

My Disciples 61

Chapter 61 Master is famous!

Actually.

Ye Qiubai was able to kill Tian Pin because of many factors.

First, Tian Pin himself underestimated the enemy too much!

Second, no one would have thought of this sword!

Third, the way of the sword contained in the Qingyun Sword does not exist in this world where the way of heaven has collapsed!

So it also led to the defeat of Tian Pin.

and fall...

However, in the eyes of many people, Ye Qiubai is only a person at the early stage of Qi Sea Realm.

Even if there is no genius in a million, it is just a genius that has not yet grown up.

And what about Tian Pin?

In the middle of Qianyuan Realm, ranked 29th on the Four Regions Martial Arts List!

is the famous and powerful man in the Northern Territory, and even in the Four Territories!

Such a gap exists like a horizontal rift.

To be beheaded by a person in the Qi Sea Realm?

Then, what happens after Ye Qiubai reaches Qianyuan Realm?

How far will his actual strength rise?

No one can imagine.

No one dares to think about it!

Now, after Ye Qiubai pulled out the Qingyun Sword, he has already suffered a strong backlash.

Aura is exhausted, without a trace.

Just like that, slowly falling from mid-air.

The Sixth Prince and Fan Jingrao watched this scene, and chose to do it at this moment without hesitation!

Kill Ye Qiubai with the momentum of thunder!

Kill this kind of arrogance in the cradle!

Otherwise, when Ye Qiubai grows up, they will suffer.

The ancestor of the Ye family watched this scene, but was powerless to stop it.

The power of the ancestors has dissipated, and now, he has also entered a state of backlash.

There is no way to stop Fan Jingrao!

He could only watch helplessly as the imperial guards and Fan Jingrao rushed towards Ye Qiubai!

Is this the end?

It is a pity that such a proud man fell like this...

Ye Family, I am afraid that they will also be removed from Tianyuan City.

Just when the ancestor thought so.

Silver light flashes!

Ye Qiubai's body suddenly disappeared!

Everyone was taken aback!

The sixth prince was even more flustered.

This made Ye Qiubai run away?

Then it will be difficult to kill him later.

With the strength of their Tianyuan Dynasty, they want to go to the Tibetan Taoist Academy to become important?

This is just a dream!

But, when Ye Qiubai grows up?

This is nothing more than slow death!

Thinking of this, the sixth prince panicked!

Fan Jingrao also didn't react.

Who is it that can rescue people silently under his nose?

The only ones who can do this are the top ten in the martial arts list.

But who are the top ten people on the martial arts list who have friendship with Ye Qiubai?

Fan Jingrao thought about it.

only one person.

The number one swordsman in the Northern Territory, Yunjing!

Only he could save Ye Qiubai without being noticed by Fan Jingrao!

"Fan Gongfeng, what should we do now?"

The sixth prince looked anxious.

Seeing this, Fan Jingrao had undisguised contempt in his eyes, and said indifferently: "Don't worry, go back to the palace first."

The sixth prince naturally also saw Fan Jingrao's attitude, but he couldn't say anything to the strong ones on the martial arts list.

A group of people returned to the palace.

If Ye Qiubai was here, he would be able to recognize it.

The eldest prince Huang Tianming is impressively in this palace!

Huang Tianming took a sip of his tea lightly, saw several people returning in a state of distress, and asked, "Failed?"

There doesn't seem to be any surprise in the tone.

It seems to be expected.

Fan Jingrao nodded and said, "That's right, Tian Pinzhan died."

"oh?"

This was something Huang Tianming didn't expect.

Tian Pin, as a strong man in the martial arts list, will be killed?

"But it's okay."

Huang Tianming put down his teacup, showed an inexplicable smile, looked at Fan Jingrao and said, "You said, Ye Qiubai killed my dynasty's enshrined, shouldn't our dynasty be punished?"

Fan Jingrao was taken aback, then nodded.

Huang Tianming stood up and continued: "The Tibetan Taoist Academy also said that there is only one word Li in the world.

I asked them to hand over Ye Qiubai, shouldn't it be too much? "

Fan Jingrao suddenly felt a chill down his spine.

He already guessed Huang Tianming's intention.

Before, Huang Tianming only asked him to go to Ye's house with Wada to guard Ye Qiubai.

But they didn't send out all the power they brought over, obviously, it was also for this point!

After all, Ye Qiubai is a student of Tibetan Taoist Academy.

Before, it even got the support of Beiyu Tibetan Taoist Academy.

Once Ye Qiubai is killed without reason, it will be troublesome for the Tibetan Taoist Academy.

It may attract the attention of the Central Academy of Sciences!

This may cause great losses to the Sunset Dynasty!

Now, Ye Qiubai has killed the court priest, so there is a reason!

Master is famous!

Huang Tianming planned to use Tian Pin's death to make a fuss!

Huang Tianming clapped his hands and said, "Okay, let's go, everyone is heading towards the Southern Region Tibetan Taoist Academy."

After finishing speaking, he bowed slightly to the Tianyuan Lord who was sitting at the top, and said, "I'm bothering the Lord."

The Lord of Tianyuan stared at Huang Tianming and sighed secretly.

This child is very scheming.

And there is a cruel heart that treats everything as a dog.

With this son, I am afraid that the Sunset Dynasty will continue to be brilliant.

Thinking of this, Lord Tianyuan said: "Take the imperial guards there."

At this moment, the Lord of Tianyuan has decided to tie himself to the same rope as the Sunset Dynasty.

Huang Tianming was also happy to see this scene, and said with a smile: "Then I would like to thank the king."

...

the other side.

Yun Ming took Ye Qiubai back to the thatched cottage.

That's right, it was Yun Ming who saved Ye Qiubai before.

In fact, he has been in the dark.

As for why he didn't make a move.

That was to squeeze Ye Qiubai's potential in the Jedi of Life and Death.

Ye Qiubai's unleashed potential obviously shocked Yun Ming!

Qihai Realm kills Qianyuan Realm.

Although it is a trick, it is still strength.

Lu Changsheng walked over, the relaxed expression on his face was gone.

With streaks of anger, he asked in a deep voice: "What happened?"

At this time, the aura of red cherry broke out and broke through to the Qianyuan realm!

Awakened from the realm of heaven and man.

Seeing Ye Qiubai's appearance, he also walked over with murderous intent in his eyes!

"Who did it?"

His Majesty asked, Yun Ming immediately explained the process of the matter.

Lu Changsheng glanced at it and understood Ye Qiubai's condition.

"Forcibly pulling out the backlash of the Qingyun Sword, the aura was exhausted and he fell into a coma. It's not a big problem."

Touched two pills from Najie and stuffed them into Ye Qiubai's mouth.

Immediately pointing out with his finger, an endless force enveloped Ye Qiubai.

is repairing his body!

Red Sakura was startled when she saw this scene.

Yun Ming also exclaimed: "The power of life?"

To be precise, it is the way of life!

Soon, Ye Qiubai's body recovered to its original state, and now he just needs to wake up.

Hong Ying held a spear and said coldly, "I'll go to the Tianyuan Dynasty first."

"Wait, no need to go."

Looking at the sky, Lu Changsheng said calmly, "They've already arrived."

The sky in the distance.

There are a series of black armored forbidden troops coming.

After the forbidden army, there are two ships pulled by dragons!

Qin Tiannan and a group of elders also appeared in midair.

"I don't know what the eldest prince is talking about when he comes to our Tibetan Taoist Academy?"

Chapter 62 Red cherry shoots!

With Qin Tiannan's current strength, he can naturally feel how terrifying the lineup of the Sunset Dynasty is.

Among them, there are three strongmen on the Four Regions Martial Arts List.

Among them are Fan Jingrao, who is ranked 27th, and Gao Wei'an, who is ranked 31st.

The last one, even Qin Tiannan, is not an opponent.

It was Eunuch Ming who ranked seventh!

At the forefront, there is the Imperial Palace Imperial Army of the Tianyuan Dynasty.

With such a lineup, even Qin Tiannan felt his scalp tingle when he looked at it.

At this time, Huang Tianming stood on the dragon head of the ship.

The voice came out loudly.

is questioning!

"Dean Qin, a student of your academy, Ye Qiubai, beheaded Tian Pin in Tianyuan City to enshrine my Sunset Dynasty. I came here to arrest the prisoner and sent him to my Sunset Dynasty."

Qin Tiannan's expression darkened.

Captured the Sunset Dynasty, does Ye Qiubai still have hope of survival?

And Ye Qiubai has made great contributions to the Tibetan Taoist Academy, how could he hand it over?

But I couldn't believe it in my heart.

Ye Qiubai has just entered the Qi Sea Realm, how can he kill the people in the Four Regions Martial Ranking?

Besides, the elder of Jiantang looked serious, and said in a deep voice: "How could Ye Qiubai be able to kill Tian Pin? Could it be that His Royal Highness is imposing an unwarranted charge on Ye Qiubai?"

