

My Disciples 51

Chapter 51 Southern Territory wins, iron cavalry out!

The land of the extreme north.

Hongying opened her eyes and looked at Yunming in front of her.

At this moment, Yun Ming's injuries have recovered.

It's just that the realm still hasn't returned to its heyday.

Hongying got up and said, "Okay, let's go."

Yun Ming said respectfully: "It's Your Majesty, are we going to find the rest of the Nine Heavens Department now?"

Hearing this, Hongying shook her head, "Go and find my senior brother."

"Brother?"

Yunming was dumbfounded, and said in a daze: "Since when does His Majesty have a senior brother? Who else is qualified to be His Majesty's master?"

Hongying looked over indifferently, and said in a cold tone, "Since it is the master I recognize, it is naturally worthy of it."

Seemingly feeling Hongying's displeasure, Yun Ming immediately knelt down and said in panic, "This subordinate is guilty!"

Seeing this, Hongying nodded and said: "I will not make an example."

She is the Eternal Empress, so how can others question her actions?

What's more, Master's cultivation base is unfathomable, and even her strength cannot see through it.

Every time I detect the past, it is like observing a piece of chaos...

It's just that my master doesn't seem to realize it...

Thinking of this, Hongying couldn't help laughing helplessly.

"Okay, let's go to my senior brother first, and then go back to meet the master."

"yes."

...

at the same time.

Beiyu Tibetan Taoist Academy.

Sword intent whistling!

"This... This Ye Qiubai actually comprehended the sword intent?!"

"Earlier than Brother Jian, and this is already a great sword intent?"

"That is to say, this Ye Qiubai has reached the level of a great swordsman in the late stage of Zifu Realm?"

"This is too monstrous..."

If it is said that Jian Chaomian may enter the level of Juggernaut.

Then Ye Qiubai, as long as he does not fall in the future, he will become a sword master in the future!

This is also the reason why Huang Tianming wanted to kill Ye Qiubai on the spot.

If Ye Qiubai becomes a sword master, it will be a fatal blow to the Sunset Dynasty in the future!

At this moment, on the competition stage.

Ye Qiubai held the wooden sword in one hand, looked at Jian Chaomian, and said lightly, "Let's do it."

Jian Chaomian looked at the Hengtian Sword Qi, his eyes showed excitement, and at the same time, there was fanaticism!

He was a sword all his life.

Now he has finally touched the threshold of sword intent.

However, the person in front of him who is the same age as him has already reached the level of a great sword master!

If we say that the former Jian Chaomian has no target to pursue, but can only be looked up to.

Now, Jian Chaomian has a goal to catch up with!

Why isn't this exciting?

Jian Chao Mian laughed loudly, and the aura burst out from his body unreservedly!

The sword qi uttered a sword cry, soaring into the sky!

It seems to be singing joyously!

Seeing this, Zhang He couldn't help but look ugly.

The opponent did not use his full strength when fighting him.

Today's Sword Chaomian is the Sword Chaomian in its heyday!

Breath far surpasses him!

At this time, Jian Chaomian was holding a long sword, the sword glow surged, and ran towards Ye Qiubai!

As far as approaching, the sword swung toward Mian!

The sword with wisps of sword intent cut towards Ye Qiubai's chest!

Bring the momentum of thunder!

The surrounding space is constantly shaking!

It seems that it will shatter at any time!

Ye Qiubai flipped his palm, and stabbed the wooden sword towards the sword at the same time!

Suddenly, the Hengtian sword intent in the world seemed to obey Ye Qiubai.

Following the wooden sword, sweep towards the sword and crown!

Like a long river of sword intent, the momentum is terrifying!

Jian Chaomian saw this, his face remained unchanged, and his eyes were filled with fanaticism.

He touched the threshold of sword intent and could not enter.

Now, if the opponent attacks him with sword intent, it is naturally impossible for him to retreat!

Jian Chaomian wanted to use Ye Qiubai's sword intent to help him cross that threshold!

Is it dangerous?

Of course it is dangerous!

And the danger is deadly!

But what is a sword repair.

For the sake of the sword, I knew it was impossible to do it.

Don't back down!

Once you take that step back, you may develop a demon in the way of swordsmanship, and you will not be able to advance an inch from now on!

Jian Chaomian knew this truth well.

His sword heart, he is not allowed to retreat!

Thinking of this, Jian Chaomian's sword intent seems to be more solid!

The sword meets the wooden sword!

The sword intent like a little fish collided with the long river of sword intent!

The answer is self-evident!

Under everyone's horrified eyes, Jian Chaomian's sword intent was directly swallowed by the river of sword intent!

Jian Chaomian was also immediately swallowed by the river of sword intent!

The expression of the elders in the audience changed. He was about to save someone, but was stopped by a man.

The elder saw this, and immediately said: "Dean, crown him..."

It was Wood time who came!

Wood said: "Although Chaomian's aura is a little weaker, it seems to have entered a mysterious state."

"Um?"

The elder felt relieved. After all, the dean said so, there must be nothing wrong.

Everyone stared closely at the Sword Intent River.

I don't know what the status of Jian Chaomian is now.

Known as the younger generation, the sword court crown of the first sword cultivator will not just fall like this, right?

Although, after today, this title will become Ye Qiubai.

At this time, Ye Qiubai swung the wooden sword, and the sword intent dissipated in the sky and the earth.

reveals the figure of the sword facing the crown.

I saw that now Jian Chaomian's eyes are slightly closed, and there is an extremely mysterious aura about him.

Epiphany!

Jian Chaomian entered a state of epiphany!

Wood looked happy.

Above the high platform, the director of Dongyu said with emotion: "It seems that this kid is going to step over the threshold and truly understand the sword intent."

The dean of the Western Regions had a bald head and said with a smile: "Dean Qin, you are a student with a good heart and talent, why don't you give him to me at the Western Region Tibetan Taoist Academy?"

It just so happens that there is an elder on our side who focuses on the sword, the better for his achievements. "

Qin Tiannan laughed aloud, and said: "That's not allowed, what's more, Ye Qiubai was not taught by me, and I have nothing to do with his master."

"Oh? Then I want to see this strange man in the future, who is able to teach such a disciple."

That's right.

Ye Qiubai's sword intent is not offensive.

This is what Ye Qiubai did on purpose.

After all, Jian Chaomian has no enmity with him, and the other party's pursuit of kendo is extremely pure.

This also made Ye Qiubai want to help him.

In this way, Jian Chaomian was fulfilled.

Half a day later.

Jian Chaomian had a sword sound on his body!

A sword intent soared into the sky!

Jian Chaomian successfully realized the sword intent and reached the level of a sword master!

It's just that it's still far from Ye Qiubai's level.

Jian Chaomian opened his eyes, looked at Ye Qiubai and said, "Thank you, I will remember this favor."

Ye Qiubai smiled lightly, but didn't care.

Subsequently, Jian Chaomian took the initiative to admit defeat.

After all, even after realizing the sword intent, he is no match for Ye Qiubai.

Wood Shi also stood on the stage, glanced at Ye Qiubai appreciatively, and said: "Ye Qiubai wins, this exchange, Nanyu ranks first!"

The Western Regions and the Eastern Regions also competed for a while, and in the end, the Eastern Regions ranked last.

In the end, no one challenged Ye Qiubai anymore.

After all, Ye Qiubai's sword intent has been mastered, so he can only seek abuse.

When Wood announced the result.

In the sky, **** murderous intent erupted from Shura cavalry, sweeping towards Ye Qiubai!

Ye Qiubai's face changed, and his waist sank slightly!

Huang Tianming stood up at this time, and said to Ye Qiubai: "Ye Qiubai, are you guilty?"

Chapter 52 Dead end?

Dark clouds are pressing down on the city to destroy it!

Hundreds of Shura cavalry wearing black refined iron armor stood in the sky, exuding **** murderous intent!

Suddenly, the sky seemed to turn into a sea of blood!

And those Shura iron cavalry also seemed to step out of the sea of corpses and blood!

When the others felt the killing intent, they couldn't help trembling!

There are even those who are not mentally strong, and directly slumped on the ground.
covered in cold sweat!

This is just some aftermath of killing intent!

Ye Qiubai, who was targeted by the killing intent emanating from these hundreds of Shura cavalry, also turned slightly pale at this moment, and his waist sank slightly.

seems to want to overwhelm it!

However, Ye Qiubai has gone through the assessment of the demon and has a sword heart, so naturally he will not lose his mind like others.

It's just that this killing intent is too huge!

Huang Tianming stood on the high platform, looked at Ye Qiubai indifferently, and said indifferently, "Ye Qiubai, are you guilty?"

Jiang Chan's face turned pale.

And Qin Tiannan's expression changed even more, he looked at Huang Tianming, and said with a heavy face, "Your Highness, what is the meaning of this?"

Huang Tianming didn't answer Qin Tiannan, and continued to put pressure on Ye Qiubai.

