

MY HIDDEN 1251

Chapter 1251: Handsome Man and Pretty Woman

Although he had missed Youyou's first roll over, Fu Hanzheng was very happy to witness this scene the following morning.

The little boy was lying on the bed with his elbows on the bed, looking up at them.

He must have been a bit tired, so he flipped himself over so that he could lie down on his back and play with his own hands.

Seeing this, Fu Hanzheng leaned forward and kissed his son's face as well as his younger daughter's.

"Be good, Dad is at work."

He had just turned around when Gu Weiwei reminded him.

"Mr. Fu, have you forgotten something important?"

Fu Hanzheng turned around and kissed her lips.

After the kiss, she found it funny.

In the past, he was the one who reminded her, but now, he was the one being reminded.

Since he had to return home ahead of time, his work was not very relaxing these days. He had to settle everything here and hand it over to someone he could trust before he could return home in peace.

Therefore, he could not be as lazy as before and spend time with her and the two children as much as he wanted.

But despite his busy schedule, he still had some free time on the weekend, so he took Gu Weiwei and the two children to the resort.

The resort was owned by the Prince and it was very luxurious. The scenery was also very pleasant and there were very few tourists.

Fu Hanzheng was pushing the pram and Gu Weiwei was walking next to him empty-handed. The two children were lying in the pram, looking at the new colors excitedly.

The combination of a handsome man and a pretty Woman attracted the attention of passers-by.

They walked for a while and Fu Hanzheng said as he looked sideways, "Want to take a rest in front?"

Gu Weiwei nodded. "Okay."

Fu Hanzheng pushed the pram over to a bench and checked the diapers of the two children, making sure that they did not need to be changed.

Then he picked up his younger daughter, fed her a little water, put her into the pram and fed Youyou a little water too.

Gu Weiwei was very happy and kept taking pictures with her phone, commemorating their first trip. After taking the pictures, she did not forget to send them to the group chat for Fu Shiyi and Fu Shiqin. More than ten pictures were sent and one minute later, Fu Shiyi popped up.

[Oh my, my Youyou is so cute!]

Two minutes later, Fu Shiqin came online too.

[Ahhh, I want to pinch her hands and her cheeks]

The three-month-old little buns had chubby hands and round faces with big eyes. They looked very cute.

If it had not been for the fact that he was afraid of his brother's power, he would have taken the plane to meet the cute babies.

They saved all the pictures and looked at them one after another. They just could not believe that their brother was holding a child.

[Our brother is the one carrying the child?]

His brother was not that gentle.

Fu Hanzheng fed the two children water and allowed them to lie in the pram. Youyou played with his hands and Tiantian put her hands into her mouth and sucked them.

He wiped her hands clean and she stuffed her hands into her mouth again.

"Forget it, it is always like this," Gu Weiwei said helplessly.

Fu Hanzheng gave up trying to stop his daughter. Instead, he sat on the bench with her and admired the scenery around them, watching the two children in the pram from time to time.

Gu Weiwei looked at her youngest daughter helplessly and said, "This girl is going to eat a lot in the future."

Fu Hanzheng chuckled. "It is okay, I can afford it."

Chapter 1252: That is All Mama Can Help You With

It was a rare day when he did not need to work, but Fu Hanzheng was even more tired than working at the company because he was taking care of the two children.

Every time Gu Weiwei offered to help, Fu Hanzheng turned her down.

"You are always here, you can rest today."

"Alright." Gu Weiwei gave up on helping him and started to leave him alone.

Fu Hanzheng might not have spent as much time with the children as she did, but he was good at taking care of them, so he was not that overwhelmed when it came to taking care of them.

Gu Weiwei looked deeply at the man who was taking care of the two children and could not help but think of the question that had been lingering in her heart for a long time. How could she be so lucky to have this man?

Fu Hanzheng wiped the children, turned around and met his wife's gentle look.

"What is it?"

Gu Weiwei took hold of his arm and leaned herself against him.

