Chapter 1182

The filming of the drama series, "In Full Bloom" was smooth. Everyone was working hard as it progressed very quickly.

Although there was a delay due to the re-selection of the female lead and the withdrawal of Paul's character, with the other

actors' capability, they were able to catch up with the schedule in a short time.

"Ninian, the shooting of "In Full Bloom", is ending in ten days. Ms. Ward asked if you want to shoot for a commercial or show next."

Lana held a few documents in her hand as she threw Ninian questions during her free time.

"A commercial or a show?" Ninian became flustered. She shook her head as she looked at Lana with her innocent gaze. "What should I do? I don't know much about this! Can you give her a response later? I want to talk to Everett about this."

Lana was shocked when she heard this. “Now, The Everett is your encyclopedia and guardian angel. I guess I’m just your useless assistant.”

“What? No!” Ninian could not hold back her laughter. She pinched Lana’s soft cheek. “You’re my sweetheart. Seeing you every day puts me in a good mood.”

“I know you’re just sweet-talking, but unfortunately, I’m touched.” Lana smiled happily.

“Hahaha...”

The two of them laughed out loud.

Not far away, a staff member came in and said excitedly, Ms. Winters, someone is looking for you.”

“(

“Looking for me?” Ninian was shocked. ‘Who’s looking for me?’

‘Could it be that someone found out I returned to Cairnstan a few days ago?’

Lana noticed Ninian’s suspicious expression. She said, ” Why don’t you wait here? I’ll go find out who that is and let you know.”

Ninian nodded and held her hand as she said, “You’ve seen my elder brother, haven’t you? If it’s him, secretly send me a text and ask me to run, okay?”

Lana gestured an “okay” and blinked her eyes. “I know, I know.”

Ninian watched as Lana left. For some reason, she felt uneasy.

‘I hope it’s not George.

‘Did Mel tell him about Everett?’

Her heart shuddered as she thought of it. She shook her head vigorously, hoping to shake the thought away.

“That’s impossible. Mel won’t rat me out.

‘What’s more, if George knows about me and Everett, the Winters family will be in chaos. The Craig family will also be affected.

So far, everything seems peaceful.’

As she got lost in her thoughts, she suddenly heard people exclaiming outside her room as if something had happened.

Ninian tensed up. ‘Lana is not back yet.’ Before she could think, she hurriedly walked out of her room.

Outside the set, Lana was standing still at the front entrance.

When she saw her, she let out a sigh of relief as she tapped on her shoulder. “What happened? Are you okay?”

Lana looked at her. She shook her head and looked in front again. She was stunned.

Ninian followed her gaze and when she saw it, she was flabbergasted.

There were red roses everywhere, covering the whole entrance. It looked like an ocean of roses.

That was not all, the staff continuously placed countless flowers at the entrance.

In the middle was a bunch of white flowers saying (( Princess Ninian, happy working!"

It was incredibly conspicuous and nifty. Ninian was so shocked that she fell speechless.
