

My Disciples 851

Chapter 851 Haotian Shenzong! (34)

Haotian God Realm.

More than half of the first-rate and second-rate forces in the entire high-latitude boundary have gathered here!

are all here for the weird fluctuations in the space here.

After all, the heart of space is still very attractive to these forces.

Even if it is a god-level force, it dare not ignore it.

If it wasn't for the involvement of the god-level forces, it would cause changes in the pattern of the entire high-latitude boundary.

I am afraid that these god-level forces will also enter the arena one after another.
certainly.

This is also on the bright side, but secretly, these god-level forces will naturally have a foot in it.

Haotian Banquet does not limit the level of influence.

As long as you come to participate, you can enter the Haotian Banquet.

To know.

In the entire high-latitude boundary, the Haotian Divine Sect is the place where strength is most admired.

The suzerain of Haotian Shenzong, who stands at the peak of the entire high-latitude realm, also said that if anyone can defeat him, no matter the conspiracy or tricks, he will offer both hands to Haotian Shenzong!

In the view of Haotian Shenzong, the able will go up and the weak will be eliminated!

This is not only confidence in one's own strength, but also an incentive for oneself.

It is also because of this that God Lord Haotian is extremely powerful.

Although he cannot be said to be the strongest among all the powerhouses in the Divine Master Realm.

However, all the experts in the Divine Master Realm have said that it's okay to face other Divine Master Realm experts, but they just don't want to face the Haotian Divine Lord...

Haotian Shenyu, a place where the ultimate strength and the iron law of survival of the fittest are brought into full play...

The entire Haotian Shenzong.

Located in the center of Haotian Divine Realm.

The nine outermost mountains are the outer gates of Haotian Shenzong.

And nine high mountains surround a huge suspended city in the middle.

Here is the inner sect of Haotian Shenzong.

The Haotian Banquet was held in the Haotian Palace in this giant city.

Lu Changsheng, Liu Zirui, Huangqian, came here after undergoing a disguise.

According to Lu Changsheng.

Liu Zirui is a five-star deacon in the dark domain, so it is not appropriate to expose it.

Huangqian is the only remaining owner of the Divine Phoenix bloodline in the world today. Once exposed, she will be easily peeped by other forces.

What about Lu Changsheng?

Know everything...

came to Haotian Palace.

There are already people standing around.

Everyone's aura is extremely strong.

Liu Zirui said from the side: "In just such a short time, I have seen several people from the first-class forces come here."

"Front right, the Golden Winged Roc Clan, Hunyuan God Thunder Palace."

"On the left, the Palace of the Dead."

"Straight ahead...Yaochi Fairy Palace."

"These forces seem to be the most competitive at present."

Yaochi Fairy Palace?

Lu Changsheng was slightly taken aback, then looked straight ahead, and saw a woman at a glance.

Although she wore a light veil on her face, it was hard to hide her shocking face.

Who else could it be if it wasn't Ji Qianqiao...

Lu Changsheng couldn't help covering his head, thinking.

Fortunately, I was witty and changed my appearance beforehand.

Otherwise, it will be troublesome later...

But.

I just said these words.

A man with an extremely strong body, wearing a golden battle armor, came to the front of the crowd.

I saw an ordinary-looking round mirror in his hand.

Then he said: "In order to prevent people from other god-level forces from participating in the Haotian Banquet through disguises to cover up their breath, I will use this sky surveying realm to restore the people who have disguises to their real bodies."

Hearing this, Lu Changsheng was dumbfounded, and immediately asked Liu Ziru.

"This sky surveying state, can't really break my disguise?"

Liu Ziru helplessly spread his hands: "I'm afraid it is, unless the senior's disguise technique can reach the level of a **** master, otherwise there is no way."

Hearing that, Lu Changsheng is not well.

I don't go out of the gate all day long, so how could I think of studying a disguise technique!

This disguise technique is just the most common technique in his hands.

If you use your own other means, you may be able to block the investigation of the Sky Surveying Realm.

But this is bound to cause the other party to become suspicious!

thought of this.

Lu Changsheng said that he must study the disguise technique carefully in the future.

This seemingly inconspicuous thing is still necessary at a critical moment...

In desperation, Lu Changsheng, Huang Qian and Liu Ziru had no choice but to remove the disguise.

At the same time, the Sky Surveying Realm also emitted a dazzling light!

Shines on all people.

Immediately, more than a dozen people were exposed to the art of disguise by the Sky Surveying Realm.

at the same time.

Seeing this, the stout man also frowned slightly, and said, "You guys, do you want to go out by yourself or let me do it?"

The dozen or so people were also the strong men secretly sent by the god-level forces.

Hearing the words of the stout man, his face became ugly.

but.

This group of lunatics from Haotian Shenzong didn't dare to provoke them directly, so they had to leave in a hurry.

Yaochi Fairy Palace side.

Ji Qian Yao kept looking left and right.

attracted the attention of the elders leading the team.

The elder saw this and asked: "Saint, are you looking for someone?"

Ji Qian Yao nodded without hiding anything when she heard the words.

She came here precisely to find out if Lu Changsheng was there.

It's just a pity that after Lu Changsheng took off his disguise, he hid his aura to such an extent that these strong men couldn't detect it, and hid it among the crowd.

The elder said helplessly: "Saint, since you asked to come over, you must first pay attention to any competitors who are threatening."

But seeing Ji Qian Yao's restless appearance, the elder could only smile wryly and shake his head.

At the same time, I was extremely curious.

Who is it that can make the saint, Ji Qian Yao, whose beauty talent is very famous in the entire high-latitude realm, pay so much attention to it.

...

The direction of Hunyuan God Thunder Hall.

Deng Qiu glanced around and said: "It seems that there are quite a lot of competitors this time, such forces as the Yaochi Immortal Palace, the Golden Winged Peng Clan, and the Necromancer Palace have all come."

Then he looked at a young man in a purple robe behind him, and said, "He Lian, this time we are not only competing for the opportunity to investigate in the Haotian God Realm, but also to demonstrate the strength of my Hunyuan God Thunder Palace. understand?"

However, when he asked these words.

Seeing that He Lian's gaze has been falling in the direction of Yaochi Fairy Palace, without a single trace of averting his gaze.

Also didn't seem to hear what he said.

Deng Qiu, as the Great Elder of Hunyuan Divine Thunder Hall, naturally knew something about He Lian, a proud disciple like He Lian.

So he was not angry, but said helplessly: "He Lian, when your realm is high enough to look down on everyone, can't you just rub your hands to get a mere fairy girl?"

He Lian nodded.

Gold-winged Roc clan.

Everyone revealed unruly eyes, constantly looking around.

"Young master, do you have confidence?"

Beside Jin Wuwu said proudly: "Of course there is no problem in winning the seat. Among them, He Lian and the lunatic in the Necromancer Palace are just a little troublesome."

At this time.

The stout man standing at the front said: "Since everyone is here, it's time to talk about the rules of the Haotian Banquet."

Chapter 852 Top Ten (44)

Haotian Banquet.

From the name, it seems to be just a banquet.

However, how could it be possible for you to enjoy the banquet in peace and harmony in a place like Haotian Shenzong, which is completely respected by strength?

Just listening to Ding Wei standing at the front, Lang smiled and said: "Since everyone is willing to abide by the rules of our Haotian Shenzong, you must also have confidence in your own strength."

"First of all, let me declare that the Haotian Shenzong will not participate in the snatching of the heart of space, so this banquet, the people of the Haotian Shenzong will not end."

"Of course, if you want to challenge my Haotian Shenzong by name, then we will naturally not refuse."

Hear here.

Everyone nodded.

Since Haotian Shenzong said so, he will definitely abide by it.

This is everyone's trust in Haotian Shenzong.

Let's talk about which sect dislikes playing tricks the most.

Then there is only Haotian Shenzong.

What they advocate is frontal combat.

As for the machinations?

They disdain.

is also not necessary.

"There are only ten sects who can enjoy the Haotian Banquet." Ding Wei pointed behind him.

There, set ten top positions.

In front of each high-ranking chair, there are all kinds of delicacies.

Ding Wei continued: "At the same time, for the sake of fairness, let's take the first five seats and restrict the juniors at the God King Realm and below to compete."

"As for the top five, all Taoist friends at or above the Divine Emperor Realm can participate."

(for easy viewing, let's mention the high-latitude realm again: the realm of the gods, the realm of the gods, the realm of the gods, the realm of the gods, the realm of the gods)

As for some people worrying about whether there will be strong people from the Divine Master Realm participating.