Seeing this, Qin Tiannan was anxious, and immediately ran towards Ye Qiubai!

However, a middle-aged man came to Qin Tiannan and stopped him.

Looking at the man's appearance, Qin Tiannan's expression darkened: "Fan Jingyao? Have you joined the Sunset Dynasty?"

Fan Jingyao, ranked 27th on the Four Regions Martial Arts List.

One place behind Qin Tiannan, but the strength is not much different!

Fan Jingyao smiled, and said: "I can't help it, I owe them a favor, Qin Tiannan, you know, it's hard to repay a favor."

Qin Tiannan's face darkened for a while.

Obviously, Huang Tian will be prepared tomorrow morning!

Now, seeing Ye Qiubai's talent, he doesn't want to wait anymore, and wants to get rid of the troubles directly!

Qin Tiannan is blocked now.

The dean of the Eastern Region Academy and the dean of the Western Region Academy watched this scene, but did not act immediately, and waited and watched.

After all, the strength of the Sunset Dynasty is still daunting.

Ye Qiubai raised his head with difficulty, gritted his teeth and said, "What is the crime?"

Huang Tianming naturally wouldn't tell the truth, didn't answer Ye Qiubai's question, and waved at Shura's cavalry: "Kill them on the spot!"

Immediately!

The Shura iron cavalry in the sky let out a roar at this moment!

That roar was actually mixed with killing intent, and it roared towards Ye Qiubai!

Ye Qiubai's eyes shook, and he let out a long whistle.

The dark demon is taken out, and the monstrous demonic energy soars into the sky!

At the same time, the sword intent screamed, resisting the killing intent!

Facing the **** sea, the Shura iron cavalry swept over with the sound of hooves.

Ye Qiubai propped up his body, his back was as straight as a gun!

Strains of sword intent soared into the sky, forming a confrontation with the sea of blood!

Countless people stared at this scene.

Heart tremors!

With the cultivation base of the Zifu, face the might of thousands of troops alone!

What a boldness this is!

What courage!

At this time, the elder of the Confucian Academy looked solemn, and stepped forward, intending to rush to help Ye Qiubai!

However, there was a figure blocking the elder of the Confucian Academy ahead of time.

Elder Wutang was extremely anxious, and also wanted to support Ye Qiubai.

But there will still be people standing in front of him.

Obviously, Huang Tianming's preparations were extremely thorough!

In this way, there will be no one to support Ye Qiubai!

Xin Hongyi gritted her teeth and wanted to rush up, but was pulled back by Huang Yuan.

"What are you doing?! If you don't want to go up, I will go up by myself!"

Huangyuan stared at Ye Qiubai on the stage, and now he was sweating coldly just feeling the aftermath of the killing intent!

"What's the use of you going? Even the aftermath of our murderous intent needs a large part of our minds to carry it. Going up will only add chaos to Ye Qiubai and distract him!"

Lin Ce was at the side, with a slightly pale face, and said with a wry smile: "What Huangyuan said is right, any one of us going up now will only add to Ye Qiubai's confusion."

Huo Qingming clenched his fists and gritted his teeth. He hated this feeling of powerlessness!

At this moment, Ye Qiubai supported this huge killing intent alone.

His expression was solemn, and his face turned pale.

Obviously, this is extremely reluctant for him!

Everyone in Shura Iron Cavalry has the cultivation base of Purple Mansion Realm!

Moreover, the equipment is excellent, and all have experienced **** storms!

How could the aura contained in it not be strong?

On the high platform, Huang Tianming looked at this scene, his eyes could not help being startled.

Ye Qiubai, who is only in the purple mansion, can resist the oppression of Shura's iron cavalry?

If he is allowed to grow up, it may become a trouble for the Sunset Dynasty!

Thinking of this, Huang Tianming's killing intent became even stronger!

Waved his hand and said: "General, go and lead the Shura cavalry to kill Ye Qiubai."

Although he thought it was unnecessary, the general still didn't dare to disobey Huang Tianming's words. He nodded and stepped to the front of Shura's iron cavalry!

The general is a strong man in the water overflow environment, and he joined.

Ye Qiubai's power instantly increased several times!

This fluctuating killing intent made it difficult for Ye Qiubai to breathe.

Qin Tiannan and others wanted to support them, but they were blocked.

Ye Qiubai looked at this scene, his face darkened.

Now that the general has joined, Ye Qiubai can no longer resist this power with the dark demon alone.

was about to pull out Qingyun Sword.

"Did the Sunset Dynasty deceive me that there is no one in the academy?"

An old man came to Ye Qiubai.

Ye Qiubai suddenly felt his body lighten, and the **** murderous intent was all dispelled by the old man in front of him!

See this old man.

Huang Tianming's expression darkened instantly.

Qin Tiannan heaved a sigh of relief.

On the high platform, Huang Tianming said in a deep voice: "Old Yun, this person has enmity with my Sunset Dynasty, not to mention, he is from the Southern Region."

If there is anyone in this Beiyu Tibetan Taoist Academy who can make Huang Tianming feel afraid.

That is the cloud scene.

Because Yun Jing is the Supreme Elder of the Tibetan Taoist Academy in the Northern Territory.

At the same time, he is also the strongest swordsman in the Northern Territory!

Reached the realm of Jianzong!

Ranked sixth in the Four Regions Martial Arts List.

However, even the fourth-ranked leader of the Sunset Dynasty would be extremely afraid of his swordsmanship.

Yun Jing said lightly: "So what about the Southern Region, he is also a member of the Academy."

Huang Tianming's face was ugly, and he said: "Then Lao Yun and Beiyu Tibetan Taoist Academy are going to protect him to death?"

Yun Jing didn't reply again, but he still stood in front of Ye Qiubai, obviously, he had already expressed his meaning.

Ye Qiubai said immediately: "Thank you, Mr. Yun."

Yun Jing looked back, nodded appreciatively, and said: "You are a good seedling. You are more talented than Chao Mian. There should be no problem with the sword master."

Sword facing the crown?

Yun Jing said: "Jian Chaomian is my disciple."

Ye Qiubai suddenly realized.

However, the good times didn't last long, and there was a loud laughter in the sky!

Laughter is neither male nor female!

"Old man Yun, let us take a look, how much has your sword become stronger recently?"

Yun Jing listened, sighed, drew out the sword in his hand, and left a sentence "It's up to you."

Afterwards, he jumped up and fought with the **** in the sky!

Huang Tianming sneered and said, "Ye Qiubai, who else can help you now?"

Chapter 53 Hongying Comes!

Under the black Shura cavalry.

Ye Qiubai's figure looked very lonely.

The general looked at Ye Qiubai, snorted coldly, and said, "Now, who else can save you?"

Immediately, with the power of Shura's iron cavalry, he slapped it out with one palm!

That **** palm print seemed to incorporate the **** killing intent of Shura's iron cavalry!

This blow seems to have surpassed the level of the overflowing water!

And stepping through the shackles of the water overflowing state, you have reached the so-called Qianyuan state!

What is Qianyuan?

Generally refers to the Son of Heaven!

Those who enter the Four Regions Martial Arts Rankings are also at the Qianyuan stage at the lowest level.

Obviously, the general wants to kill Ye Qiubai directly!

To avoid future troubles!

Ye Qiubai looked at this scene, his expression changed!

This palm, he can't resist, unless he sacrifices Qingyun Sword!

But, what about after the Qingyun sword is sacrificed?

He will have no chance of escape.

However, if you don't use it now, you can't resist it.

Immediately, when Ye Qiubai was about to pull out the Qingyun Sword, a jade pendant suddenly floated out from the ring and floated in front of Ye Qiubai!

It was the jade pendant that Hongying gave him!

The huge blood-red palm print hit the jade pendant!

Immediately!

Before the jade pendant, a phoenix mark appeared!

A fire phoenix with red flames burning all over its body raised its head and screamed!

Beware!

The general's expression changed!

The phoenix mark completely blocked his palm print!

That fire phoenix actually spread its wings and waved a flame!

The breath in the flames is no less than that of a person in the Qianyuan realm!

There are streaks of flames in it!

Even Yun Jing, who was colliding in mid-air, and Eunuch Ming looked down, with a look of surprise on their faces.

When Huang Tianming saw this, he also sank.

He didn't think about Ye Qiubai's background, after all, he had already investigated it clearly.

A land of southern barbarians, the Ye family in the small Tianyuan City.

Although they are known as the Four Great Families, but none of them are strong in the Four Realms Martial Arts List, so how strong can they be?

This jade pendant was probably obtained by Ye Qiubai by chance.

The general fought back hastily.

At the same time, the Shura cavalry behind him also shouted in unison, forming a row like a city wall!

All the spears in their hands stabbed out!

For a moment, the strength of the spear merged to form a huge spear with killing intent, piercing towards the phoenix flame!

Boom!

In the sky, two areas are formed!

Ye Qiubai's side is fiery red, like a purgatory of red flames!

