Meet My Brothers by Red Thirteen chapter 1101-Mia raised an eyebrow. “So, do you think the Lanes need one whole month to get rid of a useless piece of junk like you?”

Before the man could say a word, the security guard covered his mouth and dragged him out mercilessly.

Mia glanced at the surrounding guests calmly and said, “So sorry for the chaos. But I believe today’s business banquet is not a waste of time for all of you. “After all, other than the conflict just now, the earlier fight between Luna and Shelly must have provided everyone with much entertainment.”

Her straightforward words lightened the atmosphere.

Mia was the daughter of the Lane family. She had six protective brothers who doted on her.

If any of her brothers were present today, the rude man would have faced a consequence a hundred times worse than what he had faced earlier.

The overprotective brothers of the Lane family would do anything to defend their dear sister, Mia.

Mia said again, “Today’s banquet ends here. Feel free to contact me if anyone has any proposals for collaborations.”

“Ms. Lane, you’re too humble. We all have absolute confidence in a young and capable person like you.”

Mia nodded her head with a smile. Then, she stood at the entrance to bid farewell to all the guests who attended today’s business banquet. She had not expected so many unforeseen circumstances to happen during the banquet.

Soon, over half the guests left.

But Timothy was still around, standing right next to her.

Seeing this scene, those who were tactful did not ask any questions. After all, this was none of their business.

But many sighed inwardly. Timothy was Mia's ex-husband, so their sons could never compare to him even if they were born again.

Raymond came up to Mia and said

politely, "Ms Lane, I'll inform the security department about the

earlier incident. Since the other party provoked you first, I'll surely get back to you with a satisfactory answer."

Mia's smile grew wider as she said, "Thank you, Mr. Shelbert."

"It's just a small matter. You're Jazzy's close friend. Of course I have to help you."

Then, Raymond added, "Jazzy's

mother has been unwell recently, so Jazzy wants to organize a banquet

for her mother. But Aide Castle Hotel is fully booked. Could Ms. Lane

please help to make some

ΛO

arrangements?"

When Jasmine heard his words, the smile on her face froze. "Dad, how could you do this?"

After today's incident, she thought her father would finally know of Luna's true colors and realized that letting this woman return to the Shelbert family would do no good. She did not expect her father to ask about the banquet reservation using her mother's name as an excuse.

Did this not show that he still wanted Luna to remain in the Shelbert family?

Jasmine's gaze reflected a hint of sarcasm.

Mia's expression darkened. She was surprised that Raymond was still hoping to adopt Asher.

His earlier friendly gesture had a hidden motive.

Mia said courteously, "I'm sorry, Mr. Shelbert. I believe you know how strict Aide Castle Hotel's reservation policy is. There's nothing I can do about it.

"But I heard that you have made

another banquet reservation previously. Why don't you use it to organize the birthday banquet? I think this is the best way to go about it. I can design a theme for Mrs. Shelbert's birthday for free

There was no way Mia would compromise her principles.