I'm afraid no one in the God Master Realm can pull this face off...

oh.

Except Lu Changsheng.

"Everyone, as long as one person occupies one of the top ten seats, then your power can enter the Haotian God Realm to investigate space changes."

but.

Everyone also noticed a loophole in Haotian Shenzong's words.

I don't know if it was a mistake or it was intentional.

That is the top ten chairs, and there is no restriction that only one person from the same faction can sit on it.

That is to say.

Even if these ten top positions are all strong from the same faction, there is no problem.

This moved the hearts of those first-class forces.

Investigate space changes.

If it is really related to the heart of space.

Naturally, the fewer people who know about it, the better!

so.

Among the top ten seats, there must be a situation where one force occupies more than one seat.

Seeing everyone's eager expressions, Ding Wei grinned and said: "The Haotian Divine Realm welcomes the strong, and the Haotian Divine Sect respects the strong. Since everyone is ready, then move to the Haotian Terrace outside."

Outside Haotian Hall.

Ding Wei groaned and raised his palm slightly.

Immediately.

The tyrannical physical strength actually affected the space!

Above the ground, under Ding Wei's terrifying physical strength, ten huge arenas were lifted from the air!

fell outside Haotian Palace!

This also made all the forces marvel at the tyrannical physical power of Haotian Shenzong.

Haotian Shenzong.

It is not without reason that it can become one of the strongest forces in the high-latitude boundary.

"Occupy the ring, the moment the bright sun rises tomorrow, those who stand on the ring will be able to sit in the Haotian Banquet!"

After finishing speaking, Ding Wei stood on the dome of Haotian Temple, overlooking the ten rings.

And at first.

No one acted rashly and occupied the ring.

The first person to occupy the ring means to experience the baptism of the wheel battle.

Lu Changsheng looked at Huang Qian and Liu Ziru, and said, "It shouldn't be a problem for the two of you to occupy a ring."

Huang Qian nodded calmly.

Liu Ziru smiled wryly: "Senior, don't mention whether I am an opponent of other God Emperor Realm, I represent the Dark Realm!"

Lu Changsheng said indifferently: "It's okay, anyway, you will tell me the information you inquired about."

Liu Ziru: "???"

Are you so confident that I won't conceal information?

Lu Changsheng smiled strangely and looked at Liu Ziru.

This smile made Liu Ziru's back a little cold...

"Over the years, I have also made your strength improve by leaps and bounds, right?"

Liu Ziru nodded with a wry smile.

"If it wasn't for me, you wouldn't have stepped into the so-called God Emperor Realm so quickly, right?"

Liu Ziru immediately raised his hand and said, "Okay, Senior Lu, I understand. I represent the Cottage in this Haotian Banquet!"

Lu Changsheng nodded in satisfaction, and patted Liu Ziru on the shoulder: "This is my big brother... Ah no, a good tool... No, no..."

What identity should Liu Ziru be given?

Lu Changsheng couldn't think of it for a while.

While Liu Ziru on the side was crying in his heart, he said at the same time: "Okay, Senior Lu, it's not hard to think for you."

The more you say this, the more outrageous it is, the more you think about it, the more it hurts my fragile heart!

While they were talking.

Jin Wuwu of the Golden Winged Roc clan jumped up first, and stood firmly on the next first ring!

Immediately looked at the person below with a rebellious expression.

laughed sarcastically: "You have to look forward and backward when fighting, and think about this and that. With your mentality, you still want to become a top powerhouse?"

The Golden Winged Roc clan was already famous for its unruly nature.

Ding Wei at the top saw this scene and couldn't help nodding in appreciation.

Although it will be a disadvantage if you go first.

But if you don't even have this kind of courage, how can you reach the top?

Everyone saw that the gold is endless.

They all looked solemn.

Gold-winged Roc clan, ancient animal bloodline.

Among the first-class forces, it is also the mainstay.

The young master is infinitely rich, and even more so, he is extremely talented and evil.

Now it has reached the late stage of God King Realm!

However, with his Golden Winged Roc bloodline, it is difficult for anyone to compete with him in the late stage of the God King Realm!

And after listening to the endless words of Jin.

He Lian also came to the arena next to Jin Wuxi on the Hunyuan God Thunder Hall side.

In the Necromancer Palace, Bone Thorn, known as the Son of Death, also quietly appeared in one of the arenas.

As for the Yaochi Xiangong side?

Ji Qian Yao seemed to have turned into a flying fairy.

White silk and satin fluttered, connecting to the first ring under one of them.

Ji Qian Yao floated onto the silk and satin, moving lightly with lotus steps.

Step by step, like a fairy in the sky, he stepped onto the ring.

Seeing Ji Qian Yao.

Countless people showed obsessive expressions.

Even He Lian stared at Ji Qian Yao closely.

But Ji Qian Yao didn't pay attention, but raised her head and looked at the top five rings that were still vacant.

As if waiting for someone to appear.

She came here precisely for Lu Changsheng.

pity...

Lu Changsheng didn't even want to make a move at this stage!

Lu Changsheng is such a thief...

Those so-called ones who can't reach the top without making the first move?

To Lu Changsheng, it was all bullshit.

Take fewer shots if you can.

It would be better if you don't make a move!

As long as Liu Zirui and Huang Qian can occupy the seats, it will be fine.

After all, Lu Changsheng does not want Ji Qian Yao to discover his existence...

[Chapter 853: Huangqian shot](#)

Out of the first five arenas, four of them have already been occupied by Tianjiao's children from the first-class forces in all directions.

Whether it is the Jin Wuwu of the Golden Winged Roc clan.

Or He Lian from Thunder Palace of Hunyuan God.

Bone Thorn, son of death in Necromancer Palace.

It is also the holy maiden Ji Qian Yao of the Yaochi who is known as the number one beauty of the young generation in the high-latitude realm in the Yaochi fairy palace.

They are all well-known young talents in the entire high-latitude realm.

All have reached the realm of the **** king!

For a while, no one challenged the four of them to the arena, and they were still observing the movements of the others.

Only the last ring for the first place, someone stepped on it, and someone immediately challenged it.

Let's look at the top five rings again.

Still vacant.

It seems that they are not in a hurry.

After all, the first place in the arena is for the God Emperor Realm powerhouses.

The God Emperor Realm powerhouses present said there were no more, and no less.
aside.

Huang Qian glanced at Lu Changsheng and asked, "Can you make a move?"

Lu Changsheng rolled his eyes and said, "If I do it myself, why would I bring you out?"

"Then shall we go up now?"

Lu Changsheng spread out his hands and said: "It's up to you, if you think you can stand the wheel battle."

The voice just fell.

Huangqian's figure disappeared in place like a flame extinguished.

at the same time.

The first place on the stage was the first ring, and a flame that seemed to burn the sky and the earth appeared out of thin air!

In the surprised eyes of everyone.

Huang Qian's figure emerged from the flames.

When some veteran powerhouses looked at the flame, they were slightly taken aback.

Nirvana fire?

Only those with the blood of the Phoenix can cast it.

But.

In their thoughts.

Whether it is the phoenix or the dragon clan, they have already withdrawn from the stage of history, and have been completely annihilated in the long river of history.

In ancient times, the clan was exterminated because of the dragon and phoenix war!

so.

In their view, Huangqian was able to use the fire of Nirvana, it should be the inheritance left by the Phoenix family!

But, even so.

A person who possesses such a top flame as the Nirvana Fire is not an easy existence!

at the same time.

Deep in the Haotian Divine Sect.

There was a burly man with bare arms and a height of one foot, who suddenly stopped practicing boxing.

If someone is watching, you can see the person's whole body, even if there is no movement, the space is distorted!

This is not caused by the powerful and thick aura.

But pure physical strength!

While the muscles of the whole body breathe, it can cause the space to tremble!

The only one who can do this is the Lord Haotian...

I saw the gaze of God Lord Haotian, as if traveling through thousands of miles of space, and cast it in the direction of Haotian Palace.

murmured: "The fire of Nirvana? No...it's stronger than the fire of Nirvana..."

When talking about this, God Lord Haotian suddenly grinned: "It's interesting..."

At this moment, the arena outside Haotian Palace.

The first five arenas on the top are also full of people.

Except for Huang Qian, the other four arenas are all people from the God Emperor Realm, two of them are late God Emperor Realm and two are mid God Emperor Realm.

Lu Changsheng looked at Liu Ziru who was on the side, and asked, "Huangqian is already on, why don't you go?"

Liu Ziru rolled his eyes and said, "He is the peak of the God Master Realm! I am a small God Emperor Realm, why are you so anxious to join in the fun?"

