

My Eye 41

Chapter 41 There Is Nothing That Can Be Done

"Mr. Lu, do you want to ask why Ye didn't come here?" Paula hated Autumn, but she remained calm and said, "She has quit her job, so I'm in charge of her job from now on. Mr. Lu, we..."

Charles was left confused when he learnt that Autumn had resigned. Despite that, he told Paula, "Go back and tell Mr. Zhou that I will only collaborate with her. If she has quit her job, I think there is no reason to cooperate anymore."

Charles entered the office, passed by Paula who stood in front him and sat at his office desk. He then became busy with some documents.

Paula remained stunned for a long while. She didn't expect Charles not to react at all.

"Mr. Lu..." She frowned perplexedly. She took every means to sow dissension between Ryan and Autumn. Now she had finally forced Autumn to leave Cloud Advertising Company. But since Charles insisted on working with Autumn, she didn't know how to explain this to Ryan.

"Is there anything else?" asked Charles flatly, while discontentedly glancing at Paula who stood nearby.

Paula continued to hesitate. She tried every way to drive Autumn out of the company and was just promoted to the Planning Director position. So she didn't want to fail in dealing with the first case in this position.

"Mr. Lu, I know that it is Ye who gets in touch with you to deal with all the previous cases. But now she has quit her job. Mr. Zhou pays high attention to the cooperation with the Shining Company, so he asked me to come here to discuss the case with you. I promise that we will certainly..."

"Miss Pan!" Charles didn't want to talk with Paula anymore. He interrupted her before she finished her sentence and said, "I don't think that a person, who messed up my stuff, will devote herself wholly to the job. You have to ask Ye to come here to talk to me, otherwise... I will cooperate with another company."

Although the time was bit tight, they would definitely be able to prepare everything on time.

After she heard this, Paula felt very embarrassed. However, she didn't want to give up hope. When she was about to
