

My Disciples 121

Chapter 121 Desert mutation!

Mu Wan'er has been working tirelessly these days.

All three people on the road saw it.

Ascetics, these nineteen days are nothing.

But Mu Wan'er was a playful girl after all.

Now, but can work so hard.

Lu Changsheng looked at the pill in his hand.

The grade is in the middle of the mysterious grade, and in his eyes, the grade is not very high.

But after this alchemy conference, he also learned about the strength of outside alchemists.

At Mu Wan'er's age, it is already quite good to refine a middle-grade Xuan-rank pill.

And impurities.

Also controlled at 20%!

Combining the two, one can know how enchanting Mu Wan'er's alchemy talent is.

Lu Changsheng smiled, and asked softly, "What kind of elixir is this?"

Ye Qiubai and Xiao Hei also came over at this time, a little curious.

I saw Mu Wan'er grinning and said: "Hmph, I researched this myself!"

Mu Wan'er put her hands on her hips.

She wrinkled her nose cutely.

looked a little proud.

Ye Qiubai smiled and said, "I created it myself? Not bad."

Lu Changsheng handed the elixir to Ye Qiubai and said, "Then try it."

Ye Qiubai's eyes widened, and he said, "Ah?? Let me test the medicine myself?"

"if not?"

Hearing this, Ye Qiubai could only accept it with a wry smile, and looked at Mu Wan'er, "This... shouldn't be poisonous, right?"

Mu Wan'er shook her head and said, "No more!"

Hearing this, Ye Qiubai smiled wryly and put the elixir in his mouth, just about to take it, he stopped again.

"Is it really not poisonous?"

"No, trust me!"

Lu Changsheng waved his hand impatiently, and directly sent the elixir into Ye Qiubai's mouth!

"What's the point, you're still afraid of being poisoned when I'm here?"

Gullon...

The pill rolled into Ye Qiubai's throat.

"Um..."

"There seems to be no response..."

Mu Wan'er smiled and said: "Then draw your sword and try."

"Um?"

Ye Qiubai took out the wooden sword, and then swung it out!

"Um?!"

Ye Qiubai was slightly taken aback.

Swipe again!

Although he just swung his sword normally, his speed of swinging his sword has increased a lot!

While swinging the sword, the movement of the aura in the body also becomes faster!

This also means that Ye Qiubai will be faster when performing sword skills!

Look.

Although the effect is not great.

But in the actual battle, it can do a lot of things!

When fighting with people of similar strength.

You can take one step ahead of him and make the second strike!

At critical moments, it can also become a killer move!

Ye Qiubai looked slightly serious, and said, "Give Xiao Hei this pill, and it should be more effective."

Xiao Heiben is a body repairer.

The power of one punch can shake mountains and rivers!

Take this elixir, you can swing the second punch faster!

Even the third punch!

Then how should the opponent counterattack?

Lu Changsheng also saw the effect of this elixir.

This is nowadays, there is no similar pill in the world of alchemy!

And the usefulness is not small.

"good."

It seems that this girl and her own idea of alchemy.

There are really some similarities.

Mu Wan'er giggled and said, "How about it, it's okay."

Ye Qiubai and Xiao Hei nodded.

The girl in front of me looks playful, but her alchemy talent is really good!

At this time, Lu Changsheng took out a book, threw it to Mu Wan'er, and said, "Okay, this is the book I concluded from alchemy, let's read it."

Mu Wan'er's eyes lit up.

"Uncle, so you are going to accept me as an apprentice?"

Hearing this, Lu Changsheng straightened his face instantly, and said, "You're still young!"

After finishing speaking, he continued to sit on the chair and closed his eyes.

Mu Wan'er curled her lips.

Seeing this, Ye Qiubai laughed dumbfoundedly, and said, "Come on, Master just can't help himself."

"Keep working hard, and you will always be recognized by Master."

"Cough! Ye Qiubai, do you want to train and train you for the teacher?"

Ye Qiubai didn't dare to speak for a moment.

Mu Wan'er smiled like a crescent moon, then turned around and sat back at the stone table, and began to look at the summary of alchemy given to her by Lu Changsheng.

...

Dozens of days have passed.

Ye Qiubai set off for the Zhongyu Tibetan Taoist Academy.

The purpose is to take Mu Ziqing over.

Let Master solve her physical problem!

And this time, Qin Tiannan also came to the thatched cottage.

Seeing Qin Tiannan's serious face, he approached Lu Changsheng and said, "Changsheng, come with me. The space in the southern desert is becoming more and more unstable. We speculate that something in it is about to be born!"

After hearing this, Lu Changsheng nodded.

After all, it was agreed before.

The southern desert.

Desolate and uninhabited.

Because the environment is too harsh!

Aura is extremely thin!

There are some monsters scattered in this desert!

No one will place power here!

In the depths of the desert

Lu Changsheng and Qin Tiannan came hand in hand.

And here, several people have already arrived first.

"Oh? Dean Qin is finally here."

"Well, let's get started then."

"Hey, Dean Qin, who is this next to you?"

Now, with Lu Changsheng covering his face, no one can recognize him.

Even if it is not covered, it cannot be recognized.

It's just that Lu Changsheng doesn't want others to remember him.

To avoid trouble in the future...

Qin Tiannan said helplessly: "This is a junior of mine, and his strength is also very strong, so I brought him here to help."

After Lu Changsheng came to this world, Qin Tiannan often took care of him.

can indeed be called a junior.

This is also the reason why Lu Changsheng would not refuse Qin Tiannan's request.

"Oh? Very strong? Could it be stronger than you, Dean Qin?"

"Okay, Tian Yang, don't talk so much, let's start."

Tian Yang is the Suzerain of Mingyang Sect.

Although the overall strength lags behind the Tianyuan Dynasty.

But it is also one of the big forces in the Southern Region.

It is the middle period of Qianyuan Realm.

At this time!

In the space in front of several people.

began to tremble violently!

Immediately, several cracks appeared!

And in the cracks.

One is extremely simple, and there is a huge aura coming from it!

This breath shocked everyone!

Qin Tiannan's complexion changed slightly, and he said solemnly: "Everyone, let's start, we can't delay any longer."

Only a few cracks were torn open, and such a powerful aura leaked out.

If the things in it descend from the space completely.

Then the southern region is bound to cause a catastrophe!

Everyone also understood this truth, scattered and stood in various positions!

And under the position of everyone, there is a formation eye!

This formation is a sealing formation laid down by an extremely superb formation mage in the Central Territory!

Lu Changsheng pointed at himself and asked, "Then what am I doing?"

Qin Tiannan said: "You stand in the center of the formation, pay attention to maintaining the formation!"

Lu Changsheng nodded.

The others frowned.

That position was previously occupied by Qin Tiannan.

After all, Qin Tiannan is now a strong man in the late Qianyuan stage, ranking first among them.

Naturally, the entire formation must be stabilized!

But now, let a junior come?

Could it be that this person's strength even surpassed that of Qin Tiannan?

Chapter 122 What you see and hear, what you see with both eyes

The southern desert.

This place is deserted.

Not only because there are all kinds of deadly monsters in the desert!

Here, the aura is extremely thin!

Ascetics fight here, consuming aura in their bodies all the time.

At the same time, it is impossible to absorb spiritual energy from the outside world!

This also leads to the fact that it is impossible to fight for a long time here!

Ordinary people cannot deal with the monsters here.

Ascetics practice here, the efficiency will be extremely low!

And at this moment.

All the powerhouses of the southern region are here to seal the formation, and they must always preserve the spiritual energy reserves in their bodies!

"Everyone, let's get started."

After finishing speaking, Qin Tiannan looked at Lu Changsheng, and said, "Remember to keep the formation steady, if there is a change, it will be strengthened."

Reinforcement?

Lu Changsheng nodded.

Suddenly, everyone began to release their cultivation bases!

The sealing formation was activated!

Streams of sealing power began to gather in those narrow space cracks!

This space is extremely unstable now!

If you want to go in, you must use the sealing array to stabilize it!

Only then can I go in and see what is hidden in this space!

...

on the other hand.

In the former site of Yunhuang.

In a hall.

In front of Hongying and Yunming, stood a tall man.

And on top of the man's head, there is an illusory soul.

If you look carefully, you can find that the face of this soul is exactly similar to that of the man!

And this soul.

is slowly merging into the physical body!

Not too long.

The soul is completely integrated into the man's body.

At this time, the tall man opened his eyes!

Looking at Hongying in front of her eyes, ecstasy appeared in her eyes!

Immediately, she knelt down in front of Hongying on one knee, and said respectfully, "See Your Majesty!"

Hongying smiled and nodded, "Yun Zhan, you are still weak, get up."

The tall man is Yun Zhan!

is the head of the Nine Heavens Division of the Yunhuang Empire!

Its combat strength is second only to Hongying and the Great National Division.

"yes!"

Yun Zhan stood up excitedly, looked at Yun Ming behind Hongying, and said with a smile: "It seems that the rest of the brothers have also escaped the seal?"

