

## Marriage To The Mafia Boss -

### . Chapter 66 - The Divorce

Lu Xi tries to contact Han Zheng, but he did not answer any of her calls. She checks into his phone location with the special app that traces his phone number. He is located in Qin university hospital. Lu Xi already making calls and remind Emma to stay away from her man.

She is throwing her tantrum to fail to get in touch with his man. Lu XI is smashing all the furniture in the apartment as she learns the truth about the history from this apartment.

She spends her last saving to pay the personal investigation to give her background check to Luo Han Zheng and Emma Lin. This apartment chooses by Emma and decorates by her accordingly to her taste. Han Zheng cherished this apartment so much and no one can stay in this apartment.

Lin Yan in her room is delivering a blow to Ru Ya. As usual, she is going out of the hospital with her favourite ice chocolate on hand. Lin Yan is paying someone to do her dirty job. They kidnap her and inject her with a potent miscarriage drug.

The problem is the drug coming from the black market which is not a reliable source on the side effect. The drug can make someone lose or miscarry their baby when they are pregnant. However, Meng Ru Ya is not pregnant at all. she is feeling excruciating pain and bleeding out. The person paid by Lin Yan throw her back in front of the Emergency room. She is bleeding out and in danger of losing too much blood.

Luo Han Zheng's phone is ringing from the hospital to inform him about Ru Ya's condition. They need to get his consent to do an emergency operation on the phone.

'Lin Yan, I need to go. I have some emergency in the company,' Han Zheng is telling Lin Yan from the door before he left the Lin residence.

Luo Han Zheng is massaging his head while he drives the car. his life has become upside down since the failed marriage. He realises everything after listening to all the suggestions of Lin Yan and lead into all this wrong sleeping around. It was so painful to see Emma's with another man. He is really needed to get everything sorts out.

He sees his phone flashing the name of Lu Xi. He rejected his phone straight away. He drove quickly into the hospital when he can see his parent in front of the operation room. His mother is sobbing about the idea of losing their future grandchildren. There is a grim expression in front of their face.

Luo Han Zheng is sitting in the same place last night. He is so tired and drifts to sleep as soon as he let his head on the wall. His parent did not disturb their tired son when he comes to the hospital with a dishevelled appearance. this is the first time to see their son untidy appearance. they are understanding about something that happened in his life at the moment with his marriage.

The doctor is coming out from the operation room to give an update about Ru Ya's condition. Han Zheng's parent is waking up their son and they are coming closer to hear about the bad news regarding Ru Ya. They have to do a hysterectomy in her womb as the drug makes it worse. If it is injected into her womb with the baby inside it will make it contract and miscarriage. However, the womb is empty without a baby then it contracts and acts as it was a miscarriage. The effect makes it worse without the baby.

They are feeling sorry for the news, but Meng Ru Ya can't carry her duty as a woman to bear any descendant. They are trying all their best to take another way but the bleeding really severe and they can't repair the vessel in her uterus. The doctor is going away and left Luo's family who is still in shock for the news.

They are getting her into the ward and settle her. Madame Luo is not accepting the reality about her lies and Mister Luo can't accept her inability to produce an heir for the Luo family.

‘Han Zheng, I need you to ditch her. I will arrange for our lawyer to process your divorce and get her a nice settlement. But we need you to secure all the project under Meng corporation and divert it to our company. Can you do it?’ Father Luo is speaking with his son in the corridor.

‘Do you want me to divorce her?’ Han Zheng is telling his father about the plan. He did not have any problem letting Meng Ru Ya goes and gaining his freedom to pursue Emma.

‘Yes, and we have to proceed with discreet while you snatch some project from Meng Corporation. Your father-in-law is letting you get access to a few of their project,’ Father Luo is asking his son to get few projects to eliminate their loss.

‘Mr Meng will know if we are taking the project behind his back. We have to make it not so obvious,’ Han Zheng is agreeing with his father when he realises about his future with Emma. He needs to make himself to be having more wealth to provide for her. He will get her the penthouse on the newest building near their old apartment for Emma.

‘I will ask you to handle this discreetly and thank you for understanding about this matter. I will ask our lawyer to proceed and draft the divorce agreement today and can you start to move some of the projects today,’ Father Luo is tapping his son for the small talk.

Luo Han Zheng is going back to his office and get a shower. He is regaining his hope and get ready to do all the jobs ask of his father. He can't wait to meet up with Emma.

Luo Han Zheng is calling in his loyal assistant and do some risk assessments with all the big projects handle by Meng corporation. They are working to analyse the most profitable project and eliminate the rest of the project. Han Zheng is going to get one of the staff to take the fall and provides her with the most remuneration to be able as a scapegoat for their company before he rests up inside his office.

Lu Xi can't stay idle in the apartment without any news from his husband. she is getting ready with her best appearance to get into the Luo Corporation. She did not care about her dignity anymore, but she has to let everyone know about her title as the young mistress of Luo Han Zheng.

Luo Han Zheng assistant is telling the receptionist staff about his boss. If anyone asks about his position, He is on old Madame Lin side to take care on behalf of Miss Emma. In the fact, he has been finished the meeting of the project and rests in his bedroom suite.

Lu Xi is arriving in the lobby of the Luo Corporation. She is walking to the reception to ask about their president. She is even mentioning her title as his mistress. the receptionist politely refuses her entry and call directly the president private phone.

Lu Xi is furious to find out about her husband get wrapped around her palm. She can't accept the reality about her husband ex-fiancée existence around him. she stomps her way out to the Qing university hospital to find out about Emma Lin position.

The hospital front desk informs her about the transfer of the patient family to Man private hospital. Lu Xi does not happy at all as the Man private hospital include the place of untouchable in Lu Xi case.

Professor Lim assistant spot her throw tantrum in the reception staff and hide to follow her. Finally, she is going out from the hospital lobby after the security come and apprehend her. professor Lim assistant is asking his subordinate to follow this freak woman.

He finds out about the reason Lu Xi comes to the hospital to stalk Doctor Emma Lin. Professor Lim will not let his dear student get bully by this crazy woman. Sometimes, he thinks about her mental health needs some treatment.

He reports everything accordingly toward Professor Lim about the earlier event. He is taking notes into her account and praise his assistant to take precautions about the whole incident. He wants an update from Lu Xi acts for tailing her student.

====

‘Did you make him believe you?’ some male voice on the phone and talk to Yi Yue.

‘Not yet. I am still trying to get closer to him. it is not easy as before,’ Yi Yue is telling him on the phone for the task.

‘Get it done quickly. We do not have much time left before the meeting,’ the stern male voice on the phone.

‘Do not haste me to get the thing done quicker. You know about his mind. No one can predict his move and we already get an agreement as partners. If you are rushing me then you can get him by yourself,’ Yin Yue is telling him about his plan.

‘Just do it!’ the male is telling him and close the connection.