"I just can't believe that this man really belongs to me."

Fu Hanzheng kissed the hair on top of her head. "Who else could it be?"

Like her, he would occasionally wonder if this wonderful life was truly his.

Because everything was so happy and wonderful that he found it unreal.

Gu Weiwei chuckled. "Only mine."

Although Fu Hanzheng had given her and the children a day off, the two children were too young for them to be brought out for too long.

Therefore, she took a long walk around the resort and returned home.

When they returned home, they took care of the two children and filled their stomachs with lunch.

After lunch, they were sitting on the sofa near the babies' bed. Fu Hanzheng was reading the files delivered by the assistant, whilst Gu Weiwei had the time to find a book she wanted to read.

However, within an hour, she fell asleep leaning against him.

Fu Hanzheng glanced sideways, put down his work and carried her to the bed.

Then when the children woke up, he carried them to the nursery, in case they disturbed her nap.

It was rare for Fu Hanzheng to take a day off, but he ended up falling asleep at the resort with Gu Weiwei.

Every half a month, no matter how busy Fu Hanzheng was at work, he would leave one day at home to keep her and the two children company.

Compared to Youyou, who was gifted and had learned how to turn over within three months, his youngest daughter, Tiantian, only managed to turn over after three and a half months.

At the beginning, she only knew how to roll over once, but gradually, she started to roll around in bed at six months.

At this time, Fu Hanzheng was making preparations for his return home.

Also, Yuan Meng, who had been separated from her for more than a year, did not even greet them as she carried her son Yuan Bao to their home in Dubai.

The moment he entered the house, he saw Gu Weiwei putting on the clothes for one of the children, so he took them and hugged the child.

“Is this Tiantian or Youyou?”

“It is Tiantian,” Gu Weiwei answered as she helped her daughter get dressed.

Hearing the words, Yuan Meng happily carried Tiantian to the sofa and asked Yuan Bao to come over.

“Son, watch carefully, this is your future wife...”

Hearing the words, Gu Weiwei felt very displeased.

“If you are here for my daughter, you better stay away from her.”

However, Yuan Meng did not listen to her at all and said to her son, “Remember, this Tiantian is your future wife, and this is all I can do for you.”

Chapter 1253: Your Future Wife

Gu Weiwei put on the clothes for her son and gave them to the nursery teacher, whilst she went to take her younger daughter back from Yuan Meng.

Yuan Bao was still confused by his mother. “Mom, what is a future wife?”

“Well... that is a bit over the top.”

Yuan Meng scratched her head. What could a four-year-old like him understand?

“Yuan Bao, don’t listen to your mother. This is a sister and that is a brother. Yuan Bao is their eldest brother.” Gu Weiwei explained gently.

“I am big brother?” Yuan Bao blinked and asked excitedly.

“Yes, you are their brother.” Gu Weiwei said with a smile.

It had been more than a year since they last met, and Yuan Bao had grown a lot taller. His appearance had changed too. He was no longer as soft and cute as before, but more handsome.

Hearing his words, Yuan Bao passionately brought out the toys and snacks he had bought for his brother and sister to share.

Gu Weiwei threw a look at the obedient Yuan Bao and complained to Yuan Meng with a small voice.

“Luckily Yuan Bao was brought up by Yuan Shuo. If I had given him to you, he would have become so crooked.”

Yuan Meng did not listen and excitedly played with Tiantian in her arms. The little girl was very active and she kept giggling when she was teased by Yuan Meng. She was so cute.

“If I didn’t bring him up, then I’ll bring her up,” Yuan Meng said and stretched out her hands. “Come, let me hold my daughter-in-law.”

“Yuan Meng, are you done? What are you doing here?” Gu Weiwei asked.

She had come all the way to Dubai and she might not have just brought her son to flirt with her daughter.

“Fu Hanzheng invited me here,” Yuan Meng said straightforwardly.

“Invited you here?” Gu Weiwei raised her eyebrows.

When Yuan Meng had just arrived, Fu Hanzheng was already at the company.