On one side, Eunuch Ming shouted sharply: "Presumptuous! How noble is the prince, how can he deceive you?"

Fan Jingrao also nodded and said: "I was by the side at the time and saw it with my own eyes."

The elders of Jiantang wanted to continue arguing, but Qin Tiannan stopped him with his hand.

Qin Tiannan understands.

Now it doesn't matter whether Ye Qiubai killed Tian Pin or not.

They just want to find a reason.

A reason to take Ye Qiubai away!

As for this reason, Qin Tiannan had no evidence to refute it, so he could only say: "This matter needs to be verified, so everyone, please go back and discuss it if it is true."

Huang Tianming shook his head and said: "This is not acceptable, Tian Pin is enshrined by my Sunset Dynasty.

If you don't give me an explanation, who else will be willing to work for my Sunset Dynasty in the future? "

Hearing this, Eunuch Ming nodded in satisfaction.

Reasonable and well-founded, not surprised by changes.

The eldest prince is more and more like the lord of a country.

Qin Tiannan shook his head and said, "I can't hand Ye Qiubai over to you."

If a student can't keep it.

Zang Dao Academy will go into decline!

What's more, with Ye Qiubai's talent, he will become a sword master in the future!

What's more, his master is... Lu Changsheng.

Although there is no regular job on weekdays.

But even he couldn't see through Lu Changsheng.

Before, he only thought that Lu Changsheng was really low in cultivation and lacking in talent, and he was just a person waiting to die.

Treat him as the son of the descendants and keep him safe for the rest of his life.

Now, Lu Changsheng has taught Ye Qiubai, Hong Ying, such monsters.

How could it be that they don't know how to practice?

"Then start a war?"

Huang Tianming's face was gloomy, but there was a smile in his eyes.

Obviously, the scheme has succeeded!

The elder Wutang has the hottest temper.

Beside Qin Tiannan, he shouted loudly: "Ye Qiubai must never hand it over!"

The elders of Jiantang knew Ye Qiubai's talent very well, so he nodded in agreement and said, "That's right, the big deal is a battle."

The elder Confucian president's face was calm, and he also agreed: "I have a Taoist academy, so I'm not afraid of other people."

Seeing that their opinions were unified, Qin Tiannan nodded and said, "Okay, then let's fight!"

Then he looked at the elders of the formation hall.

Seeing this, the elders of Zhentang understood what Qin Tiannan meant, turned around and rushed towards the academy.

Seeing Qin Tiannan and the others' auras rising, Huang Tianming smiled and said, "I hope you won't regret it."

After finishing speaking, Fan Jingrao came directly in front of Qin Tiannan.

said solemnly: "We didn't decide the winner before, now, let me see why you rank higher than me."

Qin Tiannan smiled sassily, "You will know."

After finishing speaking, the two flew directly towards the sky!

Here as a battlefield, it will hurt others!

At this time, Gao Wei'an also came to the elders of the Jiantang.

Elder Jiantang looked at Elder Wutang.

These elders are all at the peak of Shuiyijing.

Only the elders of the Confucian Academy are half-step Qianyuan.

It can be said that fighting alone is no match for this person in front of you!

Gao Wei'an smiled lightly and said, "You can go up together, otherwise, I'm afraid you won't be able to hold me back."

Seeing this, several elders could only nod their heads.

Now, the opponent still has a seventh-ranked Ming Gonggong left!

This is the biggest hidden danger for the enemy!

Even Qin Tiannan is no match for him!

Sudden!

In the depths of the academy, a beam of light flew out!

fell among the crowd!

This person is an old man.

He already has the spirit of old age!

All the elders bowed immediately.

Eunuch Ming laughed and said, "Yang Xu, are you still alive?"

Yang Xu is the Supreme Elder of the Southern Tibetan Academy of Taoism!

He is also the strongest person in the Southern Region, ranking 13th in the Four Regions Martial Arts List!

Yang Xu lowered his eyebrows, as if he was about to close his eyes.

Bowing his body like an old man, he said weakly: "I have to protect the academy again."

Yang Xu originally planned to retreat to death at the end.

If the mirror is broken, you can live some more days.

No, the body dies and the dao disappears.

However, now that the Tibetan Taoist Academy is in trouble, he has no choice but to give up the closed door.

Come to do one last job for Nanyu Tibetan Taoist Academy.

Because he knows, it is considered a closed door.

Most of them are also dead...

Eunuch Ming sneered and said, "I'm afraid you are not my opponent."

The voice just fell.

The college is surrounded by array flags!

Gradually, a huge killing formation formed!

This is the academy's nursing formation!

Eunuch Ming shook his head and said, "In this case, you can only receive two blows from me."

In the four domains martial arts list.

Tenth place is a watershed!

The people in front are getting stronger and stronger!

One formation is probably not enough!

Yang Xu also understands, but now he can only do his best.

Huang Tianming smiled and said: "I'm afraid, now I can only hand over Ye Qiubai.

Otherwise, your Nanyu Tibetan Taoist Academy may have to be replaced by someone else. "

"Then what about me?"

At this moment, a woman holding a spear appeared in front of Eunuch Ming!

Chapter 63 Huang Tianming's Regret!

Lu Changsheng wanted to make a move.

The disciple was bullied to the door, how could he have no temper at all?

Immediately, I want to directly activate the Jiuyou Huangquan formation!

But was stopped by Hongying.

"These people don't need Master's help."

After finishing speaking, he held a spear and rushed towards the setting sun dynasty!

Yun Ming nodded to Lu Changsheng, and also followed.

The elders of Jiantang naturally knew Hongying.

Seeing this, she couldn't help frowning and said, "Hongying, you should step back quickly!"

Elder Wutang even said: "Don't be impulsive, the opponent is the top ten in the martial arts list, you are not the opponent!"

Yang Xu on one side also understood after hearing these words.

The young woman in front of me is a student of the academy.

Yang Xu also said with emotion: "It is a blessing for the academy to have students like you who are not afraid of life and death.

However, it's not your turn to die now, so let's step back for now. "

Eunuch Ming laughed sharply when he saw this, "When did the students of the Southern Region Tibetan Taoist Academy become so courageous?

but..."

Eunuch Ming narrowed his eyes, and said coldly: "If you show fearless courage, you may die at any time."

Judging from the words of the elders of the Jiantang, Hongying is just a student.

Eunuch Ming doesn't think that how strong a student can be?

Not to mention a wild place like the Southern Region!

This is not to underestimate the enemy.

Ye Qiubai said

It is a deep-rooted view of the Southern Region for a long time!

The same is true.

Yunming was furious when he heard the words, and wanted to make a move, but Hongying shook his head.

"He gave it to me."

Yunming was not surprised when he saw this.

After all, His Majesty is also an extremely protective person...

After all, the aura of Qianyuan Realm is undoubtedly revealed!

Seeing this scene, all the elders of the hall were stunned for a moment, their eyes showing disbelief.

Qianyuan Realm?

This has surpassed the elders!

Hongying's strength is so strong?

Qin Tiannan in the sky saw this scene, and his eyes were also surprised.

Among Lu Changsheng's disciples, Ye Qiubai is already quite a genius.

I didn't expect Hongying to be so evil now!

Eunuch Ming was shocked when he saw this.

Qianyuan Realm?

One student has reached Qianyuan Realm?

Even in his Northern Territory, there is no such evildoer!

I am afraid that only the Central Territory can produce such talented and evil people...

Hongying held a long spear, looked at the slightly dazed elders and Yang Xu behind him, and said, "Leave this man to me, and you will wipe out those imperial guards."

After speaking, without waiting for the elders to respond, the spears had already swept out towards Eunuch Ming!

For a while, there was a gust of wind!

Where the spear passed, there was a whistling sound!

Eunuch Ming snorted coldly: "Even if you have reached the Qianyuan Realm, so what?"

He is the seventh existence in the Four Regions Martial Arts List!

He is also a strong man in the late Qianyuan stage!

No matter how evil he is, he is only in the early stage of Qianyuan Realm!

When you reach the Qianyuan Realm, the gap between each small realm is like a horizontal ditch.

How could he be his opponent.

However, when the spear swept across and came into contact with Eunuch Ming's whisk.

Eunuch Ming suddenly shrank his pupils!

On Hongying's long spear, he actually felt a destructive gun-like mood!

Not only that, but on top of it, there is also a blessing of artistic conception!

This is the power of reincarnation!

Reincarnation artistic conception!

On the rear ship, Huang Tianming also looked extremely gloomy when he saw this.

Two moods.

And it's not that ordinary artistic conception.

She even possesses the Qianyuan Realm. According to the other party, Ye Qiubai is her senior brother?

Then, how defiant should their master be?

Suddenly, Huang Tianming regretted provoking Ye Qiubai.

At this moment, Lu Changsheng was not far away, with his hands behind his back, watching this scene with no expression on his face.

