

## Marriage To The Mafia Boss -

.

### . Chapter 93 - The Big Blow Up

‘Honey, What are you doing in here? Did you eat already?’ Vito is acknowledging her presence inside the study room. She is walking inside Vito’s study confidently.

Emma is looking around the study and making sure only her husband was inside the study room. she is satisfied after looking around the room. Emma is locking the study room before she walks to the sofa.

‘I am hot. Should I take off this coat?’ Emma is trying to seduce her husband. Vito is standing up from his seat and walking to his wife on the sofa.

‘Why do you wear a coat inside the room?’ Vito is getting a cold bottle of water to the table in front of the sofa and help her to unbuckle the trench coat on her body.

‘You have been ignoring me for the whole day. I was shopping with Li Na and I forget to take off my coat,’ Emma is making up some story.

‘I am sorry. I am going to wrap up some work now and I promise to spend time with you tonight. Have you eaten dinner?’ Vito is telling her about his job. There is an urgent matter in the organization when one of the moles create havoc in society. He is managed to suppress all the news and corporate with the police in Italy.

Vito is making sure to catch him and bring him to justice by handing him to the police for the court order before putting him into the unspeakable jail in the world. The police commissioner is agreed with Vito reassurance when he is well known with his word.

He has had a headache for the whole day because of this problem. He has to mobilize the whole Mancuso staff and resources to find him. It is waste of time and money in his mind for finding this culprit. He is making Vito really angry.

They manage to locate him and catch him again. This time, as per Vito instruction, they are injecting him with the medication to slow his way of thinking.

Nobis is getting the extra security to make sure about this fugitive is not going away again. They are handing him to the police to get his punishment and Andrea is pushing his case to be judged quickly. However, Vito already makes arrangements to send Nobis first to the prison and make an excuse of him getting executed by the fellow prisoner.

Vito is making a hefty sum of donations to the Italian legal system for this problem. The most thing makes him angry because he lost one day to spend with Emma.

As soon as Vito opens her trench coat, and it shows a seen through black lace lingerie's. Vito is smiling to see her wife delicate and slender body.

'Ah, I forget. I need to change my clothes,' Emma is getting her trenched coat back and standing up. Vito is sweeping her in his shoulder in one action. He did not care about the complaint from his wife when he puts her head upside down.

Vito throws her on their bed before Vito is locking their bedroom door. He can't believe hearing his wife utter the word. He can't allow anyone to see his wife body in those clothes outside of this room.

He is taking off his clothes and leaving only his underwear. He is jumping on top of his wife and start to release all his urge.

‘You tell me if you get hurt or uncomfortable,’ Vito is stopping all his kissing on her to remind her. Vito was tearing off the expensive gown. It makes Emma blush with his treatment before nodding agrees with his word.

Vito did not give her any mercy and was intimate with her for the whole night to satisfy his love of her body.

The room filled with their hot air of love. Vito did not let Emma goes until the dawn come through their room and Emma said her word to stop the beast, Vito, in the bed.

In the hospital, Bai Yu and the others are getting in the same room. the feet, hand, and tongue get removed from their body.

Madame Sun and Ru Shu get gobsmacked to see their appearance as soon as they get off from the operation room. the three of them get their tongue removed, the doctor said they can’t save their knee and do amputation to save their lives.

Bai Yu is moving his head and opening his eyes. He wants to ask for water when he can’t talk. He only can hear a heavy tone of groan.

Ru Shu and Madame Sun are getting closer to Bai Yu. They are crying to see his condition. He is moving his leg easily, but he can't feel his feet. Bai Yu is removing the blanket to find out about losing his feet from the knee.

Bai Yu is throwing his body back to the bed and screaming in agony for his life ahead. He can't do anything. He lost his voice and feet, on top of his hand.

'I am here, honey. I will be your voice, hand and feet,' Ru Shu is trying to calm her husband. Bai Yu is ignoring her word and he is trying to roll down from the bed in the wish to kill himself.

They are getting hysterical to see him befall from the bed and his blood is everywhere from the detached tube from his vein.

Madame Sun is calling the doctor to help her son to be back into his bed. As the doctor gets instruction from Vito to preserve their life. The doctor is checking and injecting him with the drug to induce him to sleep.

The doctor is making his diagnosis that the patient gets depressed with his condition. Ru Shu is getting sad to see her new husband condition. She can't imagine the person who actually does something vicious to her husband.

There is no way back as she marries him already. She can't go back to her family and village or become a laughingstock.

Madame Sun needs to keep Suzy alive for the baby inside her stomach. She is asking the team doctor regarding her pregnancy when it is mentioned the baby is still fine.

Her feet become weak, and she is sinking into the bottom of the hell for this time. Tian Ming assistant is calling his phone who is with Madame Sun.

She is picking up the phone to get another blow on his face. Their business and mansion got seized by the government because his husband get caught evading tax.

As soon as she hears the news. The phone is falling down to the floor. this must be the retaliate payback for her husband and son who is trying to kill Vito's wife.

Ru Shu can see her mother-in-law get shocked and get her to the chair. She is giving her some warm water. Madame Sun is having her mental breakdown and wanted to wake up from this nightmare.

All of them want to wake up from this nightmare as soon as possible. Madame Sun is thinking about her dowry to salvage their family. They are having one more mouth to feed at the moment.

Lin Yan is in the capital and getting ready for her new movie shooting. She has been busy with her new fling, Ren Hao. He is really good to pull the string in her heart with all of the girls can imagine.

Ren Hao is making sure to use all Vito's resources to fool Lin Yan into his charm. Ren Hao is using his charm to thread their relationship. He is becoming the best boyfriend ever in history. He is not demanding and becoming a real gentleman.

Lin Yan was going to satisfy all of her ambition to become the first lady from the prominent family to Ren Hao.

She is making a call to her private investigation for investigating Ren Hao. Vito already put his cover really deep into the disguise. Ren Hao is the only son from the family and he is only having an old grandmother to mend and come from a wealthy family in the south of the country.

He is graduating from the first university in the US and just recently come back to take care of their family business from his grandmother. The company flourished in the market and prepares to become public soon.

The file is ready for the investigator to be picked up from Vito's secretary office. He is walking to the usual place in the nightclub for meeting Lin Yan. This is the easiest task for him to do because he will not dare to comfort Vito.

He is going to give the whole folder to Lin Yan when she is nobody compared to the lord of the underworld. If he crossed Lord Vito's instruction then it will be his doomed day.. The investigator is waiting patiently in their usual VIP room until she is coming with her disguise.