He had too many things to do these days, so she gave up on calling him.

“Aren’t you planning to return home these days? Fu Hanzheng is worried and wants me to come home with you. Lei Ning should be here in a couple of days,” Yuan Meng said.

Gu Siting and the Dorrans Family had been in a very tense relationship these days, and Fu Hanzheng was definitely not going to risk going home alone with her in order to make the show in front of the elders of the Fu Family.

But he was very worried about her bringing the two children home alone.

That was why he had asked her and Lei Ning to come over, so that they could keep her company and bring the children home, in case Gu Siting or Will Dorrans noticed them.

After all, it was different now. She used to be alone and she had some skills, so it was not a problem for her to deal with ordinary enemies.

But the problem was that if she was going to bring two children with her, she would be in much more danger.

Hearing her words, Gu Weiwei understood what Fu Hanzheng was thinking.

“Then why did you bring your son here?”

The moment she entered the house, she kept calling her daughter ‘daughter-in-law’, making her very annoyed.

“Yuan Bao is here to see his future wife.” Yuan Meng grinned.

“You...” Gu Weiwei was speechless.

“Alright, what are you thinking? Yuan Shuo can’t bring Yuan Bao with him, so I brought him here.” Yuan Meng gave a new explanation.

Gu Weiwei nodded and warned her.

“You can bring Yuan Bao here, but don’t drag my daughter into this, or I won’t be polite.”

Chapter 1254: Confrontation With the Fu Family?

Yuan Meng surrendered. “Alright, alright, I won’t do anything to your daughter.”

There was still a long way to go. With their relationship, the three children would definitely be childhood friends. With her legacy, why would they be afraid that their son would not be able to get her?

Hearing her answer, Gu Weiwei relaxed a little.

As for why Yuan Bao was not staying in Italy, she thought that it was probably because Gu Siting and Will Dorrans would do something about Cayman Dorrans, so it was not safe for Yuan Bao to stay there.

So Yuan Meng came to her with her son.

She left the children in the care of the nursery teacher and asked Yuan Meng to drink tea on the balcony.

“How is it going?”

Yuan Meng took a sip of the black tea. “I am not sure.”

She was referring to Cayman Dorrans.

“Not sure?” Gu Weiwei frowned and asked, “You have been there for so long and you don’t know anything?”

Yuan Meng brushed her hair guiltily. “As you know, I am from the Anderson Family. They don’t believe me and say everything behind my back. What would I know?”

For more than a year, she and Yuan Shuo had been busy investigating Gu Yun Che who had the Nine-Eyed Pearl, so they did not know what was going on with Cayman Dorrans.

“Yuan Shuo did not mention it to you either?” Gu Weiwei was not convinced.

Even if the Dorrans Family were guarding against her and not letting her know, Yuan Shuo should know about it, and Yuan Shuo had never hidden it from her.

“No, but it seems that Cayman is up to something.”

Gu Weiwei chuckled. Cayman Dorrans had been in power for years and he was not someone who would sit back and do nothing.

“That would be great.”

Yuan Meng leaned against the chair leisurely.

“Anyway, you don’t have to worry about it. That old man doesn’t want you to get involved either. It is enough that you and Fu Hanzheng can stay together.”

Seeing her lighting the cigarette, Gu Weiwei reminded her.

“No smoking at home.”

She did not want to get secondhand smoke, not to mention that she had two children at home.

Yuan Meng put away the cigarette and lighter. “Okay, I won’t smoke.”

“You should have stopped it long ago, letting your son smoke secondhand cigarettes every day is not okay, alright?” Gu Weiwei tried to persuade her.

“Please, I always smoke in the bathroom when Yuan Bao is around,” Yuan Meng said pitifully.

She had been addicted to smoking for more than ten years and she could not quit just like that.

“So you know that you are a mother.” Gu Weiwei snorted.

Honestly speaking, she was quite impressed. She had been pregnant with Yuan Bao and had not smoked for more than a year, thinking that she had quit.