He is not worried about Hongying's strength.

After all, she is the reincarnated empress.

Such a decisive shot must be sure.

At this time, Ye Qiubai also slowly woke up.

"Master?"

Feeling a wave of violent aura, I couldn't help but look over.

Then it was discovered that Hongying and Eunuch Ming were fighting together.

Ye Qiubai looked at Lu Changsheng, and asked with a serious face, "Master, did the Sunset Dynasty find this place?"

Lu Changsheng nodded, then turned to look at Ye Qiubai.

"I'll give you two options. First, I'll help you solve the Sunset Dynasty."

"Second, leave it to yourself."

Provocations over and over again.

Now they are calling at the door of the house again.

Even Lu Changsheng couldn't bear it.

As for whether it can be solved?

You will know when you go, the big deal is to move the Nine Nether Yellow Spring Formation there.

Liu Shu said that this is an ancient killing formation.

A mere sunset dynasty, can it resist the ancient killing array?

Ye Qiubai thought for a while, looked at the figures fighting together in front of him, and couldn't help laughing: "Master, let me do it myself. It won't be long before I will be able to bring down the Sunset Dynasty."

Lu Changsheng glanced at Ye Qiubai, not surprised.

Obviously, Ye Qiubai regards the Sunset Dynasty as his whetstone.

At this moment, the long spear in Hongying's hand has streaks of flames like moss, climbing up!

The heat waves are like seas of fire, howling in this space!

Fire artistic conception!

The third artistic conception!

Eunuch Ming's eyes couldn't be more surprised!

Three artistic conceptions, what kind of concept is this?

When they reach their level, they usually focus on one artistic conception.

The second type?

No one dares to think!

The long spear in Hongying's hand turned into a flaming giant gun!

Aura runs through this space!

The flames made the whole sky red!

As a result, in the distance, some students looked at the sky, and it was all red!

Xin Hongyi also saw this scene, and bit her thin lips involuntarily.

She remembered the time when she entered the Tibetan Taoist Academy.

I feel that it is Lu Changsheng's loss for not accepting himself as a disciple!

Now it seems that it is obviously just a self-righteous idea...

At this moment, Hongying turned into a flaming goddess of war, suspended in the sky, with her right hand raised high, holding the huge flaming gun.

With a low shout, he waved towards Eunuch Ming!

Suddenly, the giant flaming gun cut through the space, holding a fiery red tail flame.

Slammed down towards Eunuch Ming!

Eunuch Ming's eyes changed, and the aura in it made him feel extremely oppressed!

It seems to be suppressed!

Eunuch Ming didn't dare to underestimate him, he shouted sharply, and the whisk in his hand turned into three thousand white silks, and surrounded him with the giant flaming gun!

However, those white silk whiskers were burned to death by the surrounding flames before they touched the giant flame gun!

Eunuch Ming's expression changed!

Immediately throw the whisk forward!

The giant gun directly destroyed the whisk!

However, when the whisk was destroyed, it turned into a formation.

Suddenly, white silk covered the sky and covered the giant gun!

This whisk was obtained by Ming Gonggong from the ancient secret realm.

The grade is unknown.

But the formation engraved in it is something that even the king of the Sunset Dynasty cannot penetrate.

Today, whisks self-destruct.

The formation exploded!

Finally stopped the giant flaming gun!

Chapter 64 Retreat!

Eunuch Ming felt extremely heartbroken seeing Fuchen destroyed.

This is the most valuable thing in his hands.

Without this whisk, I am afraid that Eunuch Ming's strength will drop a lot.

Huang Tianming looked at this scene with a gloomy expression.

Hongying's strength can be said to have exceeded his expectations.

He was 100% sure that he brought Eunuch Ming here.

After all, in the Southern Region Tibetan Taoist Academy, the strongest person is this Yang Xu.

The strength is not the opponent of Ming Gonggong!

How did he expect that another Hongying would come out?

In the rear, the elders of all the halls looked surprised.

It was also the first time for them to see Hongying showing her strength.

Originally, the cultivation base of Qianyuan Realm had already surprised them extremely.

However, with the strength of the early Qianyuan Realm, how can you suppress Ming Gonggong, a top ten person in the Four Regions Martial Arts List, and a strong man in the late Qianyuan Realm?

It can be said that it is something they have never heard of!

Yang Xu also nodded when he saw this, and said with emotion: "It is true that young people come out of blue. In our college, with this student, the rise is inevitable."

Immediately, Yang Xu turned his head, looked at the elder of Jiantang, and asked, "Who is her master?"

The elder of Jiantang was taken aback for a moment, and then replied: "Caotang, Lu Changsheng."

"Thatched cottage?"

Yang Xu's thoughts seemed to return to a long time ago, and then suddenly said: "People from the thatched cottage...that's no wonder."

At this moment, Ye Qiubai also flew to Hongying's side.

Hongying didn't turn her head, and said with a smile, "Recovery?"

Ye Qiubai nodded and said: "Okay, thank you, Junior Sister, for letting me out."

Hongying shook her head, with a chilling expression on her face, "Someone has bullied you at the door, so naturally you have to take action."

"Then this Eunuch Ming will be handed over to you?"

Hongying nodded.

After speaking, Ye Qiubai rushed towards Huang Tianming with his sword!

Through repeated plots, Ye Qiubai has become really angry!

Seeing this, Huang Tianming snorted coldly, and went up to meet him without evasion or retreat!

The late stage cultivation of Qi Sea Realm is undoubtedly revealed!

He is the prince, how could he back down at this time?

Now, the imperial guards are massacred by the elders of various halls!

And the worship in the palace was held back by other people!

Now there is no one around Huang Tianming.

This is also an opportunity!

Ye Qiubai didn't hold back at all, and his sword intent soared into the sky!

The sword gasified into a huge sword, and suddenly slashed towards Huang Tianming!

Huang Tianming snorted coldly, and punched out!

There is a kingly air on the fist print, sweeping towards the giant swords!

Ye Qiubai let out a low cry, and the monstrous devilish energy covered the dark magic sword!

Heavenly Demon Nine Swords!

Sixth sword!

Under Huang Tianming's gloomy face, the fist imprint shattered as if he had no resistance at all!

When Ye Qiubai's sword approached him.

Huang Tianming suddenly laughed.

Seeing this, Ye Qiubai frowned slightly, and then his face changed!

Next to , a dark light flashed!

Shooting towards Ye Qiubai's back!

It's Shadow Killer!

Shadow kill, if you don't make a move, you're done, if you make a move, you will kill!

I searched for many opportunities, and now, I finally made a move!

However, the dagger disappeared before it landed in front of Ye Qiubai!

Huang Tianming frowned.

what happens?

Who made the move?

Ye Qiubai couldn't help being taken aback when he saw this, and then he reacted.

is Master!

And in the thatched cottage.

Lu Changsheng has already set up an enchantment, and outsiders cannot detect the internal scene!

At this moment, in front of Lu Changsheng, there is a man dressed in black!

The man looked at Lu Changsheng and said in horror, "Who are you?"

The force just now seemed to pass through the space and grabbed it.

There is no chance of resistance!

This kind of strength is too terrifying!

Lu Changsheng stared at the man and said, "Tell me, who are you and what power do you come from?"

Having said that, he shook his head again, "Forget it, let's search for the soul, I think you can't say it."

Speak.

Under the terrified eyes of the man.

Lu Changsheng's hand fell directly on top of the man in black!

Suddenly, the man's soul came out from the sky cap!

That soul's face is full of fear and pain!

Soul search.

It will directly make the soul fly away.

Cannot enter reincarnation!

The man's soul kept roaring: "I say!"

Lu Changsheng ignored it and continued to search for the soul.

One piece of information fell into Lu Changsheng's sea of consciousness.

Not too long.

The soul of the man is completely dissipated.

Lu Changsheng looked down at the man in black who was out of breath, shook his head and sighed.

"Why didn't you say it sooner? Why didn't you say it earlier?"

The birds on the side saw this, their eyes were full of helplessness.

Did you give others a chance to talk about it?

"Shadow Killer..."

Lu Changsheng looked in the direction of Beiyu, chuckled, and said, "Then go and have a look."

After finishing speaking, he disappeared in place!

As for the situation here, there is no need to worry at all.

The battle situation has been completely reversed.

Hongying fought against Eunuch Ming, Eunuch Ming could only passively parry!

Reincarnation marksmanship almost caused Eunuch Ming to fall several times!

Ye Qiubai fought with Huang Tianming.

Although his combat strength is not high, his cultivation base is also unstable, obviously he rushed up by relying on the pill.

However, there are many magic weapons to save life.

And the forbidden army in the palace was completely slaughtered at this moment!

Huang Tianming saw that the situation was not good, so he shouted with a sullen face, "Retreat!"

The court worshipers all stopped and returned to Huang Tianming's side.

Qin Tiannan and others did not pursue them either.

