

## Marriage To The Mafia Boss - Chapter 44

### . Chapter 44 - Honeymoon Trip

Professor Lin is telling all the story about the malpractice in the hospital and taking the name of her as one of the culprits. The hospital is already taking their stance and review the whole case. They are doing counterattack lawsuit.

Emma is listening about the whole phone call with a big question about her husband position in the mix. At the moment, she is still on the work to follow their owner to another country for work and not absent for personal issues.

Professor Lim is explaining about everything when she is listening and giving the sharp look to her husband on the bed. She can't believe her husband is the owner of the hospital and university.

'How do you all of this, professor?' Emma is asking her boss about the inside information of the company.

‘Who am I?’ Professor Lim chuckled for her silly question.

‘You are one of the senior professors in the hospital and my direct boss,’ answered Emma on her phone.

Vito is trying to get his wife attention when Emma realises about her husband act. She is ending the phone with her professor to get back with her husband.

‘My dear husband, what do you think about the Qing hospital?’ Emma is asking about his opinion.

‘It is your hospital. What’s wrong?’ Vito tries to close his eyes again to avoid her question.

‘Apparently, I am not on personal leaves, but I am working with the owner of the hospital,’ Emma is trying to ask his expression.

‘So what?’ Vito still closes his eyes with one of his hands back of head.

‘euy, it means that I sleep with my boss at the moment,’ Emma is looking at her husband who look no care with the accusation.

‘Technically, you are sleeping with the boss bosses and bosses,’ Vito is looking at her sharply on her face with a loving gaze.

‘How can you interfere with my job?’ Emma complains toward her husband about him to meddle with her job.

‘I did not interfere anything with your job. You tell me what I have done to interfere with your job,’ Vito is sitting down to get the accusation from his wife.

‘You become my boss and it count as interfering with my job,’ Emma is telling him and she does not want to be defeated by her husband in the argument when she still piss with his husband interference.

‘Did I move you and make you as the head of the hospital? Did I make decision based on your interest?’ Vito is asking her back. This wife of him seems like do not want to be defeated during argument.

‘no.’ answers Emma toward her loving gazing husband.

‘How can you accuse me for interfering with your job when I am really not doing anything? The only problem I have only buy the whole university. Should I sell the hospital separately or closing it down when my interest only at the university?’ Vito is blackmailing his wife to close the hospital.

‘Boss, you can become my boss and I will not nag you anymore. Please do not close down the hospital.’ Emma is asking him for the mercy when she knows his wealth can buy everything in this world.

‘Listen to your boss. I am paying you in my wages at the moment, so perform well for the bonus,’ Vito is pinching her nose to show her some love.

‘Why I feel like prostitute at the moment. I have to serve my boss really good before he will run away from my bed,’ Emma is putting her body on top of her husband and her hand goes down to play with him.

‘Do not wake up the sleeping beast or you can’t come out from the bed!’ Vito is reminding her about her teases.

Emma is pulling off her hand and rolling over to her side of the bed with her naked body. Her back and waist still pain from his overbearing love making activity last night. She can’t afford to do another round with him with her current condition of her body.

‘Please let me go, boss! My body feel ache all over,’ Emma is putting her hand together and begged into her husband to let her off this time.

‘We are in our honeymoon phase so why should I let you off from the bed?’ Vito is asking for her excuse.

‘My body can’t take it anymore. Please let me go this time,’ Emma really begged her husband before he get her. Emma already runs toward the bathroom and close the door. She manages to get ready in peace when Vito is still lay down on the bed with his phone. He wants to read about the world news regarding the middle east.

Emma is already finished her shower and wear a floral dress with a ballerina shoe. She is putting her hair into a messy bun and light make up before she prepares her husband outfit. She loves to prepare his clothes.

Vito is taking cold shower to suppress his wife teased this morning. When he finished his shower, the clothes prepared by his wife already lay down on the closet. He can see his wife on the powder table to apply some make up.

‘Boss, can we eat breakfast in the hotel? I want to eat downstairs in the restaurant,’ Emma’s eyes is glistened with hope. Vito is nodding to her

request when he used his wristwatch. Emma is putting her earring and wedding ring on her finger after putting make up.

Vito is escorting her to the restaurant down stair. There is a line to enter the restaurant to check their room number. Vito is resting his arm on her waist while queue for their breakfast.

‘Do you know that this is the first time for me to queue to eat?’ Vito is telling her about these experiences.

‘There is always first time for everything,’ Emma is telling him while giving a small peck of kiss on his cheek.

‘Do you want to do something while we are in our honeymoon trip?’ Vito is looking at her with the whole loving gaze. He realises already fall in love with the beautiful girl in front of him.

‘This is not our honeymoon! You are so cheap to think if this is our honeymoon trip,’ Emma is complaining to her husband. she really wants to go somewhere else not to her maternal country.

‘Where do you want to go?’ Vito is looking at her seriously to find out about her whole idea about honeymoon.

‘I want to spend time to Europe. Italy, Switzerland, Paris and many other places. It will be so romantic,’ Emma is holding his arm tightly while resting her head in his shoulder.

‘The essence of honeymoon is baby making. Why should we travel everywhere in Europe? We can go to the Mancuso estate in Italy,’ Vito is caressing her hair.

‘You can make baby with the bar soap inside the room. I want to explore the city. You have an estate in Italy?’ Emma is looking at him with amusement.

‘Of course. My father is from Italy, and we have a lot of houses in Italy. You are the Madame of Mancuso family, so you have to take care of it,’ Vito is telling her all of his asset in Italy.

They are going to the restaurant after queue for a while. The waitress brings them to the empty table before asking them about the coffee. Emma is having a cappuccino and Vito is choosing an espresso.

Emma is standing up to get some food on the plate. She is looking like a small kid who spend time inside the lollies store. She is going around and check in every station for the food.

She is ordering some egg benedict halves cook for Vito and fried egg for herself. After that she is going to fill up the whole plate with all the hot food on the Bain marries buffet area. She is getting some local food on the buffet station.

She is making trips another two times when the table is full of all the food. there is many assortment arrays of food on the table.

‘Emm, who is going to finish all of this? I am not a big eater during breakfast time,’ Vito is telling her about his habits.

‘It is for two of us. You can start and eat which one you like,’ Emma is telling her husband about the food on the table. She is getting out of line by bringing all the food into their table.

‘You can eat first. I am still reading some of my work emails,’ Vito is telling her to start digging into their food. this is the first time, he ever sees so much food in front of him in the morning. he is confused at the moment to see all the food in front of him like there is no tomorrow.