On the other side, Shura cavalry side.

The murderous intent is wanton, just like Shura's blood prison!

The two collided, and the aftermath of the battle suddenly exploded!

The people around hurriedly retreated, and Jian Chaomian and the others released aura defenses.

A long while.

Aftermath dissipates.

In front of Ye Qiubai, the jade pendant disappeared.

The Shura cavalry and the general were still standing in the air, but their breath was slightly sluggish.

Seeing this scene, the general sneered and said, "Now you, what else do you have?"

On the high platform, Huang Tianming impatiently gave orders.

"Don't procrastinate, kill Ye Qiubai quickly!"

Qin Tiannan on the side also had anxious eyes, wondering if Ye Qiubai had other means.

If not, I'm afraid he will be in trouble today.

How should this be explained to Chang Sheng?

What face do you have to meet Chang Sheng?

I brought Ye Qiubai here, but couldn't bring him back. I'm afraid Lu Changsheng will be extremely disappointed with him...

At this moment, Ye Qiubai looked coldly at the Shura cavalry in the sky, and put away the dark demon.

Seeing this scene, the general sneered: "Why, did you give up resistance?"

After speaking, the general waved his hand.

Suddenly, the Shura iron cavalry in mid-air seemed to have received an order, and rushed towards Ye Qiubai!

In a dense mass of darkness, the murderous aura gathered together to form a murderous blood shadow, with a terrifying aura!

Seeing this, Ye Qiubai touched the ring with his hand.

Want to take out Qingyun Sword!

Qingyun Sword is also his last resort.

Thinking of this, Ye Qiubai couldn't help but smile bitterly in his heart.

I'm afraid, I can't go back to cook for Master...

Just at this moment!

A red light streaked across the sky!

On the other side, Eunuch Ming's face changed drastically, "Oops!"

The voice just fell!

A man charged into the Shura cavalry with a spear in hand!

Immediately!

A series of guns formed the shape of a tornado!

In the tornado of gun power, there is actually the artistic conception of a gun!

And nearly half of the Shura cavalry were directly crushed by this spear force tornado!

The general was taken aback for a moment, then turned his head suddenly!

Huang Tianming also fixed his eyes on the man with the gun!

Where is the sacred place? !

To be able to instantly kill nearly half of the Shura cavalry?

Ye Qiubai was also taken aback.

Immediately, a woman appeared beside him.

"Brother, are you okay?"

Ye Qiubai took a closer look, and couldn't help saying happily: "Junior Sister? Why are you here?"

The person who came was Hongying!

The man who rushed into Shura's cavalry was naturally Yun Ming.

Now, although Yun Ming has recovered from his injuries, his realm is still sealed, only half a step away from Qianyuan.

However, at this level, there is no pressure to fight against Shura cavalry.

Hongying looked around and said: "My work is done, and I am on my way here.

But halfway through, I felt that the protective jade pendant I gave you was shattered, so I sped up and rushed over. Fortunately, I caught up. "

At this time, Yun Ming also returned to Hongying, and said respectfully: "Your Majesty, please tell me how to deal with these people."

Hongying didn't answer directly, but looked at Ye Qiubai beside her.

Obviously, she was asking Ye Qiubai for his opinion!

Yun Ming couldn't help being surprised when he saw this scene.

Your Majesty is actually asking for other people's opinions?

Is this person His Majesty's brother?

Looked up and down, but found nothing surprising.

He is just a young man with good talent.

Ye Qiubai looked at the general and the others, and said, "Leave them all, presumably, the Sunset Dynasty will also be very painful."

The Shura Iron Cavalry is the trump card of the Sunset Dynasty, and here, there are nearly half of the Shura Iron Cavalry in the entire dynasty.

Leave all of them here, and the Sunset Dynasty will naturally feel pain.

After all, training a Shura cavalry will cost a lot of resources.

Hongying nodded and looked at Yunming.

Yun Ming naturally understood what Hongying meant, turned around and rushed towards Shura's cavalry!

For a while, gun intent filled the sky!

The screams kept ringing!

In just a few breaths, the Shura cavalry here are all wiped out!

Even the general couldn't survive three rounds in Yun Ming's hands.

became the ghost of Yunming's gun!

Nine Heavens Department, each one is good at a weapon, and Yun Ming is good at spears!

Huang Tianming watched this scene, stared at Hongying firmly, and asked in a deep voice, "Who are you?"

Hongying didn't even look at him.

She is the empress, in her eyes, Huang Tianming is just an ant-like existence, why should she lower her self-esteem to answer?

Chapter 54 Nine Netherworld Formation, Formation!

The Sunset Dynasty is extremely powerful.

The background is even richer.

Several of the people on the list of the Four Regions Martial Arts Rankings are enshrined by the Sunset Dynasty.

Among them, the leader of the Sunset Dynasty ranked fourth.

Now, Eunuch Ming, who is fighting with Yun Jing, is also ranked seventh.

Sunset Dynasty with such strength can be described as a top power among the four domains!

No one dares to offend!

Emperor Tian Minggui is the eldest prince of the Sunset Dynasty and the successor of the next king.

He was honored as the honored guest by countless forces!

This is such a person with a terrifying background and great power in the eyes of everyone.

In Hongying's eyes, she was like an ant.

And Yun Ming shouted in a low voice: "Presumptuous! How dare you ask His Majesty's name at will?"

Hearing this, Huang Tianming laughed wildly, shook his sleeves, and said loudly: "In this Northern Territory, besides my father, who else dares to call you Your Majesty?"

This remark is arrogant.

But it is true, after all, in the Northern Territory, the Sunset Dynasty is the absolute overlord!

Yun Ming's face darkened, and he drank: "I'm courting death."

As soon as the voice fell, the spear in his hand was thrown out suddenly!

With the momentum of thunder, with the artistic conception of a spear, he pierced towards Huang Tianming!

Huang Tianming's face changed slightly, and he couldn't dodge at all!

However, in front of Huang Tianming, an old man dressed in **** uniform suddenly appeared, and the whisk in his hand turned into thousands of threads, entangled the spear!

It was Eunuch Ming who ranked seventh on the martial arts list!

Eunuch Ming's expression changed slightly the moment the whisk wrapped around the spear!

Although the cultivation base in it has not yet reached the Qianyuan realm, its power makes him feel palpitations!

You know, he is in the middle stage of Qianyuan Realm!

"Your Highness, we may have to retreat first."

Looking at Eunuch Ming's dignified face, Huang Tianming was startled, and asked a little unwillingly, "Is the opponent's strength so strong?"

Eunuch Ming explained in a deep voice: "The opponent has more high-level combat power than us, and Yun Jing is on their side. Our family can only hold one of them.

If this is the case, our family cannot guarantee the safety of His Highness. "

Hearing the words, Huang Tianming pondered for a while, then nodded and said: "Okay, then listen to Eunuch Ming."

After speaking, Eunuch Ming returned to the ship with Huang Tianming and his party!

The remaining Shura cavalry also received the order and followed behind the ship!

Before Jiang Chan left, he glanced at Ye Qiubai with a complicated expression, and then left as well.

Ye Qiubai looked at the departing ship and couldn't help feeling: "It seems that if you want to take revenge with your own strength, you still need a long way..."

Nowadays, Ye Qiubai's strength still has a lot of gaps when facing the overflowing water, and when he doesn't use the Qingyun Sword!

Hongying said from the side: "Brother, with your talent, coupled with the teaching of the master, it is not difficult to surpass them."

Ye Qiubai smiled.

At this time, Yun Jing came over and said, "You are very good, do you want to consider joining my sect?"

Ye Qiubai's kendo talent is really good.

Yun Jing couldn't help but cherish talents.

Jian Chaomian and the others who came to the side couldn't help being taken aback.

Jian Chaomian was even more stunned: "Master, didn't you say that you only accept me as a closed disciple?"

Yun Jing turned his head and glanced at Jian Chaomian, and said lightly, "I suddenly regretted it."

Sword facing the crown: "..."

Huangyuan Shisheng and others were even more surprised.

The opponent is the strongest swordsman in the Northern Territory, and now he is also moved to accept disciples.

Hongying also joked from the side: "Brother, you are quite popular."

Ye Qiubai also scratched his head helplessly, he was the elder of Jiantang before, but now he is this Yunjing.

"Senior Yun, sorry, I already have a master."

Yun Jing stared and said, "Isn't your master more suitable for you than me?"

Ye Qiubai shook his head and said with a smile: "Since I have already apprenticed as a teacher, I will naturally not change my school easily. This will damage my heart of swordsmanship."

Hearing this, Yunjing nodded.

However, after hearing the next words, Yun Jing almost choked to death.

"However, I'm afraid Senior Yun is still inferior to Master..."

Yun Jing looked at Ye Qiubai's clear eyes, nodded and said: "Then if there is a chance, I must meet with your teacher for a while."

"I will tell Master."