Although they can hold each other down, they cannot kill them.

After all, they are all equal in strength.

Huang Tianming looked at Qin Tiannan with an ugly face and said, "Your Tibetan Taoism Academy is very good."

Qin Tiannan smiled sarcastically, and said, "Thank you for your compliment, First Prince. It is naturally very good to have such a student."

Hearing this, Huang Tianming's energy and blood surged!

Then he turned his head, glanced at Ye Qiubai, and said in a deep voice, "I hope you will never leave the Tibetan Taoist Academy."

After speaking, Huang Tianming stepped onto the ship, and the group left the Tibetan Taoist Academy!

Ye Qiubai turned around, cupped his fists towards Qin Tiannan and the others, and thanked Qin Tiannan and the others: "Thank you, Dean and all the elders."

Qin Tiannan stepped forward, smiled and patted Ye Qiubai's shoulder.

"You don't need to thank you. Since you are a member of the academy, you must not be handed over to the enemy."

"It's you, Hongying, your strength really opened my eyes."

When Hongying heard the words, she just smiled and returned to the thatched cottage.

Qin Tiannan didn't care either. He had seen Hongying being extremely indifferent to other people.

At this time, Yang Xu also smiled, and said: "Now, I can rest assured that I am closed to death. There is such a disciple in the academy, so why worry about it?"

Qin Tiannan sighed: "Old Yang, how sure are you?"

Yang Xu shook his head and said, "10%."

When everyone heard the words, they all looked sad.

10%?

This is a death sentence.

At this moment, a streak of light flew over.

Yang Xu took it subconsciously, opened it and saw that it was a pill!

Chapter 65 Do you think I am blind?

A pill?

Yang Xu looked at the exquisite pill patterns and the simple atmosphere in them.

Then you can know that the rank of this elixir is definitely not low!

But, what surprised Yang Xu was.

He couldn't even recognize what this elixir was.

At this time, Hongying's voice came from the thatched cottage.

"This is the Poyuan Pill, which can be used by people in the Qianyuan Realm to break the realm. It can reach 100% breakthrough, but after that, it cannot be refined again."

Hearing this, Yang Xu was shocked.

Can people in Qianyuan Realm break through the realm 100%?

Although it is a small realm, you must know that even a small realm in the Qianyuan realm is extremely difficult to cross!

How many people spend their entire lives without breaking through?

Although it is said that there will be no breakthrough in the future, but with Yang Xu's situation, can there be a future?

So, this elixir is extremely precious to Yang Xu!

Qin Tiannan asked in surprise: "Hongying, this elixir is so precious, where did it come from?"

Hongying didn't even think about it, so she said, "It belongs to Master."

Longevity?

Elder Dantang was short of breath, and hurriedly asked, "Can Lu Changsheng refine this elixir?"

This elixir, even if he came to refine it himself, or maybe give him the elixir formula, he couldn't make it out!

This elixir is at least an earth-level elixir!

And the quality is extremely good, there is no impurity on the Dan grain!

"Where is Lu Changsheng now?"

Hongying was also surprised, and said: "Master is not in the thatched cottage right now."

"Then Lu Changsheng is back, you must notify me!"

Ye Qiubai looked at Hongying with a strange expression, and said, "Junior Sister, are you pushing Master away like this?"

You know the character of Master. "

Hongying spread her hands and said, "Then what should I say, can't I say it's my own? Otherwise, they will ask more questions."

Ye Qiubai covered his face.

He has already thought about how Master will deal with the two of them when he comes back...

At this time, Yang Xu also clasped his fists and said, "When I break through, I will thank you master again."

After finishing speaking, Yang Xu turned into a beam of light, left here, and flew towards the depths of the Tibetan Taoist Academy.

Qin Tiannan and others also left one after another.

Ye Qiubai looked around, touched his head and said, "Where did Master go? Doesn't he usually go out?"

Hongying also shook her head and said: "Master naturally has his own business, let's practice."

Ye Qiubai nodded, but still couldn't help complaining.

Master...you have your own business?

...

At this time, in a dark forest in the northern region.

The trees in the forest are all yellow and withered.

Basically the leaves have fallen, leaving only dead branches!

However, these withered trees are extremely dense, and those branches are like spider webs, criss-crossing in mid-air.

Even light is difficult to penetrate.

Only sporadic light can be "squeezed" in from the branches.

This place is extremely gloomy and dark.

And here in the depths of the forest.

There is a formation.

If you look from the outside, here is a big mountain.

But inside, it is an attic!

On the plaque in the attic, the word "Shadow Killing" is engraved!

At this time, in the highest floor of the attic.

"Huh? The soul card of the first kill dissipated?"

Among them, a man in black looked respectfully at the man sitting on the high platform, nodded and said: "Yes, just before a stick of incense, the soul card of the first kill disappeared, presumably the mission failed..."

The man sitting on the high platform covered his face, but his exposed right eye had a deep scar!

Shadow Killer has an internal ranking.

The first kill is the person with the highest success rate and the most reward among the shadow kills.

"The first kill also failed?" The Gaotai man frowned and said: "According to the news, Ye Qiubai has just entered the Qi Sea Realm, and with the strength of the first kill, it is more than enough to kill Ye Qiubai.

Could it be that the news is wrong? "

The realm of the first kill is in the early stage of Qianyuan realm.

Qianyuan Realm can't even kill a person who has just entered Qi Sea Realm?

That is too unbelievable.

"Pavilion Master, could it be that someone is helping Ye Qiubai?"

The Shadow Killing Pavilion Master shook his head and said: "If you can keep the first kill, then your strength is at least the top ten in the martial arts list."

The Lord of the Shadow Killing Pavilion is ranked 8th on the Four Regions Martial Arts List.

However, even the fifth-ranked leader of the Sunset Dynasty is very afraid of killing the pavilion leader.

Its assassination power is extremely terrifying!

At this moment, a voice came out.

"Wu Bang? I'm not on the Wu Bang."

The Shadow Killer Pavilion Master and the man in black were taken aback for a moment, and suddenly looked forward.

There is a man in a green shirt!

"Who is your Excellency?"

The Lord of the Shadow Killing Pavilion's eyes were full of fear.

Able to hide his perception and appear in front of him silently.

What does this mean?

This person's strength is not inferior to his own!

Even stronger!

After all, he is a killer, and he is extremely sensitive to the perception of some breaths.

The man in the green shirt spread his hands and said, "Didn't you just talk about me?"

The person who came was Lu Changsheng!

The Shadow Killer Pavilion Master stood up, looked at Lu Changsheng and said, "You killed it?"

Lu Changsheng nodded and said, "I should speak clearly, right?"

The Shadow Killer Pavilion Master snorted coldly, and his body suddenly disappeared in place!

In the entire hall, it seems to be trapped in a fog!

This is the shadow killing array!

If it is said that other people need to work together to perform the shadow killing array.

That shadow kills the pavilion master, and he can form a team alone!

Its power will only be large or small.

Lu Changsheng glanced around, blinked, and said, "Shadow Killing Formation?"

Outside the formation, the man in black proudly said: "The Shadow Killing Formation is the way our Shadow Killers rely on to survive!

Falling into it, can block all perceptions! Make people hard to guard against. "

Shielding perception?

Lu Changsheng was taken aback when he heard the words. In his eyes, the Shadow Killer Pavilion Master was standing in front of him on the left.

Looking at him like a fool.

From time to time, he changed places and kept approaching him.

You told me this is called blocking perception?

Lu Changsheng got angry, pointed at the place where the Shadow Killing Pavilion Master was, and cursed: "Stop you banana! Isn't this right here?"

Why are you angry?

Although Lu Changsheng didn't think he was very smart, he was definitely not an idiot with zero IQ.

He felt insulted to his IQ.

In an instant, the Shadow Killer Pavilion Master was dumbfounded.

What's happening here?

I was discovered by myself?

Is my shadow killing array fake?

In order to prevent whether Lu Changsheng is a blind cat or a dead mouse.

So the Pavilion Master of Shadow Killing changed his position again and came to the rear of Lu Changsheng.

In the end, Lu Changsheng also turned his head back, and said helplessly: "I said, can't you find a bunker?"

The Shadow Killing Pavilion Master still didn't believe it, so he changed the direction again.

This time, Lu Changsheng couldn't bear it anymore, and with his face full of anger, he rushed up and grabbed the Shadow Killing Pavilion Master.

While cursing: "Are you treating me as blind or an idiot?"

One side, one slap after another.

Slapped on the head of Pavilion Master Shadow Killer.

The crisp sound resounded throughout the hall...

Chapter 66 Your melon... keep it ripe?

In the main hall.

The sound of beating melon seeds on the head was extremely crisp.

In the main hall, there are constant echoes...

Now the Shadow Killing Formation has dissipated.

The men in black on the periphery were dumbfounded when they saw Lu Changsheng keep pumping seeds on the head of his pavilion master.

