Meet My Brothers by Red Thirteen in Chinese chapter 31-Golden opportunity!

Lin Wusheng coughed and said, “Xixi, do you like interior decoration design?”

“yes, that’s what I studied in college. At that time, I really wanted to have my own home, and I could make money by adding this major, so I chose this major in college. ” Hearing his sister say that in order to make money, Lin Wusheng was inexplicably a little sad: “With us in the future, you don’t have to worry about living expenses.” ” “Then I can’t rely on you for the rest of my life. I’ve long been used to being alone. ” Zhao Xixi didn’t take this to heart, and the car drove towards the competition site Lin Wusheng calmly took out his mobile phone and broadcast in the group: [Latest news: Big brother, sister is going to participate in the Hundred Flowers International Design Competition held by your group. ] Lin Dongye is serious: [Do you ask my sister if she likes the first place?] Lin Wusheng: 【】 Lin Dongye immediately asked people to arrange the competition, and the sister-in-law Qin Jing said: “Husband, isn’t the registration for this competition closed today? Why did I ask the person in charge and say that the registration ended a day in advance.” In this case, Sissy will definitely be disappointed when she goes to sign up today. ” Lin Dongye frowned: “Who asked them to change the time?”

“I heard that Lin Xi asked them to end a day early, which feels a little strange. ” Lin Dongye immediately called his assistant: “Let those people postpone the registration time for the competition to today, and you can’t change the time without my permission in the future!”

Not to mention that it ended a day early, even if it was a few days over, he had to restart the registration for the competition You have to let Xixi sign up!

—— Here, Zhao Xixi and his sixth cousin took a taxi to the competition registration site Zhao Xixi walked into the venue and saw a lot of introductions, she saw the exhibition report outside: “Sixth brother, my dream in the past was to go to work in this Guangzheng Real Estate Group.” ” Guangzheng Real Estate?

It’s big brother’s business, but what’s the point of being a president?

Lin Wusheng looked calm: “Xixi, it’s boring to go to work in real estate, it’s better to go to the entertainment industry, the sixth brother guarantees that you will definitely be popular.” ” must abduct my sister to the entertainment industry for development!

You must not tell your eldest brother about this, lest your eldest brother encourage her sister to go to work in a real estate company “Forget it, I don’t think I’m suitable for the entertainment industry. ” When Zhao Xixi walked to the front desk to submit the information, Huo Shanshan next to him walked over: “Zhao Xixi, you really have a face.” ” Zhao Xixi’s expression was calm: “You have a face, why don’t I have a face?”

Lin Wusheng immediately counterattacked: “That’s it, shut up with plastic surgery and ugly faces!”

Huo Shanshan was so angry: “Who do you say is ugly and has a plastic face?”

“Whoever answered, who said. ” Lin Wusheng was wearing a mask and hat, but his mouth was still very poisonous, and daring to scold his sister was simply looking for death!

Huo Shanshan immediately sneered and said, “Zhao Xixi, you don’t know yet, this competition stopped submitting registration materials yesterday. ” “Yesterday? impossible, it’s the last day of today. ” Zhao Xixi carefully read the registration instructions, and indeed today is the last day “If you don’t believe me, you can give it a try. ” Huo Shanshan had a joke on her face, because she mentioned this matter to Sister Lin Xi last night, this competition was held by Sister Lin Xi’s eldest brother group, and Lin Xi, as the eldest lady, said hello to the people here, it was not a matter of minutes She came over today to watch Zhao Xixi’s jokes Zhao Xixi, you are not qualified to participate in this competition!

Zhao Xixi handed over the information to the staff at the front desk, and the other party verified the information: “Your name is Zhao Xixi?”

“Yes, it’s me. ” Zhao Xixi was a little nervous.

Meet My Brothers by Red Thirteen in Chinese chapter 32-The other party stood up and handed her the information: “The registration information has been verified, please submit the design drawings on time at the specified

time.” ” “Thank you. ” Zhao Xixi thought that what Huo Shanshan said was true, but he didn't expect the registration to be so smooth!

