

My Disciples 36

Chapter 36 Occupy a Seat!

North Territory.

The Tibetan Taoist Academy here is more prosperous than the Southern Region.

This was the first impression that Ye Qiubai and his party had.

There are many disciples, and at the same time, there are various secret realms in the academy.

However, it is different.

The Tibetan Taoist Academy in the Northern Territory is more oppressive than the Southern Territory.

The elder of the Confucian Academy explained: "The Tibetan Taoist Academy in the Northern Territory pays attention to natural selection and survival of the fittest."

"Here, once you are slightly behind others, you will be eliminated."

Hearing the words, everyone suddenly realized.

Under such a high-pressure environment, the strength is strong, and it is normal to be ranked first.

But Ye Qiubai prefers the atmosphere of the Tibetan Taoist Academy in the Southern Region.

Discuss martial arts, discuss and prove your understanding.

appears very peaceful.

At this time, several old men came towards them.

Headed by an old man with long eyebrows and beard.

I saw him bow slightly, with a smile on his face, and said: "Welcome everyone, the accommodation has been arranged, please come with me."

This person is Nie Qing, the elder of the Confucian Academy of the Northern Territory Tibetan Taoist Academy.

Elder Wutang explained in this way.

When everyone was going to their residence, there were people from Beiyu Tibetan Taoist Academy whispering beside them.

The words were full of disdain.

"Are these people from the wild land in the Southern Region?"

"Well, I'm here to participate in the exchange of Siyu Academy."

"It's just them? Their realm doesn't seem to be as high as mine. I'm afraid there is no need for Senior Brother Jian to step in?"

The sound of their conversation reached everyone's ears clearly.

Huo Qingming said angrily, "This is too despising of us!"

Xin Hongyi also took out the sword in her hand, and said with a cold face: "I want to learn how strong they are."

Lin Ce's face was also extremely ugly.

Principle Huang said lightly: "There is no need to fight for a momentary advantage, save your energy for tomorrow's martial arts exchange."

Hearing this, Huo Qingming snorted coldly, suppressing the anger in his heart.

Xin Hongyi didn't listen, and just wanted to step out, but was pulled back by Ye Qiubai.

"It's really not necessary, just hit them in the face with strength tomorrow."

Hearing this, Xin Hongyi put away the sword in his hand.

Huang Yuan glanced sideways at Ye Qiubai.

Before, what I said was useless, but Ye Qiubai persuaded him...

A group of people came to the residence.

Beiyu Tibetan Taoist Academy did not play some inferior tricks, and the accommodation they arranged was quite good.

"Tomorrow is a martial arts exchange, please rest well."

After Nie Qing finished speaking, he left.

The elders of the Confucian Academy and the elders of the Wutang also followed, obviously wanting to talk about something.

As for Qin Tiannan, he stepped into the Northern Territory and left here.

Seeing the two elders leave, Huo Qingming cursed angrily: "It's really a bully! Isn't it just a few times you won the first place? Let them beat them this time!"

Lin Ce said with an ugly face: "Tomorrow you can see the real chapter in your hands."

Ye Qiubai shrugged, and was about to go back to practice.

Another group of people pushed open the courtyard door and walked in without saying hello.

"who are you?"

Zhong Wu frowned slightly, and said, "Is there no courtesy?"

A thin and tall man among them sneered, "What kind of etiquette do you need to treat a barbarian?"

"you!"

Huo Qingming was held back by Huang Yuan, stepped forward, and said, "If you are only here to provoke, then there is no need."

The man who was the leader cast a cold glance at the tall and thin man.

The tall and thin man closed his mouth when he saw this.

"I'm sorry everyone, it's my junior brother Meng Lang."

"I'm here this time to invite everyone to a banquet."

"The evening banquet will invite Tianjiao from the Four Regions Academy to come to participate, and it is also convenient to get acquainted with the young talents of the Four Regions."

Huangyuan pondered for a moment, then looked at everyone.

Obviously asking Ye Qiubai and others for their opinions.

Huo Qingming snorted coldly, but did not speak.

Seeing Ye Qiubai nodding, Xin Hongyi nodded in the same way.

Zhong Wu and Lin Ce also have no objections.

Huangyuan said: "Okay, we will go to the banquet on time tonight."

Seeing this, the man nodded in satisfaction, "Then wait for everyone to come."

After speaking, several people left.

Lin Ce calmly said: "This banquet is probably a grand banquet, and it is intended to find out the strength of each domain."

Zhong Wu nodded and agreed: "It should be for this purpose. It is estimated that showing strength will be indispensable at that time."

Huang Yuan also said: "Try to keep your hole cards as much as possible, don't expose them, and focus on communication. If this time is still the last one, then our Nanyu Tibetan Taoist Academy may be taken over by others."

Once the last few times, the General Academy will send other people to take over the academy.

At that time, Qin Tiannan will also be punished.

This is what none of them want to see.

So hearing these words, Huo Qingming, who was the most impulsive here, also nodded solemnly.

Huangyuan looked at Ye Qiubai, and said: "Also, there may be people from the Sunset Dynasty at the banquet, you must hold back."

The matter of Ye Qiubai is not a secret.

After all, it has spread all over Tianyuan City, and you can know the whole story with just a little inquiring.

Ye Qiubai's indifferent eyes couldn't help but froze, his eyebrows were lowered and he didn't speak.

Seeing this, Huang Yuan didn't say anything more.

After all, Ye Qiubai's talent is even admired by his master.

Time fast forward to evening.

Huangyuan and others went to the banquet.

The banquet is held in Wutang.

At this moment, there are more than a hundred tables and chairs in the martial arts hall, and various kinds of food are placed on each table.

However, anyone who cares can find it.

The closer the tables and chairs are to the back, the more humble the food!

The closer to the first seat, the more precious the food!

Zhong Wu couldn't help laughing: "It seems that there is a special program."

As soon as the voice fell, a group of people came over from the front.

"Everyone should have seen the tables and chairs in front of them. Whatever you like to eat, just sit where you want."

"Of course, the position is won by yourself. If a table of food is liked by the same person, then you need to negotiate it yourself."

This person's words are very cryptic.

But the people present can also hear the meaning of these words.

If you want to compete for the same table, you need to fight a lot!

Whoever wins is eligible to sit down and enjoy!

After the man finished speaking, he took the first seat and sat down. He said with a smile, "Of course, if you want to eat from my table, it's not impossible, as long as you have the strength to match it."

"Okay, everyone, take your seats."

At the first moment, no one moved.

However, after just counting breaths, a man walked out with a loud smile and said: "Since everyone is so humble, I will not be polite."

After finishing speaking, he jumped to the position below the first place!

Sitting down.

"Who wants this table, you can come now."

Seeing this, people came out one after another and sat at the table.

It's just that no one wants to take the position yet!
