

My Disciples 471

Chapter 471 Xingyun sneak attack!

Everyone couldn't help admiring Ji Qian Yao's magnificent posture.

"I have touched the first level, and I am worthy of being the saint of Yaochi."

"Since this is the case, this stone platform should not pose any threat to her."

as expected.

Ji Qian Yao came to the second stone platform at an extremely fast speed!

There wasn't a single drop of water on his body.

Immediately.

Ji Qian Yao didn't stop there!

Continue to use the dragon swimming technique!

She wants to pass through the nine-fold stone platform in one breath!

The third stone platform.

Seat 4!

Until you want to step on the fifth seat.

In the lake water, there is no water column rushing up.

But the small fish and shrimp in the lake.

It's like a riot broke out!

Rush out of the lake!

Slammed into Ji Qian Yao's body!

Obviously just small fish and shrimp.

Available at this moment.

But like a giant hammer!

Bringing the momentum of wind and thunder, he shot towards Ji Qian Yao!

Ji Qian Yao's expression also changed slightly.

Immediately use body skills and keep dodging!

But.

This small stone platform is in a narrow space.

Thousands of small fish and shrimps rushed towards Ji Qian Yao in such a state of extreme speed.

How can it be easily dodged?

Just a moment!

Ji Qian Yao was knocked into the lake!

Everyone looked solemn when they saw this scene.

Even Ji Qian Yao failed?

This level is too perverted, right?

Xing Cheng sighed heavily.

Patted Lu Changsheng on the shoulder, said: "It seems that this is the end."

"But it doesn't matter. At this point, I have done better than Xing Yun. I would like to thank Brother Lu for winning me the position of Patriarch."

When Xing Yun on the side heard these words, a sinister look flashed in his eyes!

Lu Changsheng had a strange expression on his face.

Dude I haven't tried it yet...

Ji Qian Yao came to the shore.

Using aura to evaporate the water from the drenched, somewhat looming long skirt.

walked to Lu Changsheng, said: "This lake is weird, you have to be careful."

Lu Changsheng nodded.

Go forward.

This scene also attracted everyone's attention.

They are also curious.

Where can this man, who exploded with shocking visions in the sky-reaching stone wall, reach.

However, I am afraid that it is only a little bit better than the saint of Yaochi.

After all, this level is too difficult.

Lu Changsheng didn't pay attention to the gazes of the people around him.

Hold your hands behind your back.

Step onto the first stone platform!

Immediately.

The lake erupted, and the water column soared into the sky!

The rain-like drops of pear blossoms were suppressed towards Lu Changsheng!

Heavy as Mount Tai!

Lu Changsheng still looked relaxed.

It's like strolling in the garden.

Shuttle through the gaps in the water droplets.

Everyone took this scene for granted.

Only Ji Qian Yao was slightly stunned.

He... actually changed the first stage of Youlong Movement?

And this looks more perfect than the original agility recorded on the Tongtian Stone Wall!

How is this done?

Lu Changsheng's figure didn't stop at all.

Soon, they came to the place where Ji Qian Yao just fell into the water.

The fifth stone platform!

He didn't stop, and stepped towards the sixth stone platform!

Everyone watched this scene closely.

Here, the difficulty of the test will undergo a qualitative change!

The overwhelming number of small fish and shrimp burst out from the lake!

Charged towards Lu Changsheng!

Can Lu Changsheng pass?

Or was she shot down into the water like a fairy maiden?

No one knows.

However, Lu Changsheng's face remained calm.

Hold your hands behind your back.

However, the body style changed at this moment!

The body looks like a dragon!

There is a dragon shadow, swimming and roaring beside Lu Changsheng!

Everyone's faces were shocked!

"The second level of the dragon swimming technique!"

"I actually comprehended the transformation of the dragon!"

"How long has he comprehended in front of the Tongtian Stone Wall? Has he already comprehended the second stage?"

What kind of powerful talent is this?

Only Ji Qian Yao had no accidents.

After arousing the Tongtian Stone Wall to such an extent, how could he fail to realize this importance?

Xing Yun also showed a sinister face.

If you want to inherit the position of Patriarch.

I can only do this...

Thinking of this, Xing Yun touched Najie with his hand...

The overwhelming number of small fish and shrimps rushed towards Lu Changsheng like a rocket hammer!

Lu Changsheng turned into a swimming dragon!

The speed skyrocketed at this moment!

At the same time, the figure has become more elegant.

Ordinary ascetics can't perceive Lu Changsheng's movements at all!

Just the blink of an eye.

They have already passed the overwhelming small fish and shrimps, resisting the sixth stone platform!

It's over!

Surpassed the results of the fairy maiden in Yaochi!

Xingcheng's face was horrified, and his heart was ecstatic!

It seems that his luck is very good!

Anyone you find on the street.

Originally thought of treating a dead horse as a living horse doctor, but it gave him such a big surprise!

In the process of everyone's wild imagination.

Lu Changsheng continued to charge forward.

In an instant!

Pass five levels and kill six generals, and come to the eighth stone platform!

Only the last one left!

As long as you pass, you will be able to advance smoothly!

All the ascetics present stared wide-eyed at this scene.

Can this man continue to shock them?

After all, everyone knows it.

At the last moment of the test, the difficulty will often increase exponentially!

as expected.

The moment Lu Changsheng stepped out.

The lake is surging wildly!

There are layers of shocking waves!

The overwhelming crowd swept towards Lu Changsheng!

There is no slightest gap!

How can this be done!

Even Ji Qian Yao smiled wryly.

I'm afraid that's the end of it...

When Lu Changsheng saw this scene, he just glanced at it, and his figure moved.

Youlong's body technique is the third level.

Swim the dragon!

Transform into a dragon.

It looks like a dragon swimming!

rushed directly towards the stormy sea!

Xingcheng closed his eyes.

This is suicide...

But.

Besides this, what else can I do?

Can't bypass the stormy waves that formed the encirclement net.

And it is still a forbidden area.

can only rush towards this one.

only.

Lu Changsheng's body disappeared instantly at this moment!

The moment it disappears.

On the eighth stone platform!

It actually uttered a sky-shattering dragon chant!

Longwei bursts!

Everyone couldn't help but take half a step back.

And this moment.

When Lu Changsheng rushed towards the water barrier.

A silver light.

Shoot towards Lu Changsheng's back!

This is a sword!

On the silver sword, there is evil attached to it!

It's Xingyun!

Ji Qian Yao quickly reminded: "Be careful!"

Xingcheng's eyes are about to burst!

The old force has not been exhausted.

How does new power arise?

What's more, there is still this terrifying wave ahead!

How to avoid this?

Everyone should have no regrets.

I am afraid.

This peerless genius.

The Tianjiao who surpassed the saintess of Yaochi is about to fall...

But Lu Changsheng's face did not change at all.

It seems to be prepared.

I saw behind him!

There is actually a surge of sword intent!

Destroy the silver sword directly!

Immediately, that sword intent!

directly penetrated Xing Yun's eyebrows!

Chapter 472 Deep in the Black Mist

Sudden sneak attack.

Everyone was shocked.

They didn't expect that Xing Yun would provoke Lu Changsheng to kill at this moment!

Old strength has been exhausted, new strength has not been born.

And it was when Lu Changsheng was concentrating on breaking through the stone platform.

Everyone agrees.

Xing Yun will succeed, and a generation of rising talents will fall.

Ji Qian Yao also gritted her silver teeth lightly, and slapped out with a palm, but it was still too late.

He could only watch helplessly as the silver sword carrying a sinister aura flew towards Lu Changsheng!

But.

Just when everyone thought that Lu Changsheng was powerless.

Lu Changsheng was suddenly distracted.

A sword intent condensed behind him, which not only shattered Xing Yun's sneak attack plan.

Even more directly when he didn't react.

pierced his eyebrows!

Destroyed!

But...

If this is the case, how can we break through the overwhelming waves that are sweeping across the sky?

Ji Qian Yao also shook her head helplessly.

Xingcheng smiled wryly at the back, and comforted him: "Brother Lu, there are still seven days left, so save your strength first."

But.

Lu Changsheng didn't seem to hear it.

Striking to kill Xing Yun seemed to be done casually, without looking sideways at all.

The stature still did not stop.

Transformed into the posture of a swimming dragon, and rushed directly into the stormy waves!

Among them, there is no gap.

All the people present shook their heads helplessly.

It is estimated that it failed.

But... why is there no sound of falling into the water yet?

Everyone looked towards the opposite bank.