"Although under your 'protection', Senior Lu, you can bump into people in the late stage of the God Emperor Realm, but you can't stand the wheel battle!"

Love these two words, Liu Ziru said it through gritted teeth.

Although it has greatly improved Liu Ziru's own strength.

However, the process was inhumane!

...

At the moment.

Suddenly someone jumped up.

directly landed on Huangqian's ring.

When the people below saw this, they all had solemn faces.

"Deng Qiu, the Great Elder of the Hunyuan God Thunder Palace..."

"I didn't expect that the Thunder Hall of Hunyuan God would make a move so quickly, and directly occupied two seats."

On one side is He Lian who is in the first place, and on the other hand is Deng Qiu who is in the first place in the ring.

"It seems that Hunyuan God Leidian wants to show his strength in this Haotian Banquet."

Deng Qiu, as the Great Elder of Hunyuan Divine Thunder Palace, naturally possesses the strength of the peak of the God Emperor Realm.

It can be said.

It is second only to the Divine Master Realm!

I saw Deng Qiu looking at Huang Qian in front of him, and said lightly: "Fire of Nirvana? It seems that your luck is good, but with your strength in the late stage of the God Emperor Realm, maybe you can only stop here."

According to Lu Changsheng's intention.

Huangqian suppressed her strength at the peak of the God Master Realm to the late God Emperor Realm.

In this way, it will not be too eye-catching.

And Huang Qian, who has the blood of the Divine Phoenix, the blood of the Five-clawed Golden Dragon, and the blood of Lu Changsheng.

Even God Lord Haotian, who is in the state of suppression, can't see the slightest clue without using all-out perception!

Deng Qiu looked at Huang Qian's expressionless face, and slowly drew out a spear.

On the spear, surrounded by world-destroying thunder!

The moment when the spear was drawn out.

Between the sky and the earth, everything seemed to be darkened, and the thunder kept roaring in this space!

"If you make a move when the Haotian Banquet is about to end, you may be able to occupy a seat, but now..."

Say it.

Deng Qiu raised his spear and stomped his right foot on the ring!

In an instant!

Thunder continued to crawl on the ground of the entire arena, and soon covered the entire arena!

Immediately.

These lightning currents are like vines covering the sky, winding towards Huang Qian!

at the same time.

Deng Qiu didn't seem to want to give Huang Qian any chance.

While the thunder vines were entangled towards Huang Qian, they held a long spear and rushed towards Huang Qian!

When everyone saw this scene, they couldn't help shaking their heads slightly.

"Deng Qiu didn't intend to hold back at all."

"It's normal. After all, there may be people who will challenge you later, so using all your strength to resolve the battle as quickly as possible is the best way."

"What's more, with the fire of Nirvana, if you can't kill with one blow, then you can recover at an extremely terrifying speed."

The fire of Nirvana, rebirth from Nirvana.

Immortal soul can reach the point of immortal body!

And Huang Qian looked at the twining thunder vines in front of her and the approaching long spear flashing the world-destroying thunder.

His complexion didn't fluctuate in the slightest.

Slightly raised her slender hands.

The seemingly delicate arm erupted a vortex of flame at this moment!

The flame vortex turned into a storm, sweeping the surrounding thunder vines inside, and instantly burned them to ashes!

at the same time.

The gushing flame vortex was also engulfing Deng Qiu!
thought.

Deng Qiu can directly break through the flame vortex.

I never thought about it.

The spear in Deng Qiu's hand landed directly on the ring.

The figure was swept out of the ring by the vortex!

Without the slightest ability to fight back...

Chapter 854 Liu Ziruo Appears

I saw the powerhouses of various forces below the ring.

The first five young Tianjiao in the ring.

and the other top God Emperor Realm powerhouses.

All set their eyes on the arena where Huang Qian was.

There, a storm of flames swept across the arena!

Even the space within the Haotian Divine Sect was continuously distorted by the vortex of flames condensed by the fire of the Divine Phoenix, and it was on the verge of collapse, as if it would collapse in the next moment.

The entire sky is also set off in a bright red.

It's as if the flames are destroying the city!

However, what frightened them most was that.

As the Great Elder of Hunyuan Divine Thunder Hall, the peak of the God Emperor Realm, second only to the powerhouse below the God Master Realm.

But in the hands of this unknown woman, she was defeated and quit the ring!

To know.

Anyone with a discerning eye could see that Deng Qiu didn't hold back this blow.

Has exerted all his strength.

But even so, under the fiery storm of the woman in red, without the slightest resistance, she was swept out of the ring!

On Deng Qiu's purple robe, the flames attached were like tarsal maggots. No matter how Deng Qiu used the principles of thunder and huge aura to dispel it, the effect was still very little!

"Who the **** are you?!"

Deng Qiu, who was swept away, had a terrified expression on his face. While resisting the fire of the Divine Phoenix on his robe, he said in horror: "How can you achieve this step only with your strength in the late stage of the Divine Emperor Realm?"

Huangqian didn't answer, but made a move with one hand.

In a short time, the fire of the Divine Phoenix that Deng Qiu could not dispel was taken back by Huang Qian.

After all, there is no enmity or grudge, so there is no need to make things difficult for him.

Everyone looked at this scene with solemn expressions.

The strength of the late God Emperor Realm.

It can make a strong man at the peak of the God Emperor Realm have no resistance at all.

And looking at the plain expression of the other party, it seems that he didn't exert his full strength!

Even Ding Wei, who was standing on the Haotian Temple, had a slight solemnity in his eyes.

He was thinking, with his strength at the peak of the Divine Emperor Realm, whether he could resist Huang Qian's Divine Phoenix Fire!

the answer is negative.

His strength, to a certain extent, may be stronger than Deng Qiu, but his strength is also very limited.

The other party obviously didn't use all their strength!

"Could it be a genius who is not born in a certain god-level power?" Ding Wei stared at Huang Qian closely, his eyes puzzled: "But he can use the fire of nirvana. As far as I know, there is no such person in other god-level powers." The presence..."

If it is a person with a god-level influence, a strong person who has reached this level, Ding Wei is confident, it is impossible not to know him!

On the other side, He Lian, who was standing on top of the first five rings, just knocked a person of the same level off the ring.

Seeing this scene, his eyes were solemn.

Originally, the plan of Hunyuan God Thunder Hall was for him and the Great Elder Deng Qiu to occupy the two rings first.

The rest of the people will choose opponents to challenge at the last moment and occupy as many seats as possible!

In this way, not only can more competitors be kicked out, but also the prestige of Hunyuan God Thunder Palace can be enhanced in this Haotian Banquet.

Planable is wonderful.

The reality is so cruel.

But the first step was ruthlessly broken!

Below the arena, Liu Ziru looked at Huang Qian's figure surrounded by the fire of the Divine Phoenix, and couldn't help but sigh with emotion: "As expected, having the strength of the blood of the Divine Phoenix is really domineering."

"Senior Huang can go out and do it alone..."

The strength of the peak of the Divine Master Realm has already stood at the peak of the high-latitude realm.

He even has the blood of the Divine Phoenix.

Such a person, with a wave of his arms, I don't know how many strong people will join her, and then establish a new god-level power to break the existing pattern!

Suddenly, Liu Ziru felt a chill on his back and a shudder in his heart.

subconsciously looked to the side.

I saw Lu Changsheng's eyes full of murderous intent turned sideways.

It's over...

I said the wrong thing...

I saw Lu Changsheng with a "kind" smile on his face, and said, "You talk a lot, it should be too leisurely, why don't you go up and find someone to challenge?"

joke!

Huangqian is the little bird he raised with his own hands, and the thug who spent so much energy to create... Oh no, tool man... is not right either.

Well, it doesn't matter.

In case Liu Ziru said something, Huang Qian would have the idea of establishing his own family.

Isn't there a tool man missing?

This is not going to work.

Liu Ziru heard Lu Changsheng's words, and seeing Lu Changsheng's kind expression, he could only lower his head and retreat behind Lu Changsheng.

In a tone of extreme grievance, he said in a muffled voice: "I was wrong, I'm sorry..."

...

At this moment, Haotian God Realm has entered the night.

However, the challenges on the ten arenas are still in full swing.

passing of the times.

There are only two hours left before Yaoyang rises.

At this stage, most people can no longer sit still and start attacking people in the ring!
in.

Go to the first five arenas.

The Tianjiao evildoer of the first-class forces in the Quartet is also well-deserved.

Whether it is He Lian, Bone Jing, or Jin Wuwu, they are still standing in the ring.

Among them, the most surprising one is actually Ji Qian Yao, the saintess of Yaochi.

