

## Meet My Brothers by Red Thirteen in Chinese

Meet My Brothers by Red Thirteen in Chinese chapter 21-Huo Hanhui interrupted his mother's words: "Let's eat first." " Old Mrs. Huo looked at Zhao Xixi with a smile: "Prepare your favorite soup, Han Hui, you hurry up and serve a bowl to your daughter-in-law." " Zhao Xixi's eyelids jumped, and she wanted to get the spoon herself, but she didn't expect the man next to her to be one step faster than her, and his slender and good-looking hand took her bowl She looked at the milky white soup in front of her, and suddenly lost her appetite Mother-in-law Li Rulan snorted coldly: "What's the matter, my son personally served you the soup, and you still dislike it?"

Mrs. Huo looked at her with concern: "Xixi, don't you like to drink?"

"I like it without my grandmother. " Zhao Xixi picked up the bowl, there was a gaze beside her that could not be ignored, she smelled the smell of fish soup, and subconsciously frowned But she still took a sip of it, but she couldn't swallow the second sip A few seconds later, Zhao Xixi put down the bowl and retched It's strange, she used to like to drink this fish soup, why can't she get used to it today Old Mrs. Huo looked surprised: "Xixi, you shouldn't be pregnant, right?"

As soon as the words fell, two incredulous gazes fell on her Zhao Xixi's eyes widened, a little flustered, how could grandma see it?

Frightened, Zhao Xixi covered his mouth and rushed to the bathroom and spit out all the fish soup She felt that she had vomited all the stomach acid, and it was so uncomfortable When Zhao Xixi raised her hand to get the paper, someone handed the paper over, and she quickly wiped the corner of her mouth: "That thanks"

When she turned to see the man standing behind her, the remaining words of thanks were swallowed back She lowered her eyelids weakly: "It should be that I have been under too much pressure recently and have a little cold." " After finishing speaking, a man's deep voice came from above her head: "Since you have a cold, let the family doctor take a look." " Zhao Xixi's heartbeat suddenly accelerated, and he hurriedly said: "It's just a small cold, you don't need to look at it, you will be fine in a few days." " "Really?"

The man stepped forward and trapped her in front of the sink, and there was no way back for her Zhao Xixi lowered his eyes and saw the blue striped tie around his neck, it seemed that he still had it “Zhao Xixi, look at me. ” She looked up slowly, but the man pinched her chin, his movements were strong and domineering, and his dark eyes were scrutinizing: “Are you hiding something from me?”

Zhao Xixi breathed slightly: “Mr. Huo, what do you want to ask?”

Mr. Huo?

She used to be well-behaved and carefully called him Han Hui, but sure enough, after having a new love, she became a lot bolder The man leaned over, his eyes filled with anger: “What do you think I’ll ask?”

Zhao Xixi’s hands slowly closed, trying to calm herself down, she said, “I’m really not pregnant, if you don’t believe it”

“Why don’t I believe it?”

She froze, looking up to see his obscure eyes, a little incomprehensible When did he believe in himself so much?

Huo Hanhui’s thin lips were mocking: “I opened a room with a man in the hotel last night, if you are really a pregnant woman, after a night of tossing, the child can still be there?”

The blood on Zhao Xixi’s face faded instantly, she thought for a second just now that Huo Hanhui trusted her, and it seemed that she was making herself amorous again She lowered her eyelids to block out the loss under her eyes The man’s voice came from overhead: “Speak, your heart is empty, who were you with last night?”

Meet My Brothers by Red Thirteen in Chinese chapter 22-Zhao Xixi breathed a sigh of relief, as long as she didn’t doubt the existence of the child, she said lightly: “We are all divorced, who am I with, I don’t need to report it to you.” ” Huo Hanhui was so irritated that he pulled his tie: “Zhao Xixi, is that sentence true and that sentence false? At the beginning, you also said that you married me because you liked me, why, did you change your mind so quickly?”

“Mr. Huo, I did say I liked you before, but I didn’t say that I always liked you. ”  
“Zhao Xixi!”

The man pinched her chin tightly and looked down at her deeply, suddenly realizing that he couldn't understand the woman well. In the past, she had been by her side, dealing with his food, clothing, housing and transportation, as if no matter what he was thinking, she could detect and react at the first time. Her eyes are also very understanding, with a certain expectant admiration. But suddenly, that gaze was gone. Huo Hanhui was very unhappy in his heart, as long as he thought that she was doing the same to other men, he couldn't help but want to beat people, especially the man in the hotel and beat him!

Zhao Xixi didn't flinch at all, the two were very close, and the tips of their noses almost touched each other. Their breaths were staggered, and the atmosphere became a little strange. "Oh, what are you two doing here? Stinky boy, Cissy is pregnant now, you have to take it easy and don't touch her." Mrs. Huo waited for a long time, but she didn't wait for the two to come back, so she couldn't help but come over to take a look, but she saw the two kissing in front of the washstand. When Zhao Xixi heard the old lady's words, his face quickly turned a lot redder. Huo Hanhui turned to look at the old lady: "Grandma, she's not pregnant." "How do you know, stinky boy?"