Suddenly, as if struck by lightning, his face froze.

They were on the other side and saw a man in a white robe with no water stains on his body.

Light and floating, like a banished fairy descending into the world!

How is this... done?

Can break through the nine stone platforms while being disturbed by others?

Ji Qian Yao's eyes also showed a dazzling look.

Where did this man come from?

Why haven't I heard anything about him before?

On the other side, before Lu Changsheng's eyes, three middle-aged men appeared.

These three middle-aged men are all villagers in Mortal Village.

Only heard one of the men say: "Are you causing murder in the village?"

Lu Changsheng said: "He wants to kill me, so he can't just let me sit and wait for death, right? I'm not such a saint."

Those who kill, people will always kill them.

Repay evil with virtue?

Stupid behavior.

The three middle-aged men heard the words, and did not make things difficult, but nodded and said: "You wait here first, we will investigate."

Immediately, he left this place.

Lu Changsheng shrugged, and then returned to the other side.

In the process.

Shitai still erupted with corresponding obstacles.

However, Lu Changsheng was still relaxed, and in just a few breaths, he crossed nine stone platforms.

Everyone looked at Lu Changsheng dumbfounded as if they were looking at gods.

Is this still human...

It's the same as visiting your own back garden...

Look at them again?

Many people can't even climb the second stone platform...

Lu Changsheng ignored these people.

Instead, he walked to Xing Yun's body.

At this moment, although Xing Yun is dead, his face still has a sinister expression, showing a victorious smile that the scheme is about to succeed.

Lu Changsheng stretched out his hand, and a sword intent directly wrapped Xing Yun's body!

Immediately!

Flesh and blood fly!

Immediately, Lu Changsheng stretched out his other hand.

A prairie fire surrounded Xingyun!

Burn the corpse that has been cut into pieces into nothingness!

Do it all.

Lu Changsheng just clapped his hands.

"Done."

Looking at this scene, everyone was relatively speechless.

What is the trouble?

Death is dead, and you still use other people's corpses to vent your anger?

Lu Changsheng touched his chin, and said, "Just to be on the safe side, when the time comes to go out, destroy the Xing family?"

Everyone: ...

The Xing family is also the top force in the Milky Way Star Region.

Although it is the weakest of them.

But it's not something you, a "junior", can beat!

Ji Qian Yao came over and said with a smile, "Do you want me to help?"

Lu Changsheng shook his head hastily.

You can't.

Nothing to be courteous, either **** or steal!

Brothers don't want to have anything to do with you girls.

Xingcheng was also taken aback when he heard the words, "Brother Lu, don't worry! From now on, I will be the master of the Xing family, and I will never let the Xing family take revenge on you!"

Although he does not think that the current Lu Changsheng has the ability to destroy the Xing family.

But, such a monstrous talent.

It will definitely be a giant in the future.

Isn't it simple to destroy one of their Xing family?

This kind of person, even if he can't be friends, he must never offend him!

Ji Qian Yao looked at Lu Changsheng avoiding her like a plague god.

Can't help muttering: "Am I so scary?"

Yes.

That's right.

Everyone was stunned again.

Yaochi Saintess Ji Qian Yao, when did she show such a little woman in front of a man?

It seems to be acting like a baby...

Lu Changsheng said helplessly: "Take a good look at the Dragon Body Technique and pass the test. Time is limited."

This person seems to be filling a glass...

However, Lu Changsheng is also right.

Everyone immediately gathered their minds, and some continued to try.

Some people also began to sit cross-legged, comprehending the dragon-walking technique in the sky-reaching stone wall.

...

the other side.

In the bamboo house.

Three villagers came here.

"Meet sir."

I only heard the gentleman say: "This matter is the incident of Mr. Xing's boy, he is just protecting himself."

The three villagers were not surprised why Mr. Wang could not predict the prophet.

Without even asking, I knew why they came here.

There is no other reason.

Because he is Mr.

Omniscient.

...

The depths of the low-latitude boundary.

In this realm, it is shrouded in black air!

In the black mist, there is no life.

There are just countless ghosts, roaring in the black mist!

This is a place to die!

I saw a fair-skinned man coming to this dead place.

"I didn't expect that there is still a ghost clan inheritance here?"

The man showed a sneer: "It really is me!"

"As long as I get the inheritance of the ghost clan, the blood of the ghost clan in my body will definitely become stronger."

"At that time, it is only a matter of time before we break through this low-latitude boundary..."

Immediately, the man walked towards the depths of the black mist.

There, there is a faint giant seat.

Wounded by huge iron chains from the sky, surrounded by cages in all directions!

It seems that something extremely terrifying is being suppressed?

...

anyway.

The second test of Mortal Village.

In front of nine stone platforms.

Now, there are only two days left before the end.

Someone still couldn't break through the second stone platform.

There are also people who have made rapid progress.

Already able to withstand the seventh stone platform!

And Ji Qian Yao is the best among them.

Reached the eighth stone platform!

Unfortunately, he still couldn't pass the huge oppression of the monstrous waves.

This is her third failure.

Walking out of the lake, he smiled helplessly, then, he looked at Lu Changsheng and said, "Can you give me some advice?"

Chapter 473 Wannian Reinforced Straight Man

Those who can be invited by Mortal Village.

All of them are the arrogance among the top forces in the Milky Way Starfield.

How can you not be a little arrogant?

The saint from Yaochi Fairy Palace, Ji Qian Yao, did not see her pitifully begging a man for help.

Everyone has some short-circuited brains.

What happened to this generation?

Moreover, it is still a black iron that has been in the deep sea for thousands of years.

The kind that can't be bent no matter what!

Lu Changsheng put his hands on the back of his head, opened his eyes, and glanced at Ji Qian Yao in front of him.

He sighed helplessly in his heart.

Originally, I didn't want to get involved.

After all, since ancient times, troubles have been caused by women who have troubled each other.
but.

Before, Ji Qian Yao not only spoke for him when he was enlightened by Tongtian Shibi.

Although the gossip on the side did not affect him a little.

But also with good intentions.

Moreover, when Xing Yun shot.

Ji Qian Yao also wanted to help.

Based on these two points.

Lu Changsheng can't ignore it either.

He is not a hard-hearted person either.

"I can give you advice, but I will put my ugly words first."

"You can't use other crooked thoughts, do you understand?"

Ji Qian Yao first showed a hint of astonishment in his eyes, and then asked in confusion: "What crooked thoughts?"

At the same time, I was thinking in my heart.

Am I so unbearable?

Can you save me some face!

I am also a saint after all...

Lu Changsheng nodded his head and said: "Now that you have grasped the second layer of Youlong Movement Technique, then you only need to comprehend the third layer. It is not difficult to break through the nine stone platforms and reach the other side."

Everyone: ...

It's quite simple.

Thought they all looked like you!

This Youlong movement is at least the movement of the mortal village!

Compared to the top body skills in their sect, they are somewhat stronger.

How can it be said that comprehension can be comprehended?

Lu Changsheng continued: "What is the characteristic of Youlong's movement method? It is elegant, or it can be said to pass through thousands of flowers without a single leaf sticking to the body."

"It's not just about speed."

Ji Qian Yao nodded.

really.

They all fell into a misunderstanding.

After all, most of the agility they practice is based on speed.

With this preconceived idea.

Naturally, he didn't expect this crop.

"Do you understand that?"

Ji Qian Yao tilted her head, put her finger on her lower lip, and said, "I seem to understand..."

Lu Changsheng frowned.

That means you don't understand?

"Aren't you the saint of Yaochi? You are not the pride of this star field? Why are you so poor in understanding."

Ru listen.

Does anyone speak?

Ji Qian Yao pouted and said weakly: "I thought everyone was like you..."

Lu Changsheng shook his head helplessly, and said, "Okay, come closer!"

"What's so fierce..."

After Ji Qian Yao grumbled, she took a step closer and stretched her head over.

Lu Changsheng pointed out, and he touched Ji Qian Yao's eyebrows.

Instantly.

A series of perceptions about Youlong's body technique poured directly into Ji Qian Yao's mind!

Ji Qian Yao was slightly taken aback.

With the incomparably huge information pouring into her body.

His expression became more and more surprised.

this...

It's not just a thorough comprehension of Youlong Shenfa.

improved it even more.

Moreover, with this improvement, I feel that I have completely surpassed the original dragon swimming method!

Take the essence and discard the dross!

reached a perfect state.

"how did you do it?!"

