Chapter 35 Accepting apprentices, Wenquxing descends to earth!

After Ye Qiubai left the thatched cottage.

Lu Changsheng thought that if he didn't take any more apprentices, he might be able to get more rewards.

Thinking of this, Lu Changsheng left the Tibetan Taoist Academy and began to wander around the four regions.

How fast.

It took almost an incense stick of time to set foot in every corner of the Southern Territory.

When they came to the North Territory, when they passed this hill, the sound of the system finally sounded.

【Trigger task: Go to Hedao Village to accept disciples】

【Name: Ning Chenxin】

【Talent: SSS level】

【Qualification: Aura of awe-inspiring, Wenqu star descends to earth, capital of becoming an emperor】

Good guy, he is also worthy of becoming an emperor.

So, there is the present scene.

Ning Chenxin pointed at himself, looked at Lu Changsheng floating in mid-air, and said blankly: "The immortal master wants to accept me as an apprentice? But I don't practice Taoism."

Lu Changsheng chuckled lightly and said, "Then what do you think is Tao?"

Heard the words.

Ning Chen was stunned.

What is Tao?

What is Tao?

He didn't think about it, and he never thought about it.

Ning Chen couldn't help but fell into deep thought.

When Lu Changsheng saw this, he didn't say a word to disturb him. He waved his hand, and a barrier surrounded the two of them so as not to be disturbed.

Day after day.

Ning Chenxin is still thinking, but, as a mortal, he has no cultivation.

But there is no decline in physical function due to lack of food and water.

Instead, his face was red.

...

Until the fourth day, Ning Chenxin was suddenly surrounded by a faint white aura!

This is Haoran righteousness!

Ning Chenxin slowly opened his eyes. He already felt that he had slowly touched the Tao, but when he grabbed it, it was fleeting.

Like a small loach, it can be seen but cannot be caught.

Ning Chenxin looked at Lu Changsheng in front of him, and asked, "What is Tao?"

He is a scholar.

When I read the books of sages and sages, every time I see something I don't understand, I will think about it.

If you don't understand something, you will ask.

Looking at Ning Chenxin, Lu Changsheng didn't answer directly, but asked, "Why do you study?"

Ning Chen paused for a moment, thought for a while and said, "To educate the world, to make there be no war in the world."

right.

He wants to use reading to enlighten the world and fill the world with peace.

Down to peace and joy.

Up to the world peace.

When Ning Chenxin said these words, a golden Buddha light shone on Ning Chenxin in the sky.

This is the light of merit!

Heaven sent down merit, but also sent down responsibility!

Looking at this, Lu Changsheng also nodded and said: "Tao is the Tao. It can be a flower or a tree, or it can be a speck of dust. Everything can be the Tao."

Ning Chen thought deeply.

Lu Changsheng continued: "You study to educate the world, this is the way."

"For the peace of the world, it is also the Tao."

Hearing this, Ning Chenxin's body shook.

The golden light in the mind seemed to be transformed into reality, as long as you stretch out your hand, you can hold it!

Seeing that Ning Chenxin has already touched the threshold, he only needs to take a step forward to pass!

Lu Changsheng shouted in a low voice: "Tao can be said, very Tao, name can be named, very famous.

Tao, can be said, not constant Tao, name, can be named, not constant name. "

Boom!

Ning Chen's body shook violently as if struck by lightning!

Close your eyes and sit cross-legged on the ground.

Strains of righteousness continue to surround the body!

Golden light keeps shining from the center of Ning Chenxin's brows!

Ning Chenxin stretched out his hand to grab the golden light in his mind, and grabbed it into the palm of his hand!

Dao Heart Forged!

Ning Chenxin, enter Taoism with Confucianism!

His cultivation method will be completely different from that of ordinary cultivators.

Others cultivate the soul and the body.

As for Ning Chenxin, all he needs to do is cultivate his righteousness!

The enemy will come in the future, and he will fall down with a sound.

Then you can suppress and kill the enemy with awe-inspiring spirit!

A long while.

Ning Chenxin opened his eyes, looked at Lu Changsheng, knelt on the ground, and respectfully said: "Disciple Ning Chenxin, pay homage to Master!"

【The task is completed, the rewards will be issued: Shu Sheng Dao Ze, Dao Jing, cultivated in 2000】

nice

Lu Changsheng nodded with a smile, put his hands empty, lifted Ning Chen's heart from the ground, and said: "You worship me as a teacher, and I don't have anything good for you as a teacher, so I will give you this."

After speaking, Lu Changsheng stretched out his hand, and a simple book appeared in Lu Changsheng's hands, and handed it to Ning Chenxin.

"This thing is a Taoist scripture, it can be used against the enemy, or it can be used to comprehend, you just accept it."

Ning Chenxin stretched out his hands, took it carefully, and opened it, and he could feel the power of Taoism in it!

Can't help but change his face.

This book is nothing ordinary!

"Thank you, Master!"

Lu Changsheng nodded, and continued: "Before you, there was a senior brother named Ye Qiubai, and a senior sister, Hongying. When you meet in the future, if you have any difficulties, you can find them."

Ning Chen nodded heartily.

"Okay, follow me back to the teacher's gate."

Lu Changsheng wanted to take Ning Chenxin away, but Ning Chenxin shook his head and said, "Master, forgive me for not being able to return to the master's school yet."

Lu Changsheng looked at him, a little puzzled.

Ning Chenxin explained: "I want to continue to practice, because I feel that my knowledge is not enough to support my heart."

Hearing this, Lu Changsheng nodded.

Indeed, everyone has their own cultivation method.

It is understandable that Ning Chen wants to practice in the world of mortals.

Lu Changsheng had no choice but to agree.

"Okay, then this is for you."

Having said that, Lu Changsheng threw a jade pendant to Ning Chenxin.

"This is?"

Ning Chen was stunned.

Lu Changsheng said: "This jade pendant contains a sword formation that I set up. When you encounter danger, you can use it to defuse the crisis. At the same time, you can also use this jade pendant to contact your senior brothers and sisters."

is a small object similar to a sound transmission symbol.

Ning Chen cupped his fists in his heart and said: "Thank you, Master."

"Okay, the teacher will go first."

After speaking, he didn't stop, and disappeared in place.

Ning Chenxin looked at the direction where Lu Changsheng disappeared, bowed down, and didn't get up for a long time.

...

Back in the thatched cottage, Lu Changsheng said helplessly: "It's a pity, I didn't bring it back. Isn't there no one to cook for me?"

The willow tree on the side: "..."

Little Bird: "..."

Ordinary practitioners rarely eat since they reached the state of inedia.

But this person in front of him, his cultivation level is unfathomable, but he has to eat every day, and it's not good if he doesn't eat!

...

Meanwhile, the other side.

Northern Territory, Sunset Dynasty.

The general with a sluggish breath knelt in front of Huang Tianming, and said: "I got the news, Ye Qiubai followed the people from the Tibetan Taoist Academy to the northern region to participate in the exchange of the Four Regions Academy."

"Um."

Huang Tianming nodded, and said casually, "Did you tell Yingsha the news?"

"Shadow Killer already knows."

"Okay, then inform the people at the Beiyu Tibetan Taoism Academy and let them get ready."

"Understood."

The general got up and left the place.

Huang Tianming looked towards the sky, which was the direction of Tibetan Taoist Academy.

"Heaven has a way and you don't go, but **** has no way and you just want to break in..."

Due to the rationality of the plot, some changes have been made.

The original fourth disciple and the third disciple made an identity swap.

Then thank you Tiezi for your support of the recommended ticket and monthly ticket. If there is anything unreasonable, you can tell me in the comment area.