"She's just past her period." When Zhao Xixi heard his words, he looked at his back in surprise, Huo Hanhui actually remembered his menstrual period?

Originally, her menstrual period was a few days ago, but it has been postponed and has not come. She vaguely felt that something was wrong, and went to the hospital for a check-up only to find out that she was really pregnant, but the months were very short. Mrs. Huo was a little disappointed: "I'm not pregnant." Li Rulan, the mother-in-law next to her, snorted coldly: "It's been three years of marriage and I haven't got pregnant yet, is there something wrong with my body?"

Old Lady Huo nodded: "That's right." Mother-in-law Li Rulan immediately struck while the iron was hot: "Yes, old lady, you also think I am right." Therefore, you should go to the hospital for a check-up to see if there is a physical problem. "If Zhao Xixi really has a physical problem, it is better to divorce as soon as possible. "That's right, stinky boy, you will go to the hospital tomorrow for a check-up to see if there is something wrong with your body, why it's been three years, and Xixi is not pregnant yet. Can you do it?"

Mrs. Huo's words were amazing. Zhao Xixi looked at the old lady in astonishment, and suddenly couldn't laugh or cry. Mother-in-law Li Rulan was suddenly unhappy: "Mom, how can you belittle your grandson so much, he is

in good health, and the one who made up for him when he was a child has developed better than other boys.” How could it not be!”

The corners of Huo Hanhui’s mouth twitched, and he reluctantly spoke: “Mom, don’t say it!”

This makes him lose face!

Li Rulan was a little unwilling: “Zhao Xixi, you say, who is the problem of not being pregnant for three years?”

Zhao Xixi didn’t expect her mother-in-law to throw this fierce question to herself, how could she answer?

It can’t be said that after three years of marriage, she and Huo Hanhui sleep in separate rooms, right?

Huo Hanhui had never touched herself, and she didn’t have the face to take the initiative to stick it, so they had been married for three years, and their relationship was purer than paper Except for the accident a month ago, he got drunk and took the initiative once At that time, she was very nervous when the lights were blind, and for the first time, she had no experience at all and didn’t see anything How could she tell if that level was good or not?

Meet My Brothers by Red Thirteen in Chinese chapter 23-“Zhao Xixi, what do you mean by being silent, you say. ” Zhao Xixi glanced at Huo Hanhui embarrassedly, and said in a low voice: “I, what do I say, you can ask your son.” ” It’s embarrassing for her He hadn’t even touched himself, how could she be pregnant?

Huo Hanhui coughed in a low voice: “Mom, what are you asking for?” We have taken measures, and it is normal to be pregnant, and I have no plans to have a child.” ” Zhao Xixi heard his last words, lowered her eyes and looked at her lower abdomen, it seemed that she really wanted to protect this child. xiub Mrs. Huo was a little anxious: “You are thirty years old, how can you not have children? I’m afraid that I won’t live to the day your child is born.” ” “Grandma, as long as you are willing to agree to the operation, you will definitely live to that day. ” “Hmph, don’t do this, it’s easy to get me to agree to surgery. Unless Sissy is pregnant, don’t talk about it. ” After Mrs. Huo finished speaking, she turned around and left, and Mother Liu persuaded in a low voice beside her: “The relationship between the young grandmother and the young master is so good, it is only a matter of time before you have a child.” ” After the old lady

left, her mother-in-law Li Rulan squinted her eyes: "It's okay if you're not pregnant, when Miss Lin marries in, she will have a child, after all, she is the eldest lady of the Lin family, and her status is noble, but she is not here to be a stepmother to others." "The mother-in-law also left Zhao Xixi had a hint of ridicule in her eyes, yes, Lin Xi's noble status is worthy of giving birth to the heir of the Huo family, and she is a commoner girl who has no qualifications at all She looked at the man in front of her: "It turns out that Mr. Huo can also lie, when have you taken measures?"

Huo Hanhui looked slightly stunned, and his thin lips hooked slightly: "Can I think you're hinting at me something?"

What hints?

Zhao Xixi didn't expect Huo Hanhui, who had always been serious, to say such unserious words She quickly retracted her gaze: "Mr. Huo, it's your fault to think too much." "She stepped forward to leave, but was blocked by someone, and the man condescended: "Where are you going?"

"Go home. " The man's eyes narrowed slightly: "Go home, or go back to the hotel?"

Heh, the dog man is mocking himself?

Zhao Xixi took a deep breath and said with a smile: "Mr. Huo asked so clearly, are you jealous?" I advise you to listen to your mother tomorrow and go to the hospital to see your body." "I need to see my body?"

