

Marriage To The Mafia Boss -

Chapter 7 - Their First Night

the Mancuso Mansion is taking on the foot of the heel on the outskirts of C city. It is occupying almost the whole fifty acres of land. It is designed as an Italian villa with the garden in the entrance as they are in the foot of a village in Napoli. The Mediterranean design on the house makes it exquisite and outstanding in this capital city.

Emma is falling to sleep in his shoulder. As soon as the car pulls in front of the house. The staff is opening the door for the big boss.

‘Boss, do you want me to wake up miss Lin?’ Ai Jia is asking his boss. The fact that his boss is germophobic makes him not want to touch anyone, or he is actually women phobic. He always goes far away from any women.

Ai Jia is getting shocked to see his boss actually carrying his new wife in bridal style while going inside the house. He is following him to inside the mansion with all his boss stuff from inside the car.

‘Boss, do you want me to ask Butler Chu to prepare guest room for Miss Lin?’ Ai Jia is asking his boss from behind when he is following him climbing to the second storey.

Vito did not even reply to his assistant and only gaze sharply to Ai Jia. He is walking into his own room and AI Jia is helping him to open the room with his cold hand. This is the first time; his boss is allowing some other human being to sleep in his private space who is not castrate.

He is making himself bravely and knocking the room softly before Vito is standing and opening his bedroom door for his assistant after a while.

‘Do you want me to stay or leave?’ AI Jia is asking him innocently.

‘How long have you worked with me? Do you seek your own death or want me to expand my business to the north pole?’ Vito is warning his stupid assistant about his question. He has to get shower and continue with his online meeting with the Europe branch. However, at the moment AI Jia is looking at his boss naked chest and his annoying face.

‘I will set up the meeting soon in the study and ask Butler Chu to prepare the coffee break...’ Ai Jia is running away from the wrath of

the lucifer room. He will make sure to ask Luca to push back the meeting due to his boss sexual needs. It will be a first time for them to see his boss indulge himself with woman. He is regretting to knock the room earlier.

Ai Jia is talking in their closing circle of the employee around Vito and spread the new gossip firsthand about the marriage and his first night. Everyone is making remark and acclamation about his boss attempt to get closer to the woman.

In His room, Emma is actually vomiting in his clothes earlier as soon as he lay him in his bed. He takes off the dirty shirt and open the door for his annoying assistant. He has to let her to lay her on her bed after take-off her spoil dress.

As soon as he slams door his bedroom door to his assistant, he is going into the shower and clean up himself from all the vomit from his new wife. This is the good start of their first night as husband and wife. He is wearing his bathrobe to check into his wife. He is making a face washer wet with the warm water for cleaning up his wife. At the moment, she is sleeping with only her underwear. Her slender body with her silky white pearl is actually tempting the inner desire from Vito. His body actually betraying him and acting out behind of the bathrobe.

He is swallowing his saliva while he wipes her naked body. He is noticing his wife wear contact lens but there is no place to place her contact lens. He will need to ask Butler Chu to get her some contact lens solution and some outfit.

Vito is putting his white shirt to cover her naked body after he clean her up. he makes sure to tuck her tightly under the blanket. He is drying his hair and getting ready to be in his meeting. he is wearing casual outfit this time with his hair down without any formal hair style.

As he enters the room with his casual look for business meeting, all eyes in the room is glued to his look. Max, Ai Jia and Butler Chu are looking at their boss who is looking gloomy cold in his chair.

‘Chu, can you make the air condition is not too cold? And can you tell the Soho Department store to send us the newest female outfit for madame? also buy her the contact lens solution...’ Vito is instructing his butler to arrange some necessity for his new wife.

‘Yes, Don... anything else?’ Butler Chu is actually startled but he is really good at hiding the fact.

‘Nothing... where is my espresso? Ai Jia, have you contact Luca to start the meeting?’ Vito is tapping his ink pen on the table. He always does the gesture to annoy Ai Jia to rush all his demands.

‘Boss, Luca and the others already in the video...’ Ai Jia is informing his boss after Luca and the others management staff in their Sicily office on the video. It won’t take long until the staff from London, New York, Mexico City, Brazil and Buenos Aires.. They are looking grim to see their big boss come to the meeting.