The other three people were physically injured, and their breath trembled a little.

And what about Ji Qian Yao?

Even the corners of the clothes are not damaged, and the breath is still stable!

The wisp of purple breath lingering around him is extremely mysterious, as if it contains the power of the rules of the whole world.

It's the majestic purple energy!

During this period of time, although the ray of primordial purple energy given by Lu Changsheng has not been completely refined.

But still absorbed a little.

Relying on the power of the primordial purple energy, Ji Qian Yao shines in the arena!

The top five arenas.

The personnel of the four arenas except Huangqian are constantly changing.

But Huangqian, no one dared to challenge.

After all, even Deng Qiu, the Great Elder of Hunyuan God Thunder Palace, is not an all-in-one enemy.

The opponent can't catch a single blow.

What about other people?

Liu Ziru looked at the time, and then said: "Senior Lu, I'm going too."

Lu Changsheng nodded slightly.

It is also the last moment.

So, Liu Ziru picked a strong man in the mid-stage of the God Emperor Realm, and jumped up!

experienced Lu Changsheng's training.

Liu Ziru had already broken through to the early stage of the God Emperor Realm at the beginning of the half-step God Emperor!

With Liu Ziru's current strength combined with the means of the dark field.

It is not difficult to deal with a mid-stage God Emperor Realm powerhouse.

The other party is an elder of Hunyuan God Thunder Hall.

Seeing Liu Ziru, he couldn't help frowning and asked, "People from the early stage of the God Emperor Realm also come to join in the fun?"

Liu Ziru did not speak.

Been by Lu Changsheng's side for a long time.

It also made Liu Ziru's character gradually get closer to Lu Changsheng.

for example.

During battle, people who talk more tend to die faster.

If you can suppress the opponent with all your strength, don't leave room for it.

Maybe the other party has a hole card?

As a result, Liu Ziru's palm shook.

In an instant, a dark cage surrounded the two of them, instantly eroding the entire arena!

See this scene.

The strong men of some forces are all shocked!

This is the method of the dark field!

Chapter 855 Targeting Liu Ziru?

Liu Ziru's attack also shocked everyone.

On the ring, shrouded in darkness, the powerhouse whose realm is lower than the God Emperor Realm can't perceive it at all.

at the same time.

The man in the middle of the God Emperor Realm who was shrouded also had dignified eyes.

Everything around, where the eyes look, is darkness.

Even if it releases the power of the soul to perceive.

The distance that can be perceived is also extremely limited.

At this time.

in front of him.

A dragon's roar lingered in my ears!

The man's face was startled, the source of the voice was behind him!

So the man turned around quickly, waved a spiritual energy barrier, and stood up like a high wall.

However, the moment when the man defended behind.

A dark shadow approached quietly.

appeared on the other side of the man.

Immediately, a bright silver dagger shone with silver light, and a sharp cold front pierced into the man's vest!

The man's expression froze.

Breath quickly weakens!

At this point, the darkness surrounding the arena quietly dissipated.

Everyone also saw this scene, and they all looked dignified.

Another cross-border operation.

With the strength of the early stage of the God Emperor Realm, Liu Ziruo defeated an opponent in the middle stage of the God Emperor Realm in such a short period of time...

However, this also benefited from Liu Ziruo's cultivation in the thatched cottage.

Intense aura, the ubiquitous power of Taoism, the power of the rules of heaven and earth.

Let Liu Ziruo's dark power get a qualitative leap.

Otherwise, I'm afraid I won't be able to defeat the opponent so easily.

certainly.

If the opponent is a strong man in the late stage of the God Emperor Realm.

Then, the effect of Liu Ziruo's dark power will become negligible.

Fight across two realms.

Or God Emperor Realm?

Counting down the entire history, there will be no more than one hand.

At this time.

Deng Qiu below looked at this scene, his face was still a little pale, obviously he had not fully recovered from his injuries after the battle with Huang Qian.

"This person seems to be with that woman?"

Deng Qiu looked at Huang Qian, who had a calm expression on the other ring, and said with a gloomy expression, "Because of her, our plan for Hunyuan God Thunder Hall failed."

"Since that's the case, even if you can't trouble her, let's kick this early God Emperor Realm person off stage..."

Hearing Deng Qiu's words, several elders who were waiting beside him nodded.

And these people, the lowest level is only the middle stage of the God Emperor Realm, and the other four have reached the late God Emperor Realm!

As the top force among the first-class forces, the background of Hunyuan God Thunder Hall is obviously not too weak.

For the heart of space, the Hunyuan God Thunder Palace is even more inevitable!

It is at this moment.

The God Emperor Realm powerhouses on the side of Hunyuan God Thunder Palace started to move.

They are not looking for multiple targets.

Instead, they came to Liu Ziru's ring one after another.

Watching this scene.

People from the rest of the forces were stunned, and then discussed with great interest.

"It seems that the people in Thunder Palace of Hunyuan God don't plan to let it go."

"Hehe, Deng Qiu, as the Great Elder, was kicked down like this without saving any face. Doesn't he have to get his place back?"

"This Hunyuan God Leidian already holds grudges, so it's normal."

Ding Wei in Haotian Temple naturally also noticed this scene.

But he didn't stop it.

When explaining the rules, it only mentioned the start and end time, as well as the realm, and did not limit other things.

The Hunyuan God Leidian's approach obviously did not go beyond.

In the arena beside Liu Ziru, Huang Qian frowned as she watched this scene.

However, she has now occupied a ring, if she goes down, it means elimination, and she will have no chance to challenge again.

Can't help Liu Ziru.

Looking at this scene, Lu Changsheng frowned slightly.

Still being targeted?

The opponent has four late-stage God Emperor Realm players and one mid-God Emperor Realm player.

With Liu Ziru's current strength, there is obviously no way to deal with it.

However, Lu Changsheng has no intention of making a move for the time being.

Rules.

As long as Huang Qian is still on stage, she will have a spot.

As for the Hunyuan God Thunder Hall, will it interfere in the process of searching for clues when entering the Haotian God Domain?

If not, that's fine.

Once interfered.

Let's finish the opponent in the Haotian God Realm...

People who can't even beat Huangqian, isn't it a matter of sprinkling water to kill them?

The only thing to pay attention to is not to be noticed by the Haotian Divine Lord of Haotian Shenzong.

At the moment.

In the arena.

A strong man in the late stage of the God Emperor Realm stepped onto the ring.

Obviously.

The other party didn't want to give Liu Ziru any chance!

The elder in the late stage of the God Emperor Realm sneered and said, "Why don't you go down by yourself? Maybe you won't be injured, maybe you won't be in danger of your life."

Hearing what the elder said, Liu Ziru smiled softly, and gently stroked and wiped the bright silver dagger in his hand with the palm of his hand.

Then raised his head to look at the elder of Hunyuan God Thunder Palace, and said softly: "Maybe it's not your opponent, but it may be whimsical for you to kill me."

"What's more, if you withdraw timidly and voluntarily, wouldn't you fall into the scheme of your Hunyuan God Thunder Hall?"

obviously.

If you show weakness, take the initiative to jump off the ring.

Then this also demonstrates the strength of Hunyuan God Thunder Palace.

Liu Ziru, as a five-star deacon in the dark domain, can still think of this level of trickery.

After listening to Liu Ziru's words, the elder's eyes narrowed, and then he laughed and said, "Even so, so what? After crushing and defeating you, I can still demonstrate the prestige of my Hunyuan God Thunder Palace!"

After finishing speaking, the elder raised his finger slightly.

Suddenly there was lightning and thunder between heaven and earth!

A series of thunderbolts with thick arms continuously fell on the ring!

Seeing this, Liu Ziru's eyes moved slightly, and he stepped on the elegant posture, constantly dodging the falling thunder power!

Elder obviously didn't think that Liu Ziru could be defeated with just such a few tricks.

Suddenly, he let go of his palm and poked towards Liu Ziru's direction!

Then suddenly grabbed it!

One time.

The thunder that kept falling down was like a cage.

Trapped Liu Ziru's figure in it!

"So, you won't be able to use the assassination method?"

In the previous battle.

Liu Ziru's style of play is obviously assassination.

The assassin's aggression and speed are far superior to those of the same realm.

However, there is also a fatal weakness.

Once trapped.

It's like hitting a snake to hit seven inches.

The means of assassination will be restricted by as much as 80%!

But.

Liu Ziru didn't show any panic on his face, instead he said something inexplicable.

"Following by the side of the senior, there is a qualitative leap in strength, but it is not here that makes me feel most useful."