Pavilion Master.

As the eighth strongest player in the Four Regions Martial Arts List.

The Lord of Shadow Killers who made countless people fearful.

Now being held up by a very young man, scratching his head?

The Shadow Killer Pavilion Master was also taken dumbfounded.

It's not that he doesn't want to resist, but that he can't resist at all!

The young man in front of him grabbed the hem of his clothes, as if he had been directly planted with a supreme restraint, but he couldn't lift a trace of cultivation!

Originally, let alone patting the brain, even if the ears were punched, there would be no feeling at all.

For a strong man like them, there has long been a kind of aura protection around the body.

But Lu Changsheng's hand fell directly on his head as if directly breaking through this layer of protection!

As the instigator, Lu Changsheng, was listening to this crisp sound.

Don't say it, it feels quite cool...

subconsciously asked: "Is your melon... sure ripe?"

Shadow Killing Pavilion Master: "???"

The man in black: "???"

Looking at the confused faces of the two, Lu Changsheng couldn't help explaining in embarrassment: "I'm sorry, I'm just playing around."

Not long after, Lu Changsheng also stopped.

The Shadow Killing Pavilion Master asked at this time: "Your Excellency, since the first kill has already been beheaded, why do you still come here?"

Hearing this, Lu Changsheng smiled.

If you say, Lu Changsheng's usual smile makes people feel heartless.

At this moment, there is a sense of coldness!

The Lord of the Shadow Killing Pavilion saw Lu Changsheng's smile, and his heart trembled!

Feeling his own state, Pavilion Master Shadow Killer was shocked again.

When did I feel scared when I saw other people's faces?

Lu Changsheng sneered at this time and said: "You want to kill my disciple time and time again, if it's outside, it's fine.

But this time, you all bullied me in front of me, it is unreasonable for me as a master not to take action. "

Ye Qiubai originally didn't want Lu Changsheng to make a move.

Lu Changsheng also nodded in agreement.

But that's also limited to the Sunset Dynasty.

And later, the Shadow Killer suddenly came in again.

This also allowed Lu Changsheng to find an outlet, and he was already upset. If he didn't go to the Sunset Dynasty, it would be okay to ask you to kill him?

The Lord of the Shadow Killing Pavilion frowned slightly, "You are Ye Qiubai's master? But you are not listed in the information."

It is not normal to have it...

Lu Changsheng couldn't help thinking to himself, after all, he is so low-key, so low-key that he basically stays at home!

If you can get his information, then you can only say that you have an undercover agent by your side...

Lu Changsheng said: "It's not important anymore. After thinking about it, I don't need anything, and you have nothing to give. Just slapping me on the head won't relieve my anger..."

How about this, or do you self-destruct your cultivation? "

Hearing this, Pavilion Master Yingsha was furious, and shouted: "Your Excellency is too whimsical."

After finishing speaking, Pavilion Master Shadow Killer jumped onto the high platform!

One after another spiritual energy poured into the seat, and suddenly, the whole hall turned into nothingness!

Instead, one after another, dark walls rose into the sky!

actually surrounded Lu Changsheng in it!

And around him, there are countless intersections, like a maze!

Each force will have a guardian formation.

There is Zangdo Academy.

Shadow Killer is no exception.

And this formation, even if the king of the Sunset Dynasty is trapped in it, it will be extremely headache!

Looking around, Lu Changsheng nodded and said, "Finally, there is a bunker."

The Shadow Killer pavilion master who manipulated the formation almost choked to death upon hearing the words.

"There are nine main roads in this formation, and eighty-one fork roads will diverge from the main road! Among them, there is only one road for survival. Can you break this formation?"

Lu Changsheng couldn't help being startled when he heard this.

Nine main roads, 81 side roads, only one way out?

If this is really wrong, wouldn't there be nothing?

Thinking of this, Lu Changsheng decided, wouldn't it be good if he didn't take these roads at all?

Seeing that Lu Changsheng didn't move, the Shadow Killer Pavilion Master outside the formation couldn't help sneering: "You think you'll be fine if you don't move? In this maze, your aura will be consumed faster.

As for forcibly breaking the formation? This is the formation at the peak of the earth level, it is simply whimsical to want to forcefully break the formation..."

However, the words are not finished yet.

In the maze formation, there was a sudden burst of extremely violent aura!

Among them, there is even more sword intent roaring and spear intent!

The meaning of the flame turned into a sea of flames, diffused out, and swept the entire hall!

The Lord of the Shadow Killing Pavilion was taken aback for a moment, and hurriedly used his cultivation base with all his strength to resist the aftermath attacks one after another!

As for the man in black?

was engulfed by the sea of flames long ago, turned into ashes, and his soul flew away!

Not long after, the sea of flames even burned down the entire attic of Shadow Killer!

Among them, there were screams!

For a moment, the Shadow Killing Pavilion was reduced to ashes, and above the attic, sword and spear intent pervaded the air!

After a while, this brutal force gradually dissipated.

Lu Changsheng's figure appeared, looking at the scene around him, he couldn't help but said in surprise: "Huh? I'm afraid I won't be able to break through this formation like this.

It seems that you are using too much force? This formation is too bad. "

At this moment, the Pavilion Master of Shadow Killer knelt on the ground with one knee, breathless.

Hearing these words, he spit out a mouthful of blood.

Killing and punishing the heart, nothing more.

The Lord of the Shadow Killing Pavilion looked at Lu Changsheng who was slowly approaching, clutching his chest, the black mask was burned by the flames, revealing an extremely pale face!

"who are you?"

The strength of the young man in front of him is simply terrifying.

It made him feel powerless to resist!

Even when facing the King of the Sunset Dynasty, he didn't feel this way!

"Could it be that you are from Zhongyu?"

Among the Four Regions Martial Arts Rankings, the top four are all from the Central Region!

Lu Changsheng shook his head, "I'm not, and you don't need to know, I'm going to die anyway.

What's more, don't you know that the more you talk, the more accidents are likely to happen? "

After finishing speaking, he didn't wait for the Lord of the Shadow Killing Pavilion to speak, and slapped him on the head of the sky!

In an instant, with a crisp sound.

The Shadow Killing Pavilion Master's whole body softened, his eyes were lifeless, and he fell to the ground!

The breath has completely disappeared!

Lu Changsheng's palm directly shattered the soul of the Shadow Killer Pavilion Master!

Immediately, another point was pointed out, and a flame fell on the body of the Shadow Killing Pavilion Master, and the body was instantly burned out!

Destroy corpses and wipe out traces!

Lu Changsheng doesn't want others to find out that he did it, and then people keep coming to him. did it all.

just clapped his hands, and shouted: "Okay, I feel much better, I'm going back to eat."

After finishing speaking, Lu Changsheng's figure disappeared in place!

...

It took about two incense sticks.

Then someone came here, and seeing the burned Shadow Killing Pavilion, his face changed drastically.

Chapter 67 Big brother? The blame man!

At this moment, the imperial palace of the Sunset King City.

In the main hall.

The king of the country sat on the dragon chair, heard the report from the people below, frowned and said: "You said that the Shadow Killing Pavilion was completely wiped out? What about the Shadow Killing Pavilion Master?"

The **** below replied: "The Master of the Shadow Killing Pavilion is missing."

Huang Yitong frowned even deeper.

According to the strength of Pavilion Master Shadow Killer, Huang Yitong would definitely not believe him if he died for no reason like this.

However, Shadow Killer is now a subsidiary force of the Sunset Dynasty.

If the Shadow Killing Pavilion is really destroyed by other people, it is impossible that the Shadow Killing Pavilion Master will not come to ask for help!

This also made Huang Yitong have to think about the bad.

Who the hell?

Can it have the strength to destroy the Shadow Killing Pavilion?

He has seen the formation in the Shadow Killing Pavilion before, even he can't break through that formation in a short time without the help of external objects!

If the other party took a long time, then the Shadow Killer Pavilion Master would have thought of a way to notify him for support.

But there is no notification, which means that the other party broke the formation in a short time!

A person who can achieve this kind of strength must be stronger than him!

There are only four people who are stronger than him.

Those four people are all in the Central Region, and they are also the top four figures in the Four Regions Martial Arts List!

Only those four people can do this.

It's just that what Huang Yitong can't understand is that Yingsha should have never had contact with people in the Central Territory.

Not to mention offending the forces in Zhongyu!

Who is that?

Huang Yitong couldn't figure it out, and ordered to the people below: "Take someone to block the Shadow Killing Pavilion. If anyone comes, please notify me as soon as possible."

The people below received the order and immediately sent people to the Shadow Killing Pavilion.

And the emperor is unified, at this moment, it seems that dark clouds have risen in my heart.

The Shadow Killing Pavilion was destroyed this time, which gave him an ominous premonition.

The stronger the strength and the deeper the realm, the more sensitive the perception of danger will be.

...

Southern Region.

Lu Changsheng has returned to the thatched cottage.

