

Marriage To The Mafia Boss - Chapter 46

Chapter 46 - Getting Hook

She is bringing back the bag on the table in front of Celine. She is already eyeing one of the newest bags on the shelves. She wants to get the bag and ready for the whole deal.

Apparently, the store person with her direct supervision is getting a scissor and cut through the bag to get confiscated by them.

‘I am apologizing but you are using the counterfeit products of our brand. We have the right by law to confiscate the whole bag. We are not going to reimburse you for your counterfeit bag. If you like to purchase our bag, we are going to offer you five per cent off,’ The supervisor is telling her politely about the broken bag inside their rubbish bin. Her Hermes Birkin bag is fake, and she pays the whole price from saving so long. She bought it pre-loved and just find out about it being fake.

‘Are you accepting international membership cards?’ Emma is opening her Dior bag and opening her Hermes wallet. She is flaunting her platinum orange membership card to the staff.

All the people in this store including Celine and her packs got gobsmacked to see this poor lady is taking out the membership card from this brand. She is also taking up some shirts and tie with the accessories for her husband.

‘How can you afford to pay for all of this stuff when your dress may be worth only several dollars?’ Celine still has a bitter heart after every prank of her failed plan to get a new bag. Now, she ended up with a paper bag to go everywhere inside the mall. The worst thing is all of this happens in front of her friend.

She will be the talk of the town soon because of all the humiliation today. She can’t accept it as easy as that when her face gets smear with the shit all over.

‘How do you know if my dress is not expensive when your bag is the fake one?’ Emma starts to retaliate on her rant.

‘You! How dare you to defy my knowledge?’ Celine starts to rant over regarding all the arguments. She can’t lose her image in front of her friend.

‘Madame, how do you want to pay?’ the shop lady is presenting her with the bill.

Emma is opening her wallet in front of everyone in the shop. Celine is gobsmacked to see her taking out the black platinum card. At least, her husband manages to give some of his wealth.

‘put it all on this card,’ Emma is flaunting off the card in front of her purposely before put it in the tray for the shop to pay.

The shopkeeper processes the payment and gives it back to Emma. She told her bodyguard to bring all the bags and she left the store.

In the hotel room, Vito is listening to the explanation of his research and development team about the stealth mode.

Out of a sudden, his phone gets a message notification from the bank.

‘Your card xxx 7650 make a transaction in Hermes, Int for % 9,565.00. If this is not your transaction, please call 1532 to notify us.’

Vito is smiling happily to read the message which makes Andrea stood up behind his boss and take a peek into his phone and manages to read the messages.

‘Boss, someone just spend almost ten thousand dollars and you are so happy. Can I spend money also on your expense and get reimbursed?’ Andrea is teasing his boss. They are the best friends for almost a decade with them. He never actually takes them seriously on their joke.

‘Andrea, you need to warm boss’s bed then he will spend all his money on you,’ Ai Jia is answering his workmate speculation about the money.

‘let’s go, boss. I will warm your bed tonight even though it will be at crosses purposes with my faith. I will sacrifice my life only for you boss,’ Andrea is kneeling on the side of his boss and put his hand into his thigh. Vito put his gaze toward this joker on his right side before smack behind his head.

‘Wake up and start working,’ Vito is reminding him. they are in the middle of this meeting with the research department in Man Corporation. The Stealth is ready to get on the line to the air from the station of worship in the middle of the Atlantic.

The stealth plane is on air and in beta testing mode. This streaming is online with the defence of the ally’s country for the selling purpose.

It goes with the light speed and roaming into the air of the middle east and get already permission from some of the countries in the area before the plane goes into stealth mode. It shows all the latest abilities of the plane and is ready to bomb the target. The headquarter report of extremists provides by the Mancuso organization spy. They have built their intelligence over every target meticulously and help each country to get the target.

As expected, the bomber makes a huge impact in the area when they manage to flat and exterminate the entire area. It is confirmed that the extremist has been destroying by the target and the plane back to the warship in the express time.

As much as it's perfect Performa, the ally's start to put in their order for the ultimate plane order. However, Vito is putting it on hold as this prototype is still in Beta tester mode. He is getting into his businessman mode.

There is a huge commotion into the invitation of the live stream for the Man Corporation in regard to their ability to produce many extravagant technologies into the weaponry technology amuse the crowd.

In the Alban, Max subordinate manages to get Vito, aunty, back to the C city away from Suzy. Vito let her get cohabitante with his grand-uncle which will come to the mercy of his palm and his grandfather. As much as

he wants to strangle her, but he wants to keep her as the last. He will play her around and make her gain some advantages to be on his uncle bed. Vito is well-aware of his uncle lecherous character.

Suzy is waking up naked inside of the arm of this fat old man. She has to use her body to flatter this lecherous man next to her. apparently, his sexual drive needs a little nudge and he really uses her body really well in his old age.

Suzy body feels like a wreck at the moment on the bed. Sun Tian Ming is sleeping soundly on the bed with this beautiful girl on his arm. It has been a long time for him to taste this young body like last night. It drives him crazy to indulge himself in his arm.

He is opening his eyes and see her young and naked body in his arm. He turns around and can see her awake on her side of the bed.

He kisses her again and put her under his body to arouse her again before he pounces her body again until she screams and begs him to stop. This is the first time Suzy to lost control of seducing a man.

Tian Ming is getting crazy with her body, and he can't stop enjoying her body over and over. Her young blood and body make him can't get enough of her. he needs to bring her back to the C city.

‘Can you come with me and become my mistress?’ Sun Tian Ming is asking her after their second round of sexual intercourse when Suzy is feeling overwhelmed with his desire.

‘What?’ Suzy gets surprised by his proposal. She wants to run away and regretted her decision to approach this guy. However, she remembers the pain receives by her family and it was more painful than her experience at the moment.

‘yes, you are not going to become my legal wife as I have one already which make my head blow up. but you are going to have everything the same as my first wife. I will take care of you as my woman,’ Sun Tian Ming is informing her about his proposal.

‘How about if someone tries to hurt me? Are you going to help me seeking revenge?’ Suzy is asking for his confirmation with her hoarse and weak voice.

‘No one can touch one strain of your head in C country. You are going under my wings protection and my family is the oldest clan in the country. No one dares or brave enough to find a problem with us,’ Tian Ming is selling his family name to get her hook. Suzy obviously gets hook on the power of his family reputation in the country without being aware of Vito relation with the family.

'I will go with you as long as you keep your promise,' Suzy is putting her arm into his neck when he is getting happy to hear the answer.. He is pouncing her again after hearing her answer which makes him so excited.
