

Marriage To The Mafia Boss -

Chapter 87 - The Wedding Banquet

Vito is making his wife do the final check with the CT scan before he clears all her conditions to go home. Vito is covering her head with a hat after changing her head bandage with a patch bandage.

They are going back to their apartment in the city to get ready and closer to the hospital if something is happening to her.

The makeup artist is already ready in their walk-in closet with the whole dresses on the display for Emma's dresses. Vito chooses the latest design from Milan fashion week for the dress with the pastel peach colour made with the lace material with backless detail.

She will use a wig to cover her shaved hair and they will make it as a braid with diamond headpieces on the side. While Vito is getting the velvet boxes the diamond set jewellery from AI Jia hand.

The team that handles today make-up and hairdo are the best in the country and won numerous competitions internationally. Their impeccable reputation and elegant style are famous in the world. Vito did not hold back in terms of his wife well-being.

Vito is sitting next to her while feeding her some bread before getting her medication to drink. All the member of the stylist team is gobsmacked to see the scary boss like Vito become a domestic henpecked husband.

In the Sun mansion, madame Sun Tian Ming is busy arranging the grand banquet after her make-up. she wanted to showcase her family reputation to her in-law. Her son will use the artificial hand to cover his missing hand.

This time, Ru Shu is already getting the makeup and hairstyle. She is going to change into her expensive dress when Bai Yu comes inside their walk-in closet. Bai Yu is getting turned on due to her make-up.

She is going to wear her usual underwear before the dress when Bai Yu is stopping her to wear any of her usual underwear.

‘Open the box. I have prepared something special for you,’ Bai Yu is tapping the boxes with his right wrist.

Ru Shu is obediently opening the satin bow on the top of the boxes and opening the boxes to see the micro-G-string with the garter belt attached to the stocking.

‘How about my bras?’ Ru Shu is asking him before he looks at her body.

‘Take them off. Did you shave the bottom part?’ Bai Yu is asking her. Ru Shu is nodding her head while taking off her underwear in front of her husband.

Bai Yu can’t contain his urge anymore when he jumped into her naked body and thrust her body until he releases his urge inside her. Ru Shu already gets used to satisfying his urge anytime and anywhere in this mansion. She did not feel shame anymore as matter of fact, she likes the adrenaline to walk around naked and have sexual intercourse in the public area.

Ru Shu is going to the bathroom to clean up after their intimate intercourse. She is drying her body and applying all her skin body products. She is starting to use all the expensive skincare after she is married to Bai Yu.

Ru Shu is helping her husband to get ready and wear his tuxedo. She is wearing the G-string and garter belt attached to the stocking. She is getting her wedding dress when Bai Yu call her to sit at the table.

Ru Shu is obediently following her husband instruction and sits at the table. Bai Yu is getting the box with his wrist and giving it to her.

‘Open it and put it inside your body after you make it wet with your saliva,’ Bai Yu is telling his wife while his wrist is rubbing her private feminine area. He has aroused her feminine area with his wrist and biting her nipple to make her wet. Bai Yu is telling her to put the three love balls into her body. She is putting it inside and she is feeling some shocking feeling flutter from her lower body.

She can moan with every small movement and get aroused with the love ball. Out of a sudden, her body is becoming really sensitive with every movement. Ru Shu is wearing a mermaid style ivory lace wedding gown. The dress is covering her whole body with sleeveless which show her slender body.

Ru Shu is looking elegant with this gown chosen by madame Sun. she is wearing an expensive Italian designer shoe and wearing diamond jewellery on her ear and neck. She is trying to walk properly when the love ball inside her body is moving and arousing her body. Her naked nipples are rubbing against the soft clothes material and make it hard.

She only can lean into her husband arms after she helps him to attach his fake hand to his wrist. They are going from the Sun Tian Ming Mansion into the old Sun mansion.

In the old Sun Mansion, the guests are already arriving and as a good host. A couple of Mister and Madame Sun is playing the good host into the party. Madame Sun is already found out about Suzy as her husband mistress, but she did not say anything.

Madame Sun is feeling a little bit relieved to shift her husband attention and childish request to the mistress. however, tonight they are playing the roles of a happily married couple.

The newlywed bride and groom are arriving in the old Sun mansion. Ru Shu is looking happy to see the size and luxurious style of the mansion. As expected by her rumour of the Sun family reputation. She is going to become the first madame of Sun.

All her family from the villages and her friend are coming to the mansion which has already turned into the banquet area in the back garden. They are already seated when the groom and bride are entering the area.

Everyone is really satisfied with the beautiful bride at the hand of Bai Yu. She looks really elegant in her dress and her crimson red face.

However, as soon as they are already taking their place on the stage, Vito is holding Emma in his arm and walking inside the room. The spotlight is

following them as they are entering the room and take a seat on the VIP table.

They have practically become the bride and groom in this banquet for entering the venue after the actual bride and groom. Vito's exquisite handsome appearance with his Italian designer suit combined with a peach pastel dress and wedding braid on her hair make Ru Shu appearance abysmal.

Vito is pulling out the chair for his wife before sitting next to her. Max and Li Na are standing behind them and the Mancuso bodyguards swarm the garden to guard their boss. Vito subordinate even takes care of the control room with EXO who is taking care in the back end.

After the accident with his wife, he did not take the smallest change for her well-being and make sure for her protection. Vito also has his own bottle of wine to drink which is already checked for poison.

Ru Shu is looking at the handsome young man at the VIP table and envy for the woman. She is wearing the best and expensive stuff from the top until the bottom while in reality, Ru Shu has to stick with this disabled man who tortures her.

Vito is getting some cold water for his wife as she is still under medication which is not going to work with the alcohol. Vito private chef is already in

the kitchen and overseeing the meal only for their boss and their lady boss. Vito is making sure their meal does not contain any poison.

The master of ceremony is starting the whole event and invites the bride and groom into the stage with their parent. They are making this as their marriage banquet where they are cutting their wedding cake and toasting with the whole guest.

Vito is giving them a generous red envelope as one of the elders in the family. Bai Yue is looking really angry to see Vito on the table with his wife. He can't believe his arrangement to kill his wife was not successful. Bai Yu is looking at his father regarding the couple who is sitting at the VIP table.

The old Sun is streaming online on the screen. He is blessing their marriage with a special thick red envelope and jade bracelet for the brides. The newlywed couple is bowing to their elder on the screen and the gratitude and respect.

The wedding is continued with the dinner service and entertainment where the family include the groom and bride goes around to give toast personally to the guest. Bai Yu does not want to come and give a toast to Vito.

However, Vito is the new head of Sun Family.. As the rules in the family, Bai Yu does not have any choice rather than following and respecting Vito as his elder in the family.