Lu Changsheng rolled his eyes: "If you want to do it, you can do it. If you want to do it, it's okay. Hurry up and comprehend it, and then go through the stone platform. Don't bother me here. It's nap time, do you understand!"

Everyone: "..."

Rebar.

Thousand-year deep-sea black iron.

These two things are not as hard as you...

Ji Qian Yao heard this, but could only sit aside aggrieved.

Why are you so fierce!

Can't you talk nicely to me...

Immediately, he withdrew his mind, closed his eyes and began to comprehend.

Xingcheng moved to Lu Changsheng's side, and said, "Brother Lu, Ji Qian Yao is a saint after all, and she's backed by Yaochi Immortal Palace."

"If you want to be talented, have a background, and be the number one beauty in the Milky Way Starfield, won't you be tempted?"

Tempted?

Lu Changsheng sneered.

Women only affect the speed at which I draw my sword!

Beauty is a disaster, it's all fatal!

So, how far the thought goes.

Just give me how far to climb!

...

Half a day later.

Ji Qian Yao opened her eyes.

walked to the stone platform.

Everyone also looked over.

They also want to see it, after Lu Changsheng's training... oh no, after the guidance.

Whether Ji Qian Yao can break through the nine stone platforms and successfully withstand the test on the other side.

Under the gaze of the crowd.

Ji Qian Yao moved.

The body is like a dragon swimming.

Within a few minutes, they broke through to the eighth stone platform!

Everyone was a little surprised.

Ji Qian Yao's dragon swimming technique seems to be different from before.

Less speed, more elegant!

At this time.

The shocking waves are coming again!

It was as if the sky and the earth were collapsing, smashing towards Ji Qian Yao!

Ji Qian Yao's face froze slightly.

One step at a time!

Like a swimming dragon!

rushed into the stormy waves!

Under the shocked eyes of everyone.

Resist the other side!

Moreover, there are no water stains on the body!

this...

This passed?

Ji Qian Yao also had a happy face, and hurried back to Lu Changsheng's side and said softly, "I passed!"

Lu Changsheng didn't open his eyes, he waved his hands and said, "Amazing."

"Go and go, I want to sleep."

Ji Qian Yao couldn't help feeling depressed for a while.

Stamped his feet, wanting to step aside and stay away from Lu Changsheng.

But for some reason, he felt aggrieved, and sat beside Lu Changsheng with his mouth pouting.

Like an angry little daughter-in-law...

As everyone watched this scene, they rushed over.

"Brother Lu! Can you also guide us?"

"Yes! We can use some natural materials and earth treasures to exchange!"

"Brother Lu, as long as you guide me, you will be my family's forever friend from now on! If you need anything, you can come to me!"

Countless natural treasures.

Even the magic weapon that could make the Tianhe Starfield set off a bloodbath was handed to Lu Changsheng.

Lu Changsheng curled his lips in disgust, and said, "Take them all away."

As for these **** things, it's a fart!

I don't want to get involved with you guys.

Ji Qian Yao saw the helpless expression on Lu Changsheng's face.

Can't help but smile slightly.

So you have this time too!

I didn't think so.

Lu Changsheng noticed Ji Qian Yao's gloating expression.

Immediately, his expression became fierce, and he said: "You are a hammer! You didn't provoke me! Hurry up and drive me away!"

Ji Qian Yao's smiling expression suddenly became aggrieved again.

But I had no choice but to get up and disperse the people around me.

Everyone saw this.

also had no choice but to sigh.

after.

They didn't have anyone else pass the test.

Only Lu Changsheng and Ji Qian Yao are eligible to participate in the third test.

A child.

Trotted over with a bunch of candied haws in his mouth.

"Mister said, those who pass the test can follow me to the third test."

Lu Changsheng and Ji Qian Yao stood up.

When I came to the boy.

The boy looked at Lu Changsheng, showed two small canine teeth, and said with a smile: "Big brother, come with me to see Mr. when the time comes."

Chapter 474 Sin!

See sir?

Who is Mr.

Lu Changsheng just wanted to ask the boy.

Then I heard Ji Qian Yao from the side say: "Mr. is a spiritual pillar of Mortal Village, and it is also the reason why Mortal Village is still detached from the world."

"However, it is said that those who can see Mr. are those who have passed the third test and have the opportunity to be summoned."

Lu Changsheng nodded: "So, quite a few people have seen it?"

Ji Qian Yao shook her head and denied, "That's not the case. There are only two people who have ever seen Mr.

"Because, only two people passed this third test."

Lu Changsheng was slightly stunned.

According to Xingcheng.

The test of the mortal village is once in a thousand years.

However, it has been done more than twenty times.

Over the past 20 times, all the arrogance and evildoers of the Milky Way Starfield have been gathered, but only two people have passed?

Interesting.

Ji Qian Yao said: "The two of them, one of them, is the legend of the Milky Way Starfield, the Milky Way Star God."

"The other one is an outsider, the original master of the Demon Realm."

"These two people, without exception, belong to the top existence of this latitude."

"So, there has been a saying that has been circulating outside, if you meet Mr., you will be able to reach the peak, and you will be qualified to pursue longevity."

Lu Changsheng nodded.

Longevity.

Isn't this one of his goals.

Want to keep fishing.

The prerequisite is longevity.

Moreover, Xuanhuang Qi is something that this mortal village has been guarding.

If you want peace, you must see Mr.

Immediately, Lu Changsheng looked at the boy and said, "When are you going to see me?"

Little Shitou slurped the candied haws, and said vaguely: "I don't know, Mister didn't say the time, but when Mister wants to see you, he will naturally see you."

"When will the test start?"

Little Shitou wrinkled his nose and said, "Oh, you're so annoying. I'll tell you when the test starts. Now just wander around in the village."

Lu Changsheng frowned.

Tut.

Children are so troublesome!

Ji Qian Yao couldn't help laughing seeing Lu Changsheng's irritable but helpless expression.

There is only such a time.

I can see Lu Changsheng's deflated expression.

"Smile!"

Ji Qian Yao is also used to Lu Changsheng's speech like a steel rod, with his hands behind his back, he bouncingly followed Lu Changsheng.

came to the mortal village together.

However, when they came to the mortal village.

But found two uninvited guests walking towards him.

They are the other two top forces in the Milky Way Starfield.

The Golden Winged Roc Clan, and the Dragon Hall of Beiming Town.

Duan Chaohe and Jin Wuwu.

And just as Duan Chaohe was about to say hello to Ji Qian Yao, he saw her following a man with a sweet smile.

Those eyes like autumn water look at him from time to time.

There is a jealous meaning in the eyes.

This made Duan Chaohe feel an unknown fire in his heart.

Clearly ignoring himself.

Usually they are rejected thousands of miles away.

However, in front of this man.

But his complexion is like spring water.

Jin Wuwu also crossed his arms, with a look of watching a show appearing on his face.

"Qian Yao, you also passed?"

Seeing Duan Chaohe walking over, Ji Qian Yao's face instantly returned to normal, looking gentle.

In fact, it is like an iceberg that rejects the smile thousands of miles away.

"Thanks to him."

Lu Changsheng heard that Ji Qian Yao put the credit on himself.

The corner of his mouth twitched.

look.

What am I talking about?

What a beauty!

This hatred is really proficient!

At this moment, Duan Chaohe's expression became completely gloomy.

"Qianyao, you are the saint of Yaochi Fairy Palace, with such a noble status, how can you walk with some people of unknown origin?"

Didn't wait for Lu Changsheng to speak.

Ji Qianyao turned cold.

At this time, even the fake smile has completely disappeared.

"Duan Chaohe, who I am with is my business, you should not be qualified to ask?"

Hearing that Ji Qianyao was still speaking for other men.

Duan Chaohe was even more angry.

For a moment, all the anger was transferred to Lu Changsheng.

"I just care about you."

Immediately, Duan Chaohe looked at Lu Changsheng and said, "Although you have passed the test, it does not mean that your identity and strength can keep pace with us, understand?"

But who would have thought?

Lu Changsheng was not angry, nor did he refute.

Instead, he nodded approvingly, and said, "Indeed, I just realized it by chance. In fact, talent, strength, and status are all inferior to you."

"So, I'll go first."

Hurry up and don't make trouble for me.

Ji Qianyao couldn't help rolling her eyes when she heard these words.

Hit your luck?

Trying luck can also improve the dragon swimming skills?

Can make the stone wall reveal the dragon?

The talent is not as good as ours, and I can pass the test with just a few pointers?

but.

deliberate.

