### Chapter 173: You Can't Handle Her

The other two young ladies also ran away.

Seeing them running away, Zi Yi quickly created a short program. She would let Qin Yuqiao and her friends know the taste of being bullied by the internet's netizens.

After she was finished, she headed back to the room.

Just then, He Chao, who was standing in the crowd, suddenly called out, "Miss Zi, hold on."

Zi Yi turned around and narrowed her eyes the moment she saw He Fei.

He looked at Zi Yi with a complicated expression. "Yiyi, it was unexpected that you even thought of pulling out the restaurant's surveillance camera."

His words caused the manager's expression to turn ugly.

He did not expect the surveillance camera in the restaurant to be that easily accessible.

If anyone and everyone could access it, what would happen if someone had bad intentions?

The manager was unhappy, but he dared not step out. After all, the He family's members were here and there was no place for him to speak out.

Zi Yi did not answer He Fei. She looked at He Chao with a cold expression. "What did you need me for?"

For a moment, He Chao did not know what to say.

The woman before him and the one in his impression were different.

Just then, Dou Xiangling who realized Zi Yi had been gone for too long had come looking for her.

“Yiyi.”

Zi Yi turned to look at her.

Dou Xiangling walked over and was surprised to see people from the He family.

“Miss Dou?”

He Chao was also surprised. “I didn’t expect to encounter you here?”

After that, he pushed He Fei out. “Miss Dou, this is my younger cousin, He Fei. I believe you’ve not seen each other before.”

He Fei did not expect this from his cousin and turned red from anxiousness.

Dou Xiangling greeted them politely and with good manners. “Hello.”

She did not give them an opportunity to speak as she added on. “The dishes we ordered have already been served for some time. I’ll be bringing my cousin back to eat.”

He Chao swallowed the words in his mouth and displayed a gentleman’s response. “Then we shall not take up your time anymore.”

After that, he smiled and said, “I heard that Miss Dou is preparing to open an exhibition and I wonder if you’ve decided on a time yet? We will definitely pay a visit.”

“9.30 a.m in the morning on the ninth.”

“My younger cousin and I will definitely be there.” Following that, He Chao pushed He Fei from the back and hinted for him to respond.

He Fei felt so anxious he wanted to leave at once.

What was wrong with that cousin of his? He clearly knew that he liked Yiyi, but why did he force him towards Miss Dou? His actions were simply trying to make things difficult for him.

He would probably only visit her exhibition if his brain had a screw loose.

Zi Yi spared them a glance before she said to Dou Xiangling, “Cousin, let’s go.”

Dou Xiangling gave them a nod and together with Zi Yi, she walked towards their room.

After they were far away, He Fei’s expression finally crumbled.

Before he got a chance to speak, He Chao started preaching to him. “What’s wrong with you? It was a rare opportunity to meet Miss Dou and you don’t even know how to grab onto it? You...”

“Cousin!” He Fei interrupted him with a dark expression. “You clearly know I’m not interested in Miss Dou, so how am I supposed to face Yiyi in the future?”

He Chao looked at him as if saying, ‘Why are you so stubborn’, and said, “Didn’t you say Zi Yi doesn’t have feelings for you? Is there only that woman in this world? He Fei, let me tell you. Your mom dislikes Zi Yi and other people also wish for you to marry Miss Dou. What do you think you could possibly do in such a situation?”

“I...” He Fei was speechless.

Seeing his appearance, He Chao did not intend to continue. Instead, he gave a piece of earnest advice. "If Zi Yi is also fond of you, I would not say anything. However, that young lady... how should I describe her?"

Speaking of this, He Chao thought for a moment before he spoke. "This woman is not someone you can handle."

He Fei's expression turned uglier at his words as he turned around to leave.

He Fei stopped him. "Since we've encountered Miss Dou here, we should greet them again when they leave."

He Fei gritted his teeth. "I don't like Miss Dou. You can give up on that thought."

Following that, he left without any hesitation.
