Chapter 32 Holding a sword in the future, stepping down the setting sun!

Ye Qiubai's kendo talent is extremely terrifying!

His physique, even Hongying couldn't see through it.

As long as he is given time, his talent in the future will be unstoppable, and he will become a generation of sword masters!

This is why Hongying felt that Ye Qiubai could help her.

That's one day left.

Ye Qiubai and Hongying wandered casually in the secret realm of Blood Prison.

As for meeting some inheritances in the middle, they were not interested in them.

Ye Qiubai has obtained the Heavenly Demon Nine Swords to make a transition, and even has the unworldly skills of the Sword Sutra of Absolute Beginning.

As an ancient empress, Hongying's background is many times better than these inheritances, so she naturally doesn't like it.

What's more, the master of the two, Lu Changsheng, is probably better than these inheritances...

On the way, I met Huo Qingming, Lin Ce and others.

Lin Ce was slightly injured, while Huo Qingming was slightly injured, his face was extremely pale, and Lin Ce helped him away.

Xin Hongyi also turned pale.

Only Zhong Wu, with a small bookshelf on his back and a smile on his face, obviously didn't suffer any injuries, but his breath was stronger than before!

Lin Ce saw Hongying, and immediately left Huo Qingming behind, and ran to Hongying's side to inquire about her health!

Hongying ignored it, feeling a little headache.

Looking at this scene, Huo Qingming's face turned dark for a while, but he felt a little helpless.

"This guy who pays more attention to **** than friends..."

Xin Hongyi looked at Ye Qiubai and asked, "How was your harvest this time?"

Ye Qiubai smiled and nodded, "Not bad."

"Then let's discuss after we go out?"

"Anytime."

Zhong Wu watched this scene, smiled and did not speak.

Until the end of the day.

The Blood Prison Secret Realm is about to disappear.

Ye Qiubai Hongying and his group came to the portal and left the Blood Prison.

When the elders of the Confucian Academy and the Jiantang saw Ye Qiubai walking out safely, they were relieved, and went up to ask about the harvest.

The general was shocked when he saw this scene.

Ye Qiubai is not dead?

And none of the four of us and Shadow Killer came out?

Is it impossible...

Thinking of this, the general's face turned ugly, and he stepped forward, and the aura of the peak of the water overflowed directly on Ye Qiubai's body!

"What did you do? My subordinates, and those men in black?"

Seeing this, the elder of the Jiantang took a step forward, and a sword energy appeared across the sky, blocking Ye Qiubai's body, resisting all the power!

At the same time, the sword energy shot straight towards the general!

The general snorted coldly, and punched out with a terrifying force!

The sword energy shattered, and the fist prints dissipated!

Neither side took advantage!

Just listen to the elders of the Jiantang standing in place, with awe-inspiring eyes, not angry but majestic!

Shouted in a deep voice: "This is not your Sunset Dynasty! Your Excellency, I'm afraid it's better to keep a low profile."

The general said with an ugly face: "Low-key? Ye Qiubai killed my man. I only have one condition, hand him over to me! This matter can be forgotten!"

"What if you don't pay?"

"Then in the future, my Shura cavalry from the Sunset Dynasty will crush your Tibetan Taoist Academy!"

The elder of the Confucian Academy smiled lightly and said, "Then we will wait for your arrival."

Ye Qiubai also said: "In the future, I will come to the Sunset Dynasty."

The general's eyes narrowed, and then he laughed loudly: "You little boy, you have a big tone!"

The words have come to this point, the general naturally knows that his subordinates and the three shadow killers have been killed by Ye Qiubai in front of him.

It's just that he still doesn't believe it.

This was done by Ye Qiubai alone.

I'm afraid I still borrowed the power of others, such as the Tibetan Taoist Academy!

"I will go back and report to His Majesty." The general took a deep look at Ye Qiubai and said, "The Shura Cavalry will not keep you waiting for too long. I hope you can resist."

After speaking, the general disappeared in place.

Even though the Elder Confucian School and the Elder Jiantang joined forces to keep the general, they would not make a move at this time.

Once the opponent's high-level figures are beheaded here.

Then I am afraid that the Sunset Dynasty will have no scruples and directly use this as an excuse to attack the Southern Region with all its strength!

At that time, the consequences will be unimaginable!

In this case, I can only watch the other party leave.

At this time, someone from the Qiu family looked at Ye Qiubai, his eyes were bloodshot and bloodshot, and said, "Ye Qiubai, why did you abolish Qiu Libei!"

Ye Qiubai looked over indifferently, and said, "He wanted to kill me, and I abolished him, isn't it normal?"

"What's more, Qiu Jia, I will come to visit sooner or later."

The elders of the Qiu family just wanted to get angry, but saw the unfriendly eyes of the elders of the Jiantang, so they could only suppress their anger.

After all, the Qiu family is still not enough to look at in front of the Tibetan Taoist Academy.

"let's go!"

The Qiu family took Qiu Libei with a sluggish expression, and left angrily.

The elder Confucian President saw that everyone had gained something, and no one was lost, but suffered injuries of different sizes. He couldn't help but smiled with relief: "Good job, go back to the academy. There will be rewards for you when you arrive at the academy."

After all, the most rewarding place in the Blood Prison Secret Realm is probably the Tibetan Taoist Academy.

This pair also brought glory to the academy.

The above will naturally give them some rewards.

Huo Qingming and the others looked happy.

Ye Qiubai, Hongying, and Xin Hongyi and Zhong Wu did not change their expressions.

The people from the Tibetan Taoist Academy left on their mounts.

...

And at this moment.

Above the Blood Prison Secret Realm, this place is blocked by a barrier, making it impossible for people to see the situation inside the barrier.

I am afraid that even a strong man like Qin Tiannan will not be able to break through this barrier!

At this moment, covered by the dark clouds, countless thunder dragons flowed in the sky, and there was a huge face.

Staring solemnly at a man wearing a white fox mask below.

I saw the man holding a sword, with one hand on his back, standing in mid-air, the corner of his clothes fluttering with the wind!

"Where the **** are you?"

The face in the sky asked in a concentrated voice: "With your strength, you shouldn't exist in this world!"

The man chuckled lightly, and said, "I'm wearing a mask, I just don't want others to recognize me, please don't ask such stupid questions, okay?"

"..."

The face took a long breath, and in that breath, there was even a breath of thunder!

I only heard him say in a deep voice: "Then why did you stop me?"

The man said: "Then why did you plan on my disciple?"

The man is Lu Changsheng!

The face of shouted angrily: "Empress Yunhuang disregarded the variables of reincarnation and forcibly practiced the nine-reincarnation reincarnation. Now that she has successfully cultivated, she wants to conquer the heavens and re-establish the way of heaven. This is a big taboo!"

Lu Changsheng nodded and said: "It turns out to be like this, but so what? Isn't the way of heaven collapsed here? There is nothing wrong with re-establishing one, or..."

Speaking of this, Lu Changsheng's eyes were gloomy, and he said in one sentence: "You don't want Hongying to set up the way of heaven, but you to set it up?"

The tone of the face was stagnant, and he took a long breath, and the brontosaurus in the clouds came out!

Want to destroy Lu Changsheng!