Ji Qian Yao couldn't help feeling depressed again.

Is that why you don't want to have anything to do with me?

Duan Chaohe watched Lu Changsheng leave on his own, and couldn't help smiling: "It's interesting."

Then he looked at Ji Qian Yao and said, "Qian Yao, don't worry, after the test is over, I will give him a chance to enter the Dragon Palace in Beiming Town."

Beiming Town Dragon Palace is the top force in this star field.

Ordinary people simply cannot join in!

Duan Chaohe also felt that his promise was a great favor for a person with no identity and unknown origin.

Ji Qian Yao didn't even look at Duan Chaohe.

As if he didn't hear what he said.

Trotted and caught up with Lu Changsheng.

Lu Changsheng saw him, covered his face and said, "I said, why have you been following me?"

Ji Qian Yao smiled and said, "I haven't thanked you yet."

"You stay away from me, that is the best reward for me."

"Huh? The scenery ahead is beautiful!"

Lu Changsheng: "..."

Felt the burning and murderous eyes behind him.

Lu Changsheng wanted to cry.

What a crime!

Jin Endless couldn't help laughing when he saw this scene.

"Duan Chaohe, it seems that your character is not good. Ji Qian Yao doesn't care about you at all."

"However, you humans like to beat around the bush. If the king likes someone, just take him away forcibly, and let's talk about raw rice and cooked rice."

Duan Chaohe sneered: "Jin Wuwu, you only have muscles in your brain."

"Besides, in the next test, I will let him understand that some people cannot reach the sky in one step and stand where they shouldn't be."

After finishing speaking, Duan Chaohe snorted coldly and left.

Jin endlessly shrugged and walked towards the other side.

In the mortal village.

Lu Changsheng and Ji Qian Yao walked side by side.

Villagers around.

Just like ordinary people in the outside world.

Sunrise and work, sun enter and rest.

Someone is holding a **** and doing farm work.

Someone was driving cattle and sheep with a rope whip.

At this moment, a cow rushed out of the fence and rushed towards a little girl playing on the street!

Chapter 475 Trivia

A cow seemed to be in a state of rage.

Rush towards the little girl!

The little girl was still picking up and counting the little ants. Seeing this scene, she froze in place!

The expressions of the surrounding villagers all changed drastically!

"Not good! Save her!"

"This cow, without the restraint of Zhenlongsuo, we can't..."

The voice has not yet fallen.

The cow has rushed to the little girl.

A figure flew out!

directly came to the little girl.

One point out.

Tapped on the horn!

Everyone was shocked.

Under the man's finger, the cow was stopped abruptly!

No matter how hard it crashes, it wants to break out of the encirclement.

But still unable to hit the man in front of him.

Like a Mount Tai, motionless!

The man was Lu Changsheng.

The villagers also reacted at this time, and walked over immediately.

"Thank you, lad!"

"If it weren't for you, the granddaughter of the village chief would have died."

Lu Changsheng waved his hand and said, "It's easy."

Let him watch a little girl die in front of him like this, he still can't do it.

Help if you can.

This is a common thing even helping the old lady cross the road.

Excellent character on earth with a fine tradition.

Although in another world.

Brothers can't embarrass their own family.

Ji Qian Yao also picked up the little girl, patted her on the back and came to Lu Changsheng's side.

"Little sister, are you okay?"

The little girl shook her head and said with a smile, "Thank you big brother!"

Lu Changsheng thought for a while, feeling a little chilly in his heart.

This little girl is probably older than him.

However, it seems a bit perverted for you to let people call you brother...

"It's fine if you're not hurt."

At this time.

The villagers on the side also looked a little ugly.

"On weekdays, being bound by the Zhenlong rope, how can you break free by yourself?"

"Could something be wrong?"

"Impossible, Zhenlongsuo has not had any problems for thousands of years, unless it is man-made."

An old man was also on crutches, leading several middle-aged men over.

The old man's face was ugly and he said: "Go and check."

The middle-aged men around all nodded.

At this time, the old man walked up to Lu Changsheng and thanked him: "Young man, thank you for saving the old granddaughter, Tuantuan, have you thanked big brother yet?"

Tuantuan raised his chubby little hand and said, "Grandpa, I thank big brother!"

Ji Qian Yao patted Tuantuan's head lovingly.

Obviously like this small and well-crafted little girl.

"Boys, are you outsiders? The third test hasn't started yet, let's go to the old man to rest for a while."

Heard the words.

Lu Changsheng nodded.

Just right, there is no place to stay now.

It's good to go and sit for a while.

Along the way.

Introduced.

Lu Changsheng also learned the identity of the old man.

The old man is the head of this mortal village, and he handles some trivial matters in the village.
but.

The people in this village are obviously extraordinary.

Even that cow has something strange.

Why would you be willing to be a mortal in this village?

Is it possible that like yourself, you like to live a leisurely life?

It seems to have seen Lu Changsheng's doubts.

The village head smiled and said, "Are you wondering why we have to live in the village all the time and not go out to make a living?"

Lu Changsheng nodded.

Ji Qian Yao also poked her head curiously.

"Actually, I don't even know."

The village head smiled and said: "It's just that this is the rule set by the ancestors, and it is also the rule set by the husband."

"People in a mortal village are not allowed to leave the village."

Ji Qian Yao wondered: "If that's the case, won't the other villagers protest?"

"There have always been protests, of course."

The head of the village said: "You have a good strength, but you have to stay in the village all the time, unable to show your grand plans. This is not something young people can bear."

"It's just that, with Mr. present, they dare not openly rebel."

Mr.

Half a sentence is inseparable from Mr.

It seems that this gentleman is the real person in charge of this mortal village.

If you want to get Xuanhuang Qi, you have to go through him.

At this moment, Tuantuan poked his head out from the door, and looked at Lu Changsheng and Ji Qian Yao curiously.

When the village chief saw this, he beckoned and said, "Tuantuan, you didn't go to rest, why are you here?"

Tuantuan said weakly: "I want to thank big brother..."

The village head laughed: "It should be so, then come in, and give it to the big brother with your own hands."

Tuantuan was overjoyed, and ran crookedly in front of Lu Changsheng.

Holding a twig with both hands, he handed it to Lu Changsheng.

When the village chief saw this, his eyes flashed.

But didn't say anything.

Lu Changsheng took it and said with a smile, "What is this?"

Tuantuan shook his head and said, "I don't know, but all uncles and aunts in the village have this, and they only give it to people they like!"

"So, Tuantuan likes big brother?"

Ji Qian Yao teased from the side.

I saw Tuantuan innocently saying: "That's right! Big brother is so handsome!"

Um.

Kids are kids.

What a vision!

"Then thank you, Tuantuan."

Lu Changsheng put away the branches and touched Tuantuan's head.

Ji Qian Yao said tastefully at this time: "You are so gentle with little girls?"

The corners of Lu Changsheng's eyes twitched.

"I said, Miss Ji, are you all right?"

"Cure if you are sick!"

Ji Qian Yao pouted aggrievedly.

Fierce me again!

At this time.

A middle-aged man walked in with a gloomy expression.

"Village Chief, things are getting closer."

The village chief raised his eyebrows and glanced at the people beside him.

The man understood, nodded and led Tuantuan out.

Seeing this, Lu Changsheng was also preparing to get up.

It seems that there is something important.

I am an outsider after all, so it is not good to sit here.

but.

But the village head said: "It's okay, young man, just sit here, there is no problem if you listen."

Lu Changsheng: ...

Why do you have the feeling of being involved in troublesome things again?

"Tell me."

The middle-aged man nodded and said: "The Zhenlong rope that binds the dragon ox has been tampered with."

"So, someone wants to murder Tuantuan, or in other words, to warn us."

The village chief's face was extremely ugly, his beard was shaking with anger, and he vigorously struck the crutch in his hand.

cursed: "Who is it?"

The man said: "All the clues point to He."

Ho?

The village chief put down his crutches and said in a deep voice, "It seems that they have healed their scars and forgot the pain."

"Mr. He, I have always wanted my position as the village chief, so as to fight for the mortal village to be separated from the mortal world."

"However, I have been opposed by my husband, and even my husband beat me hard."

"Now, when the mortal village is opened again, have you got a crooked mind again?"

Lu Changsheng looked out of the house speechlessly.

Okay.

I said, here comes the trouble again...

Chapter 476 Calculations

Mortal Village is not without trouble.

Its interior is also divided into two factions.

