

## Marriage To The Mafia Boss -

### . Chapter 69 - The Abduction Part 1

‘I got the idea of this person. My grandfather is not putting his guard up because he is brilliant to hide his real intention. But we will play along with him,’ Vito is sitting back in his chair and swirling his espresso in his hand.

‘Then we are expecting a good show soon,’ Andrea is sitting back for the upcoming family meeting when the veil will show. They know their boss brain when he gets his eye on something. He has like an eagle with its prey.

Andrea and the other are reporting some of the jobs before Grandfather Sun arrives in hospital. This time his grandfather is storming toward his grandson’s office.

‘How dare do you not tell me about Grandma Lin condition!’ Grandfather Sun is screaming through his grandson.

‘Grandfather, are you flying here?’ Vito is standing up and giving out his seat to his grandfather.

‘Stop this nonsense. How is my sweetheart condition now? You take me to her now,’ Grandfather Sun is instructing his grandson to lead the way.

They are arriving in the ICU room where the grandmother is waking up. Chu Xi is trying to wean off her ventilator. Wen Liang is coming in a hurry to see his grandfather is standing in front of the ICU.

‘Did you just come back from your nap?’ Vito is asking his cousin.

‘Yes, I catch up some little nap. I was going on my way to do some wards visit when I heard about grandfather visits and rush to your side,’ Wen Liang is telling his grandfather while holding his arm.

‘Good boy does not like your big brother. Go and do your work!’ Grandfather Sun is telling Wen Liang to leave them alone in the corridor. Wen Liang understands, and he is going inside the ICU to be inside Grandmother Lin side.

‘Do you want to advise me to be careful, old man?’ Vito is talking to his grandfather with his hand inside his pants.

‘It will be not easy tomorrow. You are being targeted by agreeing to attend the meeting,’ Grandfather Sun is giving him some insight.

‘You even tell me something like this in the hospital. I know about this long before you ask me to participate in the family meeting. I think this is the time for your retirement,’ Vito is laughing to hear his grandfather hidden message. Vito knows well enough there is a spy in his grandfather bodyguard near them.

‘I know that is why I will draft some letter to give you all my share and power tonight. I will get the lawyer to contact you tomorrow. I am going to enjoy the rest of my life with grandmother Lin,’ Grandfather Sun is telling his grandson.

‘I do not want to know your romantic life, old man,’ Vito is refusing to hear his grandfather when Emma is walking out from the ICU to greet the grandfather. They get acquainted soon after Vito introduces her as his wife.

Grandfather Sun will stay with Grandmother Lin while Emma is going for a walk to the coffee shop. Vito is going inside the ICU to check with Chu XI.

In Luo Han Zheng private mansion on the outskirts of the city, he is driving his car toward the mansion. The secluded estate locates on the outskirts of the town. Han Zheng is putting his car into his underground parking to get his car hideout.

He is walking with his leather gloves on the entrance of the mansion. He got this mansion from one of person who owed him so much money. He would renovate this mansion for his bride, but his wedding was not going through, and he did not care before.

Lin Yan poison him with all her lies about Emma, which burn him with all jealousy. He was jealous when Lin Yan informed him about her infidelity with her professor. If he did not believe Lin Yan at that time, He has already married her. They will live happily in this mansion, and she might have been pregnant with their first child.

He is walking toward the dungeon in the cellar room. The smell of pungent from the mould and damp wall makes him choke. However, he needs to teach someone a lesson for crossing his bottom line. Lu Xi dares to go into his company and asking about Emma's location. Emma Lin is his bottom line, and no one can touch her.

'Brother Han Zheng, I think there is a misunderstanding. Why I got lock up in here?' Lu Xi is asking him as soon as he shows up on another side of the

room. there is a bar of iron that barricade them. Han Zheng is kneeling in front of her and touch roughly her cheek with his hand.

‘I have told you last time about my ex-fiancée. How dare you go and find her? You are holding only a strain of my nail in my mind. Now, you have to learn your lesson for doing something wrong,’ Han Zheng is pulling his hand back and standing up.

He told his assistant to open up the wall connected to the cell where Lu Xi was located. There is loud bark from a weird wolf in the next room which launch to attack Lu Xi. However, Han Zheng did not let her get an easy death.

The wolf still got a restrain on his neck which pull him back after making a bite into her feet. There is an agony loud scream from her mouth.

Han Zheng is signing his subordinate to put mouth gag to reduce her loud scream when the black wolf gets release again. This time, it claws manage to scratch her back. The wolf is tearing her clothes when it licks into the blood. It is going to eat part of Lu Xi body when he restrains the wolf and gives some food.

Han Zheng tortures Lu Xi until she is unconscious because of the pain. He throws seawater on her body which sends an excruciating pain to wake her

up. An hour with him seems like a year for Lu Xi. She begged him to stop but her mouth gagged with a silicon ball.

The nurse hires to check for her life to come again after she was really on the brink of her death. The nurse report to Han Zheng about her condition. He is stopping all the madness of torture and agrees to treat her in the room.

In the room, the nurse finds out about her pregnancy. There is a thickened uterus but it is still too early for them to talk about this now.

'I do not want the baby. She is not worthed to get my seed and it might be not my child!' Han Zheng is turning around to leave the treatment room to the study. He is pouring himself a scotch on the rock to calm his nerve.

Emma is going to get coffee after she got her grandmother moves to the VIP ward. She is going to recuperate while Vito is going to his office for some online meeting.

She is going down to take a breather after everything that comes so fast in her life. She manages to change bit by bit her faith. She remembers during

this time, there will be turmoil in the C city when there is a riot in the city by the power fight.

However, she did not pay attention too much for the follow up when she read those on the bottom of the cellar jail where Han Zheng locked her up. She read about the head of the notorious Sun family making a mess in the city and rioting with the abroad force. The government is having a huge job to clean up the mess.

She orders her favourite caramel latte before bringing it to the small garden on the top of the third floor. this hospital votes as the most luxurious and excellent in their service and reputation in the whole country.

Emma witnesses their equipment in the operation room used the latest technologies. They can do minimally invasive surgery for some cases. Their ward also has luxurious items almost the same as in the five-star hotel.

She is enjoying her coffee in the takeaway cup on the garden. She is enjoying the view on the garden and the sky when her phone is ringing. It is Luo Han Zheng on the phone screen. She did not want to pick it up, but he just treats everyone in the hospital with a nice breakfast.

‘Hello,’ Emma voice answer coldly.

‘Are you free to talk ? How are you ?’ Luo Han Zheng voice seems warm as usual. In her memory, his voice seems to change to a cold murderous voice.

‘I am fine. Thank you for sendiiiiiiiiiiii.... Arrrrrrrrghhhhhhhh,’ The voice gets cut as the phone fall down on the ground. Emma got abducted by someone when Emma is walking into the corner of the garden.. They put the unconscious Emma into the sheet dirty cart to bring her out from the hospital.
