Chapter 16 Four Domains Martial Arts List!

Ye Qiubai's talent has been restored, and his strength is even stronger than before!

Killed Qiu Siwu, the youngest of the enemy family, in one move.

The news spread throughout Tianyuan City in an extremely fast manner!

for a period of time.

Everyone in Tianyuan City sighed that the situation in Tianyuan City will change again.

And nowadays, people talk about the center.

Ye family.

All the elders stepped forward, no matter in the false sense or falsely.

Greeting Ye Qiubai with a smile all over his face.

These people, after Ye Qiubai lost his talent, were all extremely indifferent, and even spoke harsh words to Ye Qiubai.

All of this, although Ye Qiubai didn't care about it, and had no intention of revenge.

But it is impossible for him to show a good face to these elders who are stalking.

All the elders could only smile embarrassingly at this.

Ye Qing was full of surprise, patted Ye Qiubai on the shoulder and said with a smile: "Okay, okay! Just recover!

However, Qiubai, how did you recover your strength? Could it be that you encountered some other adventure? "

Hearing this, Ye Qiubai couldn't help smiling.

"It was Master who saved me. When I was out of the city gate, I was chased and killed, and I happened to meet Master.

He not only saved my life, but also repaired my talent with elixirs, and passed on my supreme skills to make my strength improve by leaps and bounds. "

"Then I really thank you, Master."

Ye Qing was surprised: "However, the person who can have this kind of elixir is an unknown person?"

Ye Qiubai shook his head and said: "Although Master is a member of the Tibetan Taoist Academy, he doesn't like to show off. Few people know him."

Zang Dao Academy?

No wonder then.

Ye Qing nodded suddenly, then seemed to think of something, frowned and said: "Who was the person who wanted to kill you before, do you know?"

After leaving Tianyuan City, someone killed his son, how could Ye Qing not be angry?

An extremely domineering aura emerged suddenly!

Ye Qing is the head of the Ye family after all, one of the top experts in Tianyuan City.

The faces of some low-level people around them changed instantly, and they were constantly backed away by the power of this breath!

Ye Qiubai's face remained unchanged, and he looked at Jiang Tianhan who had a complex expression behind him.

Actually, Jiang Tianhan knew a little about what his daughter had done.

Ye Qing followed Ye Qiubai's eyes and looked over, landed on Jiang Tianhan, and said harshly, "Jiang Tianhan?"

Ye Qiubai shook his head and said, "It's Jiang Chan."

Hearing this, Ye Qing burst out of breath!

The power is approaching Jiang Tianhan, and he said angrily: "Jiang Tianhan, your Jiang family needs to give me an explanation!"

Before, not only unilaterally tore up the marriage contract in front of the entire Ye family, humiliating his own son.

Now, I want to kill them all!

This made Ye Qing go straight to the crown of his head in anger!

Taking a step forward, a long sword slipped out of his hand!

Obviously, if Jiang Tianhan's explanation doesn't satisfy him, Ye Qing will strike him with a sword!

Seeing this, Jiang Tianhan could only sigh and smile wryly: "Brother Ye, it is true that my Jiang family is sorry for you, and I apologize to you on behalf of my daughter Jiang Chan."

"Is an apology useful?" Ye Qing yelled violently: "If I knew today, why would I do such a heartless thing?"

Jiang Tianhan could only helplessly say: "At the beginning, I didn't find out about Chan'er's plan. I only found out after the incident happened. This is my negligence as a father."

"No need to say more, hand over Jiang Chan."

Ye Qing took another step forward, pointed out the long sword in his hand, and said with a bad look, "If you don't hand it over, don't blame me for declaring war between the Ye family and the Jiang family."

"Now, Chan'er has left Tianyuan City."

Jiang Tianhan shook his head, looked at Ye Qiubai with a calm face, and said: "I also hope that Qiubai can let go of this grievance. For this reason, my Jiang family is willing to give you all the harvest of the Tianyuan City industry for three years."

Three years of harvest!

This is a great resource!

Ye Qing was about to say something, but Ye Qiubai stood up and interrupted: "Where did Jiang Chan go?"

If the marriage contract was broken at that time, Ye Qiubai and Jiang Chan became strangers.

Then, the pursuit and killing made the two enemies of life and death!

There is revenge for revenge, and there is resentment for resentment.

This is Ye Qiubai's attitude.

Jiang Tianhan's face froze, and he said in a deep voice: "Qiubai, I know you have hatred in your heart, but you can't take revenge. Chan'er has already joined a force that you will never be able to reach in your lifetime."

Unable to achieve in a lifetime?

Ye Qiubai thought of his master, Lu Changsheng.

He really couldn't think of anyone in this world who was his master's opponent.

The Sword Sutra of Taichu is not like human martial arts.

The Good Fortune Pill, the good fortune that surpasses the heaven and the earth, is even more unique in the world.

Plus that picture scroll.

and the big formation set up by the master before going down the mountain...

Ye Qiubai shook his head and said, "I don't need to worry about that."

"Northern Territory, Sunset Dynasty."

Ye Qing on the side was shocked when he heard this!

Ye Ling looked terrified!

Ye Qiubai was also slightly taken aback.

Northern Territory, that is the most powerful place among the four domains.

The Sunset Dynasty is the ruler of the Northern Territory.

Among them, there are countless strong ones, and they are all over the world.

The current ruler of the Sunset Dynasty is ranked fourth in the Four Regions Martial Arts List.

The Four Domains Martial Arts List records the strength of the known strongmen in the Four Domains.

Even Qin Tiannan, the dean of the Nanyu Tibetan Taoism Academy, can only rank 26th in the martial arts list...

One can imagine its gold content.

Unexpectedly, Jiang Chan went to the Sunset Dynasty!

If that's the case, even if Ye Qiubai's master is a member of the Tibetan Taoist Academy,...

Ye Qiubai was in a daze for a while, and then returned to normal.

After all, he really couldn't think of anyone who could be his master's opponent.

Not even the Sunset Dynasty.

However, Ye Qiubai doesn't intend to ask Master to help him avenge himself.

After all, this is my business.

Jiang Tianhan saw that Ye Qiubai didn't speak, thought he had given up, and said: "I will hand over the harvest for the next three years to you. I am also sorry about Qiubai..."

After speaking, Jiang Tianhan turned around and left with the people.

Ye Qing sighed, patted Ye Qiubai on the shoulder, and said, "Don't think so much, just improve your strength."

Ye Qiubai nodded.

At the same time, the Qiu family declared war on the Ye family.

If Ye Qiubai is handed over, the war can be stopped.

Ye Qing also expected this, after all, Qiu Siwu died in the hands of Ye Qiubai.

He is also prepared to deal with it.

Just as he was about to say something, Ye Qiubai was already walking towards Ye Yan.

A force of power keeps rising, and the sword energy rises into the sky!

Ye Qiubai looked coldly at Ye Yan, whose eyes were filled with fear, and said, "Do you dare to fight to the death?"
