### Chapter 198: College Entrance Examinations Released

The college entrance examination scores came out at 8 p.m on the 24th.

Early in the morning at the dinner table, Zi Xu said to Zi Xuan, "After your results are released tonight, I'll prepare a celebration party for you. You can invite all your classmates over."

After the college entrance examination, Zi Xuan had checked through her answers with the best students in the class. Even her teacher had affirmed her results. Right now, she was merely waiting for the official release of the results.

Zi Xuan nodded. "Ok, thanks, Dad."

Li Peirong smiled and added on. "Other than inviting Xuanxuan's classmates, we should also invite all the teachers who taught her. It can be regarded as a thank you banquet for their hard work in cultivating Xuanxuan."

Zi Xu nodded in agreement. "Ok. I'll personally invite them."

It's said that people are in high spirits when involved in happy events. Zi Xu was in a great mood for the entire day. After breakfast, he said to the mother and daughter, "I'll return earlier from work today. Let's accompany Xuanxuan and check her results together."

"Ok!" Li Peirong handed Zi Xu his briefcase, not forgetting to remind him. "You mentioned you would get Xuanxuan an apartment near the Metropolis University when the time comes. After her acceptance letter arrives, let's go and check out the apartments together?"

Zi Xu hesitated for a moment. To be honest, the company's cash flow was very tight in recent days. However, at the thought that his second daughter was making him proud, he agreed. "Sure. We'll get Xuanxuan to choose the apartment herself. I'll buy whichever she fancies."

"Thanks, dad!"

Looking at Zi Xu's car driving out, Li Peirong turned around and reminded Zi Xuan. "Since your dad promised you an apartment, choose one in the most upscale residential area. Apartments near the Metropolis University have great room for appreciation and it will be your private property in the future."

"Got it, Mom."

The two of them walked inside and Li Peirong said, "Your father is a prideful person. He will definitely ask you what you would like at the celebration dinner. When the time comes, ask for his company's shares."

Zi Xuan stopped walking and disagreed with her. "Mom, Dad's company is mine in the future. Why do I have to ask for it now?"

Li Peirong glanced at her daughter who became stupid from excessive studying. "You don't understand. That slut is also a legal heir of the company. If you don't obtain the shares earlier, what if something happens in the future?"

In fact, Zi Xuan had high ambitions and was also proud. "How could Dad pass on the company to that idiot?"

"Why don't you ever listen to me?" Li Peirong said, "I haven't told you about this, but your Dad went looking for that sl\*t in the capital previously. In the end, it was the man by her side that scared him into returning. Do you know the background of that man?"

Li Peirong lowered her voice as she said, "That sl\*t became the lover of a triad boss."

Zi Xuan widened her eyes in disbelief and was infuriated. "How could she mingle with the triad!"

Li Peirong saw her daughter's reaction and said, "You know how what personality that sl\*t has. Your Dad said to neglect her out of anger and even confiscated all her bank cards. Originally, we thought she would return and admit her mistakes. But look what she ended up doing.

Therefore, when you study at Metropolis University in the future, act like you're both strangers if you see her. If other people know that she's your sister, you will only be pointed at by others."

Zi Xuan's expression turned uglier with each passing second. She was so embarrassed by Zi Yi. She never ever imagined Zi Yi could have degenerated to such an extent.

"How could she do this!"

Just as Zi Xuan was sulking on the sofa and Li Peirong was continuously bad mouthing Zi Yi, Zi Xu's call came through.

As soon as Li Peirong answered the call, Zi Xu's voice trembled. But she was unsure if it was trembling due to excitement or anger. "Peirong, take Yiyi's ID card and check her results online at once."

"What am I supposed to be checking for?" Li Peirong's first reaction was that Zi Yi had an accident in the capital, and Zi Xu was extremely angry. Her lips curved up uncontrollably.