Yunming laughed loudly: "Of course."

"good!"

Yun Zhan patted Yun Ming on the shoulder, and said with a smile, "We can fight together again!"

"That's natural!"

Hongying glanced around and asked, "Where is the Great Master sealed?"

Heard the words.

The smile on Yun Zhan's face faded slightly, and he said slightly seriously: "The Great Master was not sealed by the group of people outside the territory, but chose to seal himself."

"Um?"

Hongying was slightly taken aback.

She knows all about the sealed place of the Nine Heavens Department.

But there is only news about the great master, but Hongying doesn't know.

Yun Zhan explained: "After we were sealed, the Great Master sealed himself in the National Teacher Palace. At the same time, he turned the National Teacher Palace into a secret place!"

"According to the Great Master's thoughts, after we are sealed, this world is bound to undergo great changes!"

"We used the power of the whole continent before, but we didn't succeed in the battle. With our Nine Heavens Department and Your Majesty alone, it may be very difficult to fight the Heavenly Road again..."

Hongying nodded.

Great country teacher.

In the Yunhuang Empire, he served as a military advisor.

Advice for Hongying!

count without omission!

Considered extremely carefully.

Yun Zhan continued: "Thus, the Great Master sealed himself in the Palace of the Master, created a secret realm, and set up countless inheritances!"

"The purpose is to see, after many years, is there anyone who can enter the secret realm and obtain those inheritances."

Hongying understood.

The Great Master's move is not only to preserve the ancient inheritance to the greatest extent!

I even want to see if there is anyone in this world who can be reused after they are completely born!

Accumulate the vitality to fight the heavenly road again!

"Where is that secret place?"

Yun Zhan thought for a while, then said: "In the Southern Region."

"According to the time, that secret realm should be born soon."

...

the other side.

Western Regions.

Here, it is not like the other four domains, where the forces are intricate.

Here, there is only one giant force!

That is Buddhism.

In the Western Regions, Buddhism is the absolute master!

At the same time, it is also extremely mysterious.

At this moment, a man carrying a book basket came to Buddha City.

Buddhist city is where the Buddhist gate is located!

In the city of Buddha.

There is a restaurant.

Not all Buddha City is full of Buddhist practitioners.

There are also other ascetics.

The scholar with the book basket on his back walked into the restaurant.

Find a place to sit down.

Beside him, there are three or five people talking about it.

"I heard that there is a Buddhist son born in Buddhism!"

"I've also heard that this Buddha son seems to be the reincarnation of the great Buddha, and since he was born, he has been illuminated by the Buddha's light!"

"Nowadays, this Buddhist disciple's Buddhist practice is also extremely advanced. It is said that he can already be compared with some great Buddhas in the Buddhist sect."

"And this Buddhist disciple seems to be practicing in the world of mortals and inheriting Buddhism."

Heard here.

The scholar stood up and came to the side of the crowd.

"Buddhism inherits Buddhism, does it include eliminating dissidents?"

heard the scholar's remarks.

The faces of those people suddenly changed!

To know.

In the Western Regions, even in this Buddhist city, speaking ill of Buddhism is a taboo!

"Why did this little gentleman say that?"

"Speak carefully!"

The scholar was not moved by it, but continued to say: "People of Buddhism and Taoism, shouldn't they be magnanimous and forgiving, and they can't even listen to bad things?"

among the crowd.

There is a man in a brocade robe, he is the young master of a family in this Buddha city.

Focheng Ningjia!

It is one of the strongest families in the Buddhist city, except for the Buddhist family.

I saw Ning Ming reminded: "Sir, it's fine to say this in front of us, but you can't say it in front of those Buddhist practitioners."

The scholar's expression didn't change at all, but he shook his head and said, "What I've seen and heard, what I've seen with both eyes, there are Buddhist cultivators who just watched the monsters tearing the people of the entire small mountain village to pieces because ordinary people don't believe in Buddhism. He was also indifferent and did not help."

"Why not say it?"

"Could it be possible that all Buddhists are like this?"

Ning Ming and the others all had solemn faces.

This sentence.

Killing and punishing!

If people in the Buddhist sect heard these words, they would probably bring the scholar back to the Buddhist sect!

Bad luck!

Because, in the Western Regions, in this Buddhist city, Buddhism is heaven!

There are countless people who believe in Buddhism and Taoism, and they regard Buddhism as a holy place!

Ning Ming said again: "Little Mister, here, it's better not to say anything about Buddhism."

The scholar refused to listen, and wanted to talk again.

On the side, someone came over.

"What is your intention! So slandering Buddhism!"

Ning Ming and the others retreated.

Obviously he didn't want to get involved with the scholar.

I saw Ning Chenxin looking at these people, and said indifferently: "I wandered in the world, and I originally had expectations for Buddhism and Buddhist practitioners, but I watched this scene helplessly."

"What you see with both eyes is slander?"

"What you can see with both eyes? People from Buddhism, how can there be such a scum?"

Ning Chen nodded heartily and said: "It's true that you can't generalize, so Xiaosheng also plans to go to Buddhism, take a look, and ask a question, so as to solve the confusion in his heart."

Chapter 123 Heart without sincerity!

Heard what Ning Chenxin said.

The restaurant fell silent for a moment.

This little scholar who looks gentle and gentle, harmless to humans and animals.

After saying bad things about Buddhism, it seems to find him?

This is not understanding the strength of Buddhism.

Or, does he think he can walk out of Buddhism intact?

Ning Ming looked at the serious Ning Chenxin, and his face was also serious.

This person can say such words.

Or a fool.

Either there is something to rely on.

Of course, Ning Ming believed in the latter even more.

Who has not heard of the power of Buddhism?

is the only giant force in the Western Regions!

Its believers are all over the four domains!

Strength is even more mysterious!

Ning Ming didn't believe that there would be fools in Focheng.

That is to say bad things about Buddhism in public in the forbidden place of Buddhism.

And what he said was even more heartbreaking!

Then, what is the support of this little scholar?

Ning Ming intends to read on.

And those who defend Buddhism heard what Ning Chenxin said.

All sneered.

"It seems that you still want to go to Buddhism for accountability?"

"I'm afraid you can't even pass our level."

This is also the horror of Buddhism.

Its believers, those who believe in Buddhism and Taoism, are extremely loyal!

Ning Chenxin saw this scene.

My heart is also slightly heavy.

Buddhists are all so loyal.

If you are really like those three scum.

Then I'm afraid something will happen in this world!

After finishing speaking, the three advocates of Buddhism slowly approached Ning Chenxin.

Looks bad!

Ning Chen looked at the three of them heartily, and said, "I have no desire to attack you."

The three of them sneered, and released their breath, wanting to make a move!

The three of them are all at the early stage of Qi Sea Realm!

Ning Chen secretly sighed.

I want to take out the Taoism to fight against the enemy!

But, at this moment.

In the restaurant, a voice came.

"I don't care what grievances you have, but if you make trouble in the restaurant, don't blame me for being rude."

The voice is faint, but the breath in it is majestic.

Surprised everyone!

The faces of the three of them were ugly, and at this moment they stopped breathing.

After all, they can't afford to mess with the owner of this restaurant!

"You're lucky!"

The three left.

Seeing this, Ning Chen shook his head slightly, and then left the restaurant.

Seeing this, Ning Ming asked aloud, "Mr. Xiao is going to Buddhism?"

Hearing this, Ning Chen stopped and nodded slightly.

Ning Ming reminded again: "The influence of Buddhism is not simple, it is better to be careful, Mr. Xiao."

Ning Chen saw that the other party also had good intentions, smiled slightly, and said, "Some things have to be done."

After finishing speaking, he left the restaurant!

Seeing this, Ning Ming and the others decided to follow.

...

And at this moment.

In a room of the restaurant.

Two men watched this scene and couldn't help laughing.

"It seems that someone has discovered the ugly side of Buddhism?"

"Hmph, there are still few people who know this? It's just that the power of Buddhism is too large, and they don't have the courage to lift that fig leaf."

The man shook his head helplessly, and said, "What can I do? Those who uncovered the scene before, which one ended well?"

"Why, what you mean is that you want to keep the scholar?"

The man shook his head, "The power of Buddhism is too mysterious. If the other party wants to kill this son completely, then I'm afraid I can't do anything."

...

Buddhist Gate stands in the north of Buddha City.

Here, there is a big mountain.

is called Foshan.

Foshan goes straight to the sky!

At the top, there is a hall shining with Buddha's light!

Part of it is exposed under the clouds, while most of them are towering into the clouds!

Ning Chenxin came to the foot of Foshan at this moment.

Here, there are two Buddhist cultivators, cross-legged Taoist Buddha.

See Ning Chenxin coming.

One of the Buddhas practiced Taoism: "Why did the almsgiver come here?"

Ning Chen said in his heart: "Xiaosheng has something he doesn't understand, so he came here to clarify his doubts."

"What is it?"

"Buddha cultivators, are they all moral and dignified people?"