Hearing this, Yun Jingting nodded, and said to Jian Chaomian: "Okay, don't look at it, go back to practice with me, look at others, and then look at you, can you win?"

Jian Chaomian suddenly feels aggrieved: "..."

That's not what you said before!

The wasteland, Shi Sheng, and Zhang He on one side blushed even more.

Jian Chaomian was said to be bad, so wouldn't they be even worse?

Qin Tiannan also walked over at this moment, looking at Hongying with a little surprise in his eyes.

Your Majesty?

It seems that Changsheng, the second disciple, is not easy...

However, Qin Tiannan would not ask a student about his life experience, so he turned his head and patted Ye Qiubai on the shoulder, saying, "Well done, thanks to you this time..."

"Everyone has contributed too."

Qin Tiannan nodded, "Okay, get ready, go back to the academy, you will be satisfied with the reward this time."

...

at the same time.

Nanyu Tibetan Taoist Academy, Thatched Cottage.

Lu Changsheng looked up at the moment.

In mid-air, there are three men and one woman suspended.

The bodies of these four figures are not real, but have an illusionary feeling.

Lu Changsheng also recognized one of the men, which was the huge face on the blood prison secret realm before!

One of the men said: "Your Excellency, where did you come from?"

"Where is the universe?"

Lu Changsheng was taken aback for a moment, then thought about it, and said seriously: "You probably haven't heard of it."

The woman's complexion changed, and she said: "Huh? It really came from another universe? Then dare to ask Your Excellency, what is the name of that universe?"

Lu Changsheng spread his hands and said, "I told you that you might not know each other."

The woman sneered: "Although we dare not say that we can fully recognize the universe around here, we at least know most of it. Don't underestimate our intelligence network, Your Excellency."

One of the men took up the conversation again: "So, how about the martial arts in that universe? Are they all the same as your Excellency?"

Lu Changsheng thought for a while, and said seriously: "Martial arts? Our martial arts has become a health-care project."

For example, Tai Chi or something...

Now it's not just old people who are doing laps in the square...

"We all use something called a gun over there, or else it's a missile or something..."

Lu Changsheng became more energetic as he talked.

But the three men and one woman became more and more confused as they listened. They looked at each other and asked each other.

"Have you heard of it?"

"No..."

"Which universe has these things?"

One of the men said with a heavy face, "Your Excellency, are you kidding us?"

Lu Changsheng said innocently: "No."

The woman snorted coldly: "Since this is the case, there is no need to say more, let's take action together."

The other three also nodded.

Lu Changsheng couldn't help being slightly surprised when he saw the other party's breath rising.

Immediately shouted in a hurry: "Jiuyou Huangquan big formation, start!"

Chapter 55 I said I didn't do it on purpose, believe it or not...

Nine secluded Huangquan array.

is one of the ancient killing arrays.

The killing power in it is beyond doubt!

The willow tree on the cliff saw this scene and couldn't help being a little speechless.

These are just a few projections.

Moreover, even if the main body came here, there is no need to use the Nine Netherworld Formation...

This is too good to be useful.

The little bird on the branch is also quite helpless.

Even though his cultivation base is so high, he has no self-knowledge and is still so cautious...

At this moment, in mid-air, the four figures felt the killing power rising slowly, and their expressions changed drastically!

With this power, they have no power to resist!

Can't even raise the slightest thought of taking the blow of such a formation!

run!

can only run!

However, how could Lu Changsheng let them go?

Immediately, flip the palm of your hand!

Among the Nine Nether Yellow Spring formation, the water of the Yellow Spring River turned into a cage, enveloping the four of them!

And above the barrier of the Yellow Spring River, there is an endless sense of death!

The four looked at this scene with extremely ugly expressions.

Even if they tried their best, they might not be able to block the blow of this formation!

"Why is there such a profound massacre formation in this barren universe?!"

"Could it be that the earth he mentioned is really a high-latitude universe that we don't understand?"

One of the men clasped his fists at Lu Changsheng and said: "Your Excellency, calm down, we have no other intentions, but just want to make friends."

Hearing this, Lu Changsheng couldn't help but sneered and said, "You liar? I've already used my skills and prepared to attack. If I didn't defend quickly, wouldn't it be you who succeeded?"

"..."

The four of them collapsed a bit.

Those who can arrange such formations are afraid of their four projections?

Still succeeding?

How did this work?

The woman also said respectfully at this moment: "Senior, we didn't mean to offend, and please accept the formation. At that time, you can also gain our friendship, wouldn't it be better?"

Friendship?

Doesn't this mean that the other party won't pester him anymore?

Lu Changsheng was overjoyed, and just when he was about to agree, a voice came from outside the barrier of the thatched cottage.

"Master! We are back...Huh? Why is the barrier opened?"

"Master, open the door quickly!"

Hearing these two voices, Lu Changsheng was overjoyed, cook... oh no, the good disciples are back?

It's just that, for this joy, he didn't control the aura in his body for a while, and clenched his five fingers into a fist.

Immediately!

The power of the Nine Nether Yellow Spring formation is released!

The wave barrier formed by the spring water of the Yellow River also turned into a huge wave at this moment, rolling towards the four people from all directions!

Boom!

"You will pay for it!"

"The day my sect descends in the future will be your doomsday!"

Looking at this scene, Lu Changsheng was stunned...

Looking down at his clenched hand with five fingers, he wanted to cry but said without tears: "I said I didn't do it on purpose, is there any need..."

At this time, Ye Qiubai and Hongying also came hand in hand.

"Master, we are back."

Hearing this, Lu Changsheng turned his resentful face and looked at the two of them.

Ye Qiubai was taken aback, and said awkwardly, "Uh...Master, what's wrong?"

Lu Changsheng was even more furious when he thought of the revenge of the group of people afterwards, and said to Ye Qiubai and Hongying, "As a punishment, clean up the whole thatched cottage, and you are not allowed to use spiritual energy!"

This mountain peak belongs to the scope of thatched cottage.

Sweeping a mountain without aura?

How long is this...

The point is that they don't know what mistake they made...

But seeing Lu Changsheng's face full of resentment, the two chose to shut up, picked up the broom obediently, and prepared to go down the mountain, cleaning from the foot of the mountain...

"etc."

Ye Qiubai and Hongying turned around in surprise.

Lu Changsheng pointed to the kitchen and said, "Go cook first, and then go after the meal is ready."

Ye Qiubai: "..."

Hongying: "..."

...

on the other hand.

Northern Territory, Sunset Dynasty.

In a magnificent palace.

At the very front, there is a dragon chair.

And behind the dragon chair, there is a red sun engraved!

Above the red sun, there was a faint power that made the people under the dragon chair feel compelled to surrender...

At this moment, a middle-aged man was sitting on the dragon chair.

The man is wearing a golden dragon robe. On the dragon robe, there are nine golden dragons embroidered with five-color clouds!

This person is the ruler of the Sunset Dynasty.

At the same time, he is also ranked fourth in the Four Regions Martial Arts Ranking!

Unify the emperor!

means to unify the four domains!

You can see its ambition!

And under the setting sun king, Huang Tianming knelt there.

Huang Yitong's face was quiet, and he couldn't see any emotions.

But it is also because of this that it makes people feel pressured!

"Tell me, what mistakes did you make?"

Huang Tianming sweated a little on his forehead, lowered his head and said: "My son, I made the mistake of underestimating the enemy."

Huang Yitong picked up the wine glass, took a sip, and said, "Tell me about it."

Hearing this, Huang Tianming replied: "I didn't fully understand Ye Qiubai's relationship network, and I didn't expect that the other party would have such expert support.

He also received the support of the Northern Territory Tibetan Taoist Academy, the Supreme Elder Yun Jing. "

"Well, go ahead."

The beads of sweat on Huang Tianming's forehead dripped onto the ground with a "click".

Needle drop can be heard!

"Didn't let the Shura cavalry and the general get rid of Ye Qiubai directly at the first time, which led to the arrival of the other side's support."

"Um..."

Huang Tianming panted heavily, bearing the sense of oppression, and continued: "Also...dispatching the Shura iron cavalry easily, but failed to complete the goal, and caused the Shura iron cavalry to lose nearly half."

"there is none left?"

"Please give me your advice."

Huang Yitong raised his eyebrows, looked at Huang Tianming, said in a thick voice, "Huang Tianming, you still don't understand, I am so disappointed."

Hearing this, Huang Tianming's face instantly paled.

Huang Yitong stood up, looked at the red sun behind him, and continued: "Why didn't Shadow Killer come out?"

Huang Tianming's face was pale.

"In order to let Ye Qiubai die in your hands, you deliberately made Yingsha unable to make a move, right?"

Huang Tianming trembled all over.

Huang Yi said: "You are the prince, the next heir appointed by the emperor, do you know what this means?"

With a clear face, Huang Tian seemed to be stuck by a foreign object in his throat. He paused every word, and said with difficulty: "You shouldn't act emotionally, feel threatened, and kill yourself in the cradle immediately."