One faction obeys the rules of ancestors and husbands, and guards the mortal village for generations, and is not allowed to take half a step!

The other faction thinks that the people in Mortal Village are so powerful, why should they stay in the village all the time?

Isn't he the one who crushed this star field after going out?

At that time, not only will there be abundant resources, but also considerable power!

The village head is the first type.

The He family they talked about was naturally the latter.

"However, what is it that makes them have the courage to confront Mr. again? Moreover, they have begun to be so unscrupulous?"

The head of the village looked gloomy, and said: "Go to the He family, and take old man He to see the master!"

The middle-aged man also nodded.

At this moment, Lu Changsheng stood up and said, "Village Chief, I will take my leave first."

The village head was taken aback for a moment: "The third test has not yet started, so why don't you settle down here?"

Lu Changsheng shook his head.

Then, he walked out.

Ji Qian Yao was also a little puzzled, but still followed.

"Why are you leaving?"

Lu Changsheng rolled his eyes and said, "Didn't you hear their conversation?"

"If you stay at the village chief's house, I'm afraid you will be involved."

Did this woman grow her brain to her chest?

Can you give your brain some nutrition?

Ji Qian Yao had a strange face.

This is too cautious...

"So where do we go now?"

"Trouble you, let 'we' go."

...

In front of the bamboo house.

Mr.'s residence.

The village chief and another old man stood side by side.

The two stood in front of the bamboo house, the atmosphere was very depressing.

But none of them spoke.

And at this time.

In the bamboo hut, Mr.'s voice came out.

"Things I already know."

"Tell me what you think."

At this time.

He Zhen, that is, the old man next to the village head, the head of the He family.

"Sir, our mortal village has been guarding the village for countless ages. What exactly are we guarding?"

Mr. said: "The thing to be guarded is very important."

Implicit meaning, I cannot let you know.

The village chief said with an ugly face: "He Zhen, don't you listen to what your ancestors said?"

He Zhen snorted coldly, "I don't know what conflict there is."

"The Mortal Village has guarded here for a long time, so we should go out and let the world know how powerful the people in our Mortal Village are."

"At that time, the resources and power will not be at your fingertips?"

The village head reprimanded angrily.

"Why let others know? Is cultivation for others to see?"

"Furthermore, what is the attraction of external power?"

He Zhen retorted: "With resources and power, my mortal village can go higher! It's not like this, with a whole body of cultivation, but can only wait in the village without any surprises, guarding that illusory thing!"

"you!"

The two couldn't argue.

I had no choice but to bow to the bamboo house.

"Leave it to Mister!"

However, what the gentleman said next surprised the village head.

"The opinions of the two parties conflict too much, which is not conducive to the peace of the village."

"It just so happens that through this test, each of you will find one person. If anyone passes the third test, let him listen."

The village chief said anxiously: "Sir! This is not acceptable!"

He Zhen sneered and said: "Why can't it work, is it possible that you are afraid that the person you are looking for is not as good as mine?"

"Okay, this matter is settled."

"Go ahead."

Mr. Jian made the final decision.

The village head had no other choice but to leave on crutches.

Stay until the two leave.

The gentleman who was writing and drawing in the bamboo house stopped the pen in his hand.

"The catastrophe is approaching, talents will emerge in large numbers, and once a wind dragon encounters a dragon, it will change into a dragon."

"I want to see who He Zhen contacted."

Originally, He's ambition had been revealed before.

But was forcibly suppressed by Mr.

Now it's up again.

There is no collusion with outsiders, the husband does not believe it.

Take this opportunity to find out who has the wrong thoughts about Mortal Village.

If this is true...

The brush in Mr.'s hand is writing on the parchment!

A large dead character appeared on the scroll.

Every stroke is like a thousand troops passing by!

Where the pen is written, every stroke and stroke are extremely sharp and full of murderous intent!

...

Three days passed.

The village head found Lu Changsheng again.

"Young man, the third test will begin tomorrow."

Lu Changsheng said with a look of lovelessness on his face, "If you have anything to do with the village chief, just tell me."

For this kind of notification, just send someone over to tell you.

Why bother to invite him over so solemnly?

This guy.

Why are you speaking so directly?

The village head smiled awkwardly, and then recounted the conversation with the husband.

"So, are you interested?"

"Well, I'm not interested."

Simply neat!

Without sloppiness!

Reject directly!

The village head was also stunned.

Lu Changsheng spread his hands and said without thinking, "Of course I will pass the test, but I will not join any party."

"So the village chief should find someone else."

The village head quickly said: "Young man, you don't need to join! Just let you represent our side!"

"That's not OK."

Are you kidding, does it mean that I have provoked a certain force for no reason?

Although their strength is not very good.

But the less troublesome things like this, the better.

Away from home.

Know how to protect yourself!

Looking at the back of Lu Changsheng leaving.

The middle-aged man on the side asked: "Village Chief, do we need to find someone else?"

The village head shook his head with a smile and said, "No need."

No?

Give up just like that?

What about He's side?

I saw a glint of light emerge from the village chief's cloudy eyes: "When the young man stepped in here, He Zhen should have gotten the news."

"Even if he refuses, the other party will regard him as the person chosen by me."

The man suddenly realized.

The reason why the village chief can be the village chief.

It can't just be popular.

It is even more necessary to have an extraordinary mind.

Only then can the villagers in the mortal village be managed well.

...

The second day.

Yaoyang is rising.

Purple radiance swirled around.

This also means that the third test begins.

here.

is the back mountain of Mortal Village.

It is also the place where the villagers hunt daily.

And here is the location of the third test.

Now, the total number of people who have passed the second checkpoint is 18.

Among them, Duan Chaohe and Jin Wuwu are among them.

Punishment City is also here.

After all, as a follower, Lu Changsheng passed the test, so Xingcheng is also eligible to participate.

In other words, if Xingcheng is eliminated in the third checkpoint, then Lu Changsheng will also be eliminated directly.

Therefore, while Lu Changsheng was testing, he also had to ensure the safety of Xingcheng.

Lu Changsheng was also the only one who came to the third test as a follower.

Chapter 477 Victory in the first battle

Next.

The village head explained the rules of the third test.

Everyone has a jade seal, and in the jade seal, there are engraved exercises that they have comprehended in the sky-reaching stone wall.

Those who pass must be collected into the nine sky-reaching stone walls, that is, nine different exercises.

Moreover, one must comprehend all of them and integrate them into one exercise before they can pass.

These nine exercises are themselves the top existences in the Milky Way Starfield.

It is quite difficult to comprehend one kind.

Want to merge into one?

It can be said that it is as difficult as climbing the sky.

This is also the main reason why, until now, only two people have passed the test of Mortal Village.

And Lu Changsheng's jade seal was on Xingcheng's body.

Therefore, if Lu Changsheng wants not to be eliminated, the first element is to protect the jade seal in Xingcheng's hands.

Make sure he doesn't get eliminated.

At this time.

Duan Chaohe looked over and saw that Ji Qian Yao was still standing beside Lu Changsheng.

Chat with him with a sweet smile.

But... In fact, Ji Qian Yao has been talking.

Lu Changsheng pretended not to hear with a stern face.

See this scene.

Duan Chaohe gritted his teeth and walked over.

"It seems that you are just a follower of the Xing family?"

Lu Changsheng twitched his eyebrows.

Then he looked at Ji Qian Yao and said, "It's all because of you, you deal with it."

Ji Qian Yao pouted.

After a few days of communication.

She also had a preliminary understanding of Lu Changsheng's character.

in conclusion.

is four words.

I don't want to cause trouble!

"Duan Chaohe, as I said before, no matter who it is, it has nothing to do with you."

But who would want to.

Ji Qianyao's indifferent words had a side effect.

Duan Chaohe's heart was filled with monstrous anger!

For a mere follower.

And it's just a mere entourage of the Xing family, talking to me like this?

"Now, it's no longer your business."

Duan Chaohe looked at Lu Changsheng contemptuously, and said, "I hope you can live so that I can meet you. When the time comes, I will let you know how big the gap is between us."

"Whether it is status or strength."

After finishing speaking, he turned around and left.

And in the rear.

The village head looked at this scene and said, "He Zhen, is this the person you are looking for?"

He Zhen chuckled, and said, "I never thought that, as the village chief, his eyesight would be so bad that he would find a follower to entrust him with?"

"Duan Chaohe is a member of the Dragon Palace in Beiming Town, and he is the most talented disciple among them."

"How can it be compared with a follower."