Huo Shanshan looked incredulous: “How is it possible, obviously today's registration has been closed, why do you still accept her information?” xiub Didn't Sister Lin Xi say hello?

The staff replied calmly: “I'm sorry, we didn't receive a notice that the registration for the competition was closed one day in advance, and that Miss Zhao Xixi met the conditions and could register.” ” Huo Shanshan stomped her feet in anger, she was really a bunch of waste, and she couldn't even do this little thing Zhao Xixi put away his things, and the corners of his mouth hooked: “Let's go.” ” Huo Shanshan stood there a little unwillingly, she secretly took a photo of her back, and then called Lin Xi: “Sister Lin Xi, didn't you say hello to the person in charge of the competition and end the registration one day in advance, and don't let Zhao Xixi participate in this competition?”

“That's right, I did tell the person in charge that I should have ended the registration yesterday. ” “Sister Lin Xi, I came to see Zhao Xixi's joke today, and guess what? The registration did not end yesterday, and today is the last day. ” “It's impossible. ” Lin Xi frowned, this is impossible, she obviously greeted the person in charge “Sister Lin Xi, you hurry up and see where something went wrong, and ask the person in charge to send Zhao Xixi's information back and not let her participate in the competition. ” Lin Xi hung up the phone and immediately contacted the person in charge of this competition, with a serious tone: “Didn't the registration for this competition end you yesterday?”

“Miss, I originally wanted to do what you instructed, but the president made it clear that the registration could not end a day in advance, and the time was stipulated. I'm doing what I'm told to do. ” Lin Xi hung up the phone directly after hearing this, and was so angry that he smashed the documents in his hand Damn, everything went so well, but something went wrong Zhao Xixi, you are lucky this time, after all, she knows that her eldest brother doesn't like others to do things at work, and she doesn't dare to do it too obviously Lin Xi could only swallow this anger and called Huo Shanshan to explain the matter Huo Shanshan was a little angry: “Forget it, anyway, Zhao Xixi's half-hanger, even if he registers successfully, he will not be shortlisted for the preliminary round!”

Lin Xi also thinks so, she will definitely stare at the preliminary round, so that Zhao Xixi has no chance to get ahead, and she can only struggle in the slums for the rest of her life!

“Sister Lin Xi, let me tell you that there was a man who accompanied Zhao Xixi to sign up just now, and the relationship between the two seems to be quite close, maybe this is the new man Zhao Xixi is looking for.” Lin Xi’s eyes lit up: “What does that man look like?”

“I only took a picture of my back. The man wore a hat and a mask, and was dressed like a celebrity. But it must be that there is no face to see people dressed like this, do you want to see it?”

“No, but don’t let your cousin see this picture, or he’ll be mistaken.” After Lin Xi said this meaningfully, she hung up the phone, Huo Shanshan, that idiot, should understand what she meant Here Huo Shanshan thought about Lin Xi’s words, if this was known by her cousin, she would definitely be very angry!

Wouldn’t Zhao Xixi be miserable in this way?

After Huo Shanshan’s eyes flashed with a touch of coldness, she immediately sent it to Huo Hanhui: “Cousin, Zhao Xixi came to the scene to register today, and he actually got very close to a man. The relationship looks unusual!”

Heh, Zhao Xixi, you are going to die this time Huo Hanhui was busy with work, but after seeing the photos in WeChat, his eyes darkened a lot He looked at it for a long time, but he didn’t see clearly who the man was He put down his phone and sent the photo to Secretary Li: “Go and find out who this man is.” ” Secretary Li glanced at it: “Boss, it’s not easy to check only one back.” ” “To check the monitoring, do you need me to teach?”

Huo Hanhui looked at this back, and it happened that Zhao Xixi looked at the man next to him with a smile on his face That smile was so glaring to look at Could it be that this is the mysterious man behind Zhao Xixi?