Hearing Liu Ziru's words, the elder frowned and said, "What nonsense are you talking about?"

"I mean, sometimes you have to hide some tricks..."

Chapter 856 Liu Ziru's ultimate move, dark spirit replacement!

Following Lu Changsheng for so long.

In addition to the improvement of the realm and the power of Taoism.

It was more influenced by Lu Changsheng's way of doing things!

During weekdays.

Lu Changsheng taught his disciples, and some ways to deal with things.

Generally, they will not take the initiative to cause trouble, but once the karmic hatred is formed.

Then Thunder must make a move. While beheading the opponent, it is best to cover up some hole cards.

After all, no one knows whether the other party has any other backers.

At first, Liu Ziru sneered at Lu Changsheng's actions.

But for a long time, Liu Ziru gradually understood and agreed with Lu Changsheng's approach!
and put it into action.

...

Liu Ziru's words made the elder of Hunyuan God Thunder Palace feel a little baffled.

I don't know what it means.

But, this moment.

Elder also understood the meaning of Liu Ziru's words.

I saw Liu Ziru, who was originally trapped in the cage of lightning, turned into a mass of darkness!

Then disappeared in it!

The elder's eyes froze slightly.

Almost in the blink of an eye, his heart was filled with a chill!

In the split second when the chill fell, a bright light flashed above the elder's head!

Liu Ziru's figure suddenly appeared above the elder.

Holding a bright silver dagger, he swooped down in a very strange posture!

pity.

It is only **** away from the elder Tianling Gai.

A thunder shield appeared out of thin air, resisting Liu Ziru's dagger!

The elder just showed a sneer, the moment he wanted to ridicule.

Puff!

A line of blood burst out from behind the elder!

The elder's eyes were fixed, and then he turned into a thunderbolt and fled from the spot!

When he showed up on the other side.

His face was a little pale, and his eyes were extremely ugly!

Looking at Liu Ziru who was standing where he was standing just now, he said in a serious tone:
"You are fine...you succeeded in angering me."

Behind the elders.

The purple robe was scratched.

In the middle of the opening, there is a deep wound with bone visible!

The people below saw this.

also froze for a moment.

Liu Ziru's method just now surprised them, the powerhouses of the God Emperor Realm.

First of all, by some means, appear above the heads of the elders in the Thunder Palace of Hunyuan
God to sneak attack!

But.

Liu Ziru's first sneak attack was also a cover-up.

It seems that they know that the other party will be on guard.

Immediately after.

While the elder was defending Liu Ziru's first surprise attack.

seized the gap in the other party's mind.

Thinking that Liu Ziru has no backup.

A bright silver dagger appeared like a ghost, and a silver light was drawn from behind the elder!

Like teleporting, Liu Ziru's figure appeared behind the elder at the same time, wounding him!

Two sneak attacks.

It can be said that it is hard to guard against!

Even if it has crossed two realms.

Still hurt by Liu Ziru!

Looking at this scene, the corners of Huang Qian's mouth slightly raised.

whispered: "If you can't even do this, it's useless to stay by his side..."

Ding Wei also touched his chin and grinned: "Although there is a suspicion of sneak attack, it is also
interesting to be able to injure the opponent when the realm is so far behind..."

Lu Changsheng looked a little depressed.

Why was this guy stealing his teacher?

If he returns to the Dark Realm, wouldn't he be at a loss?

Think here.

Lu Changsheng shook his head and said, "No... Before that, I have to squeeze Liu Ziru dry... Let him be a tool man a few more times..."

If Liu Ziru knew what Lu Changsheng was thinking.

I'm afraid I'll have to flee back to the dark realm overnight...

And at this moment.

Deng Qiu below, as well as the other four elders watching from the side, all had gloomy faces...

Original plan.

Just let him crush and defeat Liu Ziru!

In this way, to demonstrate the strength of Hunyuan God Thunder Palace.

But I never thought about it.

It's fine if you don't crush the opponent.

Instead, he was injured by the opponent!

Injured across two realms?

This is already a great shame!

It seemed that he had sensed the angry gaze cast by Deng Qiu.

The elder also had an ugly face and said: "I didn't intend to kill you at first, but you don't know the good and the bad, and you insist on being a car with your arms, then there is no way..."

Speaking of which.

The elder clasped his hands together.

Immediately.

A series of lightning currents surrounded the elder's body!

formed a thunder armor!

This is to prevent Liu Ziru from using some means to attack again.

at the same time.

behind it.

The power of thunder began to gather continuously.

Thunder Road is full of them!

Gradually, a thunder giant, as if about to rush into the clouds, stood on the ring!

After performing this trick, the elder's face became obviously weaker!

"If you can force me to sacrifice Fudo Myo-o, you deserve to die."

The elder said with a sullen face, and then pushed out a palm towards Liu Ziru!

at the same time.

Behind him, King Fudo Ming also followed closely, and went towards Liu Ziru to suppress it with a palm!

In an instant, the thunder continued to fall like a rainstorm!

Thunder Prison came to the world!

Liu Ziru looked up at the huge palm with a serious expression on his face.

"Fudo Mingo... the strongest divine art of Hunyuan God Thunder Hall..."

It is rumored.

In its heyday, the Thunder Palace of the Hunyuan God had a strong man in the God Master Realm.

Unmoved King Ming was created by the powerhouse in the Divine Master Realm at that time.

Its level is the god-level magic.

so.

The elders in the late stage of the God Emperor Realm use this trick, which makes it so difficult!

Even so.

But its power is even more astonishing!

Liu Ziru didn't just quit.

The cold light dagger in his hand disappeared.

murmured in a low voice: "Even so...you have to try."

Finished speaking.

A force of darkness surged out from Liu Ziru's body!

Immediately.

Under everyone's horrified eyes, Liu Ziru rushed towards Fudo Ming's suppressing giant palm!

Darkness follows!

The elder looked at this scene, and sneered even more: "Moths rush to the flame, and gnats shake the tree!"

Boom!

Under the giant palm.

Liu Ziru crashed into it!

Not surprisingly.

In just an instant, Liu Ziru's face turned pale, and a mouthful of blood spewed out wildly!

But he was not killed or sent flying!

Instead, the body was surrounded by darkness at this moment!

A low roar came from the darkness!

"Dark Soul Replacement!"

The voice just fell.

Behind the elders.

A cold light dagger surrounded by darkness suddenly appeared!

The elder didn't move when he noticed it, and sneered, "How did you break my armor?"

However, the voice just fell.

A huge force pierced the elder's chest directly!

A ray of cold light pierced through the elder's dantian!

On the dagger, in addition to the power of darkness, it also has the same power of thunder as Fudo Myoko!

The elder looked down at his dantian in disbelief.

I... was actually abolished by a person at the beginning of the God Emperor Realm?

Chapter 857 After you sing, I will appear on stage!

Liu Ziru.

Can become a five-star deacon in the dark domain.

is also the youngest five-star deacon in the history of the dark field.

There is no trace of worldly sophistication in this.

It is entirely due to Liu Ziru's extremely outstanding talent.

What's more, Liu Ziru was originally a member of the Liu family's Tianjiao level.

Before joining the Dark Realm, he was the heir of the head of the Liu family, not one of them!

Just follow Lu Changsheng's side.

There is no chance to show his strength, which makes Liu Ziru look like there is nothing outstanding.

Dark spirit replacement.

When Liu Ziru made this move.

Even Huang Qian, who was on the side of the ring, showed a surprised expression.

Even if she is the only Divine Phoenix, she has never heard of such a mysterious move!

The rest of the people below were extremely frightened!

Although they don't know how the dark soul replacement can achieve this level.

But no matter how bad they are, they can still see the effect of dark spirit replacement!

Simply put.

It is to absorb the strength of the opponent, so as to return this attack to the opponent in an extremely unexpected way!

They have never even heard of this kind of trick!

At this time.

Liu Ziru was also apathetic, holding on to her blood-covered body, barely standing on top of the ring.

Looking at the elder who had fallen in front of him and was picked up by the rest of the Thunder Hall of the Hunyuan God.

Sneered, looked at the rest of the elders, and said, "Continue, come up."

Arrogance!

Chic!

Even if you hold on to your broken body, you must continue to fight with the opponent!
at all costs!

Liu Ziru also played a real fire.

One of the elders in the late stage of the God Emperor Realm also woke up from the panic when he saw this scene.

Immediately, he said with a sullen expression: "You, now, can you still use this kind of self-defeating trick?"

For the replacement of the dark spirit, it seems that one must use one's own body to resist the opponent's attack, so as to be able to return the attack to the opponent.