Huang Yitong took over the words and said: "The royal family is ruthless. Killing decisively is the bottom line. If you feel threatened, even if the other party is your close relative, you must kill him. Do you understand?"

Huang Tianming nodded with difficulty.

"Although that woman is someone you like, but if she threatens you, you can throw it away. Have you ever done it?"

Huang Tianming didn't speak. At this moment, his whole body was already wet with sweat!

Huang Yitong suddenly turned around and shouted: "Then how did you do it?"

"I know my mistake..."

Seeing this, Huang Yi waved his hand and said: "Go down, I will announce that you will be removed from the position of prince and will be succeeded by your second son. If you want to get it back, you must resolve this threat."

"yes..."

Chapter 56 It turns out that this is the expert

In the past few days, Yun Ming has been observing Lu Changsheng.

"This is His Majesty's master?"

During this period of time, Yun Ming observed Lu Changsheng's every move in the dark countless times.

Want to find out his details.

However, after these days of observation, Yun Ming became more and more unable to understand Lu Changsheng.

I go to sleep every day without practicing, and it is extremely difficult to get up, and I don't get up until noon!

After getting up, His Majesty or Ye Qiubai will be asked to cook.

After eating, I will lie on the bamboo recliner in a sunny place. Next to the recliner, there is a small wooden table with various spiritual fruits...

After getting up, I went to water the so-called "vegetable field", loosen the soil...

And then...then dinner is ready, continue to eat dinner.

After dinner, I went to the college for a stroll to eat something,
went back to sleep...

Day after day, week after week.

Yun Ming is stupid, this is completely different from his idea!

As His Majesty's master.

At least you need the kind of old man who is immortal, right?

Moreover, go to a seclusion every now and then, and go through a catastrophe from time to time.

Otherwise, some shocking martial arts skills will be developed.

Only this kind of person is worthy of being His Majesty's master!

But, what is this Lu Changsheng like?

Never practiced, eat and sleep, sleep and eat, take a walk in between, and drink water.

And then it's gone?

Isn't this a salted fish?

At first, Yun Ming couldn't feel Lu Changsheng's realm, thinking that his realm was too high and far beyond his own, so he couldn't perceive it.

However, now Yun Ming suspects that this Lu Changsheng is probably an ordinary person!

But, if this is the case, why does His Majesty worship him as a teacher?

So, one day, Yun Ming found Lu Changsheng and asked, "What are you capable of?"

Skill?

Lu Changsheng was taken aback when he heard the words, tilted his head, frowned, and thought carefully.

"Maybe not."

Yun Ming just wanted to say something.

Qin Tiannan came over, and behind him was a young woman.

"Longsheng, I brought you a good seed."

Lu Changsheng said helplessly: "Uncle Qin, as I said, I don't want to mislead my disciples, so don't force disciples on me."

Qin Tiannan pretended to be serious, and said: "Changsheng, excessive modesty is pride. Her talent is very good. If you teach her, I can have another Tianjiao in the Tibetan Academy of Taoism!"

Lu Changsheng covered his face and said: "I really don't understand these things. Besides, I already have two apprentices, and I have a headache for both of them. If I didn't know how to cook, I would have sent them away."

Ye Qiubai and Hongying came out at this moment, and when they heard these words, they couldn't help being speechless for a while.

Seeing Ye Qiubai and Hongying coming out, Qin Tiannan could only sigh and said, "Oh, Uncle Qin knows you like to take a break, that's all right, then I'll go first."

After speaking, Qin Tiannan took the woman and left here.

Yun Ming looked at this scene and couldn't help being taken aback.

Obviously not capable, why did the dean come over in person to force others to be his disciples?

At this moment, Ye Qiubai and Hongying stepped forward.

"What's wrong with you two?"

Ye Qiubai asked: "Master, there are some things I don't understand in the Sword Sutra of Absolute Beginning."

Hearing this, Lu Changsheng said, "Then you can ask."

After Ye Qiubai asked the question, Lu Changsheng said with disgust on his face, "Why are you so stupid, think about it from another angle."

Then, Lu Changsheng mentioned Ye Qiubai.

After all, it was passed on from him, so Lu Changsheng naturally understood the Sword Sutra of Absolute Beginning.

After a while.

Ye Qiubai's aura burst out suddenly!

Straight into the sky!

Sword intent soars!

The realm also broke through to Qihai realm at this moment!

Originally, Ye Qiubai's realm was able to break through the sea of qi long ago, but he wanted to make the foundation more stable, so he kept suppressing it!

Now, with the comprehension of the exercises, Ye Qiubai can no longer suppress it, and the realm seems to be a matter of course, directly breaking through to the Qi Sea realm!

Ye Qiubai opened his eyes, and said to Lu Changsheng, "Thank you, Master."

The tone is full of reverence.

This surprised Yunming.

Just a few pointers, let the exercises have some insights, and also directly break through the realm?

This is really tricky.

However, the opponent just broke through from Zifu to Qihai, which is not difficult.

If you want to teach His Majesty, it may not be enough.

Ye Qiubai went back to his room to continue comprehending the Sword Sutra of Taichu.

At this time, Hongying also stepped forward and started asking questions.

Lu Changsheng also answered one by one.

"No, you still ask me such a simple question?"

"Use your own brain and think differently."

"That's how it is here...ah yes...that's it..."

After Hongying finished listening, she suddenly looked solemn, and immediately sat down cross-legged!

The Realm of Heaven and Man!

Hongying actually directly entered the realm of heaven and man!

In the realm of heaven and man, the understanding of martial arts and martial arts will increase exponentially!

This state is difficult to enter.

Especially with the advancement of the realm and the higher the understanding of martial arts, the more difficult it will be to enter the realm of heaven and man!

As for Hongying, she entered nine reincarnations.

Every reincarnation, the understanding of martial arts will be deeper!

That is to say, it is absolutely impossible for Hongying to enter the realm of heaven and man today!

And now.

After Lu Changsheng's guidance, he directly entered the realm of heaven and man!

This surprised Yun Ming.

Obviously, he doesn't seem to have much ability.

So it's just that you usually don't want to show it?

This kind of state of mind that does not show mountains or dews.

is the world's expert...

If Lu Changsheng knew what Yun Ming was thinking at the moment, he might be speechless.

You people in the Yunhuang Empire all have a certain characteristic.

Do you like self-guided strategies?

...

At the same time, in the Northern Territory.

A man dressed as a scholar bid farewell to another mountain village.

Walking in the forest road, I couldn't help feeling: "At the beginning, this is how I met Master..."
thought of this.

The man couldn't help but shook his head and laughed, and said: "I don't know how the master is doing? Let's go to the southern region, pass by the place where the master is, and pay a visit."

After finishing speaking, the man walked slowly towards the South Region with his book basket on his back.

Chapter 57 Ye Qing is missing?

this day.

Lu Changsheng was drinking wine and eating the side dishes made by Ye Qiubai. Beside him, Qin Tiannan was also sitting here.

"I said Uncle Qin, why are you here again?"

Qin Tiannan looked at the helpless Lu Changsheng, and scolded angrily: "You boy, what are you talking about, I finally finished handling the affairs of the academy, why don't I come to you for a drink?"

"Don't worry, I'm not here to make you an apprentice."

Lu Changsheng muttered a few times, and looked at Hongying who was still in the realm of heaven and man on the cliff.

"It's not over yet. I suddenly want to drink fish soup. The soup made by Hongying is better than that made by Qiubai. How about...wake her up?"

Yun Ming on one side almost fainted, and hurriedly said: "Ex...Senior, don't, this is the realm of heaven and man, the gain is not worth the loss, and there may be backlash."

Over the past few days, although Yun Ming has no doubts about Lu Changsheng's ability.

But... why does it feel like Lu Changsheng doesn't understand a lot of common sense in cultivation?

Qin Tiannan on the side couldn't help but rolled his eyes.

He is no stranger to seeing Lu Changsheng's heartless appearance.

At this time, Ye Qiubai came back.

As the top power in the southern region, Tibetan Taoist Academy naturally has some special training places.

For example, the sword hall has a place for kendo training.

There is a place where the sword energy is quenched.

Ye Qiubai has been practicing there these days.

Now, the sword energy in the body is also more pure.

"Qiubai is back?" Qin Tiannan looked over.

Lu Changsheng already knew that something must be wrong once this cub came!

Ye Qiubai came over, first bowed to Lu Changsheng, then looked at Qin Tiannan, and asked, "What's the matter, Dean?"

Qin Tiannan smiled and said: "Actually, it's not a big deal, it's just that you won the exchange first place for our Tibetan Taoist Academy before?"

Ye Qiubai nodded.

Qin Tiannan continued: "After each exchange, the Tibetan Taoist Academy in the Four Regions can let one person go to the main academy to practice for a period of time, and that person is usually the person who has contributed the most in the exchange competition."

