Chapter 89: Who Can Stand Your Stubbornness?

Zi Yi obediently stayed at Lu Jingye's house throughout the day.

After finishing dinner in the evening, when Lu Jingye sent her home, she even waved at him with enthusiasm. "Lu Jingye, bye."

Having said that, she briskly walked through the door and closed it.

After Zi Yi saw the car leaving through the CCTV, she returned to her bedroom and changed her clothes, not forgetting to shut down her phone.

Following this, she went towards the front yard and randomly chose a car. Zi Yi's lips curved up as she thought about where that man would block her.

Unexpectedly, just as the car drove for a dozen meters, it was stopped by a commercial car.

Zi Yi stepped on the breaks and looked at Lu Jingye seated in the car looking at her with a serious gaze. She revealed a provocative smirk towards him. Immediately after, her car moved in reverse and did a big turn. She then stepped on the accelerator and the car headed towards another road.

The commercial car did not follow her.

Instead, it blocked her at the main intersection she had to pass.

"Hmph, do you think you can block me with this?"

Having said that, she opened the door, her long legs crossed over, and headed towards the commercial car.

She stood beside the car and looked at Lu Jingye who was seated inside the car with his lips pursed. "Even if you can stop me now, I can wait and head over later. Unless you intend not to rest tonight and keep guarding me."

Lu Jingye maintained his tightly pursed lips as he stared at her.

Zi Yi thought to herself, *"It's no wonder you can't find a girlfriend. Who can stand your stubbornness?"*

"Mr. Busybody, why are you wasting time with me when you're so busy?"

She simply opened his car door and said, "I'll give you two choices. Either you go with me, or we will spend the time together tonight... oh wait, I mean every night in the future like this."

Lu Jingye suddenly frowned this time around.

Zi Yi was amused by his expression. She raised her brows and asked, "So are you making a choice or not? Else I'll be leaving?"

After a few seconds, Lu Jingye signaled to her. "Get in."

Zi Yi remained unmoved.

“We’ll take my car there. I’ll get someone to drive your car back.”

Zi Yi thought about it and nodded. She handed the carkeys to the approaching bodyguard and got inside.

Very soon, the car arrived at the bar.

There were many racing cars parked outside.

Zi Yi glanced at Lu Jingye’s clothing before she alighted.

He had not gone to the office today and was dressed casually. But despite this, those casual clothes made him appear solemn.

His shirt was buttoned up to the top and the cuffs on his sleeves were also tightly buttoned.

“Lu Jingye, don’t you think you will appear out of place if you go in like that?”

Lu Jingye looked at her in response.

“Why don’t you unbutton your top, and also the cuffs. It’ll be best to pull up your sleeves a little.”

When the driver heard what Zi Yi said, his hand holding the steering wheel trembled.

Miss Zi was asking too much of the Second Young Master!

However, what made his jaw drop in an instant was, his Second Young Master had actually started to unbutton his clothes.

Looking at his exposed Adam’s apple along with a small area of his skin, Zi Yi smiled. “Yep, you look very pleasing to the eye.”

After Lu Jingye unbuttoned his clothes according to her suggestion, they alighted from the car and headed for the bar.

The bar here was not as noisy as compared to Ouyang Ming’s bar. Most of the customers were men, and there were also some scantily dressed women.

The men were seated in groups as they discussed racing while drinking. The same for the women but they discussed who was the best racer instead.

As soon as they walked in, everyone seemed to freeze, as their gazes were all fixed on them.