Heard the words.

The two Buddhist cultivators immediately opened their eyes!

shouted: "Bold!"

Immediately, two golden palm prints came directly towards Ning Chenxin to suppress it!

Ning Chen never dodges or evades.

Hold the Dao Jing.

Muttering!

"Town!"

Just moments!

Those two golden palm prints were instantly annihilated!

The two Buddhist cultivators also looked horrified, and were instantly suppressed by the town character seal!

Ning Chen ignored the two of them and set foot on Foshan.

Ning Ming and the others looked terrified when they saw this scene!

This scholar looks kind.

Did you ever think that he would directly suppress it!

Foshan.

From the foot of the mountain to the mountainside.

There are nine hundred and ninety-nine steps.

And this step.

If you want to go forward, you must have respect for Buddhism and Taoism.

And every ten steps, you must kneel down and worship Buddha!

According to Buddhism.

If you want to worship Buddha, you need to be sincere.

Having seen those Buddhist scum, how could Ning Chen be sincere at this moment?

Dang even stepped on the Buddhist ladder!

Step by step, climb up.

Someone was kneeling on the stairs, seeing that Ning Chen didn't want to worship, they were slightly taken aback.

Soon, Ning Chenxin reached the fiftieth step!

At this time, three Buddhist cultivators stopped in front of Ning Chenxin, frowning and said: "Why don't you worship the benefactor?"

Ning Chen asked back: "Why do you want to worship?"

One of the Buddha cultivators clasped his hands together and said, "Amitabha, if your heart is not sincere, you are not allowed to go up the mountain to worship Buddha."

"Buddha, is it really worth worshipping?"

The faces of the three Buddhist cultivators all sank.

"It seems that the benefactor is here to make trouble?"

Ning Chen thought to himself: "I just came here to clarify my doubts."

"Then I'm afraid you can't go any further, go down the mountain."

Ning Chenxin did not obey the request of Buddha Cultivator and continued to move forward.

The three Buddhist cultivators saw this and said nothing more.

Instead, they shot one after another!

I saw three Buddha cultivators shining brightly, and they all made a huge palm print!

Obviously, the strength of these three Buddhist cultivators is much stronger than that of the Buddhist cultivators at the foot of the mountain!

Ning Chen held the Taoist scriptures in his heart, and continued to move forward.

Immediately, open the Taoism.

"Volt!"

A line of Fu characters greeted him!

When Ning Ming and the others, as well as those who were about to go up the mountain to worship Buddha, saw this scene, they all looked in disbelief.

Could it be that this person really wants to go all the way to Buddhism? !

Under the terrified eyes of everyone!

The palm print disappeared!

The three Buddhist cultivators were repelled out!

Blood gushed out!

fell to the ground, breathless, apparently powerless to fight again!

Can only watch Ning Chenxin helplessly, step by step, continue to step up!

One of the Buddhist monks chose to transmit the sound!

"There are intruders!"

received this message.

All Buddhist cultivators on the mountain were taken aback.

It has been many years since no one trespassed in Foshan!

Immediately, everyone was furious!

Rush towards the stairs!

Ning Chenxin moved forward step by step.

No kneeling, no sincerity in my heart!

Soon reached the 200th level!

At this time, in the sky, there are more than a dozen Buddha cultivators coming from the sky!

These dozens of Buddhist cultivators are backed by the Buddha's light!

Cultivation is extraordinary!

Most of them are at the peak of Qi Sea Realm!

And there are three more people, the realm has reached the realm of overflowing water!

"Stop here!"

Chapter 124 Nine-character Mantra!

"Stop here!"

On the stairs, in front of Ning Chenxin!

There are dozens of Buddhas standing in the air!

Form a fan shape, enclosing Ning Chenxin!

The dazzling Buddha light is placed behind the Buddha's cultivation.

One after another breath soared into the sky!

behind.

Ning Ming and the others all looked terrified.

Buddhist forces are extremely mysterious!

And this is only the tip of the iceberg.

Ning Chenxin, can you really walk up?

"Benefactor, if you don't hurry down the mountain, then don't blame me for being rude!"

Heard the words.

Ning Chenxin was not as everyone thought.

Get out of trouble.

Instead, go one step further and step up to a new level again!

This time, he still didn't bow down, but looked directly at these Buddha cultivators.

"Some things, you know you can't do it, but you have to do it."

"For the sake of the Tao in your heart, there must be no retreat."

Ning Chen opened the Taoist scriptures with a solemn face, looked at these Buddhist cultivators, and said, "And you, if you feel at ease, why stop Xiaosheng?"

Hear this.

The complexions of the Buddhist monks all changed.

Ning Ming and the others were also silent.

yes.

If you feel at ease, there is no ghost in your heart.

How could they try to stop it?

Ning Chen continued to move forward.

Came to the 202nd step!

"If you really want to stop me, you can try."

These nine hundred and ninety-nine steps.

Ning Chenxin will go up step by step no matter what.

And walking up while standing!

All the famous Buddhist cultivators saw this scene and stopped hesitating.

shot one after another!

Someone took a photo of Buddha's light palm print!

Someone is chanting Buddhist scriptures!

Someone punched out!

One attack after another, deceiving Ning Chenxin!

Ning Chen couldn't avoid it, the Dao Sutra in his hand had been opened!

With a serious look, he drank it out!

"Destroy!"

Thunder rolls on!

Just a word of prestige!

Suddenly, all the attacks in the sky disappeared at this moment!

As if it never existed!

All the Buddhist cultivators were taken aback.

Obviously, they didn't expect that the seemingly harmless scholar in front of him would have such great strength!

And the people behind opened their mouths even more, looking unbelievable!

Ning Ming looked at this scene with a solemn expression.

The strength of this scholar is really elusive!

Just uttering one word seems to be able to suppress everything!

Who is this?

From which domain?

Even if it is Zhongyu, I have never heard of such a number one person!

All the famous Buddha cultivators looked solemn.

Obviously, the strength of the opponent is higher than them!

"Fix formation!"

Speak!

Buddha cultivators stood in a specific position one after another!

Cage Ning Chen's heart in it!

Afterwards, all put their hands together.

Recite Buddhist scriptures together!

And Ning Chenxin, who was in it, could see that there were countless characters all around, coming towards his cage in all directions!

And in every character, there is an aura of repression!

These Buddhist cultivators want to suppress Ning Chen's heart!

Ning Chenxin's complexion remained calm.

For him, no matter how strong the opponent is.

He will go up to solve the doubts in his heart!

He wanted to see if all Buddhists and Buddhist cultivators were as he saw with his eyes!

Ning Chenxin opened the scriptures in his hands again.

At this moment, waves of aura began to surround Ning Chenxin's body!

"Pro!"

This is the nine-character mantra recorded in the Taoist scriptures!

Now, Ning Chenxin told her!

A huge imprint of Linzi surrounded Ning Chenxin's body!

Defend against the overwhelming characters!

Those characters, just touch the Lin character seal, they will disappear immediately!

Ning Chen said softly, "Go."

Immediately!

Pro character printing begins to expand!

began to spread towards the surroundings!

The characters that keep coming are constantly eliminated!

All the Buddha cultivators turned pale when they saw this.

Speed up the speed of chanting Buddhist scriptures!

At the same time, those characters suddenly increased at this moment!

The power of suppression has increased sharply!

However, these characters, when they encounter the Lin character printing, there is still nothing to do.

In an instant, it will be annihilated!

Immediately after.

The "Lin" characters were printed at this moment, crashing into the formations set up by the Buddha cultivators!

at this moment.

All the famous Buddhist cultivators were struck by lightning, blood spurted wildly, screamed, and flew out backwards!

Ning Chen held the Taoist scriptures in his heart, and continued to move forward without looking at them!

Step up the steps step by step.

The waist is straight!

...

at the same time.

Ye Qiubai has also arrived at the main courtyard of the Tibetan Taoist Academy.

When Dean Yan learned about it, he sent him to the main hall.

"Ye Qiubai, you are very good, let me show off in front of Lin Rufeng!"

As soon as he saw Ye Qiubai, Dean Yan patted him on the shoulder and laughed.

After all, the people from their academy have reached the end of the sword mound that no one in the Yin Jianzong has reached!

Got the inheritance of the sword master in the sword mound!

It can be said that it gave him enough face!

Ye Qiubai smiled, not proud of it.

Dean Yan nodded secretly when he saw this.

Ye Qiubai is the best choice in terms of character and talent.

If possible, Dean Yan would like to personally accept Ye Qiubai as a disciple.

"What's the matter here?"

Ye Qiubai did not hide anything, and said directly: "I want to take Mu Ziqing to my master."

"Um?"

The existence of Mu Ziqing, as the dean of Tibetan Taoist Academy.

Dean Yan naturally knew.

"Mu Ziqing, it seems that you already know each other, so you should also know that she has an unusual physique."

"Even I can't fix it."

Ye Qiubai smiled and said: "Master has already found a solution, now we only need Mu Ziqing to go over."