"Naturally, the resources of the General Academy are much better than ours. Going there to practice for a period of time should be beneficial to your swordsmanship."

The General Institute of the Tibetan Taoist Academy is located in the most prosperous place in this continent, Zhongyu.

Strictly speaking, the middle domain cannot be counted as a domain.

It is just the place where the four domains meet. In that place, there are many sects and countless families.

Budo is extremely prosperous!

Therefore, it is called Zhongyu.

This is why, people usually say that there are only four regions in the mainland.

When Ye Qiubai heard the words, his heart moved.

What he needs now is not resources, but more actual combat.

Use actual combat to confirm the sentiment in your heart.

Then he looked at Lu Changsheng, obviously asking for his opinion.

Lu Changsheng lay on the bamboo chair and said casually, "Go if you want."

Ye Qiubai just nodded.

Seeing this, Qin Tiannan got up with a smile, and said, "Come find me in the next three days, you can deal with the family affairs first."

After finishing speaking, Qin Tiannan left, and before leaving, he also took a few bottles of wine from Lu Changsheng.

Lu Changsheng "..."

When Ye Qiubai heard Qin Tiannan's words, he couldn't help frowning slightly.

Housework?

Could it be that, what happened to the Ye family?

Thinking of this, Ye Qiubai said goodbye to Lu Changsheng, and rushed towards Tianyuan City!

Seems to be under Hongying's instruction, after Ye Qiubai left, Yun Ming also disappeared into the dark.

...

At this moment, Tianyuan City is extremely depressing!

On the ordinary street, there are countless vendors and shops, so lively.

Today, the fallen leaves are flying.

Ye Qiubai passed by the street, watching this scene, his heart sank.

The ominous feeling in my heart grew more and more.

The forward speed is getting faster and faster.

Before arriving at Ye's house, he had already seen countless palace guards guarding the door.

Ye Qiubai's complexion sank, he performed his exercises, and sneaked in unknowingly.

At the moment.

In the meeting hall, the ancestor of the Ye family sat at the top.

Among them, the Great Elder said: "Old Ancestor, where did Ye Qing go?"

Among them, the third elder also echoed: "Now, the Tianyuan Dynasty is forcing our Ye family to hand over Ye Qing. If we don't hand over Ye Qing, the emperor's imperial army will crush our Ye family."

"At that time, our Ye family will really cease to exist!"

The patriarch of the Ye family had a sullen face and didn't answer. He didn't know what he was thinking.

Suddenly, looking behind him, he said, "Who is it?!"

After finishing speaking, he wanted to slap out, but saw Ye Qiubai's figure appeared, and asked, "Where is my father?"

Seeing this, the patriarch of the Ye family withdrew his palm, frowned and said, "Ye Qiubai? You are quite courageous, so you are not afraid that I will kill you?"

Ye Qiubai said lightly: "You can't kill me."

Hearing the words, the ancestor of the Ye family couldn't help but stagnate.

Indeed, before, Ye Qiubai was able to escape by relying on a sword of unknown grade with a terrifying aura.

Now, Ye Qiubai's realm is higher, and it is not difficult to escape from his grasp.

The ancestor of the Ye family let out a long breath, and said to everyone: "Go out first."

The elders looked at each other.

Ye Qiubai noticed that before the Great Elder left, there was hatred in his eyes.

But Ye Qiubai didn't care.

Looking at the ancestor, he asked, "Where did my father go?"

The ancestor of the Ye family took a sip of tea and said, "He is now in the deserted city."

"Desolate City?"

Patriarch nodded and said: "I sent him out."

Ye Qiubai was slightly surprised.

According to the old ancestor's thinking, even if he would not kill his father, he would not protect him like this.

The patriarch of the Ye family seemed to have seen Ye Qiubai's thoughts, glanced at him, and said, "You don't need to be grateful to me, it's just your talent that made me change my mind."

Before I wanted to kill Ye Qiubai, it was because I wanted to avoid future troubles.

It's just that Ye Qiubai was not completely left behind, which caused the ancestor of the Ye family not to dare to do anything, but to remove Ye Qing as the head of the family.

And these days, I heard about Ye Qiubai's deeds outside.

In the Northern Territory, cross the border and defeat Jian Chaomian.

Achieve great sword intent, become a great swordsman!

The reason why Ye Qiubai rose suddenly is definitely because of the mysterious master behind him.

All these things made the ancestor of the Ye family reconsider his thoughts.

No longer offend Ye Qiubai.

Otherwise, if Ye Qiubai grows up, the Ye family may not be able to bear his anger!

Ye Qiubai naturally understood these principles, and asked again: "Then why did the Tianyuan Dynasty want to arrest my father?"

The ancestor of the Ye family just wanted to answer.

There are powerful auras coming from outside!

"Ye Qiubai, I wanted to use your father to threaten you, but I didn't expect you to come out on my own initiative? It saves trouble."

Ye Qiubai came out, looked at the figures above, and understood.

Beside the strong man of Tianyuan Dynasty, there are several old acquaintances standing.

And among them was the enshrining of the Sunset Dynasty that appeared when he was in the Northern Territory!

Chapter 58 Fight against the strong in the four domains!

Obviously, the mastermind behind this is the Sunset Dynasty.

What Ye Qiubai didn't expect was that the Sunset Dynasty extended its hand to the Southern Region...

Among those enshrined, there is Fan Jingyao, who ranks 27th on the Four Regions Martial Arts List!

Among them, the sixth prince of the Tianyuan Dynasty smiled and said: "Ye Qiubai, although you have no enmity with me, you should resolve the conflict between you and the Sunset Dynasty with them, shall we?"

The strength of the Sunset Dynasty obviously does not want to offend even the Tianyuan Dynasty.

Even begging for mercy.

Ye Qiubai looked at this scene coldly. Obviously, someone tipped the news.

who is it?

No need to think about it at all.

It must be the Great Elder.

Of the people present, only he has enough motivation.

But this is not important anymore, between them, there is a deadly enmity.

Either you die, or I die!

Ye Qiubai looked at this scene coldly, the dark demon had already been taken out of the ring!

The sword intent began to rise!

Faced with this kind of lineup, Ye Qiubai dare not have the slightest reservation!

Feeling this sword intent.

Fan Jingrao said with emotion: "It's no wonder His Highness the First Prince is so afraid. This kind of talent is truly terrifying."

At such a young age, Sword Intent has already reached the level of a Great Sword Master.

The state has also reached the air sea state!

This kind of talent, it can be said that as long as it does not fall, it will stand on the top of this continent in the future!

"I'm afraid only those monstrosities in Central Territory can compete with it..."

Ye Qiubai said lightly: "You are afraid of the Sunset Dynasty, so aren't you afraid of my revenge?"

If you have revenge, you will take revenge, and if you have kindness, you will pay back tenfold!

This is Ye Qiubai's code of conduct.

If the Yuan Dynasty has such an attitude today, Ye Qiubai will also set foot in the palace of the Tianyuan Dynasty in the future!

The sixth prince shook his head with a smile, and said, "Although your words are very intimidating, and you are indeed qualified to say such words, but..."

Speaking of this, a cold light flashed across the eyes of the sixth prince, his expression suddenly turned cold, his voice was low, but his voice was loud, and he said: "A genius who died halfway, what else is there to be afraid of?"

Ye Qiubai nodded and said nothing more.

Talking too much doesn't help.

Now that things have come to this point, it is natural to fight to the death.

That monstrous devilish energy turned into a sword intent of the devil way, and swept towards the sixth prince!

Sharp as a sword!

Nothing stops!

The Sixth Prince's cultivation was not very good, and his face changed slightly when he saw this.

At this time, another priest of the Sunset Dynasty also stood up, waved his hand, and resisted the sword intent.

"Today, you have no way to escape."

"If you want to procrastinate, it's impossible. The news here has been blocked, and the Tibetan Taoist Academy can't get the news."

This person Ye Qiubai has an impression.

It is Tian Pin who ranks 29th in the Four Domains Martial Arts Ranking!

The weapon is a huge double-edged axe!

At this time, Tian Pin disappeared in place, and came directly to Ye Qiubai's side!

The probing hand stretched out, trying to catch Ye Qiubai.

Ye Qiubai retreated.

However, the opponent is a strong man in the Qianyuan realm, which makes Ye Qiubai feel helpless!

When Tian Pin's hand fell on Ye Qiubai's shoulder!

A silver light flashed by!

Tian Pin's eyes were startled, and he hurriedly backed away, but it was still too late, and **** were cut off directly!

"who?!"

At this moment, the patriarch of the Ye family stood in front of Ye Qiubai!

Ye Qiubai also looked surprised.

He did not expect that the ancestor would stand up to help him at this moment!

It's just that the ancestor's strength has clearly not yet reached the Qianyuan realm, but only the peak of the water overflowing realm, but can it hurt the strong Qianyuan realm?

How is this done?