The village head looked at He Zhen, and said with an inexplicable expression: "It seems that you have colluded with the Dragon Palace of Beiming Town."

He Zhen's eyes flashed a stern look, and then he chuckled: "People in Mortal Village don't need to collude with any forces, and no one is worthy of cooperating with us."

The village head took a deep look at He Zhen.

he knows.

This matter is not that simple anymore.

If it is not handled well.

The mortal village will fall apart!

At this time.

The jade seals in the hands of 18 people are all surrounded by green awns.

Immediately, with a flash of green light, they all disappeared in place and were teleported to various places in the deep forest.

The village head said: "He Zhen, your plan cannot succeed."

"Just rely on that follower? I'll wait and see."

...

Somewhere in the deep forest, there is a mountain spring.

And beside the mountain spring.

Lu Changsheng and Xingcheng were teleported here at the same time.

I saw Xingcheng said worriedly: "Brother Lu, Duan Chaohe will take revenge."

"What's more, you have already offended him, so you must be careful in the next thing. Once caught by him, he will definitely kill you."

Lu Changsheng looked helpless.

It was as if I provoked him on my own initiative.

Blame that woman!

Although the buddies are charming.

But don't keep leaning on him!

Why didn't I realize that Ji Qian Yao still has the potential to be a dog lick?

Lu Changsheng sighed helplessly, and said, "Don't worry about me, follow me closely from now on."

Immediately, he stretched out his hand.

Under Xingcheng's horrified eyes, Lu Changsheng's hand directly penetrated the space!

took out a few scrolls from it and threw them to him.

What's this?

The space of Mortal Village is so stable.

How do you say it breaks open?

Thinking of this, Xingcheng looked at Lu Changsheng inexplicably.

It seems that this man was randomly found on the street.

Not only is he talented and evil, but his strength is also somewhat unfathomable...

"Don't look at me." Lu Changsheng pointed to the scrolls and said: "These are some formation scrolls. If there is danger and I can't spare them, I can use them directly. Don't waste them!"

Finished speaking.

Lu Changsheng thought about it again.

When Xingcheng was not paying attention, he waved at him.

Several hidden sword principles are hidden all over Xingcheng.

in case...

"Okay, let's find someone."

"Eh... how do I find it, there is a formation here, and I can't release my sense...?"

When it comes to this.

Looking at the overwhelming perception released from Lu Changsheng's body.

Xingcheng's eyes widened, like copper bells.

How is this done?

It doesn't mean that the back mountain is suppressed by the formation.

Can't walk in the air, can't release perception?

How the **** can it release such a powerful perception?

In front of Lu Changsheng.

Xingcheng is like a naked man who has been stripped naked.

Swipe lightly.

will be able to see through it.

Lu Changsheng swept across Xingcheng unintentionally, and the corners of his mouth curled up, revealing an inexplicable smile.

Ah...

Why do you have to carry a needle with you during the test?

Cough cough.

ran far, ran far.

After a moment.

Lu Changsheng opened his eyes and walked towards the east.

Seeing this, Xingcheng asked, "So you found it?"

Although it is the back mountain of Mortal Village.

But it is actually a mountain range stretching thousands of miles...

If you want to find someone, it's not easy to use your perception...

But Lu Changsheng nodded and said, "Follow me."

Xingcheng's face was complicated.

Who is this man...

This ability is too terrifying.

Can't see through at all...

...

Just a stick of incense time passed.

Lu Changsheng took the criminal city and ran for thousands of miles.

Then I saw a man.

The man raised his head, looked at Lu Changsheng and said, "A follower of the Xing family?"

Xingcheng was shocked when he saw this man.

"Lei Yuzong, Lei Daozi, his talent is second only to Duan Chaohe and Ji Qian Yao..."

Ji Qian Yao is talented?

Lu Changsheng pouted, then stretched out his hand and said, "Hand over the jade seal, don't waste time."

Lei Daozi's face was serious, and after hearing the words, there were streaks of thunder swirling around his body!

It's like a lightning cage!

The breath is extremely frightening.

"A follower is so arrogant."

"The jade seal is on me, if you want it, it depends on your ability."

tsk...

Lu Changsheng pointed out.

I saw an invisible force directly pressing on Lei Daozi!

Just a moment!

The lightning cage around him shattered and turned into nothingness!

Lei Daozi's expression changed.

Oops...

However, just as he was about to make a move, he saw a finger was already on the center of his brow.

"Hand it over."

Chapter 478 Bone Wing Snake Tiger

Thunder Prison Sect is also the top force in the Tianhe Star Region.

Compared with the Xing family, I don't know how much stronger it is.

Among them, Tianjiao is also the closed disciple of the suzerain of Thunder Prison Sect, and he is extremely evil.

According to legend, three years ago, he went to the Leihong Abyss alone, and killed the Zhenxie Leihu alone!

Take its bones and forge Thunder's body.

Take its soul and practice the secret method of Thunder Prison Sect!

The strength is extremely strong.

Now, Lu Changsheng just waved his hands.

then dispelled his lightning cage.

At the same time, he came to Lei Daozi in an instant, and pointed his finger between his eyebrows.

There is no chance to resist!

This is a complete crushing of strength.

Lei Daozi said with astonishment, "Who are you...?"

With such strength, how could it be possible for a follower to do it?

You know, although he is not as strong as Duan Chaohe, Jin Wuwu and Ji Qian Yao.

But only second to them!

Even they can't handle themselves so easily.

Xingcheng on the side also smiled wryly.

I randomly found someone on the street to make up the number, who is the evildoer...

It wasn't just her talent and savvy that crushed Ji Qian Yao, who was the saint of Yaochi.

Now, even in terms of strength, he has crushed a well-known Tianjiao like Lei Daozi?

Lu Changsheng said impatiently: "So much nonsense, hurry up and hand it over."

Hearing this, Lei Daozi smiled wryly: "It seems that we all underestimated you, and Duan Chaohe probably will fall in your hands too."

Such strength.

I'm afraid they are no longer on the same level as them.

Immediately, the jade seal was handed over to Lu Changsheng.

A flash of green light flashed, and Lei Daozi was kicked out of the game first.

Lu Changsheng closed his eyes, and his perception penetrated into the jade seal.

Feel the exercises engraved in it.

Seeing this, Xingcheng on the side consciously began to be vigilant in all directions.

In case of being attacked.

After all, when a person is practicing exercises, the most taboo thing is to be disturbed by others.

If it is light, it will fail directly, and if it is serious, it will go crazy!

Moreover, the comprehension of the exercises in this mortal village cannot be achieved in a short period of time.

But.

When Xingcheng just thought so.

Lu Changsheng said from the side: "Let's go, find the next one."

Hearing this, Xingcheng was dumbfounded, and said in a daze: "Have you not comprehended the exercises?"

Lu Changsheng looked at him speechlessly, and said, "The perception is over, and by the way, I have also perceived the next target."

By the way...

It's only a few breaths away...

Not only did he comprehend the top skills of this mortal village, but he also found the next goal...

What is going on with your talent...

Xingcheng spread his hands speechlessly.

Obviously, he once again underestimated Lu Changsheng's talent.

...

On the other side, Duan Chaohe also met Jin Wuwu.

But the two had a tacit understanding and did not make a move.

"I think, our battle should be left to the end?"

"Kick everyone else out first."

"Of course, that follower will be handed over to me."

"as you like."

After all, Duan Chaohe and Jin Wuwu both think of themselves, or they are also thought of by others.

is the strongest ascetic here.

Of course, there is also Ji Qian Yao.

The power background of the three is similar, and there is not much difference in talent.

The struggle must naturally be left at the end.

At this time.

In the distance, suddenly there was a roar of a tiger shaking the sky!

The two looked at each other and reached a consensus.

At the same time, they galloped over there!

Although the sky is forbidden, with the cultivation base of the two, they rushed to the place where the sound originated at an extremely fast speed.

...

Similarly, Lu Changsheng also heard the roar of the tiger.

He who had just dealt with one person, after comprehending the exercises in the jade seal in an instant, said: "Oh? They all rushed in that direction? It saves me from looking for them one by one."

After finishing speaking, he pulled Xingcheng and pierced the space in that direction. On the way, the physical body pierced through the space, causing the space to collapse continuously!

As for Xingcheng, his face was expressionless.

Obviously, he's used to it.

He understood now.

This random pick from the street is a hermit powerhouse...

...

And the birthplace of the roar of the tiger.