It can be said.

It is a ruthless move that damages oneself by eight hundred and injures the enemy by a thousand.
certainly.

If the strength of the opponent exceeds Liu Ziru too much.

I'm afraid it's too late to use the dark spirit replacement, Liu Ziru fell first.

Of course, this does not include these elders in the late stage of the God Emperor Realm.

It's just... the other elder also told the truth.

In Liu Ziru's current state.

I'm afraid I really can't use dark spirit replacement anymore.

The other people below shook their heads when they saw this scene.

"He's dying."

"Well, it's a pity that the woman who used the fire of nirvana couldn't help him."

"Are there only two people coming from this force?"

The voice just fell.

At the moment when another late-stage God Emperor Realm elder stepped onto the ring.

Liu Ziru also showed a ferocious smile.

Sudden.

A man in white appeared beside Liu Ziru.

I just heard the man say angrily: "You didn't listen to the sound transmission telling you to go down.
There's no need to put your life here just for this little thing."

The rest of the people were taken aback when they saw the white-robed man.

It seems there are still people.

However, this person's strength is only at the late stage of the God Emperor Realm, so how can he resist the remaining three elders of the late God Emperor Realm and a person in the middle stage of the God Emperor Realm in the Hunyuan Divine Thunder Hall?

Under the wheel of battle, they will also be eliminated!

And down to the top of the two rings.

Jin Wuwu saw the man in white, first showed a look of astonishment, and then smiled helplessly.

Why is he here too...

He is here, I am afraid that even if he enters the Haotian God Realm to search for clues to the heart of space this time, it will not be peaceful...

And another arena.

Ji Qian Yao, the holy maiden of Yaochi, instantly locked her eyes on the man in white.

His eyes are like a hundred flowers blooming, instantly blooming with an amazing look!

The expressionless expression also shows a dazzling smile.

He really came!

Below, the elders of Yaochi Immortal Palace saw Ji Qian Yao's expression.

Looked along the eyes.

Is it this man who made the saint worry about her so much, and moved everyone's heart?

The skin is pretty good, but I don't know how strong it is...

Liu Ziruo looked at Lu Changsheng who was on the side, changed his smirk, revealed a sly smile, and said, "One less competitor is one, so it's better to let the senior take the lead."

Lu Changsheng rolled his eyes.

I didn't want to make a move here.

But he can't just watch Liu Ziruo fall here, can he?

Otherwise, where can I find such an easy-to-use and obedient tool person?

"Okay, go down and rest, and leave the rest to me."

Lu Changsheng's tone cannot be questioned.

The arrogance of Liu Ziruo's body was also instantly extinguished at this moment.

Obediently restraining his breath, he jumped down.

This scene was also seen by the elder standing opposite.

Then he sneered and said, "It seems that you are very confident?"

Give it to him?

Could it be that one person can deal with the four of them?

Aren't you also late God Emperor Realm?

certainly.

If Lu Changsheng deliberately suppressed his realm to this point, I don't know what the elder would think.

Suppressing the realm is also a science.

If too high.

Then you will be overly concerned by other people.
certainly.

If the realm is suppressed to a lower level than the opponent.

That is to defeat four people with higher realms than him with a low realm.

This is even more appalling!

so.

It is more reasonable to suppress in the same realm.

Although winning this wheel battle will also attract attention.

But at least it can alleviate a little "negative effect".

Looking at the elder, Lu Changsheng smiled and said, "Maybe I won't be able to overcome the wheel war, but you? I still have a little confidence."

Hearing Lu Changsheng's words, the elder's face darkened.

"Our realm is at the same level, are you so confident that you can defeat me?"

Lu Changsheng really wanted to pretend to say something at this time.

There is also a gap within the same realm.

But thinking about it, this sentence is a bit too pretentious, so forget it.

So Lu Changsheng didn't say anything more.

Instead, he waved his hand.

behind it.

No.

It should be said that it is the whole sky behind him!

The way of a sword with a handle is condensed into a three-foot green front.

Densely dense, it makes the scalp numb.

Incomparably dense, tens of thousands of handles? Millions of handles?

The blades of all the swords are all pointing at the elder!

See this scene.

The people watching the battle all looked horrified!

If it's just pure sword energy condensation.

Perhaps other sword cultivators in the God Emperor Realm can do it too.

But each of these three-foot Qingfeng.

All are condensed by the way of the sword!

And each sword is extremely solid, as if it is real!

What level of kendo must be achieved to be able to achieve this level?

The elder of Yaochi Fairy Palace also had a shocked expression.

Ji Qian Yao smiled like a flower.

He is still so strong...

So people can't see the depth...

Jin Wuwu was crying and laughing even more.

And at this moment.

Lu Changsheng stood in front of these millions of long swords, and looked at the elder with a frozen face with a light smile on his face.

"Well, I hope you can continue to say this."

Chapter 858 Continue, Master!

At the moment.

Outside Haotian Palace.

Go to the first ring.

Millions of three-foot green spears rushed from the ground into the sky like a high wall rising into the sky!

Put it behind Lu Changsheng.

At this moment, Lu Changsheng is like the king of swords.

The swords of everyone present.

Whether it is a low-level swordsman or a high-level swordsman, the sword around his waist makes a vague sound of sword chant!

The sword edge hidden in the scabbard is trembling constantly!

As if paying homage to Lu Changsheng!

This made the sword repairers all look shocked, and they kept pressing down on the hilts to suppress them and prevent them from rushing out of the scabbard!

Only a sword repairer can understand a sword repairer better.

They know exactly what this means!

So, their reaction was more shocking than other ascetics!

This is the all-round suppression of kendo.

It's not simply for a certain person.

But for all the sword repairs present, for all of their swordsmanship, there is a tendency to crush them.

At the same time, only by mastering the Dao of the Sword can this be done!

But.

Is this something a sword repairer in the late stage of the God Emperor Realm can do?

If this is really the case, then it can only be said that the opponent's swordsmanship talent is definitely unprecedented.

Heard what Lu Changsheng said.

Looking at the millions of three-foot green spears behind him.

The face of the elder of Hunyuan God Thunder Palace changed drastically.

"A sword cultivator who can reach this level, are you a member of Hunyuan Sword Sect?"

Hunyuan Jianzong.

Known as the number one sword sect in the world.

The master of his sword sect is the number one swordsman in the world.

Hunyuan Sword Master!

A powerhouse in the God Emperor Realm who can reach this level in the way of the sword.

They can only go to Hunyuan Jianzong to guess.

Hunyuan Jianzong?

Lu Changsheng had a puzzled expression.

Seeing Lu Changsheng's suspicious gaze, everyone also ruled out this possibility.

That can only be an unborn swordsman.

Elder saw this, although he had already started to retreat in his heart.

But now there is a dilemma.

Retiring will damage the dignity of Hunyuan God Thunder Hall!

Think here.

The elder gritted his teeth and had no choice but to strike first.

Pinch a seal in the hand.

Suddenly, the light of thunder shone, and all gathered on the chest.

A long spear wrapped with the pattern of the brontosaurus appeared out of thin air!

The elder held it with one hand.

One step.

Thunder swirls under the soles of the feet.

Under the blessing of the Dao of Thunder, the elder's figure turned into a lightning bolt like a ghost, and appeared in front of Lu Changsheng in the blink of an eye!

Immediately, holding the spear in hand, frowning, he pierced towards Lu Changsheng's dantian!

Since Liu Zirui smashed the dantian of an elder of their Hunyuan God Thunder Hall, and his cultivation was abolished.

Then this elder also wants Lu Changsheng to try the feeling of being abolished!

Lu Changsheng stood there without moving.

As if under the elder's limit speed, he didn't react.

See it.

The elder held a long spear and pierced towards Lu Changsheng's dantian, showing a sinister smile.

It looks like it's just a show!

And at this time.

Lu Changsheng didn't move his body, but his thoughts moved slightly.

Hundreds of long swords behind him resisted in front of Dantian in an instant!

The elder's thunder spear was resisted by hundreds of long swords, unable to penetrate an inch!

Don't wait for him to think about it.

Crisis looms large.

The elder's face changed drastically, and at the same time, he instantly controlled the thunder to drag his body back, and retreated a hundred meters away!

While he was backing away.

Countless long swords have been inserted where the elder was originally standing!

Lu Changsheng's offensive did not stop.

I saw the moment when his eyes drifted to the elder.

Those millions of long swords moved at the same time at this moment!

turned into a sword shadow and fell towards the position of the elder!

Suddenly, the entire sky seemed to be covered by these millions of long swords.