Ye Qiubai and Hongying immediately greeted him.

"Where did Master go?"

Lu Changsheng sat down on the bamboo chair, and said: "No reason, just go and kill that shadow."

Ye Qiubai and Hongying were both taken aback.

"It's mainly because I couldn't help it, you know."

Lu Changsheng shook his head helplessly, "Otherwise, how could I run out as a teacher, wouldn't it be nice to lie here in the sun and take a nap?"

"By the way, you two, hurry up and cook.

I went out for a run, consumed a lot of energy, and was hungry. "

Ye Qiubai and Hongying looked at each other helplessly, then walked into the kitchen.

Even though his cultivation base is so advanced, he still thinks about eating every day.

However, since I came to thatched cottage.

If they didn't practice, Ye Qiubai and Hongying would eat with Lu Changsheng.

Three meals a day, never missing a single meal.

Now, the two are used to it.

Even Yun Ming would rub his cheeks.

The main reason is that the aura of the ingredients used in these meals is extremely pure.

Every time I take a bite, I feel that my cultivation base has increased a little!

No, when the food was served, Yun Ming came over with the cheek again.

Lu Changsheng picked up his job bowl, and glanced at Yun Ming in disgust.

This kid has to eat a lot every time, so that sometimes he can't enjoy himself.

However, as a master, it is natural to be more generous in front of apprentices.

Don't look too stingy.

Our layout is bigger, you know.

On the way to eat, Hongying seemed unintentional, and said: "Master, the elder of Dantang said that when you come back, you should go there."

Lu Changsheng asked in surprise: "Why? This old man doesn't know me very well, so why is he suddenly calling me over today?"

Hearing this, Ye Qiubai told the whole story.

Listen, listen.

Lu Changsheng's face turned blue.

After listening, Lu Changsheng put his job bowl on the table, patted the table and said, "You two, who pushed the matter on me?"

Ye Qiubai was still hesitating whether to shake out the red tassel.

Or, as a senior brother, do you want to take the blame for your junior sister?

When Ye Qiubai was about to take this **** pot on his back.

Hongying spoke.

"Brother said it."

Do not hesitate!

There is no sloppiness in the slightest!

My face is not red either!

It's true!

Ye Qiubai was dumbfounded.

I regard you as a younger sister, but you regard me as a villain?

Before Ye Qiubai could explain, Lu Changsheng looked at Ye Qiubai with murderous eyes.

"As a teacher, you have worked tirelessly to kill the enemy and take revenge, and you turned around and sold me?

What's more, I didn't make the pills! "

"I..."

Ye Qiubai glanced at Lu Changsheng who was about to strangle him to death, then looked at Hongying.

Hongying's lips moved, but no sound came out.

Ye Qiubai could see what she said.

roughly means.

Brother take care...

Seeing this, Ye Qiubai could only say with a bitter face: "Master...I was wrong..."

Then, Lu Changsheng's roar came from the thatched cottage.

"Ye Qiubai, you have taken care of the whole thatched cottage this month! Now go down and sweep the mountains!"

...

After dinner, Lu Changsheng reluctantly ran to Dantang.

Along the way, the disciple looked at him in surprise.

This face seems a bit dark?

However, after these days, the reputation of thatched cottage gradually spread in the academy.

When meeting Lu Changsheng, he would respectfully say, "I have seen you, senior."

After all, the people in the thatched cottage did not confer the position of elder in the Tibetan Taoist Academy, nor did they have other positions, so they can only be called elders.

However, Lu Changsheng's current status in the academy is extremely high.

Can cultivate a swordsman genius like Ye Qiubai.

Not only realized the sword intent, but also defeated the number one swordsman of the younger generation in the Northern Territory!

Help the Nanyu Tibetan Taoist Academy to restore the situation and win the first place!

And Hongying.

Not just like a fairy.

The strength is even more shocking!

Breakthrough to the Qianyuan Realm at such a young age, and his strength is even higher than all the elders and deans!

Hongying is the person who can suppress the seventh in the Four Regions Martial Arts List!

Qin Tiannan was ranked 26th, so naturally he would not be Hongying's opponent.

It is estimated that in the next two days, the ranking of the Four Regions Martial Arts Ranking will change.

How could Lu Changsheng not be loud enough to cultivate such two talented people one after another?

Some people even say that worshipping in thatched cottage means soaring into the sky!

This news also spread to other places in the Southern Region.

As a result, there are countless people who are urging the younger generation to practice, hoping that he can enter the thatched cottage!

And when Lu Changsheng went to Dantang.

A man dressed as a scholar came to the gate of the outer courtyard of the Tibetan Taoist Academy with a book basket on his back.

At the mountain gate, there are two outer court disciples on duty.

"Who are you? Why are you here at the academy?"

The scholar said politely, "I'm here to find Master."

"Master?"

The two of them were taken aback for a moment, thinking that the scholar wanted to be under a certain elder of the Tibetan Taoist Academy, and said, "I'm sorry, it's not time for enrollment yet, please go back first."

The scholar shook his head and said, "I'm not here to enroll students. Xiaosheng's master is here. It seems to be called thatched cottage?"

Chapter 68 Ning Chen Heart Returns

Thatched cottage?

Sounds so familiar?

The two outer court disciples guarding the mountain gate tilted their heads and looked at each other.

Immediately, the scholar said again: "My master's name is Lu Changsheng."

Lu Changsheng?

etc!

The two outer court disciples turned their heads and stared at the scholar together.

"Are you a disciple of Senior Lu?!"

The scholar nodded with a smile.

However, one of the disciples from the outer courtyard doubted: "Do you have anything to prove that you are a disciple of Senior Lu?"

After all, Lu Changsheng is now famous far and wide.

The disciples from the outer courtyard also had to ask.

Ning Chen thought for a while, then shook his head and said: "Master didn't pass me a token, but you two can go and report it, and you will know it as soon as you see it."

The two disciples looked at each other, but when they heard that Ning Chenxin was Lu Changsheng's disciple, they didn't dare to neglect, so they nodded and said, "Okay, I'll report it right away."

At this time, as soon as the disciple finished speaking, three or four men came over not far away.

See this scene.

One of the men asked, "Huh? What's going on?"

When the disciples from the outer courtyard saw the man, they immediately said respectfully: "Senior Zhong Wu! This little scholar claims to be a disciple of Senior Lu, so I want to report it first to verify it."

Zhong Wu heard the words, while looking at Ning Chenxin, he said: "Okay, you go."

After the disciples from the outer court left, Zhong Wu looked at Ning Chenxin, and asked in doubt: "Senior Lu only has two disciples so far. I have never heard of another one being accepted?"

Ning Chen smiled heartily, and said calmly: "Xiaosheng is a disciple accepted by the master, it is normal not to know."

Hearing the words, Zhong Wu nodded, but he didn't believe it.

After all, who dares to pretend to be a disciple of Senior Lu!

Senior Lu's disciples are all monsters at the level of Ye Qiubai and Hongying.

Ordinary people can't impersonate!

Then, Ning Chenxin is definitely talented and extremely evil?

Thinking of this, Zhong Wu couldn't help but said: "Then you should be very strong, I can't see your realm, can you give me some advice?"

Ning Chen heard the words, but shook his head and said: "I have no realm."

"No Boundary?"

Zhong Wu and the two men behind him were taken aback.

Just a mortal?

Ning Chenxin lifted the book basket behind his back, and said with a smile, "Xiaosheng is just a scholar."

"student?"

Zhong Wu smiled and said: "We are also scholars, and we have cultivated Confucianism and Taoism, so can we ask for advice?"

Ning Chen nodded with a smile and said, "I don't dare to ask for advice, let's discuss with each other."

The two people behind Zhong Wu looked at this scene and couldn't help saying, "I don't know how the strength of Senior Lu's disciples compares with Senior Brother Zhong's."

"Brother Zhong is a candidate for the elder of the Confucian Academy in the future, and his Confucianism and Taoism are naturally advanced. If it is in this respect, he should not be weaker than the disciples of Senior Lu?"

"It's hard to say, after all, Senior Lu's disciples are too monstrous..."

"If this person is really a disciple of Senior Lu, then I'm afraid..."

"Right."

At this time, Zhong Wu asked: "Nowadays, people in the world regard martial arts as the way of longevity, alchemy and array formation as supplements, and even some people practice the way of weapons, but Confucianism and Taoism, but not many people care about it, which has led to their decline. .

What do fellow Taoists think? "

Ning Chen smiled heartily, without panic, with a calm face and extremely indifferent eyes.

"What's the difference?"

Hearing this, Zhong Wu was taken aback, as were the two disciples behind him.

the difference?

After completing martial arts, you can move mountains and fill seas, and spy on longevity!

Cultivate alchemy, you can change your fate against the sky, and the dead wood will come back to spring!

Once the Dao of Formation is completed, it can burn the sea, destroy the city, destroy the sky and destroy the earth!