But when the child was weaned, she went back on it again.

“Forget about me, when are you coming home?” Yuan Meng asked Gu Weiwei as she played with the lighter.

Gu Weiwei thought for a while. “Let Fu Hanzheng decide.”

Yuan Meng laughed mockingly. “It has been a year since we last met and you are already a good wife and mother?”

She used to like making her own arrangements, but now she always listens to Fu Hanzheng. Was this still the Gu Weiwei she knew?

“When have I not been a good wife and mother?” Gu Weiwei countered straightforwardly.

Anyway, Fu Hanzheng’s arrangement had always been about her and the children, so she was happy to relax and not think about these troublesome matters.

“But are you planning to reveal the truth to the Fu Family?” Yuan Meng asked.

Gu Weiwei nodded. “With two children, we can’t meet in secret like before.”

Chapter 1255: Back Home and Confrontation With the Fu Family

Yuan Meng agreed and said as she spun the lighter, “You have two helpers now, so you do not have to be afraid of anything.”

The elders of the Fu Family might have some distance between them and her, but they would not be able to resist such a lovely granddaughter and grandson.

“Hopefully, everything will go as smoothly as we’ve planned.” Gu Weiwei sighed.

The child was already half a year old. If she and Fu Hanzheng could not remarry and the children asked her why their parents could not be together, she would not know how to answer them.

Yuan Meng took a sip of the fragrant black tea and shrugged.

“If they don’t agree to let you remarry, they don’t want the children to return to the Fu Family. If they want the children to return to the Fu Family, they must accept you as the mother.”

“Why does it sound like I am buying a free present?” Gu Weiwei mumbled with a frown.

“Maybe Uncle Fu thinks that your son and daughter are the best gifts.” Yuan Meng teased.

Gu Weiwei squinted at her. “Can we still talk happily?”

Yuan Meng yawned and asked, "I did not sleep well on the plane, do you have a place for me to take my son to sleep?"

Gu Weiwei got up and asked the servant to take them to the empty room upstairs.

Yuan Meng and her son slept all the way to the afternoon and woke up one hour later. Fu Hanzheng was already home from work.

With her daughter in arms, Gu Weiwei asked Fu Hanzheng, "When did you inform Yuan Meng to come here? Why didn't you tell me?"

"A month ago, I was not sure when she would arrive, so I did not tell you." Fu Hanzheng glanced at her and asked with a smile, "Did she irritate you?"

"No," Gu Weiwei said calmly. That woman was just up to no good. She wanted her six-month-old daughter to be her daughter-in-law.

"When we return home, we need to leave separately. You and the children need protection, and Lei Ning alone is not enough." Fu Hanzheng explained his purpose.

Since she was going back home to play the role of remarrying, she could not let his father and the rest find out that they were all living in Dubai.

Therefore, she and the children had to go to France and return home at a different time.

"When are you leaving?" Gu Weiwei asked.

Fu Hanzheng thought for a moment. "Next week, you and the children are still going to be living in the country."

"Just ask someone to clean up at Yijing Pavilion," Gu Weiwei said.

"Because you have been silent for a year, the media have been camping near your studio and residence, and the security is not very reassuring." Fu Hanzheng took over the daughter she was carrying and said, "I asked Jolin to buy a new house in your name and have already asked someone to renovate it. We can move in next week."

Gu Weiwei sighed as she felt her forehead. After she got pregnant, she had no contact with anyone in the entertainment industry and she had almost forgotten that she was an actress.

After Life Reboot, she had disappeared from Hua Land and of course the media wanted to dig up news about her.

If she did not have children, she could go back to live there herself, but it was not safe to live there with two children.

"Alright, think about it carefully."

Although she was in the entertainment industry, she did not want the two children to become the focus of the public.

“The new place is a high-end villa area under Fu’s Enterprise. Not many people live there and He Chi has moved in too. If you need anything, you can find him in time,” Fu Hanzheng said.

She did not know if the plan to remarry at home would go smoothly.