"What?!"

Dean Yan's eyes froze.

Mu Ziqing's origin is extremely mysterious, and the person who escorted her here is now guarding under Qiudao Mountain!

That old man's strength, Dean Yan thinks he is no match!

It can be seen how terrifying the power behind Mu Ziqing is!

Things that even they can't fix.

Now Ye Qiubai said.

His master can solve it?

Could it be that Ye Qiubai's master is a hidden power?

"May I ask, who is your master?"

Ye Qiubai thought about it.

If I say so, I'm afraid I will lose my life.

Feeling helpless, he shook his head and said, "My teacher doesn't want to reveal his identity."

Hearing this, Dean Yan was not surprised.

nodded and said: "Okay, then you can go to her. As for whether she is willing to go with you, it is up to you."

Ye Qiubai bowed slightly: "Thank you, Dean."

"Go."

Seek at the foot of the mountain.

By the small river.

Mu Ziqing, with her white hair loose on her back, was squatting by the river.

Around her, the river seemed to have turned to ice.

And on the ground beside her, there is a dark mark.

Obviously, this place was burned by fire.

I saw her eyes diverging, and she didn't know what she was thinking.

At this time.

A voice suddenly sounded from beside Mu Ziqing.

"What, want to eat grilled fish again?"

Mu Ziqing was slightly taken aback.

Lifting his head to look at Ye Qiubai who was smiling, his face burst into a smile.

"You're here!"

Words are full of surprises.

Ye Qiubai nodded with a smile, and said: "I said, I want to help you ask Master to see if this constitution can be resolved."

Mu Ziqing was a little surprised, "So there is a way?"

Ye Qiubai nodded and said, "Let's go, follow me to the Southern Region and meet my master."

Chapter 125 The power of the stars, the seal is complete!

Seek the foot of the mountain.

After hearing Ye Qiubai's words, Mu Ziqing's eyes darkened again after a burst of surprise.

"But, even my family can't solve it..."

Ye Qiubai understood when he heard it.

It seems that the people behind Mu Ziqing are not simple.

"My master is not an ordinary person. I haven't seen him who can't do it since I became a teacher."

"Also, even if it doesn't work, try it, there is always hope."

"Besides, wouldn't the exercises I practiced before be able to perfectly resist your physique? That exercise was also taught to me by Master."

Hearing this, Mu Ziqing also nodded.

So he smiled and said, "Then I'll go and talk to Grandpa Mu."

Grandpa Mu?

Ye Qiubai thought of the old man at the foot of Qiudao Mountain.

Mu Ziqing brought Ye Qiubai to the old man.

I saw the old man with his eyes closed, as if he sensed the arrival of the two of them.

"Girl, didn't I tell you not to leave the yard?"

In the courtyard, there is a formation that can communicate with the Dao in Qiudao Mountain!

Thus, it achieves the effect of suppressing Mu Ziqing's physique.

"Also, what are you doing here, kid? Didn't you already take away the kendo inheritance in the Dao Mountain?"

Immediately afterwards, Mu Ziqing told Elder Mu about Ye Qiubai's visit.

Old Mu suddenly opened his eyes, and there was no cloudiness in his eyes due to old age.

It's all shining!

It seems to be able to see through everything in the world!

"You said, your master can cure Zi Qing's physical problems?"

While speaking, a huge breath directly pressed on Ye Qiubai's body!

Ye Qiubai's expression changed slightly.

Also released the sword intent, and this was the only way to barely resist this aura!

The strength of the old man in front of him is obviously very strong!

Mu Ziqing saw this scene from the side, and said angrily, "Grandpa Mu, why are you scaring Qiubai?"

After hearing this, Elder Mu withdrew his breath.

Ye Qiubai also said at this time: "Yes, my teacher has a solution."

"Then does your tutor know what is Zi Qing's physique?"

Ye Qiubai nodded when he heard the words, and said: "The master naturally knows that Mu Ziqing's physique is the physique of the ice spirit vein, and if he can suppress and absorb it, he can increase the speed of cultivation to the maximum. Once he fails, his soul and body will be destroyed." Frozen forever!"

"Um?"

Old Mu's face changed slightly when he heard the words.

There is no record of this physique in this world!

Could it be that the master of this son is not from this world?

Thinking of this, Mu Lao's face was solemn, and he said, "Then you should also know how harsh the solution to this physique is?"

"Master naturally knows, but he has a way to solve it."

"Really?"

Mu Lao asked.

Ye Qiubai nodded, and said with certainty: "Really."

However, Mr. Mu was extremely suspicious.

After all, Mu Ziqing's physical problems left them all helpless.

Now, Ye Qiubai said that his master can solve it.

Old Mu absolutely cannot rely on his own words to believe it!

Ye Qiubai also seemed to see Mu Lao's hesitation and disbelief.

Shrugging his shoulders, Ye Qiubai's body was enveloped by a sense of endless life.

Immediately, Mu Ziqing's hand was held.

Pop.

Mu Ziqing's face turned red!

"You...what are you doing..."

Mr. Mu didn't think about anything else, but looked at Ye Qiubai with a startled expression.

His hands and body are not frozen!

You know, people who are not strong enough can't even get close to Mu Ziqing!

And people with sufficient strength, such as him, cannot easily contact Mu Ziqing!

Even he would be injured by that frozen force!

And what about Ye Qiubai?

One view of the realm.

It is also a place where water overflows.

But he was able to hold Mu Ziqing's hand, nothing happened yet?

Ye Qiubai said at this time: "Old Mu, you should believe it now."

"I was able to do this because of this exercise."

"And this exercise was taught to me by Master."

There was a long silence.

Mr. Mu nodded and said, "It seems that your master has some skills, how about this, Zi Qing, I will leave it to you."

"However, if the cure is not cured, return here immediately, no more than seven days!"

"Once it exceeds seven days, and the frozen power in Zi Qing's body is not suppressed, the consequences will be disastrous!"

After listening.

Ye Qiubai's face was also slightly solemn, he nodded and said, "I understand."

Mr. Mu looked at Mu Ziqing, and said, "Girl, remember to wear the Spirit Pearl at all times."

Mu Ziqing nodded.

Immediately after saying goodbye.

The two went to the Southern Region!

...

At the moment.

Deep in the southern desert!

The cracks in the space began to expand slowly!

The aura of destruction exuding from it is getting stronger and stronger!

At this moment, the sealing formation where Qin Tiannan and the others were located also began to shake at this moment!

"Oops!"

Mingyang Sect Master's complexion changed, and he shouted loudly: "The sealing formation is starting to become unstable!"

The expressions of the others also changed drastically!

If the sealing formation is dispelled by this terrifying aura of destruction at this moment, then it is not just everyone in the southern region.

Even they, who are in the very center of danger, may be in danger!

This is what they don't want to see.

The stronger the strength, the longer the life.

I will cherish my life even more!

Qin Tiannan obviously felt the hesitation of the crowd, and even had the idea of fleeing!

With a solemn face, he said: "Don't panic, strengthen the formation immediately!"

Immediately, he looked at Lu Changsheng again, and said, "Is there a solution?"

Lu Changsheng nodded.

Immediately, with a wave of his hand, seven spiritual qi shot out!

landed in seven different places!

Strengthen the formation!

And these seven different places.

If you look carefully, you can find it.

These seven aura-irrigated places, connected together, are like the Big Dipper!

And at this time, there were seven tiny stars shining in the sky!

Immediately, it fell into the formation!

Stabilized the formation!

Lu Changsheng used the power of the Big Dipper to seal and suppress!

After this moment, the destructive aura was pressed back into the space by the force of the seal!

Sealing the formation also stopped shaking.

When everyone saw this scene, they all felt dark in their hearts.

Who is this son?

With one shot, can they suppress the destructive aura that they have no way to do?

Qin Tiannan also nodded with a smile.

Obviously, it was right to ask Lu Changsheng to come here.

Without him.

They probably can't handle it alone!

Time passed slowly for a stick of incense.

Those cracks in space were sealed by the formation.

Breath cannot be revealed!

succeeded.

Qin Tiannan and the others breathed a sigh of relief.

Lu Changsheng also stretched, and lazily said: "Okay, it's over, can I go?"

At this moment, Lu Changsheng just wanted to go back and lie down.

Qin Tiannan felt helpless, and said: "We can't leave yet, we still need to find a way to go in and find out."

"Then why don't you just go in?"

Lu Changsheng was not interested in anything in it.

"I'm afraid that after we go in, the seal will be loosened, and you will need to take action at that time."

Lu Changsheng had no choice but to nod in agreement, "Then you go in, I'll just watch outside, I'm too lazy to go."

Mingyang Sect Master and others also looked strange when they saw this.

This breath is so huge.

There must be a treasure among them, so this person has no interest at all?

I don't know.

Lu Changsheng is really not interested in these things...

Chapter 126 Sound transmission in the secret realm...

The other side of space.

What the **** is there?

Qin Tiannan and others are unknown.