"Otherwise, is it my problem that I can't have children, you don't know in your heart? So I think you need to see a doctor. " Huo Hanhui's eyes were pressing: "Is my health good, haven't you experienced it that night?"

Zhao Xixi breathed slightly, and replied not to be outdone: "It's the experience, so I recommend that you go to the hospital to have a look, after all, the experience is very ordinary." "She threw down this sentence and left, noticing that Huo Hanhui's expression was a little ugly.

Meet My Brothers by Red Thirteen in Chinese chapter 24-After all, as long as a man is ridiculed, he probably won't be happy But she was in a good mood, and sure enough, happiness should be based on the pain of others But she didn't take a few steps, she was directly carried up, and all the scenes in front of her were reversed Zhao Xixi grabbed his arm in a little panic: "Huo Hanhui,

you let me down.” ” “Zhao Xixi, you have to be responsible for what you say, understand?”

The fire in Huo Hanhui’s heart was ignited, and this woman was simply dancing on his bottom line!

Yesterday, I went to open a room with another man in the hotel, and just now I ridiculed him for having a physical problem, and this woman is too bold That time a month ago, he did drink too much It was also his first time, and it was normal to have no experience, but it didn’t mean that he had a physical problem!

Is it tolerable or unbearable!

Zhao Xixi was worried about the child in her belly, she began to struggle to get down, but the man patted her thigh: “Don’t move.” ” Zhao Xixi had never been treated like this, she was ashamed and angry She was carried into the master bedroom, and was not gently thrown onto the bed, she raised her head and gritted her teeth and said: “Huo Hanhui, you big bastard! What do you want to do?”

The man propped his hands on her and stared at her condescendingly: “What do you say, let you experience it again.” ” Zhao Xixi’s eyes flickered: “I refuse.” ” “I only refuse now, when I played with fire just now, I was very happy!”

Huo Hanhui threw his tie aside, pulled his shirt out of his suit pants, and his eyes were dark and heavy: “Say, what do you want to play?”

Zhao Xixi felt offended!

Huo Hanhui is crazy!

She looked calm: “What are you doing in anger?”

“I’m not angry!”

“Look, get angry. I can’t afford to make a joke!”

“” He pinched her chin: “Zhao Xixi, I found that you suddenly seem to be a different person, you used to pretend to be gentle and virtuous, it’s very hard, right?”

“Yes, if you get paid to work, you have to perform better. ” Huo Hanhui’s heart was poked, it hurt a little, he gritted his teeth and said: “Then why don’t you continue to pretend now?”

“Have you ever seen an employee who left his job and still took care of his previous boss?”

“Zhao Xixi, you are very good. ”

Meet My Brothers by Red Thirteen in Chinese chapter 25-“Thanks, I always knew. ” “You say you’re fat, and you’re still panting, right? How much money do you need to continue working?”

Zhao Xixi’s eyes were stung: “What do you mean?”

“You accompany the man in the hotel is also accompanied, and I am also accompanied, my bid is definitely higher than his, you will not lose money!”

Heh, did he really think she was out for sale?

Zhao Xixi’s eyes became a little disappointed: “Huo Hanhui, even if you give you gold and silver, I won’t sleep with you.” ” She pushed the man away, and his wrist was clasped: “It’s not all about money, what’s the difference?”

“Because you’re not good at it. ” Huo Hanhui was so angry that his liver hurt, and blurted out: “It’s normal that the first time the technique is not good!”

Instantly, the air in the bedroom fell silent Zhao Xixi blinked, could it be that she heard something wrong just now?

The first time?

Huo Hanhui is the first time?

Does it mean that before that, Huo Hanhui was a virgin?

Zhao Xixi didn’t expect to hear such a big secret, this is really outrageous, it’s outrageous, it’s outrageous!

Huo Hanhui’s expression flashed unnaturally, he quickly got up and stood aside, re-arranged his shirt, and buttoned it meticulously to his neck, serious and rigorous Zhao Xixi sat up, she coughed embarrassedly, and didn’t know what to say to relieve the embarrassment at the moment In fact, in the past

three years, she knows Huo Hanhui's living habits very well. This man has a habit of cleanliness and obsessive-compulsive disorder. Get up regularly every day, exercise and run for half an hour, then take a shower and eat breakfast to go to work, go home from work to eat, go to the study to prepare for work, and then go to bed on time at 11 o'clock. This habit is thunderous. There are also the furnishings in the room, all according to his preferences, and the ornaments cannot be changed casually, all must be symmetrical, otherwise he will be uncomfortable. This man's life is like that of an ascetic, with a fixed pattern of life and boring. She was once attracted by this man's super self-control, handsome, handsome and regular life. She also lived like a nun for three years. Coming to the Huo family is not to marry, but to become a monk. But the heir of the wealthy family was surrounded by women everywhere rushing up, she didn't expect Huo Hanhui to be able to clean herself to such an extent – he turned out to be a virgin!
