Chapter 1169

[If you dare to go after my baby again, I'll kill you.]

Right after he received an anonymous message, the company was suddenly attacked. All of this proved that Ninian had

something to do with it.

He had just started to pursue Ninian, but she had given him a really big surprise!

Who was the person behind Ninian? Everett? Would Everett use the Craig family's power to attack the Whittle family for a

woman who had no power and status?

No matter what, Paul dared not believe that Ninian would be capable enough to make Everett fall for her deeply!

If he had known better, he would not have gone after her to avoid this unexpected disaster in his family.

When Paul recalled the culprit, he immediately took out his phone and made a call.

"You asked me to threaten Ninian with those photos, but Everett has attacked me! Our company is suffering a great amount of

loss now. You have to come up with a solution for me!”
“Why are you rushing?” A female voice rang out from the other end of the line. She sounded relaxed and calm as she said,

“Didn’t Ninian Winters agree to leave Everett and ask you to let her think for a night? Where’s the recording? Send it to Everett, and your problem will be solved.”

After Paul heard her suggestion, it dawned upon him.

Yes! He almost forgot that he still had a lot on Ninian!

Not to mention, he had recorded Ninian’s words this time. Those photos of her getting involved with different men previously

were sufficient for people to see her true face!

He refused to believe that if these things were sent to Everett, he would still treat her like treasure and protect her.

Paul sneered ruthlessly. He swore that he would not let Ninian live a good life!

He found the contact number of one of Everett’s staff and sent out the photos he had received and the recording of his

conversation with Ninian in the afternoon.

He did not send out the full recording. Instead, he cut out some parts of the conversation.

“I can totally understand that you want to become more successful, and I can help you too... to promote you from a supporting role to the second female lead. If you be with me, your future will definitely be bright and smooth!”

“You should give me some time to think about it, right?”

“How long do you want to think about it?”

“One night? Give me one night to think about giving up on Everett. It’s not too far to ask for this, right?”

In the recording, the girl’s voice still sounded playful and lovely, but the feeling was different in this conversation, especially in the last sentence.

Her tone was relaxed as if she did not care about it at all. It would be easy for people to think that the speaker was vain. She could easily give up on Everett, the best and top actor in the entertainment industry for profit.

It seemed that Everett was just a tool that did not matter at all. She could simply give up on him, and the matter was so trivial that she did not sound disturbed and hesitant.

With those ambiguous photos as “solid evidence,” Paul did not believe that Everett would continue treating her like a treasure!

After Everett kicked Ninian away, he would bring her back and have fun!

He could not spare such a gorgeous woman!

Paul narrowed his eyes. His usual disguised gentleness had already faded, and he only looked profound and dour

at this point.

He had no idea that the woman he had sought help from

was no longer unrestrained like she was in the call just now. Instead, she looked nervous.

“Mr. Quintus, I’ve done as you instructed. This should be able to trigger Everett’s emotions.”

A man was lying in a chair in the dark. A scary light shone in his big almond eyes.

“How can this trigger be sufficient?” He curled his lips into a creepy smile. “This Craig family member has finally fallen in love. I want to drive him crazy!”