Ancestor's complexion is a little pale at the moment.

Tian Pin looked at this scene with an ugly face and asked, "A secret method was used?"

The ancestor said lightly: "It's just borrowing the power of the ancestors."

As the four major families, the Ye family naturally has their cards in their cards!

Now, the ancestor of the Ye family can reach the Qianyuan realm in a short time by borrowing the power of his ancestors!

The Great Elder looked at this scene, and a trace of resentment flashed in his eyes!

Since Ye Qiubai escaped, he has shown amazing talent.

The patriarch had already leaned towards Ye Qiubai!

The ancestors of the Ye family also naturally understood the truth that it is better to give charcoal in the snow than to add to the cake.

Since he has chosen to side with Ye Qiubai, he will gamble on him.

If it succeeds, the Ye family may reach a height that their ancestors did not reach!

Of course, if you fail, you have to bear the corresponding risks.

Genocide.

The sixth prince looked at this scene, and asked in a deep voice: "Senior, aren't you afraid that the Ye family will be wiped out?"

Old Ancestor snorted coldly and said, "Since it has already been done, there is no need to say more."

Fan Jingrao also nodded, and said: "In this case, the Ye family will be removed from the Southern Region."

After finishing speaking, Fan Jingrao rushed towards the ancestor of the Ye family!

Patriarch's eyes froze!

Although he temporarily gained the strength of Qianyuan Realm.

But in fact, compared with the powerhouses on the Four Regions Martial Arts List, there is still a gap!

Before being able to cut off Tian Pin's finger was also because of surprise.

Now, Fan Jingrao's attack has made the ancestor overwhelmed!

Ye Qiubai looked at this scene, and his face sank.

And there is an enchantment shield here, and the message jade tube given by the Tibetan Taoist Academy cannot spread the news of this place.

At this time, the sixth prince also waved his hand, and the imperial guards were also fully mobilized!

Although the strength is not as terrifying as the Shura Iron Cavalry, it is still not to be underestimated.

Tian Pin also said at this time: "Ye Qiubai, give up resistance, you have no chance of winning."

Ye Qiubai didn't speak, the sword he held in his hand already represented his attitude with the slowly rising fighting spirit!

Tian Pin was taken aback when he saw this, and then felt a little pity in his heart.

Even facing him, a man of the Four Regions Martial Arts List, in such a desperate situation, he still has the will to fight, without the slightest timidity.

With this courage and talent, as long as he doesn't fall, the whole continent will know his name!

Unfortunately not one of us.

Thinking of this, Tian Pin made a move.

Holding a double-edged axe, he stomped in mid-air!

There were bursts of sonic booms in the air, and Tian Pin's figure rushed towards Ye Qiubai!

Immediately, the huge ax in his hand slashed towards Ye Qiubai!

Where the ax blade slashed, the space seemed to be shattered!

Before the double-edged ax landed on Ye Qiubai, he already felt an unstoppable force!

This is the absolute suppression of the realm!

The gap between Qianyuan Realm and Qi Sea Realm is not the same as Zifu Realm and Qi Sea Realm.

The horizontal grooves are extremely large!

Non-manpower can cross!

What's more, Tian Pin is not an ordinary Qianyuan realm.

He is a strong man on the Four Regions Martial Arts List!

Ye Qiubai felt no fear at the moment.

He wanted to see how far he was from the experts in the Four Regions Martial Arts Ranking!

The dark demon in his hand slashed out!

The demonic energy is raging, and the sword intent is criss-crossing!

Heavenly Demon Nine Swords, Sixth Sword!

Chapter 59 Improving the Ancient Killing Formation

At this moment, thatched cottage.

Lu Changsheng stood under the Great Formation of Nine Serenities and Yellow Springs.

"I don't know when they will call again..."

Lu Changsheng looked worried.

Before it was a projection, but next time, their power to fight will be even stronger.

At that time, can the Nine Netherworld Formation still block it?

What should I do if I can't stop it?

No no no.

Lu Changsheng began to think about the Jiuyou Huangquan formation.

See if it can be improved and strengthened.

Little Bird looked at this scene, a little puzzled, not knowing what Lu Changsheng was doing.

Only Liu Shu knew Lu Changsheng's purpose.

Improve the Nine Netherworld Formation?

This is an ancient killing formation!

The level is extremely high, and it may be difficult to improve on its basis!

Lu Changsheng sat in mid-air, touching his chin.

"System, is there any improvement plan?"

【The host needs to think for himself】

Lu Changsheng shrugged, but he didn't expect much.

After all, this thing is not a panacea.

The Nine Nether Yellow Spring formation is a large killing formation.

Rely on the Nine Nether Qi, and use the Yellow River spring water as the main body of the attack.

Achieve the effect of killing the enemy!

It can also be said that in fact, this formation uses the power of rules to kill!

"The regular power of the Jiuyou Huangquan formation is the power of the Jiuyou, which contains the attribute of Yin.

Then, what will happen to the power of rules that I supplement the yang attribute in it? "

The range of yin and yang attributes is very wide.

Yin and yang mutually generate and restrain each other.

All things are born together!

Phase conquers all things and destroys them!

Then, as long as the yang attribute is supplemented, let it collide with the yin attribute in it, and the power of rules will explode after the mutual restraint, so the power will be enhanced a lot according to theory.

But it's a bit dangerous...

Immediately, Lu Changsheng turned his head to look at the willow tree, and said, "Create an enchantment to protect this place."

Hearing this, the willow branches of the willow tree fluttered gently, as if there was no wind.

A barrier directly covers the entire mountain peak!

At the same time protect everything in the thatched cottage.

Hongying, who was still in the realm of heaven and man, was also protected by this barrier.

When Lu Changsheng saw him, he no longer worried. Instead of the usual relaxed banter, he became extremely serious.

The range of yin and yang attributes is actually very wide.

Among them, the most common ones are the power of life and the power of death.

Now, the yin attribute in the Nine Netherworld Formation is the power of death!

In other words, Lu Changsheng must release the power of life.

Thinking of this, he pointed out.

In the finger, a sword intent arises!

The sword intent dissipates and then revives, which represents endless life.

Among them, there is the power of life!

This is not the system.

The willow tree is extremely vigorous!

There is an endless force of life circulating around her body!

And Lu Changsheng lived with him for so many years, and before he knew it, he realized the power of life!

At this time, the sword intent with vitality melted into the Jiuyou Huangquan formation.

Lu Changsheng looked expectant, to see what the effect would be.

Lu Changsheng's eyes widened, staring closely at the front.

Five defensive formations have been deployed around the body.

Feeling that it was not enough, he waved his hand again, hundreds of formation flags flew out, and another eight defensive formations appeared in front of Lu Changsheng.

After all, the power of life and death blends together. Once an accident occurs, the power of backlash cannot be stopped by ordinary people...

The time for a stick of incense passed quickly.

Lu Changsheng shrank behind the defensive formation, poked his head out, looked at the still Nine Nether Yellow Spring formation, touched his head, and asked in doubt: "Why is there no movement here? Could it be that the power of life has been integrated too little?" ?"

Thinking of this, Lu Changsheng carefully released a sword intent of life and merged into the Nine Nether Yellow Spring Formation!

But it was like a mud cow entering the sea again, without the slightest movement?

"Huh? What's the problem?"

Lu Changsheng leaned closer to ponder, during which time, he added a few more life force into it.

But there is still no movement!

"Could it be that the formation must be activated?"

Thinking of this, Lu Changsheng touched the aura in it.

Suddenly, the Nine Netherworld Formation appeared in the sky!

The power of dead silence pervades crazily!

However, after only a few blinks, the power of death suddenly erupted, boiling!

Lu Changsheng was shocked when he saw this, and hurriedly retreated behind the defensive formation!

Surrounding those deadly forces, there is actually a Daosheng sword intent!

This is the meaning of life that Lu Changsheng integrated into before!

At this time, the forces of life and death are not blending with each other, but are constantly colliding!

The aftermath of energy from the collision is extremely terrifying!

Even the little bird was taken aback!

The willow tree also waved its branches, adding another barrier around it.

Obviously, she also thinks that the energy erupting in it is too terrifying...

at this moment.

The spring water of the Yellow River roared in it!

Waves roll!

In just a moment, the power of life and death completely exploded in the collision!

Boom!

Suddenly, the destructive power in the sky was like countless sharp swords, cutting space!

Form a storm of destruction!

The entire space in the sky was actually shattered!

It's like destroying the world.

The defensive formation in front of Lu Changsheng was shattered at this moment!

As a last resort, Lu Changsheng let out a low shout, and his aura gushed out, resisting all the destructive power!

The enchantment under the willow tree is also constantly trembling!

And the willow tree itself did not cover the barrier, even though the destructive power swept her body, it did not blow off a willow leaf!

After a while, the destructive storm began to gradually dissipate.

It's just that the shattered space still hasn't recovered!

The power of destruction remains in it!