The soft and cold moonlight was also covered up!

It's pitch black!

Millions of long swords are enough to cover the entire arena!

Today's elders have nowhere to hide, and can only resist the attack of these millions of long swords!

only...

Hard-wired, can you catch it?

Huangqian and Liu Ziru didn't even have any fluctuations in their eyes.

In their view.

Of all the people present, none of them was Lu Changsheng's opponent.

Even if God Lord Haotian came in person, it would be enough...

After all, Huang Qian herself is the God Master Realm, and at the same time possesses the blood of the Divine Phoenix, the blood of the five-clawed golden dragon, and the blood essence of Lu Changsheng!

Even so, when facing Lu Changsheng, Huang Qian didn't feel that she had the slightest chance of winning.

And what about God Lord Haotian?

At this time.

The elder roared angrily.

A thunder giant appeared behind him.

It's really Fudo Myoo!

But.

When the elder urged him to move, the Ming Dynasty attacked with the millions of long swords.

Huge double fists of the brontosaurus coiled around.

Became the only light source under the swords of millions of soldiers!

But.

These huge pair of fists looked terrifying, but under this long sword, they were pierced in an instant!

Just a time when you can't breathe.

Fudo Mingwang's Leiden's body was riddled with holes.

Nothing is perfect.

Finally turned into lightning and dissipated in this world.

The elder looked up at this scene.

He didn't even have time to show other expressions.

was overwhelmed by these millions of long swords...

Submerged in this sea of swords.

This long sword is the tombstone of the elder of Hunyuan God Leidian...

Everyone saw this scene.

For a moment, the entire ring was completely silent, and needles could be heard.

It is also the late stage of the God Emperor Realm.

However, the same script as that of Huangqian was staged.

No...it should be more extreme crushing!

There is no chance of resistance at all!

Above Haotian Palace.

Ding Wei looked at this scene with a solemn expression.

"This kind of strength... even if it is me, I can't continue..."

"Isn't it really the God Master Realm? But, if concealment suppresses the realm, why can't it be detected by the Sky Surveying Realm?"

However, how did Ding Wei know.

The state suppressed by Lu Changsheng and Huangqian, even the Lord Haotian couldn't perceive it...

the other side.

Go to the first ring.

Jin endlessly smiled bitterly and shook his head: "Why does it feel like this time it will be like Mortal Village again..."

Mortal Village.

It was also Lu Changsheng who took the top spot alone.

Ji Qian Yao looked at Lu Changsheng obsessively, if she hadn't wanted to occupy this ring.

I'm afraid he has already rushed to Lu Changsheng's side.

He Lian looked at the elder's defeat with a heavy expression.

When he noticed Ji Qian Yao's gaze, he followed his gaze to Lu Changsheng.

His eyes are even more ugly!

Ji Qian Yao.

Why did you ever show such eyes to other people?

Among the other people, He Lian is naturally included!

On the ring.

Lu Changsheng looked at the people in the Thunder Hall of Hunyuan God, and said indifferently:
"Don't you want to play wheel battle? Go on, Master."

Chapter 859 Huangqian: There is a woman who likes you? !

Maybe Lu Changsheng didn't realize it himself.

Although Liu Zirui is from other forces.

But in the process of getting along these days.

Lu Changsheng no longer regarded Liu Zirui as an outsider.

When Liu Zirui was besieged by the Thunder Palace of Hunyuan God.

Lu Changsheng would also subconsciously feel angry.

A tool man who bullied me in front of Lao Tzu?

So.

Only then did Lu Changsheng strike in anger, but did not hold back his hand.

Under the simultaneous slashing of millions of long swords, the elder of Hunyuan God Thunder Palace could no longer find traces of his existence in body and soul.

Completely annihilated in this space!

This was also the first person to die at the Haotian Banquet.

And Lu Changsheng's move.

It made the faces of the elders of Hunyuan God's Thunder Palace sink, and they were furious!

However, I heard Lu Changsheng calling out.

But no one stepped into the ring...

after all.

None of them were sure to take Lu Changsheng's move just now!

Even if you bite the bullet and go up, I'm afraid it's just a gift.

The Great Elder Deng Qiu's face was extremely gloomy. Looking at Lu Changsheng's figure, he said angrily: "A single fight is no match for us. We will fight against him after we enter the Haotian God Realm."

The rest of the elders also nodded when they heard the words.

It is also the late stage of the God Emperor Realm.

One-on-one is not enough, but siege is always okay, right?

...

When the first ray of sunlight fell on Haotian Temple.

This also means that the top ten chairs of the Haotian Banquet have already confirmed their owners.

The next first place.

The Tianjiao He Lian of the Thunder Hall of Hunyuan God.

The Palace of the Necromancer is known as the Bone Thorn of the Son of Death.

Gold-winged Roc clan, gold is endless.

And Ji Qian Yao, the saintess of Yaochi who is known as the number one beauty of the younger generation.

And surprisingly.

The remaining ring is not the pride of other first-class forces.

Instead, it came from a newly promoted second-rate force, a force that most people have never heard of.

Sheng Tian Dao Zong.

This person not only defeated the other young talents of these four first-class forces.

Even under the wheel of battle, still undefeated!

is a knife repairer named Shen Wuchang.

Has reached the middle stage of God King Realm.

And on the first place.

Lu Changsheng and Huang Qian undoubtedly occupied a seat each.

On top of their ring.

No one has challenged it since then.

joke.

The two of them can easily defeat and kill a strong man of the same realm, or even a higher realm.

How can this be a challenge?

And the remaining three seats.

Yaochi Immortal Palace, the Golden Winged Roc Clan, and the Necromancer Palace all occupied a seat.

At this time.

Ding Wei's voice also spread throughout the ring.

"Fellow daoists who are still standing in the arena can enter the Haotian Palace with the four members of the sect. Others, please leave the Haotian God Realm."

The rest of the forces heard what Ding Wei said.

Although the complexion is a bit ugly.

But they cannot violate the rules established by Haotian Shenzong.

had no choice but to leave here with a sullen face.

"Okay, everyone who stayed, please enter the Haotian Palace for a while."

...

The top ten chairs in Haotian Palace.

At this moment, the ten people in the ring are sitting on it.

And others can only stand behind.

Even if they are seniors, they can only stand behind as followers.

Ding Wei smiled and said: "I still want to congratulate you all for being able to win this competition."

"After enjoying the banquet, I will inform you all about the changes in the space."

After speaking these words.

Ding Wei left Haotian Palace, not knowing where he went.

At the moment.

Above the banquet.

He Lian looked at Ji Qian Yao at the side, smiled and said: "Qian Yao, I didn't expect your strength to increase so much this time. I'm afraid that you are now enough to hit the top 5 in the king list, right?"

King list.

is the entire high-latitude boundary, the ranking of the strong below the God Emperor Realm.

The higher the strength, the higher the ranking will naturally be.

Ji Qian Yao, originally ranked No. 9 on the king list, today's battle, I am afraid that what Lian said will be true, and her ranking will rise a little.

certainly.

Jin Wuwu is the eighth on the king list.

He Lian is the sixth on the king list.

But.

Ji Qian Yao ignored it.

Instead, he stared in one direction with scorching eyes.

He Lian followed Ji Qian Yao's gaze, and his face immediately became gloomy.

It's him again...

Jin Wuwu had a panoramic view of all this, and couldn't help grinning.

He Lian is probably going to die of anger.

After pursuing for so long, Ji Qian Yao has fallen in love with others.

And what about Lu Changsheng?

He naturally knew that Ji Qian Yao had been staring at him.

Just to let the girl get rid of that dangerous idea.

Lu Changsheng had no choice but to remain expressionless.

Keep your eyes open.

Staring at the delicious food in front of him, he kept eating the food.

It seemed that he felt the hatred in He Lian's eyes.

Lu Changsheng sighed in his heart.

Sure enough.

Beauty is a disaster...

At this moment, Lu Changsheng just wanted to say something to Ji Qian Yao.

Girl, what do you like about me?

I can't change it...

Huang Qian was sitting next to Lu Changsheng, seeing this scene, she couldn't help but wondered:
"When did you hook up? There are still women who like you?"

Um?

What are you talking about!

What did you say? !

What does it mean that a woman likes me?

Lu Changsheng wanted to defend himself loudly.

I don't have any worldly desires!

Make yourself look like a woman insulator...

Liu Ziru in the back is looking at the nose with eyes and heart with nose.

His face was pale, but at this moment, his face was a little rosy because of suppressed laughter...

It's not easy for Koyanagi...

Beside and behind Ji Qian Yao, those elders were also full of helplessness.

