Chapter 1157

“I almost forgot about Everett's fans. Tsk! Ninian, take care!”

Ninian also blushed and smiled. While being made fun of and teased, she went back to the common resting lounge and started styling up.

The moment Ninian wanted to go for filming, she called Lana over, and she softly said, “Watch the crew closely. Don't let people with bad intentions mislead the topic.”

When Lana heard it, she nodded with a serious expression.

“Besides,” Ninian said, “Contact Harold for me. Ask him to lock the news here. Don't get exposed. If George and Alden find out, I'll be doomed.”

Lana nodded accordingly before she patted her chest and guaranteed. “Don't worry. Just count on me!”

Ninian finally got rid of the messy thoughts before she entered the filming site and started filming again.

She had acted along with Paul in the afternoon, but Paul had seemingly applied for leave at the last minute, so other actors took his place.

Ninian did not dwell on it either. She just finished filming her scenes at ease.

Toward the evening, the two crew teams clocked off at the same time.

Ninian received a message from Everett as she waited for him to have dinner together.

“Ninian!”

Right then, she heard a familiar voice behind her. She turned around, and she saw that Paul, who had disappeared in the afternoon, had suddenly shown up. He was walking toward her.

“Are you waiting for me?” Paul smiled faintly and asked.

“Hmm?” Ninian was stunned for a while before she shook her head. “I’m sorry, I thought you already left the crew, so I was not able to reply to you.”

In the morning, Paul asked whether she could study the script with him in the afternoon.

At that time, Ninian said it depended on the situation.

But Paul had gone missing in the afternoon, so she thought that his offer was no longer on the table. Who knew that Paul would suddenly show up? “You’re not waiting for me? So, are you waiting for Everett?” As Paul asked, something flashed in his eyes so quickly that she was unable to catch it.

Ninian did not deny it and just nodded. “I’m sorry. There aren’t many scenes where we’re acting together anyway. I’m finishing my scenes soon, so I don’t think this is necessary.”

“Are you willing to stop?” Paul looked at her and softly said, “You finally have a chance to film with such a big crew, but you have so few scenes. Are you willing to stop here?”

Ninian frowned. “What do you mean?”

“You’re with Everett, and it’s impossible for him to announce your status. He’s at his peak in the entertainment industry, and he won’t consider being a shortcut for you,” Paul spoke quickly while his expression was filled with excitement and cruelty. Besides, his family background is beyond your imagination. His family won’t accept a girl with low status like you who works in the entertainment industry. If you stay with him, it won’t end well, and you

won't get what you want either!"

((

Ninian almost chuckled out of anger as she listened to him.

However, she did not get angry. She just smiled and asked, "So?"

"So, he can't give you anything. Look, you have so few scenes, and he hasn't used his status to add more scenes for you and

give you more opportunities. Do you think you can really benefit from being with him?"

Paul said, "Why don't you be with me instead of him?"

There's a huge gap between my family and his, but compared with an

ordinary person like you, my family's reputable, and we're quite rich."