However, at their level, it is already very difficult to go up.

If you want to break through, you must encounter opportunities.

Otherwise, it would be almost impossible to break through and gain longevity.

That's why Ming Yangzong and others want to venture into the other side of the space.

after all.

According to the destructive aura emitted before, if it is a treasure or an inheritance secret, it must not be simple!

It is likely to be left over from ancient times.

As long as you get it, you will be able to break through!

Only then can you get more life yuan!

Ascetics are all immortal.

What's more, they are already in positions of authority, and they cherish life even more.

There's nothing wrong with that.

But if you want to enter the other side of the space, if you tear it apart with brute force, it will inevitably trigger an explosion of destructive aura!

Qin Tiannan and others have thought of this a long time ago.

So they were also prepared.

I saw Qin Tiannan took out a small ship.

On this ship, there are several defensive formations engraved by the master of the central domain formation to resist the turbulent flow of space.

Still has the effect of short-distance shuttle space.

It took a lot of their resources!

Qin Tiannan said: "Are you all ready?"

Mingyang Sect Master and others all nodded solemnly.

Seeing this, Qin Tiannan nodded and boarded the ship.

Everyone also walked up.

"Changsheng, don't you really want to take a look?"

Lu Changsheng rolled his eyes, "I really don't want to go."

He has no interest in these.

Immediately, Qin Tiannan activated the small ship, turned into a stream of light, and squeezed into the other side of the space!

in the space.

There are countless space turbulence, and deadly space storms!

Without a defensive formation, with the strength of Qin Tiannan and others, they would not be able to resist the turbulent flow of space at all!

If you want to resist space turbulence, you must at least reach the False God Realm!

but.

Once encountering a space storm, even a strong False God Realm can only sit and wait for death.

That is to wait to die.

When Qin Tiannan and others entered the space in a small ship, they found that, apart from the space turbulence that can be seen everywhere!

In front of them, there is a huge barrier!

In the barrier, there is a wild land!

This land is scattered with countless ruins!

Among the ruins, there are countless wreckage!

It's a secret place!

Ancient Secret Realm!

Moreover, the level of this secret realm is obviously much higher than the blood prison secret realm in the southern region!

Mingyang Sect Master and others looked at this scene with surprise in their eyes!

"You guessed right, there really is a chance!"

"Let's go, let's go in and have a look first?"

Qin Tiannan shook his head: "Wait."

"In this secret place, there are dangers everywhere. Let the puppets explore the way first."

After Qin Tiannan's reminder, everyone also calmed down.

One of the shadowy old men heard this and threw out a puppet.

The body of the puppet was also affixed with a seal to resist space turbulence.

Avoid being directly destroyed by space turbulence!

Immediately, he directed the puppet to approach the barrier.

When approached.

It's just a moment of time!

The puppet was directly crushed by an invisible pressure!

Seeing this, everyone's expressions changed!

The shadowy old man's face was even more serious, you know, that puppet was a puppet in the early stage of Qianyuan Realm!

If even this puppet can't bear it for a moment, then they may be in danger too!

Mingyang Sect Master said unwillingly: "What should we do now?"

Qin Tiannan had no choice.

However, it is really not reconciled to leave at this point.

After all, the opportunity is in front of their eyes.

Just as everyone was thinking, a voice came from this space.

The voice is faint.

It seems to come from the abyss!

"Calculating the time, someone should have found this place."

"But... why are you so weak?"

"Talent is even more unsightly."

Hearing these words, everyone's face sank.

In the southern region, they can be said to be admired by thousands of people.

The strength is even the top of the Southern Region.

But this voice bluntly said that their strength is too weak, not enough talent?

Qin Tiannan's expression was calm, he clasped his fists and said, "Who is senior?"

The voice came out again.

"It doesn't matter who I am, and you don't need to know."

"Let me ask you, in this era, are everyone as weak as you?"

Qin Tiannan did not refute, but said: "Our strength is not the top in this world, and other giants have people who are much stronger than us."

"A lot stronger? Then why didn't they come?"

"The realm we are in is different. This secret realm happened to be discovered in our southern region."

"Understood."

"Leave, you are not qualified to enter this secret realm."

Mingyang Sect Master's complexion changed.

Opportunities are in sight, but let him give up?

This is an opportunity to break through and live forever!

"Your Mightiness..."

However, before the master of Mingyang Sect finished speaking, he was interrupted!

"Don't let me say it a second time, with your strength and talent, you can't even pass the first level here."

After speaking, there was no more sound.

Everyone's faces were ugly.

But he couldn't say anything, after all, what he said was the truth.

Qin Tiannan also sighed secretly, and said, "Okay, let's leave."

"Did you just give up like this?"

Qin Tiannan shook his head: "Of course not, but we in the Southern Region alone may not be able to swallow this secret realm."

Hearing Qin Tiannan's words, everyone's expressions changed.

They understood what Qin Tiannan meant.

Want to join other domains!

However, in this way, their cake will be divided up!

Qin Tiannan looked at them, and said in a deep voice: "Rather than not getting it, it is better to unite with them, so that we can have a chance to get the chance!"

When everyone heard the words, they had no choice but to agree with a sullen face.

"Let's go."

Everyone left.

And when they left here.

In the depths of the ruins, an illusory soul watched this scene.

Only heard him secretly sigh.

"With the strength of this generation, I am afraid that they will not be able to fight the heavenly road again."

The group of people in Tianlu are extremely powerful.

In the ancient times, there were many powerful people, how many?

But still failed.

Now, relying on the strength of this generation, how can they conquer the heavenly road?

"However, the time observed at that time should be this generation."

"In this generation, there will be many arrogance, and it will be a world of great controversy."

"Could it be that I miscalculated?"

The illusory soul shook his head and fell silent again.

"Time...is running out..."

...

And when Qin Tiannan and the others came out, an astonishing news spread throughout the entire continent!

The southern desert.

Ancient ruins appear, and all forces are invited to come and enter the secret realm to obtain amazing opportunities!

After this news was released.

Many forces are boiling over!

Ancient ruins.

means that there are many inheritances from ancient strongmen!

As long as you get one, you can make a fortune!

Soar!

Chapter 127 Eighteen Arhats!

As soon as the news came out.

The major forces sent people to the Southern Tibetan Academy of Taoism.

Talk about it!

However, after the discussion.

also discovered that this secret realm is not simple.

Therefore, the forces in the Central Domain and other domains decided to send top experts to break through the first barrier!

As for the harvest, it all depends on the chances of the forces themselves.

As for Qin Tiannan, there is only one request.

Do not forcibly break open the space.

Otherwise, the Southern Territory will surely fall into disaster!

All the forces also chose to agree.

...

And the other side.

Buddhism in the Western Regions.

On top of Foshan.

In the hall that towers into the sky.

A Buddhist disciple came to report.

"Why panic?"

In the Buddha Hall, there are six big Buddhas who lightly closed their eyes, put their hands together, and sat cross-legged in front of the golden Buddha statue in front of them.

"The pure land of Buddhism, don't panic when things happen, and disturb the Buddha's mind."

The Buddhist disciple clasped his hands together and said respectfully, "Thank you, Great Buddha."

"Speak."

"Someone invaded Foshan, and they were not allowed to kneel and worship on the steps of the Buddhist gate. If they wanted to go up the mountain, they said it was to solve doubts!"

One of the big Buddhas said indifferently: "You can't kneel and worship, and your heart is not sincere, so you can't solve his doubts. Please let him go down the mountain."

The Buddhist disciple said: "But our disciples went to ask him to come down the mountain, but this man refused, and he has injured dozens of Buddhist disciples."

"What's more, the words in this person's mouth are not condescending, saying that my Buddhist sect is a dignified person, and I will rule out dissidents!"

"Um?"

Hear this.

One of the big Buddhas opened his eyes and looked down Foshan.

"Let the Eighteen Arhats go and subdue this person."

"Since you slander my Buddha, let him disappear."

Hearing this, the Buddhist disciple was overjoyed, put his hands together and said, "I understand."

"Go."

With a word, the Buddhist disciple left.

At the moment.

The golden Buddha statue is pinched with both hands, shining with dazzling Buddha light all over the body, with a smile on its face.

However, that smile seems to have a ray of magic!

...

On the Buddhist ladder.

Ning Chenxin holds the Taoist scriptures in his hand, and has reached the 780th floor!

Around him, there are dozens of people from Buddhist sects, lying aside, sluggish!

Obviously, he wanted to stop Ning Chenxin, but was defeated by him!

With an unstoppable trend, continue to move up!

Behind him, Ning Ming and the others were already numb.

Ning Chenxin's strength is too strong.

After encountering an enemy, spit out one word.

The battle is resolved!

Those Buddhist disciples who came here, no one is his opponent at all!

But.

Just as Ning Chenxin stepped onto the eight hundredth floor.

There are eighteen Buddhist monks coming in front of us!

The eighteen Buddhist practitioners are all holding wooden sticks.

Its aura is extremely strong!