This has not yet determined the background of the other party.

The saint showed such an expression without any restraint.

It seems that I have to report to the suzerain when I go back...

You know, the saint is the successor of Yaochi Fairy Palace, and her physical talent is expected to hit the realm of the gods!

Now, after possessing the primordial purple energy, the future is even more limitless!

The saintess cannot be allowed to choose a Taoist companion casually.

But as everyone knows.

The primordial purple aura is given by men whom these elders despise...

At this moment.

Ji Qian Yao spoke.

The voice is soft, but the tone is full of resentment and grievance.

It's like a puppy that hasn't seen its owner for a long time.

"Where have you been these days? There is no news of you anywhere."

Everyone also looked at Lu Changsheng with different eyes.

See it.

Lu Changsheng was also quite helpless, and had no choice but to answer: "We met by chance, so there is no need to worry about it so much. The saintess still has to practice."

But Ji Qian Yao didn't seem to hear Lu Changsheng's words.

laughed and said: "I have been trying my best to absorb what you gave me, and I just want to catch up with your footsteps so that I can go out with you!"

Lu Changsheng: "..."

"But you haven't heard from me all this time, which made me unable to calm down, and the speed of my cultivation also plummeted."

Aware of the hatred eyes of the elders of Yaochi Immortal Palace and He Lian of Hunyuan God Thunder Hall.

Lu Changsheng looked up at the sky, shouting in his heart.

The roots of troubles.

Beauty is a disaster! !

Chapter 860 Your wife gave birth too?

The entire Haotian Banquet.

Lu Changsheng felt that he was in dire straits.

Even the delicacies in front of me, I can't taste it.

The main reason is that Ji Qian Yao kept whispering all kinds of dog-licking tricks in Lu Changsheng's ear.

Even if Lu Changsheng didn't answer the whole time.

Ji Qian Yao's topics are not repetitive!

It seems that I will never feel embarrassed!

No no no.

Steady the Dao heart and stabilize the Dao heart.

Women will only affect my sword drawing... Oh no, the progress of fishing!

Besides, the elders of Yaochi Immortal Palace also looked at each other in dismay.

Their saints are also poisoned too deeply, right?

The other party obviously has no interest in the saint, but the saint took the initiative to post?

If this gets out.

I'm afraid the entire high-latitude boundary will be shaken by it...

That Yaochi saint who has never been in contact with any man and is extremely indifferent to other men, would she put her body down for a man?

Lu Changsheng also deeply understood a sentence at this moment.

When you like someone, you will be humbled into the dust, and then bloom...

At this time.

Ding Wei also suddenly appeared in the Haotian Palace. After glancing at the crowd, he said with a smile: "Everyone, now let me tell you some things to pay attention to after entering the Haotian God Realm."

"First of all, the Haotian God Realm will not stop the deathmatch for the investigation. After all, the Haotian God Realm respects the strong, and the strong deserve this world!"

"It is okay to investigate changes in the space, but you are not allowed to step into Haotian Shenzong. If you want to enter, you must apply to Shenzong in advance."

Haotian Shenzong is a god-level power after all.

If outsiders can enter and exit at will, it will also hurt the face of Haotian Shenzong.

"The investigation time is limited to three days. Once the time is over, I will take everyone away."

"Okay, everyone can conduct investigations now."

The voice fell.

Sheng Tian Dao Sect, where Shen Wuchang was located, got up first and walked towards the outside of Haotian Hall.

The group of Necromancer Palace also followed closely behind.

Haotian Banquet starts from beginning to end.

The two forces never spoke.

He Lian looked at Ji Qian Yao unwillingly, with a smile on his face that he thought was elegant, and invited: "Qian Yao, do you want our two forces to join forces to investigate space changes?"

"In this way, we share information and obtain clues more easily."

The elders of Yaochi Immortal Palace were a little moved when they heard He Lian's words.

If Thunder Hall of Hunyuan God joins hands with Yaochi Immortal Palace.

Among these forces, no one is their opponent.

It will also be easier to search for clues.

But don't wait for them to speak.

Ji Qian Yao shook her head and said, "There is only one heart of space, and common clues are meaningless."

He Lian looked gloomy, pointed at Lu Changsheng and said, "Then will you cooperate with him?"

Before Lu Changsheng could speak.

Ji Qian Yao smiled lightly and said, "As long as he agrees."

"Even if I give him the Heart of Space, I'm willing."

Hear here.

Lu Changsheng was suddenly moved by a group.

But after seeing the eyes of He Lian and the elders of Yaochi Immortal Palace.

Lu Changsheng was instantly unhappy again.

On the surface, he was kind to Lu Changsheng.

In fact, it invisibly created a wave of hatred for Lu Changsheng!

But how do they know.

Compared to the heart of space.

Primary Purple Qi is even more precious.

Lu Changsheng even gave her the Primordial Purple Qi unconditionally, so why not a spatial heart?

Hearing Ji Qian Yao's words, he looked into Ji Qian Yao's eyes.

The jealousy in He Lian's heart kept rising!

But now I can only grit my teeth and say: "In this case, let's see who can get the clue!"

After finishing speaking, He Lian glanced at Lu Changsheng with hatred in his eyes, and then walked out with the elders of Hunyuan God Thunder Hall.

Jin Wuwu just made a haha.

Standing up, he cupped his fists and said to Lu Changsheng: "Senior, then we will go first. If there is any help, just let me know."

Lu Changsheng nodded slightly.

Jin Wuwu's respect for Lu Changsheng made the elders of Yaochi Immortal Palace slightly taken aback.

Jin Wuwu is already extremely rebellious, and there are very few people who can make him look up to him.

And the people who can make him show this kind of emotion can be counted on one hand!

However, if you let them know.

After Lu Changsheng was received by that gentleman in Mortal Village, he might not be so surprised by this matter...

At this time.

Ji Qian Yao put her hands on her chin and said with a smile like a flower: "Then we..."

"Stop!" Lu Changsheng stretched out his hand and said helplessly, "I will act alone."

Hearing Lu Changsheng's words.

Ji Qian Yao's eyes were resentful, she pouted and said, "Okay then..."

After all forces leave.

Huang Qian looked at Lu Changsheng with a smile that was not a smile, and said, "It seems that this little girl has a deep affection for you?"

Lu Changsheng rolled his eyes, expressing that he didn't want to talk.

"But how hard is this little girl to think about it, to have feelings for you, a person who is harder than a million-year-old deep-sea black iron?"

Lu Changsheng: "..."

"Why don't you just follow, otherwise I'm afraid you won't have the chance to contact women in the future."

Lu Changsheng: "..."

How suddenly felt.

Huangqian has never been so aggressive before.

How can you have such a poisonous mouth after fighting in a ring and eating a banquet?

Puff!

Behind him, Liu Ziru suddenly laughed.

Because it affected the injury in his body, he couldn't help snorting again.

Lu Changsheng turned around with a dark face at this time, stared at Liu Ziru and said, "Do you want to make your injury worse?"

Hearing this, Liu Ziru immediately shook his head.

"No, I just thought of happy things!"

Lu Changsheng asked back: "Your wife is about to give birth?"

Liu Ziru: "??"

When did I have a wife?

"Okay, okay." Lu Changsheng waved his hand and said, "Start the investigation, don't waste time, finish the investigation early, end early, and go home early."

...

Haotian Shenzong.

Ding Wei knelt on one knee in front of a one-foot-tall man.

"God Lord, they have already set off."

Holy Lord Haotian nodded.

"Are we really not going to fight for the heart of space?"

Hearing this, God Lord Haotian smiled: "The appearance of a fetish at the level of the Heart of Space will naturally cause huge fluctuations. If the changes in space are really caused by the Heart of Space, then it is just a good time for them to search for clues for us."

As for why not take action?

"The powerhouses in the Divine Master Realm are all staring at each other's movements. If I rush to investigate, it will also cause the other party's actions."

"So, you just need to keep an eye on them."

...

Violent changes in space.

Wandering in various places in the Haotian Divine Realm.

It seems to be fighting guerrilla warfare.

After staying in one place for a while, they will immediately shift positions.

This also caused everyone a headache.

And this did not bother Lu Changsheng.

After all, Lu Changsheng's attainments in space are also very deep.

After leaving Haotian Palace.

Lu Changsheng immediately deployed his spiritual consciousness to search the entire Haotian God Realm!

certainly.

Lu Changsheng also deliberately concealed his spiritual aura.

After all, there is a strong man in the Divine Master Realm here.

Still don't want to get the attention of a person in the Divine Master Realm.
