

Marriage To The Mafia Boss -

. Chapter 80 - The Missing Emma

‘where do you want me to drop you?’ Ren Hao is asking drunk Lin Yan. He is putting his hand into her waist and embrace her into his body. Lin Yan is getting an urge in her body and put up her face to kiss the thin lips of Ren Hao. She did not care about the consequences.

In her mind, Ren Hao is handsome and a successful businessman. He is also not a local person which is another plus point.

She did not think anything and kissed him ferociously. Ren Hao is pretending to be in shock and let her do everything to his body. The driver is driving to the hotel as planned earlier to hook her.

As soon as they are arriving at the hotel, Lin Yan is using her mask and proceed to follow Ren Hao. They are going inside his suite room when Lin Yan is jumping wildly into Ren Hao body.

He is letting her do everything on his body until the morning comes when she is sleeping on the bed next to Ren Hao body.

Vito's order to make Lin Yan occupied with his body and charm her until she forgets and do everything in her mighty hand on her behalf for Ren Hao.

Emma is sleeping soundly inside Vito's body in their bed. She is embracing the bliss moment in the morning like this and give gratitude for the second time in her life.

She still remembers in her dream in the meadow to play with a little baby who is cooing and embrace her as his mother. She cuddled him and played until something pull her body back to reality. The tears are coming down from her eyes when she wakes up.

Emma decides to give some surprises to her husband today before she starts work again next week. Emma knows her favourite place just outskirts of the city which has a natural castle looks.

She can use the place and book the whole area. She will prepare some romantic brunch in the area.

Emma can see her husband is still sleeping on their bed. However, Vito is getting his training to sleep and wake up with the slightest movement in his sleep. As soon as she moves her body out from the bed and it alerts Vito to wake up.

‘Where are you going?’ Vito is asking her with his hoarse voice. This is not usual for her to wake up earlier than him.

‘I am going to do some shopping in the morning. Can you spare some time for lunch with me?’ Emma is going to his side of the bed after she almost walks to the bathroom.

‘Bring Li Na with you. Do you want to bring more credit cards?’ Vito is asking his wife who sit at the bedside. Vito is turning his body to face his beautiful wife face.

‘I still have my own card. I am going now,’ Emma is kissing her husband on his lip before the walk to the bathroom to get ready. she can’t possibly use her husband card to pay for his surprise present. She is dissing his idea to give her more money.

Emma is using a beautiful cocktail dress with her natural make-up. she is using her favourite small handbag from the house of Dior.

She is going in the black Bentley car with the driver and Li Na as her bodyguard. They are going to the shopping mall where all the upper class branded stores are located.

She is going to buy a tie as a present for her husband. Li Na is having a goosebump when following her in the shopping mall. It seems like someone is following them.

‘Madame, how about we go back to the house for lunch?’ Li Na is advising Emma about the danger in the mall and make her go back home to be saved.

‘I have an appointment with Vito for lunch together. Why? Something is bothering you?’ Emma is asking her for the request.

‘I feel like someone tail and looking at us. I do not feel safe for you,’ Li Na is telling her about her guts feeling.

‘Fine, we will go to meet Vito in the restaurant. I believe Max is going to bring the whole security with him to protect our boss,’ Emma is telling her about her request.

‘Yes, Let’s go,’ Li Na is escorting her boss out to the lobby area when the newest Bentley car pulls up on the bay. They are going inside the car where Li Na can feel a little bit at ease.

Thankfully, Emma already plans this lunch a week before when she was still in the hospital. However, she just managed to inform and book the restaurant two days ago.

The restaurant is locating at the foot of the mountain Huashan with the pine forest as the background. The fresh air from the mountain and the fresh smell of the pine tree makes the restaurant become famous as one of must destination for the couple to seek solitude.

Emma already sent the coordinates to Vito’s phone while the driver takes them to the area. The road is steep to go up the mountain with the forest on their side.

Out of a sudden, the car moves swiftly to the right and left which make the driver seems to lose control of the wheel.

‘What happens?’ Li Na is asking the driver about the situation.

‘The break is not working at all. How are we going to do it?’ The driver is advising Li Na and Emma in the back.

‘There is a soft small pine tree in the corner right. Get this car to hit those small trees to slow it down. I will send a text message to Max. Madame gets ready to jump out of the car when I told you,’ Li Na is advising Emma who gets trembled and holds tight into her seat belt.

She does not want to die again. It seems her path is not going to be smooth at all in this life. She has to fight to stay alive.

There is a bumping movement from the car a little slow down after hitting the pine tree. However, the elevation of the area makes the car get faster and not slow at all.

In the end, the car moves to the cliff when Emma’s instinct is to jump out from the car. she is getting dejected from the car and flying in the air. she turns her body to see the sky before gravity pulls her back to the earth.

Emma is falling down to the swift river and bring her unconscious body down to the waterfall. She is getting wash away to the stream when her body got hit by the wood on the river before landed on the side of the stream.

The car is exploding on the bottom of the river and killed the driver. Li Na is jumping out and get washed to the river as Emma bodies. She tries to catch her boss body in the river but her weak bodies are unable to catch up with her madame.

Max is running and barge to the meeting room where Vito has his morning routine. There is online streaming of every branch in the world.

‘Madame’s car gets an accident and Li Na sent an SOS message. The helicopter already goes to the coordinate area and found the car explode on the bottom of the cliff,’ Max is whispering everything into Vito’s ear which makes him break the pen in his hand.

‘I want to know who dare to sabotage my wife’s car. is any survivor or is her body found?’ Vito is standing up and walk out of the meeting room. Andrea needs to dismiss the whole meeting and follow his boss.

‘I am still doing the investigation. The chopper is ready for you on the top,’ Max is escorting his boss to the top of the building to get into the chopper.

They are flying to the coordinate where the last online signal was sent by Li Na. took them almost a twenty-minute fly to the area and the forensic already work into the scene with the earliest helicopter.

Vito is launching himself out from the helicopter to find only one body recovered from the scene. The car has been burned down and there is no obvious body except one with his char body.

‘Are there any more bodies recovered?’ Vito is going around with his suit and looking at the terrain. The river water is moving so strong, and it is possible his wife body goes down with the river.

Vito is throwing the stone into the water which makes a heavy sound to fall deep down on the water. It means the river has the depth to the bottom.

‘Get more people to search the area down to the riverbanks. I want thoroughly to search the area until the end of the river.. They must be not far going,’ Vito is hoping the helicopter to get him through the whole area.