All reached the early stage of Qianyuan Realm!

Ning Ming's complexion changed, and he exclaimed, "Eighteen Buddhist Arhats!"

Eighteen Arhats.

is a very powerful fighting force of Buddhism!

Not only their realm, they have all reached the early stage of Qianyuan realm!

What's even more frightening is that the eighteen arhats can form a large formation of eighteen arhats!

Once the big formation is about to be completed, even the strong in the late Qianyuan stage can only avoid the edge for the time being!

The power of this array is extremely powerful!

"I didn't expect that Buddhism would directly dispatch eighteen arhats."

"It seems that he is determined to keep this scholar here."

At this time, Ning Ming remembered the words of his family, in Buddha City, even in the Western Regions, don't speak ill of Buddhism.

Otherwise, the family will be wiped out!

These words are not jokes.

In the case that the opponent did not dispatch the Buddha.

I am afraid that only these eighteen arhats can destroy their family!

After all, among their family, the strongest person is only in the late Qianyuan stage.

Looking at it now, the strength of Buddhism is really a mystery.

Ning Chenxin also looked up at this time.

Holding the Taoist scriptures, he said, "Are you going to stop me too?"

Eighteen Arhats didn't say much.

Immediately enclose Ning Chenxin in it!

For them.

Buddhism is their holy land!

Those who slander Buddhism.

Kill without mercy!

Naturally, there is no need to say much!

Seeing this scene, Ning Chen didn't say any more, and opened the scriptures, preparing to defend against the enemy.

Battle is on the verge of triggering!

At this time, the Eighteen Arhats held wooden sticks, and immediately, they threw sticks at Ning Chenxin at the same time!

One time.

Eighteen golden bachelor shadows came towards Ning Chenxin!

Ning Chenxin's expression did not change.

Say one word: "Pro!"

Pro character printed to meet up!

Destroy those eighteen stick shadows directly!

Eighteen Arhats were not surprised when they saw this.

After all, it is not easy to come here after defeating many Buddhist cultivators.

Immediately, the Eighteen Arhats formed a large formation!

Behind these arhats, a huge phantom appeared!

And the faces of the phantoms are exactly themselves!

The phantoms are all holding golden sticks.

Following the Eighteen Arhats' swings, they smashed towards Ning Chenxin at the same time!

Eighteen phantoms cast sticks at the same time!

For a moment, the top of Ning Chenxin's head was filled with golden light!

An extremely strong suppressive aura wants to suppress Ning Chenxin on the spot!

This is the formation of the Eighteen Arhats!

One stick can suppress the demons of heaven and earth!

The power is extremely fierce!

Ning Chen didn't neglect, held the Taoist scriptures in his hand, and uttered another word!

"Soldier!"

The nine-character mantra strikes again!

The "soldier" character seal turned into a phantom of a heavenly soldier at this moment, heading towards the phantom of the eighteen arhats!

Ning Ming and the others all changed their expressions.

Obviously, Ning Chen has no intention of retreating, he wants to shake the Eighteen Arhats!

One time.

Heavenly Soldiers collided with Eighteen Arhat phantoms!

The aftermath is starting!

Ning Ming and others need to release their aura to stop the aftermath!

There are even people who are not strong enough, who are directly affected by the aftermath, vomit blood, and retreat!

The battle in this realm is obviously not something they can get involved in!

Even watching, only from a distance!

The surrounding trees are all destroyed at this moment!

dusty!

Breath continues to explode!

Under the terrified eyes of everyone, the heavenly soldiers repelled the sticks of the eighteen arhat phantoms!

Eighteen Arhats were obviously surprised when they saw this.

Want to swing again.

But Ning Chenxin spit out a word again!

"fight!"

Words follow the law.

Thunder rolls on!

The character "Dou" was printed at this moment, and it was blessed in the body of Tianbing Xuying!

Immediately, a long halberd appeared in the hands of the Heavenly Soldiers!

Breath soared!

Eighteen Arhats' complexion changed, and he immediately made a one-handed trick!

Accompanied by a deep drink, the wooden stick in his hand swung heavily!

Eighteen arhat formation, at this moment the aura also skyrocketed to the extreme!

Facing Ning Chenxin's blow.

They can't be snubbed!

The Celestial Soldiers swung their halberds!

Collided with the phantom of the Eighteen Arhats!

Boom!

At this moment, Foshan seemed to shake!

People in the entire Buddha City felt an aura bursting out in the sky!

All raised their heads and looked in the direction of Foshan.

Who dares to trespass on Foshan? !

And the Buddhist ladder.

At the 800th floor.

Ning Ming and the others have retreated to the 600th floor!

Looking at the scene in front of them, they were all shocked!

Above, the phantom of the Eighteen Arhats has disappeared!

The large formation is also annihilated!

The eighteen arhats all fell by the stairs, their aura was sluggish, and their breath was extremely weak!

Obviously, they were all badly injured!

And Ning Chenxin continued to move forward.

One step after another.

Straighten your spine and walk up...

Chapter 128 Asura Phantom!

The power of Buddhism is extremely mysterious.

Among them, the Eighteen Arhats are well known.

Back then, there were also people like Ning Chenxin.

Want to expose the fig leaf of Buddhism.

Two of them were shot by Eighteen Arhats.

Kill it!

Now, the Eighteen Arhats, who were feared by people in the Western Regions, have been defeated by Ning Chenxin!

It's like being destroyed and decayed, vulnerable to a single blow!

A scholar, but his strength is so terrifying!

Moreover, they didn't feel any aura fluctuations from Ning Chenxin's body at all!

It seems that there is no realm!

But how did they know that Ning Chenxin really has no realm.

Who is this person?

At the moment.

Ning Chen still moved forward.

There are a total of nine hundred and ninety-nine floors in the Buddhist ladder.

One worship every ten floors.

Now, Ning Chenxin has reached the nine hundred and ninety-eighth floor!

Only one floor away, you can truly reach the land of Buddhism!

At this moment, on the 999th floor, which is the last floor.

An old man appeared here out of thin air.

The old man has no hair and is wearing a blue cassock!

At the 700th floor.

After Ning Ming and the others bowed down, they looked at the old man above, and their expressions changed slightly!

"Tsing Yi Bodhisattva!"

"It seems that Ning Chenxin has been completely targeted by Buddhism."

Among Buddhism, although it is said to be equal, there is no hierarchy.

However, they will still be divided into novice monks, that is, beginner disciples.

On it is Arhat!

Eighteen Arhats, this is the class!

And further up, there are Bodhisattvas. Bodhisattvas are divided into Tsing Yi Bodhisattvas and Golden Clothed Bodhisattvas!

Among them, the Golden Clothed Bodhisattva is more powerful, and his cultivation of Buddhism and Taoism is deeper!

Further up is the Buddha.

Every great Buddha has a top position in Buddhism.

is the strongest fighting force in Buddhism!

Even so, Tsing Yi Bodhisattva's strength is not weak!

It can be said that it is stronger than the Eighteen Arhats!

For example, the Tsing Yi Bodhisattva in front of Ning Chenxin is at the late stage of Qianyuan Realm!

If the Eighteen Arhats perform the Eighteen Arhats Formation, they can touch the Tsing Yi Bodhisattva.

I saw the Tsing Yi Bodhisattva with a kind smile on his face, very kind.

"This benefactor, let's stop here."

"If you are dishonest in your heart, the Buddha will not solve your doubts."

Ning Chenxin looked calm, looked at the Tsing Yi Bodhisattva in front of him, and said, "What is sincerity?"

"As you said, you can only be called sincere if you kneel down every ten steps?"

The Tsing Yi Bodhisattva shook his head with a smile, and said: "Kneeling is just a form. If you have a sincere heart, why don't you kneel and worship Buddha?"

Ning Chenxin disagreed with Tsing Yi Bodhisattva's statement, and retorted: "If you are sincere, you are not ashamed of your heart, you are not ashamed of your ground, how can you prove it by kneeling down?"

"For people, I have no shame for myself, and for things, I have no shame for my heart."

"I just want to come to Buddhism to seek proof of what I have seen and heard along the way. Isn't this sincere?"

"If you have sincerity in your heart, why did you set up this Buddhist ladder without any practical significance?"

"Is it just to collect the power of faith?"

"Or, you Buddhists have sincerity in your heart, so why do you want to stop Xiaosheng in every possible way."

Ning Chenxin's words, although the tone is flat.

But every word punishes the heart!

Although the Tsing Yi Bodhisattva still had a kind smile on his face, there was a murderous intent in his slightly squinted eyes!

What Ning Chenxin said was the purpose of their Buddhism!

It is also a tacit fact!

The Tsing Yi Bodhisattva stopped talking, but looked at the people at the bottom of the steps, and said, "It doesn't matter, let's go down the mountain for now."

Ning Ming and the others changed their faces slightly.

Obviously, this Tsing Yi Bodhisattva wanted to clear the field!

I don't want them to see the next scene!