A woman in Tsing Yi looks like a fairy in a painting, with silk and satin wrapped around her body, looking solemnly in front of her.

The woman is naturally Ji Qian Yao.

Now, in front of her, is a huge bone wing!

Behind him is a huge snake tail.

The huge body of the tiger is outlined in black and white lines.

Around, those who participated in the test rushed to follow the roar of the tiger.

Of course, Duan Chaohe and Jin Wuwu were included.

All of a sudden, everyone showed fanatical gazes!

"Bone-winged snake tiger..."

This is an ancient monster.

The strength is extremely strong.

But now, the entire Milky Way star field is said to have long been extinct.

I don't want to, but in this mortal village, there is something left?

"A place guarded by powerful monsters naturally has natural treasures."

"What's more, this bone-winged snake and tiger is a walking treasure house."

"Its bone wings, snake tail, and flesh and blood can strengthen one's body!"

Jin endlessly licked his lips greedily, and said, "I want both bone wings and flesh and blood."

Duan Chaohe said lightly: "Then I want the natural materials and earthly treasures here."

Others were dissatisfied: "You divided these up, so why don't you let us go home empty-handed?"

Jin Wuwu glanced at it, and stretched out his hand.

Suddenly, a huge claw with golden sharp light slapped towards the person who spoke!

The man looked shocked.

Immediately block it with all my strength.

It's a pity that it was smashed to pieces by Jin Wuwu's claws in just an instant!

The body was deeply imprinted into the ground.

Jin Wuwu snorted coldly, took his jade seal, and said contemptuously: "Anyone else has an opinion, if you want to be out of the game early, you can raise it."

For a moment, everyone's faces were ugly, but they didn't dare to speak out.

After all, none of them are Jin Hentai's opponents.

At this time, Duan Chaohe looked at Ji Qian Yao, and said softly: "Qian Yao, let's kill this animal together, and that snake tail will be of great use to you."

Ji Qian Yao looked cold and didn't respond.

Instead, look around.

Obviously, looking for someone.

When Duan Chaohe saw Ji Qian Yao's expression, he couldn't help but look rather ugly.

"Are you looking for that follower?"

"It's just a follower, maybe it has already been kicked out?"

Ji Qian Yao didn't even think about it, she shook her head and said, "With his strength, he won't be out so easily."

After all, he has also thoroughly comprehended the Youlong Movement, so even if he can't beat him, running is still very easy.

And this moment.

Beside Ji Qian Yao, two figures appeared here instantly!

"It seems that everything is here?"

Hearing this voice, Ji Qian Yao's face brightened.

It was in stark contrast to the previous attitude towards Duan Chaohe.

"How come you are so slow?"

Hearing this coquettish tone.

Lu Changsheng's face froze.

I knew I wouldn't be here...

Chapter 479 One palm

"Solved one along the way, so slow down."

Ji Qian Yao nodded.

Immediately, Lu Changsheng looked at the bone-winged snake and tiger in front of him.

It seems that these people were attracted by this monster.

Generally, places guarded by powerful monsters are bound to have treasures of heaven and earth.

Ji Qian Yao whispered from the side: "This is the bone-winged snake tiger. In the cave behind him, there is a powerful aura fluctuation. There should be some kind of fetish."

Without waiting for Lu Changsheng to speak.

Duan Chaohe on the side sneered and said, "You, a follower, don't want a share of the pie, do you?"

Lu Changsheng raised his eyebrows.

have to say.

The sand sculpture kept nagging at the side all the time, which made him a little annoyed.

The strength is not as good as myself.

Also put aside this crazy ridicule.

Really think Lu Changsheng is a good old man?

So, Lu Changsheng looked at Ji Qian Yao and asked, "How is the strength of Mortal Village compared to their strength in the Dragon Palace of Beiming Town?"

Ji Qian Yao was taken aback. Although she didn't know why Lu Changsheng asked such a question, she still replied: "Mortal Village is stronger, and even Tianhe Star God will not easily offend them now."

Lu Changsheng nodded.

is also relieved.

At that time, take action to deal with this Duan Chaohe, and then destroy the Dragon Palace in Beiming Town behind him.

Then there will not be much cause and effect involved.

Thinking of this, Lu Changsheng looked at Duan Chaohe with murderous intent in his eyes!

Seeing this, Duan Chaohe felt palpitations for some reason!

It seems that the heart is held by the death sickle.

As long as the heart beats and expands a little bigger, it will be cut by the sickle!

However, don't wait for him to think about it.

Jin Wuwu on the side turned into a golden-winged roc!

Huge golden wings, waving!

A sharp wind is constantly blowing the land!

The surrounding trees were all broken by this sharp wind!

I saw Jin Wuwu, bursting out at a speed that was hard to see with the naked eye, and rushed towards the bone-winged snake and tiger!

Duan Chaohe snorted coldly, and said: "First deal with this animal, then I will deal with you!"

Speak.

Duan Chaohe also erupted with aura, holding a nine-story pagoda in his hand, exuding the meaning of suppressing the world!

I saw the pagoda began to rotate!

In an instant, it appeared above the head of the bone-winged snake tiger!

Following Duan Chaohe's palm, he pressed down.

Then suppressed directly!

Ji Qian Yao on the side wanted to make a move, but was held back by Lu Changsheng.

"Okay, they are not opponents."

Ji Qian Yao was slightly taken aback, and then said: "Then we should take action, and now we can get the fetish by fighting together, right?"

Lu Changsheng shook his head and said: "It doesn't matter, if they can't beat it, it doesn't mean I can't beat it."

Hearing this, Ji Qian Yao suddenly smiled and nodded.

She didn't think that such a cautious person as Lu Changsheng would say such arrogant words at will.

generally.

When Lu Changsheng said such words.

Already have a hundred layers of confidence...

Less than this number, he is not willing to move...

as expected.

The bone-winged snake tiger was furious instantly!

Raised his head and roared like a tiger!

Immediately!

The roar is earth-shattering!

The sky is crumbling.

The ground keeps floating!

Countless cracks, extending towards the surroundings!

Above the bone-winged snake and tiger, the nine-storied pagoda with the meaning of suppression was shaken back thousands of miles amidst the roar of the tiger!

Duan Chaohe's face was slightly pale, he made a formula with his right hand, and made a seal with his left hand, taking back the nine-story pagoda!

at the same time.

Jin Wuwu, transformed into a golden-winged roc, has also rushed forward!

Golden wings spread.

Huge double claws slammed towards the head of the bone-winged snake tiger!

The Bone-Winged Snake Tiger also stretched out its front paws, and slapped Jin Wuwu!

Boom!

Immediately!

Black thunder, constantly erupting between the intersection of the two!

The aftermath shattered the surrounding land and ancient trees in the sky!

Looks evenly matched.

But Jin Wuwu's complexion was not pretty.

Only stalemate for three breaths.

The bone-winged snake and tiger roared!

The front paws burst out with full force!

Jin Hentai was shot and flew out!

In mid-air, suddenly spit out a mouthful of blood!

"The strength of this skull winged snake tiger is a bit strong..."

"In contrast, the treasures of heaven and earth he guards must be extraordinary."

Duan Chaohe's expression turned ugly. If this continues, he might not be able to get it.

Immediately.

Duan Chaohe's eyes turned to look at Lu Changsheng who was watching the play.

sneered.

How can you, a follower, watch the show easily here?

thought of this.

Duan Chaohe rushed directly in front of the Bone Wing Snake Tiger!

Point out with one finger at the same time!

A shock wave formed by the gathering of aura directly hit the body of the bone-winged snake and tiger!

Bone Winged Snake Tiger's aura instantly locked onto Duan Chaohe!

And feel this.

Duan Chaohe snorted coldly, turned around and ran!

And he was running in the direction where Lu Changsheng was!

The bone-winged snake and tiger also roared!

Chase towards Duan Chaohe!

Obviously.

Duan Chaohe's move was to attract the bone-winged snake and tiger to Lu Changsheng!

Ji Qian Yao's face was ugly, and she subconsciously took a step forward, standing in front of Lu Changsheng!

In the subconscious.

She is the saintess of Yaochi, her talent and strength are not much different from Duan Chaohe's!

She wanted to help Lu Changsheng block this blow.

Lu Changsheng smiled helplessly, pulled Ji Qian Yao behind him, and said, "I'm not strong enough, what can I do, just stay behind me."

Duan Chaohe, who rushed over quickly, saw this scene.

Laughing out of anger!

"It's this time, and you still want to show off?"