With the completion of Qi Dao, one can master the Heavenly Soldiers and be rich!

What about Confucianism and Taoism?

Isn't that just reading?

Going a little further, it is self-cultivation.

thought of this.

The three of Zhong Wu even doubted their own Dao heart.

Why do you want to practice Confucianism and Taoism?

However, Ning Chenxin's next words woke up the three of them like a blow to the head!

"Fellow Daoist also said that Martial Dao, Alchemy Dao, Formation Dao, and Artifact Refining Dao all have the same word for Confucianism and Daoism.

There are many kinds of ways, but they lead to the same goal after all.

As long as you practice to great success, you will be the supreme way. "

At this moment, what Lu Changsheng said to him at the beginning rang in Ning Chenxin's mind.

"It is true that martial arts can move mountains and fill seas, but Confucianism and Taoism can also rule the world with one word!

Alchemy can change fate against the sky, Confucianism and Taoism can also understand the mind, and the soul is immortal!

Formation Dao can burn seas and destroy cities, and Confucianism and Taoism can also be suppressed with one word! "

Heard the words.

The eyes of Zhong Wu and the others became clearer, and even, on Zhong Wu's body, the breath began to rise slowly!

Immediately, the three of them sat cross-legged, their breath rising continuously!

Obviously, it is time to break through!

Seeing this, Ning Chen smiled, and didn't bother him anymore.

He has no cultivation base, he is just a scholar.

...

After a while, the disciples from the outer courtyard came back.

Behind him, there was a man and a woman.

The man has sword eyebrows and star eyes, is as rich as jade, and is extremely handsome!

The woman's teeth are like gourd rhinoceros, and her head is like a fairy in a painting!

The two walked up to Ning Chenxin.

Among them, the man smiled and asked: "Are you a disciple accepted by Master?"

Ning Chen heard the words, nodded and said: "Yes, big brother."

"Oh, you know me?"

The man was a little surprised.

Ning Chenxin nodded and smiled: "Master mentioned you, saying that I have a senior brother, and this one should be the second senior sister, right?"

Hongying smiled and said: "Since you are the disciple accepted by Master, then follow us."

Hongying has experienced nine lives, so she can naturally tell whether Ning Chenxin is lying.

Ye Qiubai looked at Zhong Wu and the others, and asked in surprise, "Why are these three people making breakthroughs?"

Ning Chen sighed inwardly, and said, "I just had a discussion with this fellow Taoist."

On the Road?

Let them break through?

Hongying and Ye Qiubai took another look at Ning Chenxin.

Although it can't be seen that Ning Chenxin has a cultivation base, it seems that it is not easy!

After finishing speaking, the two returned to the thatched cottage with Ning Chenxin.

Not too long.

The realms of the three of Zhong Wu are all breakthroughs!

After opening his eyes, he looked at the disciples from the outer court who looked at him with reverence and envy, and asked urgently, "Where's that fellow Taoist just now?"

The outer courtyard disciple said: "Ah, he was taken away by Senior Brother Ye."

Zhong Wu nodded and said with emotion: "As expected of Senior Lu's disciples, everyone is so evil..."

The two people behind him nodded in agreement when they heard the words.

...

the other side.

Lu Changsheng scolded Ye Qiubai in his heart, thinking about giving him some punishment or something.

One side came to the courtyard where Elder Dantang was.

Elder Dantang seemed to have received the news long ago and was already waiting outside the door.

Seeing Lu Changsheng, he immediately asked: "Changsheng, how did you refine that elixir?!"

Lu Changsheng's face twitched when he heard this.

What kind of medicine?

Neither of them told me!

You show me anyway!

Chapter 69 Lu Changsheng's version of Po Yuan Pill!

He's meowing.

After going back, he must do some work for that boy Ye Qiubai.

Otherwise, I won't have a long memory!

The more Lu Changsheng thought about it, the more angry he became, the more he thought about it, the more angry he became!

I almost didn't clean up the door myself!

At this time, Elder Dantang eagerly asked: "Longsheng, how is this elixir refined? This is extremely important to the academy!"

A elixir that can make people in Qianyuan Realm 100% break through the realm.

Although the side effect is that they will never be able to break through in the future, it is extremely useful for those who cannot break through and whose lifespan has reached the limit!

If this kind of elixir spreads outside, only one pill is needed to trigger a huge wave!

It is no exaggeration to even say that there is a bloodbath.

Lu Changsheng said helplessly: "Don't worry, don't worry, let me think about it first."

A pill that can force Qianyuan Realm experts to break through?

What kind of elixir is this...

I haven't seen it before...

"How about it, remember?"

Elder Dantang's face was full of hope.

Lu Changsheng can't say that he doesn't know how to practice at this time, after all, that brat Ye Qiubai has already sold himself.

"Why don't you tell me about the characteristics of that pill?"

Elder Dantang frowned, and asked suspiciously: "Don't you know the characteristics of the elixir you made yourself?"

Lu Changsheng pretended to be in pain, touched his head and said, "I didn't sleep well last night, I was dizzy, and I can't remember some things."

Elder Dantang was taken aback for a moment, and said concerned: "Your cultivation should not be low, right? Why do you still have a headache? Could it be some hidden disease? Let me see!"

Although the elder Dantang is not familiar with Lu Changsheng.

But Lu Changsheng is a member of the academy after all.

Elder Dantang will naturally be concerned.

Lu Changsheng hurriedly waved his hand, took a step back, and said, "It's okay, it's just a common headache, it's nothing serious.

Tell me about the characteristics of the pill. "

Although Elder Dantang was skeptical, he still explained the characteristics of the pill.

Lu Changsheng thought for a moment.

In general.

As long as people in the Qianyuan Realm can break through the realm, right?

In recent years, Lu Changsheng has been exploring the way of alchemy, and it is not without such similar properties of elixirs.

Although I don't know the formula of that elixir, but according to its characteristics, it should still be able to be refined.

Thinking of this, Lu Changsheng said to Elder Dantang: "Well, I will refine it here."

Elder Dantang immediately nodded, "Then follow me."

After finishing speaking, he brought Lu Changsheng to his alchemy place.

Lu Changsheng nodded, and immediately picked out dozens of natural and earthly treasures from the ring.

Elder Dantang was taken aback.

These treasures of heaven, material and earth have some medicinal properties that are mutually exclusive, and they cannot be blended together at all.

This will only create a fryer!

However, since the elixir was made by Lu Changsheng, the Elder Dantang didn't point fingers, and watched Lu Changsheng make the elixir quietly.

At this moment, in Lu Changsheng's mind, the characteristics of the various medicinal materials in front of him came to mind.

What effect will fusion get.

After mutual restraint, what consequences will be caused, and what methods can be used to neutralize it.

After all, it is an unknown elixir. Lu Changsheng has no elixir formula, nor has he refined it, so he naturally needs to think about it.

After a full burn of incense.

Lu Changsheng just opened his eyes, and threw the herbs into the alchemy furnace.

The artistic conception of fire turned into a sea of flames, covering the alchemy furnace!

This step is also looking at Elder Dantang's brows jumping.

After all, when refining medicinal materials, one must control the heat.

Some medicinal materials must be boiled with a strong fire, while others must be boiled slowly.

Otherwise, the potency of the medicine will be destroyed!

And what about Lu Changsheng?

directly enveloped the entire alchemy furnace with flames, and the temperature distorted the surrounding space!

Elder Dantang still did not make a sound.

Lu Changsheng threw the medicinal herbs in without the slightest hesitation.

Not long after, when the alchemy furnace was tapped, streaks of liquid medicine flew out of it!

Put it into the jade bottle!

Elder Dantang was taken aback when he saw this, and he took a closer look, and immediately took a deep breath!

This liquid medicine is purified, without any impurities!

Such a variety of medicinal materials can be extracted at the same time, but he can do this, even he can't do it!

At this time, Elder Dantang was able to confirm that Lu Changsheng's alchemy strength was probably far superior to him!

Immediately afterwards, Lu Changsheng threw the liquid medicine into the alchemy furnace.

Another two incense sticks passed.

In the alchemy furnace, the fragrance of medicine slowly came out!

Elder Dantang was shocked by the smell!

But I am a little confused.

The fragrance of this medicine seems to be a bit different from the pill that Hongying gave before?

At this time, Lu Changsheng made a move with his palm, and a pill flew out of the pill furnace!
was caught by Lu Changsheng.

"How about it?"

Elder Dantang stepped forward to inquire.

Looking at the elixir in his hand, Lu Changsheng felt a little uneasy.

Although this elixir is refined according to the characteristics described by Elder Dantang.

But he has no idea what the final effect will be.

You still need to find someone to try it out.

"Would you like to find someone to try?"

Elder Dantang nodded, and said: "In the college, there is another person who is in the early stage of the Qianyuan realm, but because of his unstable foundation, he cannot make progress. You can let him try."