That is to say, Buddhism has already planned to forcibly kill Ning Chenxin!

However, facing the strength of Tsing Yi Bodhisattva and the mysterious power of Buddhism!

They had to withdraw!

They could only walk down one after another.

Tsing Yi Bodhisattva's expression turned completely cold upon seeing this.

"Young man, with your talent, you will sooner or later reach a high level of cultivation, but why do you make mistakes?"

"You know, meddling in other people's business can sometimes lead to halfway failure."

Today, there is no one else around.

The Tsing Yi Bodhisattva no longer pretends!

At this moment, he is not like a Buddhist Bodhisattva in Tsing Yi, but a Devil in Tsing Yi!

Ning Chen held the Taoist scriptures in his heart, exuding a gentle aura all over his body.

"Why did I make a mistake, Xiaosheng just followed his own heart."

"Taoist, if you don't follow your heart, then how can you talk about cultivating the Tao?"

The Tsing Yi Bodhisattva smiled: "From the heart, indeed, a practitioner must follow the heart."

"However, do you know that this act of your heart will ruin your own life."

"So what?"

Among the words of Bodhisattva in Tsing Yi, Ning Chenxin could already detect that the real Buddhism is probably not very clean.

The other party also wants to put himself to death.

Ning Chen didn't want to say any more, and opened the scriptures in his hand!

shouted in a low voice: "Come on!"

"Soldier!"

"fight!"

Suddenly, a heavenly soldier held a halberd and threw it at the Tsing Yi Bodhisattva!

The wind is so loud!

The halberd squeezed wildly in the space!

There were bursts of sonic booms!

Tsing Yi Bodhisattva raised his eyebrows, but his face didn't change much. His strength is a bit stronger than the average late Qianyuan stage powerhouse!

Buddhist exercises are all extremely profound!

I saw the Bodhisattva in Tsing Yi making seals with one hand and making formulas with the other!

Behind him, a phantom of golden light appeared!

The phantom is extremely ugly!

Hold the sun and the moon in your hands!

is Asura!

Asura is an extremely profound practice of Buddhism!

The Tsing Yi Bodhisattva is now summoned with only two hands.

According to legend, when this technique reaches its peak, it can transform itself into an asura, with six hands in total!

Roaring like thunder, it can make the sea churn and turn the world upside down!

Although Asura of Tsing Yi Bodhisattva has not reached the peak of cultivation, his aura is still extremely terrifying!

I saw the imprint in the hand of the Tsing Yi Bodhisattva changed, and the phantom of Asura behind him seemed to be holding the sky and the earth, with his hands facing the sky!

He greeted the Heavenly Soldiers!

The halberd in the hands of Heavenly Soldiers slammed into the hands of Asura Phantom!

In an instant, the two took a step back at the same time!

The face of Tsing Yi Bodhisattva changed slightly.

He didn't underestimate Ning Chenxin, so at the beginning, he cast Asura phantom!

However, there is still no advantage!

Ning Chenxin didn't think too much, and uttered another word in his mouth!

"By!"

Immediately!

There is a holy light descending on the body of the Heavenly Soldiers!

Worn in silver-white armor, the halberd in his hand is even more aura boiling!

Like a general!

The breath soared again!

Ning Chenxin stepped forward, and the general made a silent roar, and stepped towards the Tsing Yi Bodhisattva!

The Tsing Yi Bodhisattva's face changed in shock when he saw this!

This breath is much stronger than before!

Obviously, with his strength, he is absolutely unable to take this blow!

But it was at this moment.

In the sky, the light of Buddha descends!

Shine on the body of the general!

The sky will melt slowly at this moment!

Ning Chen raised his eyebrows heartily.

There is an old man in golden clothes stepping forward!

This person is a Bodhisattva in golden clothes!

The strength has reached half a step of False God!

As for the Golden Clothed Bodhisattva, in the eyes of the world, only heard about it, but never really seen it!

If anyone is here and sees this scene, they will be shocked!

A golden clothed Bodhisattva has reached the half-step imaginary god.

Then, what kind of state did the Buddhas above reach?

Chapter 129 The projection arrives!

Among the Buddhist gates, there are more than a dozen Tsing Yi Bodhisattvas and Golden Clothed Bodhisattvas.

Bodhisattvas in Tsing Yi are all late Qianyuan Realm!

The golden-clothed Bodhisattva is a half-step false god.

Adding the Eighteen Arhats, the combat power of these people alone can be said to be extremely terrifying!

What's more, on top of them, there are Buddhist Buddhas!

No one knows the realm of the Buddhas!

However, at least they are all in the False God Realm!

If such a power is known, how many powers will be frightened?

In the eyes of many forces, the true strength of Buddhism is always a mystery.

No one knows its true strength.

I just know that those who offend Buddhism will not end well.

in other words.

has disappeared from this world...

In addition, the people of Buddhism are extremely low-key, they just send all monks to collect believers in various regions.

In order to increase the power of faith in Buddhism.

The Golden Clothed Bodhisattva came and didn't say much, just chanting Buddhist scriptures.

Seeing the Buddha's light, it shot towards Ning Chenxin!

Ning Chenxin opened the Taoist scriptures, and said lightly: "All."

An invisible barrier appeared around Ning Chenxin!

Resist this Buddha light!

However, this Buddha light seems to be able to dissolve everything!

Under the Buddha's light, the barrier began to slowly disappear!

Ning Chenxin saw this, but his face did not change at all.

It is still as flat as the surface of a lake, and the ancient well has no waves!

The Golden Clothed Bodhisattva wrinkled his eyes slightly when he saw this scene.

Is it possible that this kid still has to rely on his hole cards?

Ning Chenxin turned to the Daoist scriptures, and said softly: "The Dao is rushing and used or not, and the deep is like the ancestor of all things."

The voice is dull.

It's like rolling thunder!

Once you say it, the law follows!

Suddenly, a wave of morality surged into the sky!

It is actually indistinctly opposed to Buddha's light!

This sense of Taoism, this ray of world-shaking Buddha light can't melt it away!

On the contrary, there is a faint intention of annexation!

Golden Light Bodhisattva's complexion changed slightly, he clasped his hands together, and the Buddhist scriptures he was chanting changed!

Immediately, he clapped his palm.

That ray of Buddha's light was integrated into that palm print!

The power is terrifying!

At this moment, the Tsing Yi Bodhisattva didn't hesitate, and sacrificed the phantom of Asura again!

I saw Asura phantom striding out with his hands on the sun and the moon!

It's like crossing the ocean in one step!

Hands came to suppress Ning Chenxin!

A strong man in the late Qianyuan Realm, another attack came from the half-step False God Realm!

With this series of attacks, the strong under the False God Realm will probably need to be moved!

Ning Chenxin yelled at Asura: "Fight!"

Heavenly soldiers attack again!

Collide with Asura phantom!

Ning Chenxin, one against two!

Don't fall behind!

Aftermath waves blew on Ning Chenxin's body, and the clothes fluttered casually, rustling!

His complexion remained unchanged!

It's like nothing in the world can move it!

This scene surprised the two Bodhisattvas.

The two of them join forces, can't they do nothing to this son?

Who is the power behind this person?

Able to train such shockingly gifted disciples!

However, that's all the two of them thought about.

In their eyes, the power of their Buddhism in this world can be said to have reached the ceiling.

No one can go beyond it.

Sudden!

On top of Foshan, two golden-clothed Bodhisattvas and four Tsing-clothed Bodhisattvas came from the sky!

Obviously, they are not going to give Ning Chenxin a chance to escape!

I want to keep it here forever!

The six Bodhisattvas who stepped forward also did not say much, they all released their strongest attack methods!

Present, there are three half-step False God Realm powerhouses, and five people in the late Qianyuan Realm!

Such forces were mobilized just to kill Ning Chenxin!

Seeing this, Ning Chen opened the Taoist scriptures again, and said lightly: "Destroy the sharpness, resolve the confusion, harmonize the light, and become the same as the dust."

For a moment, Taoism soared to the sky!

Frantically resisting the Buddha light in the sky!

and the big palm print of Buddhism.

And that phantom of Asura holding the sun and the moon in his hands!

But.

This time Ning Chenxin was at a disadvantage.

These attacks continuously melted the Dao intention that burst out from Ning Chen's heart.

Start to suppress Ning Chenxin!

It is useful to see this.

Buddhist Bodhisattvas stepped up their offensive!

Don't give Ning Chenxin any chance!

This person not only knows the dark side of Buddhism, but also knows the strength of Buddhism!

Moreover, if the strength and talent of the scholar in front of him is not eliminated, he may become a trouble in the future!

They must not give Ning Chenxin any chance and keep it here forever!

Ning Chenxin's face was also slightly pale, but her eyes did not change.

Just keep releasing Taoism.

In the sky, a trend of polarization has formed!

One side is the pure white and flawless Taoism, and the other side is the golden light of Buddha!

However, this moral will is constantly being suppressed at this time.

Seeing, that ray of Buddha's light was about to shine on Ning Chenxin.

