slowly to tease her. she wants to refute his teasing but save it by the phone call on Vito’s phone.

‘It’s grandmother Lin,’ Vito is handing over the phone to his wife.

‘Grandmother, why do you call A Man phone?’ Emma is answering her grandmother.

‘Your phone is off. You have to go visit your motherhouse in Surabaya. This is the remembrance of your mother death also your grandmother really misses you until she falls sick. Your aunty calls me from the hospital,’ Grandmother Lin is telling her granddaughter about her in-law request. They are living in harmony, so she needs to tell her granddaughter to become a filial child for their deceased parent.

‘Are you coming with me?’ Emma is asking about her grandmother feeling as in she is going away to meet her maternal family.

‘I am not good for flying too far away. You already represent me and take A Man with you as you need to be in their festival for your cousin wedding also,’ Grandmother Lin is explaining over the phone.

‘I will call aunty Santi to confirm.’ Emma is telling her grandmother about the trip and close the connection after she is happy to hear the voice from her granddaughter. Emma gives her husband phone back and cross over his body to get her own phone.

She makes a phone call to her aunt in Surabaya. She can hear the morning voice on the phone from her cheeky voice.

‘Is this Emma? How are you? Are you coming for your mother Remembrance Day?’ Aunt Santy is talking non-stop without pause on the phone.

‘I am fine, aunty. how is grandmother’s condition?’ Emma is asking politely her aunty as it has been a long time since she was reborn. She still remembers to believe Lin Yang words to hate her maternal family.

‘She still sleeping in her bed. We manage to bring her to the hospital yesterday and she has been calling your name the whole night. We try to contact you last night, but your phone is off,’ aunty Santi is fluent

speaking the same language as she lives in C country with Emma mother for school.

‘How is her condition?’ Emma starts to worry. She still remembers in her past life; Lin Yang is making a wedge between her with her maternal grandmother for the inheritance. Lin Yan convinces her, and she was not bothered to check the content of the letter from her grandmother.

‘She got her diabetes flare up again because of her mind who missed your mother so much. She still mourns for your mother death until now. She writes a letter to you. Do you want me to send it to you?’ Aunt Santi is telling her about the grandmother condition.

‘Do not send the letter to me, aunt. I will come to visit grandmother,’ Emma told her before she stops the phone connection. She still remembers this time of year during the honeymoon, it means Lin Yang is answering her phone and tell brother Han Zheng about my trip. Lin Yang must tell brother Han Zheng that Emma wants to run away with other men to Indonesia. And then told her that the letter contains a demand request for money from her grandmother. Even her aunty did not mention hospital fees toward her on the phone.

She still remembers her trip with her parent to Indonesia. She can eat all the traditional delicacies and her mother family like to eat together as a big family.

‘Can you help me to apply for another holiday?’ Emma looks determined to her husband to go back and visit her childhood memories with her parent.