After finishing speaking, Duan Chaohe suddenly turned around and left this place of right and wrong!

The bone-winged snake and tiger's forward direction did not stop because of Duan Chaohe's disappearance!

lost this target.

Locked the Qi machine on Lu Changsheng in front of it!

The four legs are constantly stepping on the ground!

Make a thunderous roar!

The ground continued to crack, and there was an overwhelmed roar!

Like a wild beast that escaped from its cage.

Carrying the power of heaven and earth, ghosts and gods are hard to stop!

Seeing this, Lu Changsheng remained calm.

Just slowly stretched out a hand.

Under the circumstances that everyone thought that this follower would die.

Lu Changsheng's hand, in the next moment, touched the head of the bone-winged snake and tiger!

But.

The scene where Lu Changsheng was knocked out and died directly did not happen!

on the contrary.

Under Lu Changsheng's palm.

The bone-winged snake and tiger's collision, which seemed to destroy the world, stopped just then!

The shock of the world also disappeared at this moment, and calm was restored!

I saw Lu Changsheng's face was indifferent.

Just stretched out a hand, and directly stopped the bone-winged snake and tiger!

How can this be? !

This is the voice of everyone present, except Xingcheng and Ji Qian Yao.

Just a hand?

Then stopped this extremely powerful ancient monster.

Jin Endless narrowed his eyes slightly.

Among the ascetics present, his physical body is the strongest, there is no doubt about it.

However, even he couldn't do this!

Chapter 480 Primal Purple Qi!

Just one palm.

will connect

Duan Chaohe and Jin Wuxiu, the bone-winged snakes and tigers who can't compete with the two great talents, stopped?

Duan Chaohe also had an ugly expression.

As the top force in the Tianhe Star Region, the pride of the Dragon Palace in Beiming Town.

None of them could withstand the blow of the bone-winged snake and tiger.

And Lu Changsheng, who he called his follower, stopped the bone-winged snake and tiger with one blow?

The gap in strength is so huge.

At this moment, Lu Changsheng's expression was indifferent.

"I was still thinking about how to deal with you."

"However, there is no need to think so much now."

Lu Changsheng's words were obviously not addressed to the bone-winged snake and tiger.

Everyone is looking at Duan Chaohe behind.

Duan Chaohe's face was gloomy.

This is a threat!

However, what can be done now?

In this scene, Lu Changsheng's strength is obviously much stronger than him!

thought of this.

Duan Chaohe turned around and left this place!

Seeing this, Ji Qian Yao said, "He ran away."

Lu Changsheng said indifferently: "Let him run."

Speaking as if letting him run for a while can run as far as possible.

Target locked.

Waiting for the second regiment commander to fire his mother's Italian cannon.

At this time.

Bonewing Snake and Tiger's eyes were full of anger.

Let out a roar!

The four legs are constantly stepping on the ground!

The ground shook again!

The sky is crumbling, as if the sky is about to collapse!

However, Lu Changsheng's face remained indifferent, and no matter how it moved, it would not help.

"Puppy, can't you be quiet?"

Puppy?

You told me this is a dog?

After Lu Changsheng finished speaking, under the horrified eyes of everyone, he slightly pressed his palm down!

Immediately!

A monstrous breath erupted from Lu Changsheng's body!

It seems to contain all the rules in this world!

Even the way of heaven is used by him!

The bone-winged snake and tiger let out a howl.

Limbs directly fell to the ground!

On the tiger's body, it was like the sky collapsed, crushing it to the ground!

And this moment.

The bone-winged snake and tiger exhaled hot air from its nose.

There were whining sounds.

It seems to be begging for mercy.

Lu Changsheng said: "I let you go, be honest, understand?"

Bone-winged snake and tiger understood Lu Changsheng's words, and felt the vague killing intent.

Nodding quickly!

I dare not make any more moves.

Putting all fours together, he stood beside Lu Changsheng in an orderly manner.

Two words are enough to describe the expression in the eyes.

Clever...

Jin Wuwu's face was cloudy and uncertain.

With one palm, this powerful monster that only existed in ancient times was tamed...

To know.

The bloodline of the bone-winged snake and tiger is no weaker than that of their Golden-winged Roc clan!

Lu Changsheng looked at Ji Qian Yao and said, "If you want anything, go and get it."

Ji Qian Yao was slightly taken aback, "You don't want it?"

"It doesn't work for me."

Ji Qian Yao smiled and nodded, and walked towards the cave behind.

Bone Winged Snake and Tiger whined aggrievedly upon seeing this.

Lu Changsheng glanced at it lightly, and said, "You will follow me from now on, what do you still lack?"

Hear here.

The Bone Wing Snake Tiger just nodded its huge head, with a happy look in its eyes.

Stretched out a huge tongue, licking Lu Changsheng's body continuously.

From top to bottom...

Never miss a single bit...

Lu Changsheng slapped him away in disgust, and said, "What's wrong with learning, like someone to lick a dog?"

Ji Qian Yao who entered the cave suddenly sneezed.

rubbed his little nose.

Um?

Is someone missing me?

At this time.

Ji Qian Yao also came out, holding a ball of purple light in his hand.

Above the light sphere, the purple air keeps circling around!

Among them, there seems to be a hint of the rules of the road!

And when everyone saw the purple ball of light.

Including Jin Wuwu, everyone except Lu Changsheng had fanaticism in their eyes!

"Massive Purple Qi?"

"It is said that there is a ray of grand avenue in the grand purple air. No one has seen this thing even in the Tianhe star field!"

"In the mortal village, there are such fetishes..."

Jin Wuwu also had an ugly face.

After all, with Lu Changsheng here, he can't **** it away.

Even if you get it, you have to use it with your life!

but...

seems to think of something.

Gold endlessly circulates the power of blood.

A message was sent out!

Ji Qian Yao looked at Lu Changsheng with a smile, and said, "Are you regretting it? You just gave me this fetish, or should I return it to you?"

Lu Changsheng glanced at the Primordial Purple Qi.

This thing is useful, but it's a pity that there are too few of them.

Not as much as the primordial energy in his body...

"Okay, you can take it if I give it to you, what are you talking about."

Immediately, Lu Changsheng looked around and said, "By the way, you've finished reading it, and it's time to hand over the jade seal in your hands."

Everyone's expressions changed.

Lu Changsheng spread his hands and said, "You all saw it just now, so don't let me get rough, okay?"

Hear here.

Everyone also looked helpless.

This kind of monster-like strength and talent really has no chance of winning.

So, everyone threw the jade seal to Lu Changsheng.

Jin Wuwu also clasped his fists and said with a smile: "Senior, I will invite my Golden Winged Roc clan to be guests in the future. Presumably the patriarch also seems to know you."

Lu Changsheng nodded superficially.

actually secretly but did not take it to heart.

Dang got the jade seals of these people.

They were all sent out by the green light.

Now, in his hands, he has collected eight exercises.

Ji Qian Yao doesn't need to give Lu Changsheng directly.

After all, they both comprehend the same kind of exercise.

"What now? Are we going to find Duan Chaohe?"

Lu Changsheng nodded and walked directly in one direction.

"Huh? You already found it?"

"Nonsense, or I can let him run first?"

...

And at this moment.

Duan Chaohe has already run thousands of miles.

Far away from where Lu Changsheng was.

His face was gloomy, and he said to himself: "Run is running, but how to deal with that troublesome follower?"

Even if he ran away.

If you want to pass the test, you still need to get the exercises from the nine heaven-reaching stone walls.

So, we still have to find a way to solve Lu Changsheng...

"Are you missing me?"

Suddenly, in Duan Chaohe's ears, a death-like voice came from the front.

Duan Chaohe's face was ugly, he raised his head, and looked at the two men and one woman in front of him.

Lu Changsheng, Ji Qian Yao and Xingcheng.

"Did you find me?"

Lu Changsheng didn't answer, but pointed out, and flew directly between Duan Chaohe's eyebrows!

Duan Chaohe's expression changed!

This terrifying force, he absolutely cannot resist!

He really wanted to kill himself!

How dare he!

Gritting his teeth, he felt hard in his heart.

directly threw the jade seal in his hand.

A burst of green light directly sent Duan Chaohe away!

Lu Changsheng's finger directly failed!

"Huh? Can it make you run away?"

Since you decide to kill, you can't keep your hands!

Cutting grass requires rooting out!

thought of this.

Lu Changsheng directly tore the space in front of him!

Under the horrified gazes of Ji Qian Yao and Xingcheng, they chased after him directly!