Seeing this, Ning Chen sighed slightly.

Based on his current understanding of Tao.

can only do this step.

Pity.

Can't repay Master's kindness.

But.

When the Buddha's light is about to shine on Ning Chenxin and kill him!

A jade pendant suddenly flew out from Ning Chenxin's neck!

stood in front of Ning Chenxin!

Among them, there is a monstrous sword formation!

Resist all the attacks of the Buddha lights, palm prints, and Asura phantoms!

Immediately, there was a sword full of rules in the sword array. At this moment, it kept roaring in this space!

Buddha's light was cut off by the sword of rules!

The palm print was cut directly!

Asura phantom was pierced between the eyebrows by the sword of rules and exploded!

The five Tsing Yi Bodhisattvas directly suffered backlash!

If you are struck by lightning, your mouth will overflow with blood!

The Golden Clothed Bodhisattva turned pale and stepped back dozens of steps!

See this scene.

All the Bodhisattvas were shocked.

What is this? !

There is such a terrifying sword formation!

Who set up this sword array? !

Ning Chenxin also saw the jade pendant.

This jade pendant was given to him by the master at the beginning.

When it was handed over to him, the master said that this object can save his life at a critical moment.

Now it seems that Master's ability is really unpredictable.

Ning Chen thought of this, and couldn't help shaking his head and laughing.

And when the sword formation disappeared.

The attacks of the bodhisattvas also disappeared in this space!

One of the golden-clothed Bodhisattvas saw this and shouted: "Continue to attack, that sword array has disappeared!"

However, when the bodhisattvas wanted to continue to attack.

Sudden mutation!

The jade pendant is shattered!

A breath exploded in this space!

The whole of Foshan was shrouded in this terrifying atmosphere!

Buddhist novice monks, arhats, and Bodhisattvas all changed their faces in shock!

Where did Fang Daneng come to Foshan? !

And in front of Ning Chenxin, an illusory figure projected over!

I saw a phantom man dressed in white clothes, the corners of which were windless and automatic.

Hands behind your back, supercilious!

And the terrifying aura that enveloped Foshan was exactly what this man exuded when he appeared!

All the famous Bodhisattvas looked at the man in front of them in horror.

Only smell.

The man said softly: "Who wants to kill my disciple?"

Chapter 130 The requirements are not high, just cut yourself off

An extremely huge aura directly enveloped the entire Foshan!

In Buddha City, everyone cast their eyes on the past.

His face showed horror!

Who is this aura?

Who is shaking Foshan hard!

Ning Ming and the others felt this terrifying aura as soon as they arrived at the foot of Foshan!

Feeling this breath, the spiritual energy in their bodies stopped flowing!

Some people were even pressed to the ground, and it was extremely difficult to breathe!

This is a complete suppression of strength!

Ning Ming was also pale, clutching his chest, looking at the mountain in horror.

Which one of the great players made the move?

This aura is even countless times stronger than that of their family members!

Even in the body of the ancestor, I have never felt it!

Could it be that the people behind Ning Chenxin made the move?

However, this is also normal.

Can cultivate a person like Ning Chenxin who is arrogant and evil.

It will definitely not be simple!

Buddha City.

In a room of the restaurant.

There were two men standing by the window, looking towards Foshan.

Feeling this huge aura, everyone was shocked!

Who is this breath?

Even if they join forces, I am afraid they will not be able to compete!

"No wonder the scholar dared to go up the mountain like this. With such support, he was able to retreat unscathed."

"Hehe, it seems that you don't have to worry."

One of the men stared and said, "When did I get so anxious?"

The man joked: "At that time, when the scholar was besieged by those bodhisattvas, did you want to go up the mountain to save him?"

"I can't help but let out your breath."

"Hmph, I just don't want to see this kind of Tianjiao being beheaded and killed by the sanctimonious people of Buddhism."

However, if they knew, the person who came over was just a projection.

I don't know how they will feel.

...

On top of Foshan.

In the Buddha Hall.

In front of the golden Buddha statue.

Cross-legged on the futon, six old men in cassocks opened their eyes at the same time.

There is a golden light shooting out of the pupils!

And around the six old men, there are Buddha lights around them!

This also represents that the realm of Buddhism and Taoism of the six old men has reached an extremely advanced level!

At this moment, serious expressions appeared on the faces of the six old men!

This breath makes them quite afraid!

"who is it?"

"Is it the person behind that scholar?"

"This breath... who is it? Is there such a person on this continent?"

"I don't know. In the Central Territory, such a person does not exist, nor in the Eastern and Northern Territories. As for the Southern Territory? It is impossible for such a strong person to appear in that place!"

"Is it a hidden power?"

"No matter what, I'm afraid we're going to make a move..."

After finishing speaking, the six old men disappeared in place at the same time!

...

At the top of the Buddhist ladder, all the Bodhisattvas looked at the phantom in horror.

This breath made them all feel suffocated!

Ning Chenxin bowed and said: "Master."

Master!

Hearing Ning Chenxin's words, all Bodhisattvas were shocked!

This person is the person behind this scholar!

His master!

Lu Changsheng turned his head, looked at Ning Chenxin, and said helplessly: "You have always been the one who makes the teacher worry the most, why are you starting now?"

Okay.

Usually very quiet and not causing trouble.

If this caused trouble, the whole wave would be dealt with.

Directly single-handedly hit the Buddhist gate!

Even Lu Changsheng doesn't go out usually, and lives in the thatched cottage.

I also heard Qin Tiannan and others mention the mystery and power of Buddhism!

This is a force with believers all over the entire continent!

Ning Chen smiled wryly, and said, "It's troublesome for the master, but this matter, the disciple has to do it."

In Ning Chenxin's heart, seeing such a thing, it is impossible to ignore it!

A Buddhist who preaches in the world.

The Buddhism that preaches peace.

But for their own sake, they will use all means to eliminate those who are different from them!

Looking at the firmness in Ning Chen's eyes, Lu Changsheng stopped talking.

Turned his head, looked at the group of Bodhisattvas, and said lightly: "Why, what are you going to do with my disciples?"

Between speaking.

A burst of breath directly pressed on the bodies of the bodhisattvas!

At this moment, all the Bodhisattvas couldn't maintain their control of the sky, and fell directly to the ground. Only by using all their strength can they withstand this breath!

"Your Excellency...your disciple trespassed on the Buddhist gate and slandered my Buddhist gate in his words."

"As Buddhists, we naturally cannot sit idly by."

I don't know.

Lu Changsheng ignored this at all.

Waved his hands, narrowed his eyes slightly, with a cold light in his eyes, and said coldly: "You guys, what are you going to do with my disciple!"

Immediately, take a step forward.

Breath surge!

Ye Qiubai was outside, and was besieged by the Sunset Dynasty many times.

Now, Ning Chenxin is also surrounded by many powerful Buddhists!

How could Lu Changsheng not be angry?

Weekdays.

Although it seems that he doesn't care about his disciples.

In fact, Lu Changsheng is an extremely protective person!

He just didn't want to interfere too much with the apprentice's way!

after all.

Master led the practice in the individual.

If something happens to the apprentice, Lu Changsheng will help him settle it.

Then, how to go far in the path of apprenticeship?

All the bodhisattvas saw this and stopped talking.

Immediately afterwards, Lu Changsheng took another step forward and pointed out.

A finger turned into a sword of rules!

Before everyone could react, they shot out directly!

pierced through the eyebrows of a golden-clothed Bodhisattva!

Immediately!

The golden-clothed Bodhisattva's spirit and soul are all destroyed!

All the bodhisattvas reacted now, with terrified expressions on their faces!

Lu Changsheng's expression was cold, and a regular sword condensed from his fingertips again, intending to kill all the Buddhists present!

It is at this moment.

There is a golden light coming from the sky!

"Amitabha."

"This benefactor, please be merciful."

Six old men in cassocks arrived in no time!

Came in front of Lu Changsheng!

All the Bodhisattvas were overjoyed when they saw this!

One after another, they put their hands together and bowed to the six old men.

I only heard one of the old men look kindly, and stood up and said: "Benefactor, this is just a misunderstanding, so don't make any more murders."

Heard the words.

All the bodhisattvas were slightly taken aback.

The other party humiliated Buddhism so much, but wants to make peace?

But who knows, those six old men are also afraid of Lu Changsheng!

This look is a projection!

And just a projection can have such a powerful aura, what should happen if the main body comes?

At that time, Buddhism will be in a disaster!

What's more, the breath of this projection is no weaker than them...

Even if the six of them joined forces, they might not be able to keep each other.

How can I know.

Lu Changsheng shook his head and said: "You want to kill my disciple, but now you don't succeed, just think that peace is over?"

The old man frowned, "Then how does the benefactor want to solve it?"

Lu Changsheng said coldly: "It's very simple, and I won't make things difficult for you."

Afterwards, Lu Changsheng pointed to the group of Bodhisattvas and said, "Those who have done anything to my disciples should kill themselves."
