Chapter 149: Even If I Did Do Something to Lu Jingye, What Can You Do to Me?

Qin Yuqiao did not even bother to put up the façade of a lady as she made a ruckus about calling her brother to pick her up.

Zi Yi looked on coldly at Qin Yuqiao's act. She decided to investigate what business their family dabbled in, and what they had wanted to do to her.

Before Qin Yuqiao's medical report came out, Qin Yi had arrived beforehand to pick her up.

Dou Xiangling did not give Qin Yi any face when he arrived.

Looking at his departing car, Dou Xiangling asked Zi Yi sullenly, "Yiyi, did you know beforehand that Qin Yuqiao did it deliberately?"

"Yes." Zi Yi walked in another direction after she gave her response.

Dou Xiangling looked at her back view and reflected on her own standards of befriending people.

She felt that it was better not to befriend such people.

She chased after Zi Yi and asked, "When did you discover their ulterior motives?"

Zi Yi recounted what had happened the previous time where Qin Yuqiao paid for the clothes she bought.

In the end, she asked, "Do you think she feels willing in her heart?"

Dou Xiangling remained silent. In fact, for this type of situation, it would not be an issue if one party did it willingly. But on the other hand, it would incur grudges if they were unwilling.

She thought for a moment and asked, "How much were the clothes and shoes you bought?"

Zi Yi told her a number.

Dou Xiangling secretly decided to transfer the money to Qin Yuqiao shortly. She had managed to save up millions over the years and it should suffice.

Zi Yi had seen through Dou Xiangling's thoughts. "You're not to give her the money."

Dou Xiangling looked at her seemingly about to say something but ended up not speaking.

She felt that if they did not pay Qin Yuqiao back, some other things would happen in the future.

Dou Xiangling did not say much afterward as her mind was preoccupied with this matter.

As for Zi Yi, she was not someone who liked to small talk.

The two of them returned to the exhibition in silence. Dou Xiangling brought Zi Yi to tour around. Shortly after, it was almost noontime.

"Yiyi, let me take you to M.Uni's[1] canteen for lunch, the food here is very famous."

Zi Yi did not have any objections and the two of them headed to one of the canteens.

Even though it was a canteen, the interior design was very different compared to a standard university.

There were plenty of spaces, and each space had single seats, double seats, large tables, booths with bookshelves, and tables with sockets. One could pick up a book to read or use their phones or laptops as they ate and studied.

The moment they stepped into the canteen, they immediately became the focus of attention.

Dou Xiangling led Zi Yi to the ordering booth. But before they could walk far, a woman suddenly pointed at Zi Yi and spoke in a higher pitch than normal. "You're that girl that used a bag to cover your face when you most likely did something to our male god!"

The moment she said that many people in the canteen took out their phones, checked the photos on the forum, and looked at Zi Yi.

"That's right, it's her."

Several girls angrily walked up to her at the same time.

Dou Xiangling hastily stood before Zi Yi and asked, "What are you thinking of doing?"

One of the girls said, "We just want to verify."

She then directed a question at Zi Yi. "What did you do to our male god earlier?"

Another woman added on. "What school are you from?"

The girl before them was too beautiful. If she was from M.Uni, she would have been well-known throughout the campus. It was impossible that no one recognized her.

Zi Yi looked at the several girls standing in front of her, acting as if she was their love rival. She curved her lips and said in a very irritating manner, "That's right, it is just as you've imagined."

She even added on. "Even if I did something to Lu Jingye, what can you do to me?"

The girls were instantly furious.

Honestly speaking, they could not do anything to her. After all, she was not from M.Uni.

If she was from their university, they would definitely challenge her.

How could they allow the male god of their dreams to be taken away?!

[1] Shortened Metropolis University to M.Uni. A common term that students would probably use.