Lu Changsheng nodded.

At this time, Hongying also came to find her.

"Master, Third Junior Brother is back."

Third Junior Brother?

Lu Changsheng nodded and said: "Ning Chenxin, right? I still have something to do with the elder, and I will go back later."

Elder Dantang said: "Your master and I are going to try the elixir."

Elixir?

Hongying was taken aback for a moment, then recalled the previous events.

Can't help but ask: "Is it the Po Yuan Pill?"

The two nodded.

Hongying also saw the elixir in Lu Changsheng's hand, and couldn't help being surprised!

Breaking Yuan Pill was the elixir of their era, and the prescription has long been lost!

Even if she didn't have it, did Master really refine it?

Thinking of this, Hongying followed curiously.

Came to an attic.

The attic here is the place where the Tibetan Taoist Academy collects martial arts and martial arts.

Ye Qiubai obtained the remnants of the Heavenly Demon Nine Swords from here.

Elder Dantang came to the door and said: "Mr. Li, I have something to see."

The attic door was opened, and an old man walked out slowly, asking, "What's the matter?"

If Ye Qiubai is here, he can recognize that this is the elder who guards the pavilion.

Elder Dantang told the whole story.

When Mr. Li heard the words, a look of light flashed across his cloudy eyes.

"Really?"

Elder Dantang nodded and said: "The Supreme Elder has already retreated."

Hearing this, Mr. Li nodded and said: "Anyway, I can't go any further with my cultivation, and my lifespan is running out, so let's give it a try."

After finishing speaking, Mr. Li took the special version of "Broken Yuan Pill" from Lu Changsheng's hand, sat cross-legged, swallowed it, and began to operate the exercises to absorb the medicine's power!

Not for long!

Under everyone's amazed eyes, Mr. Li's realm has begun to break through!

Stepped into the middle stage of Qianyuan Realm!

Chapter 70 Zhongyu!

What a breakthrough!

Old Li opened his eyes, and the cloudy eyes were shining with dazzling brilliance.

He has stagnated in this realm for countless years. He had already given up hope, but now he broke through!

Hong Ying was also extremely surprised when she saw this scene.

Obviously there is no elixir formula, but just knowing the effect of elixir, can you reproduce a elixir?

No...not right!

The aura on Mr. Li's body is different from the aura after using the Poyuan Pill to break through!

When Lu Changsheng saw this, he was also relieved.

Fortunately, it was made out, otherwise it would be really difficult to do business.

Thinking of this, Lu Changsheng decided to go back and practice Ye Qiubai...

At this time, the aura on Mr. Li's body did not decrease, but increased dramatically!

Elder Dantang was taken aback, looked at Lu Changsheng and asked, "Changsheng, what's going on?"

Lu Changsheng did not answer.

It's not that he doesn't want to answer, but that he doesn't know either!

Elder Li felt this violent breath, his eyes were ecstatic!

Sit cross-legged again.

The exercises in the body are running crazily, and the residual medicinal power is flooding the meridians.

It seems to be tempering Li Lao's meridians!

Elder Dantang watched this scene, dumbfounded.

"Didn't it mean that after breaking through, you can no longer deposit in?"

"Eh..." Lu Changsheng said, "Maybe it's the result of this improvement?"

Red Sakura was also a little sluggish.

After a while.

Old Li stood up.

His realm is firmly in the middle of Qianyuan realm!

"I remember you said that taking this elixir will prevent you from making any progress in the future?"

Old Li was puzzled: "But why do I feel that I can still make a breakthrough?"

At this moment, Mr. Li's meridians seemed to be activated, exuding vitality again!

At the same time, the aura in the dantian began to surge like a wave!

It is no longer a pool of stagnant water!

Lu Changsheng was developing in a good direction, so he breathed a sigh of relief.

Hongying was even more amazed at the side.

Originally, the Po Yuan Pill was to completely burn the talent, and it had achieved the effect of breaking the realm.

Now, the master not only let the other party break through, but the talent seems to have become better?

You must know that a person's talent is difficult to change later in life.

Elder Dantang was very excited when he saw this.

The effect of this elixir can be said to be of great help to Tibetan Dao Academy!

The elders of each hall basically reach the end of the Qianyuan state.

After taking this elixir, it can not only break through, but also improve talent.

This kind of elixir is simply unheard of!

Seeing this, Lu Changsheng said, "I made a few more when I was practicing, so I put them here, and I'll go first."

As for the pill formula, Lu Changsheng did not keep it.

It is mainly for them, and I am afraid that it will not be refined.

Among them, Lu Changsheng added the power of life.

In the Tibetan Taoist Academy, who has the power of life?

Even if you look at the entire continent, you probably won't be able to find it...

Elder Dantang held those pills, his eyes were shining brightly.

"Okay, I'll go and discuss it with the dean!"

After finishing speaking, he also left here.

Lu Changsheng shook his head helplessly, and returned to the thatched cottage with Hongying.

At this moment, in the thatched cottage.

Ye Qiubai and Ning Chenxin are talking.

Seeing Lu Changsheng come back, they all got up and said: "I have seen Master."

Lu Changsheng nodded, looked at Ning Chenxin, and said with a smile: "Is there any harvest these days?"

You have to act like a master.

Ning Chen smiled heartily: "It's a lot of harvest."

Ye Qiubai also interjected from the side: "Third Junior Brother's practice of Confucianism and Taoism can be described as a pedantic heavenly man. Even those people in the Confucian Academy now admire Third Junior Brother!"

Obviously, Ye Qiubai is also very happy to have a third junior brother now.

At that time, there is any work that can be shared by the juniors, right?

However, Ye Qiubai is fine if he doesn't speak now, but when he speaks, Lu Changsheng becomes angry.

Blame this kid!

I had to go to alchemy.

Now that I've done it, I guess I'll have more things to do with myself in the future!

This salted fish... Oh no, the leisure life is getting farther and farther away from me!

"Do you have a voice here?"

Ye Qiubai froze, "Ah..."

"Cleaned up the mountain?"

Ye Qiubai scratched his head and said, "All the fallen leaves have been cleaned up..."

Lu Changsheng asked: "What about the dust? What about the droppings of the birds that pass by here?"

The whole mountain is covered by an enchantment, how can there be dust...

But Ye Qiubai didn't dare to say anything now, knowing that Master was still angry, he couldn't help but smiled wryly: "Master, I'll go right away."

"Wait!" Lu Changsheng pointed to the kitchen and said, "Cook first."

Ye Qiubai: "..."

In the coming days.

Ning Chenxin was invited by the elders of the Confucian Academy to give lectures.

Originally, some people doubted Ning Chenxin's ability.

However, after Ning Chenxin finished speaking.

When the students of the Confucian Academy see Ning Chenxin, they will respectfully address him as Mr.

A master is a teacher.

Hongying is consolidating her realm.

As for Ye Qiubai, besides cooking for Lu Changsheng, he is also cleaning the mountain...

During this period, the elders of Dantang often came to the thatched cottage to ask Lu Changsheng for advice on alchemy.

It was fine the first few times.

The number of times is too many, and when Elder Dantang comes, Lu Changsheng will find a place to hide...

A few more days passed.

Ning Chen said goodbye to Lu Changsheng heartily.

He is going to continue preaching in the South.

Hongying said to Ning Chen, "Junior brother, although you won't provoke trouble outside like senior brother, I still give this to you for self-defense."

It's the phoenix jade pendant.

Ning Chen smiled and nodded, "Thank you, Senior Sister."

Ye Qiubai rolled his eyes crazily.

Provoking right and wrong?

Leave this content aside for me.

As a big brother, Ye Qiubai naturally wanted to show something, and stepped forward to give Ning Chenxin a sound transmission talisman.

"If you are in danger, remember to use this to contact me, I will come."

Feeling the concern of Ye Qiubai and Hongying, Ning Chen felt warm in his heart.

Then he also bowed to Lu Changsheng, saying: "Master, senior brother and sister, Chen Xin will go first."

"Go."

After Ning Chenxin left.

Qin Tiannan also came over.

"Qiubai, are you ready?"

Today is the day to go to the General Hospital.

Ye Qiubai nodded. Today, he has no opponent in the Tibetan Taoist Academy in the Southern Region, and it is time to go to the General Academy.

As for Hongying, she also left the thatched cottage after practicing for a few days.

I don't know where I went.

Lu Changsheng didn't ask too much.

Sitting on the chair, he couldn't help but sigh: "The cooks are gone again."

...

Medium domain.

Although it is not included in the four major domains.

But its strength should not be underestimated.

There are many sects and families all over the place.

Including three families, two families, and one house.

The two sects include Yinjianzong and Danzong.

The first courtyard is Tibetan Taoist Academy.

As for the three families, they are the most mysterious. They don't recruit disciples, and they all have family blood!

Now, Ye Qiubai has come to the main courtyard of Tibetan Taoist Academy!
