### Chapter 96: Yes I'm Childish, so What Can You Do to Me?

Ouyang Ming's expression constantly changed.

Just as everyone believed he was about to get angry, he suddenly smiled in an irritating way and said, "Yes I'm childish, so what can you do to me?"

The crowd was speechless.

The Young Master Ouyang Ming they knew, often prided himself as an exceptional person. Why did he admit that he was childish?

Zi Yi looked at him as if she were looking at a maniac. "I'm busy. I don't have time to play such a childish game with you."

"Hey, how can you speak to our boss like that?" A woman with two freckles on her nose stood out in discontentment and scolded her. "Do you think our club is a place where you can be presumptuous? Do you know who our boss is?"

"Who is he?" Zi Yi looked at Ouyang Ming. "Yeah I know. He's a..."

Before the word 'loser' came out from her lips, she was brutally interrupted by Ouyang Ming. "Alright, enough. All of you should speak less."

He then introduced a man in his thirties to Zi Yi. "He's the manager of the club, Chang Teng. You can tell him whatever you need before the competition."

When Ouyang Ming said that, the group of women and Chang Teng looked at Zi Yi in astonishment.

"Boss, she's not a cheerleader you recruited?"

"When have I ever mentioned I'm looking for a cheerleader?"

Ouyang Ming walked over to Zi Yi. He originally wanted to pressure her with his identity as a boss. "I'm considered your boss before the competition, and you'll have to listen to me."

"Ha!" Zi Yi sneered. "I'm only placing my name in your racing club, when have you become my boss?"

Ouyang Ming was choked speechless.

She added, "If you're unhappy, we'll consider it your loss for the bet."

"On what basis it's my loss!" Ouyang Ming glared at her.

"I'm only here because of a bet, and I'm not here for you to order around. Also... I will only participate in the individual competition. Don't even think about putting me elsewhere."

Ouyang Ming's temple throbbed from anger.

However, when he thought of the bet they made, he suppressed his anger.

Just you wait. When I win the bet, let's see how I'll teach you a lesson!

“Fine!” Ouyang Ming turned to the confused manager and said, “Bring her to meet with the racers shortly and inform her about the rules of the International Racing Competition.”

Following this, he left.

The cheerleaders also followed behind him when they saw him leaving.

Shortly after, voices of unabashed skepticism could be heard.

“Boss, is that woman really a racer who’s going to participate in the competition? What if she sullies the club’s reputation?”

“That’s right. There are not many women who are capable of racing, particularly someone like her. Are you sure she can drive? Not to mention in such a high-pressure competition like the International Racing Competition.”

“Boss, could it be that you fancy her and deliberately planned this?”

Ouyang Ming allowed their thoughts to wander and did not respond.

The group of them entered the building very soon.

Chang Teng looked at the overly beautiful young lady. His boss had not mentioned anything and it made him unsure of Zi Yi’s identity and her position in his boss’s heart. Therefore, he tried to test the waters as he asked, “Miss Zi, I wonder if you have participated in racing before?”

“I have.”

When he heard her response, he found it hard to believe. However, he did not reveal his doubts and continued asking, “Miss Zi, there are ten days before the competition, will you be coming over to train with the drivers in the club?”

“I’m not coming, I’m busy.”

She had to modify her racing cars in the next following days.

“This...”

Chang Teng could confirm that the pretty girl was only here to play around.

Who would not train before the start of any competition? This was the basic principle in the racing industry. If one did not practice for a period of time, they would become unfamiliar with what they had to do. He suddenly doubted his boss’ intentions for bringing in the beautiful Miss Zi for the competition.

Could it be... that Miss Zi was the woman his boss was currently pursuing?