The barrier around Xiaoniao dissipated, and the flame protection also disappeared. Looking at the scene in front of him, his eyes were terrified.

If it wasn't for the enchantment of the willow tree, I'm afraid she would have lost her soul!

Hongying is still in the realm of heaven and man, and has not awakened.

Looking at the scene in front of him, Lu Changsheng was a little surprised.

This power seems to be a bit big?

Compared with the previous power, it is much greater.

Just how to control?

If such a powerful destructive power cannot be controlled, it will form a double-edged sword.

Can kill the enemy, but also hurt oneself.

Of course, Lu Changsheng can't be hurt, but other people don't know...

The power must be strengthened. Now, Lu Changsheng has to think about how to control this destructive power.

Once formed, the opponent will attack, and Lu Changsheng will feel that he has the power to fight!

...

On the other side, Tianyuan City in the Southern Region!

Ye Qiubai held a dark demon in his hand, and slashed towards the double-edged ax in front of him!

The sword is reckless, and the sword energy is vertical and horizontal!

At this moment, the dark demonic energy was extremely turbulent, roaring crazily!

The sixth sword of the Heavenly Demon Nine Swords, now that Ye Qiubai has reached the Qi Sea Realm, he can finally use it!

Amidst that devilish sword intent, some of the imperial guards knelt down and bowed down!

Deterrence of the mind!

People have to surrender!

The sixth prince's face also changed, and his face was extremely pale. If there were no guards standing in front of him, he would have knelt down and bowed down!

This made him extremely shocked and angry!

He is the prince!

Above ten thousand people!

How can you bow down to other people? !

Chapter 60 Qingyun Appears, Slaying the Strong in the Martial Arts List!

Nine Swords of Heavenly Demon.

After Lu Changsheng's improvement and filling in the vacancy.

More powerful than before!

The magic energy contained in it, the ability to deter the mind is also more terrifying than the original version!

This also led to the reason why the imperial palace guards began to kneel and worship now!

Only a few people with high realm and firm mind can still resist.

Tian Pin felt this scene with surprise in his eyes.

This sword technique can be said to be the most overbearing sword technique he has ever seen!
but.

With the absolute suppression of the realm, the impact on Tian Pin is not that great.

The double-edged ax in his hand collided with Ye Qiubai's dark demon!

Just moments!

Ye Qiubai flew out with his sword upside down!

It fell into the house!

The house also collapsed at this moment.

This is also expected by everyone, after all, the gap in realm is too great!

Tian Pin frowned slightly, looking at his arm.

On the arm, there is actually a sword intent wrapped around it, like a tarsal maggot!

Just the early stage of Qi Sea Realm, can it cause some damage?

At this time, Ye Qiubai crawled out from the ruins.

At this moment, his arms were already covered with blood, and his face was pale.

Obviously, the blow just now was not so easy to catch.

Tian Pin saw this and said, "You are proud of being able to block my blow without dying."

Ye Qiubai wiped away the blood from his mouth, looked at Tian Pin with fighting intent in his eyes, and shouted in a low voice: "Come again!"

After finishing speaking, the sword is full of intent!

At this moment, that sword intent is actually sharper than before!

Immediately, he raised the Dark Demon Sword and continued to rush towards Tian Pin!

Tian Pin snorted coldly, raised the double-edged ax above his head, and slashed out from top to bottom!

Ye Qiubai's expression froze for a moment, and then he didn't choose to make a hard connection. At this moment, he broke free from Tian Pin's breath lock!

One side of the body, dodging the blow!

Tian Pin was surprised.

At this moment, Ye Qiubai's dark demon is also stabbing towards Tian Pin's chest!

The double-edged ax in Tian Pin's hand could not be retracted.

I had to pat it with the other hand!

The dark magic sword fell into Tian Pin's palm!

Breath surge!

Ye Qiubai flew out again!

Under everyone's amazed eyes, Tian Pin's palm was pierced!

Ye Qiubai's sword actually broke through Tian Pin's aura defense!

Blood gushed from the palm of his hand.

Tian Pin's expression turned cold.

He is a strong man who ranks 29th in the Four Regions Martial Arts List.

Was actually injured by a person in the early stages of the petty sea realm?

If this spreads, I'm afraid people will laugh out loud!

Immediately, holding the double-edged axe, he chased in the direction where Ye Qiubai flew out!

At this moment, Ye Qiubai has consumed most of the aura in his body.

Used the Heavenly Demon Nine Swords twice in a row, the sixth sword.

It consumes a lot of his aura!

The five viscera and six internal organs in the body also seemed to be displaced by Tian Pin.

It can be said that Ye Qiubai is already at the end of his strength.

The Great Elder looked at this scene and sneered, "After this blow, Ye Qiubai deserves to die too!"

The third elder next to him is from the side of the great elder, and he nodded in agreement when he heard the words: "At last, I can feel at ease."

The patriarch of the Ye family who fought with Fan Jingrao smiled wryly upon seeing this, "Is it a wrong bet after all?"

Ye family will be destroyed in his hands!

In mid-air, the sixth prince showed joy in his eyes.

Ye Qiubai's talent is too high, if not eliminated.

There will be endless troubles in the future!

Fan Jingrao shook his head and said: "It's a pity, if you don't die, another generation of sword masters will appear in the four domains."

Ye Qiubai looked at Tian Pin who was on the attack, feeling the crazy flow of aura in his body, and he didn't show the slightest timidity!

Instead, he laughed loudly and shouted: "Four Regions Martial Arts Rankings? No more!"

As soon as the voice fell, Ye Qiubai stabilized his figure and walked towards Tian Pin to meet him!

It's just that Ye Qiubai put away the dark demon this time!

Tian Pin snorted coldly when he heard the words: "Arrogance!"

At this moment, with the double-edged ax in his hand, his breath gushes out crazily!

Ax lights covered the double-edged ax at this moment!

Then cut out!

At this moment, a long sword appeared in Ye Qiubai's hand.

It's just that this long sword is put in the scabbard!

The sheathed long sword came out.

Tian Pin's expression changed drastically!

He actually felt a crisis in this sword!

Unprecedented crisis!

This crisis can even threaten his life!

How can this be?

He is a strong man in the Qianyuan realm, and he is on the list of martial arts in the four regions!

How could he be threatened by a petty person from the sea? !

The arrogance in his heart does not allow him to retreat!

The double-edged ax in his hand continued to slash out!

Only this time, the ax glow is even stronger!

At this moment, Ye Qiubai grasped the hilt of Qingyun Sword!

shouted in a low voice: "Qingyun sword appears under Qingyun!"

The Qingyun Sword appears again!

Ye Qiubai pulled out part of Qingyun Sword again!

Sword intent gushes out crazily!

Among them, it actually contains the principles of the sword!

Fan Jingrao looked at this force, his face changed in shock, and he immediately shouted: "Tian Pin, go back!"

This power is more mysterious than the sword intent!

Even standing in the distance, it still makes him feel extremely palpitating!

And at this moment, it was already too late.

The sword intent that contained the principles of the sword had already landed on Tian Pin's ax blade.

It was just the moment of confrontation.

Tian Pin was horrified to see that the double-edged ax in his hand began to appear cracks!

And the sword intent rushed into his arm along the crack!

ah!

A scream came from Tian Pin's mouth!

At this moment, streaks of blood erupted from the arm!

The sword intent turned into a poisonous snake, running along Tian Pin's arm and rushing into his internal organs!

In Tian Pin's body, crazily surged, and then destroyed!

Under the terrified eyes of everyone.

Tian Pin's aura passed away crazily, and within a few blinks, he lost all aura!

has fallen...

A person who was listed on the Four Regions Martial Arts Ranking was unexpectedly killed by a person at the early stage of Qi Sea Realm.

Yes, it's a kill!

"Is this true..."

"Ye Qiubai, is he already strong enough to kill the strong in the Four Regions Martial Arts List?"

Fan Jingrao looked at Ye Qiubai with horror in his eyes.

Even he couldn't kill Tian Pin.

The difference in strength between them is not that big!

And at their level, it is even more difficult to kill the opponent!

The ancestor of the Ye family laughed out loud watching this scene.

The faces of the First Elder and the Sixth Elder were full of fear!

The sixth prince looked at this scene, terrified!

Ye Qiubai's talent is simply terrifying!

If it is not removed, the Tianyuan Dynasty will be destroyed in the future!

"Forbidden Army! Hurry up! Kill Ye Qiubai!"

The guards of the imperial palace were also in a state of sluggishness. They only reacted when they heard the scream of the sixth prince, and rushed towards Ye Qiubai with their weapons in hand!

At this moment, Ye Qiubai is at the end of his strength.

Aura has bottomed out.

Forcibly pulled out the Qingyun sword, and now it has been covered by the force of backlash...

It can be said that even an ordinary person can kill Ye Qiubai now.

Fan Jingrao watched this scene, and was also ready to make a move.

This son, can't stay!