If everything went well, then she and the children would have to move into Landscape Villa as soon as possible to live with him. If everything did not go well, they might have to stay there for a while. Then everything would have to be well arranged.

Chapter 1256: Does Your Face Hurt?

Hearing his words, Gu Weiwei had no intention of objecting.

But he was so busy with work, yet he had the time to arrange everything for them to return home.

“You are so busy, I can arrange these small matters.”

“I can do it myself, don’t worry,” Fu Hanzheng said.

“Even if I am worried?” Gu Weiwei raised her eyebrows.

Fu Hanzheng chuckled helplessly and said, “I know the capital better than you do, so I can make the arrangements.”

“Alright, you are right.”

Gu Weiwei just could not argue with him. Compared to her, his arrangements were much easier.

Fu Hanzheng sat down on the sofa with his chubby daughter and massaged her chubby hands.

“Where is Youyou?”

“Still sleeping,” Gu Weiwei said.

Sitting in Fu Hanzheng’s arms, Tiantian kept babbling, and no one understood what she was saying.

Anyway, she seemed to be in a very good mood.

They were just talking when the nurse came out with Youyou.

Gu Weiwei took the child over and placed him on the sofa. “Watch them, I will get them something to eat.”

Sitting in the middle, Fu Hanzheng had his left arm around his son and his right arm around his daughter who was leaning against him. The two little ones, who were already half a year old, were both chubby. They looked like two little meatballs as they leaned against him on the sofa.

Gu Weiwei made some apple mush and brought two small bowls over.

“The nutritionist said that we should start to feed them with vegetables, paste, fruits and mush.”

With the younger daughter in his arms, Fu Hanzheng took hold of his son who was sitting on the sofa.

Gu Weiwei scooped some apple mush and fed it to the foodie daughter.

Tiantian took a bite, licked her tongue around and cried out excitedly in Fu Hanzheng's arms, staring at the bowl in her hands.

Gu Weiwei fed her one more mouthful, put down her bowl and fed Youyou another.

However, she had just scooped it up when Little Tiantian saw it being fed into her brother's mouth. She pursed her lips and was about to cry.

Gu Weiwei did not know whether to laugh or cry. "Hang on, let brother have some first."

Helpless, Fu Hanzheng grabbed the bowl on the sofa and fed his daughter with a spoonful of mush, so that Gu Weiwei could focus on feeding her son.

That made the girl satisfied.

Among the two children, his son was very obedient and rarely cried or clung to anyone.

But the younger daughter was spoiled and clingy. As long as she was awake, she needed someone to carry her most of the time.

Youyou was awake but he did not make a fuss. As long as he was fed and placed in bed, he could play with himself for a long time.

The two children finished the fruit mush, and Gu Weiwei wiped their mouths and said with a smile, "It seems that they like their new food."

Fu Hanzheng took up his obedient son and said, "Let's go and eat."

Gu Weiwei picked up her daughter and asked Yuan Meng to join them for dinner.

Seeing Fu Hanzheng holding the child so skillfully, Yuan Meng teased.

"President Fu, who was the one who refused to have children back then? Why is he so good at raising children now? Does his face hurt?"

Fu Hanzheng glanced at her calmly. "Did I say that?"

It was true that he did not want children at first, but it was also true that he liked children now.

Honestly speaking, his face did hurt, but he would not admit it.

Chapter 1257: So That's All You Care About

The following day, Fu Hanzheng, who always left home early for work, was not in a hurry to leave home.

Gu Weiwei was surprised as she was making milk for the child.

"I will take care of the child with the nurse, you can leave now."

"There's no hurry today." Fu Hanzheng sat on the sofa with the two children, waiting for her to finish making the milk powder.

Gu Weiwei made two bottles of milk, checked the temperature on her wrist and took them over when they were ready.

Fu Hanzheng put the two children into the pram, took over the milk and gave each of them a bottle.

“No hurry today, have you finished the work?” Gu Weiwei asked.

“Get changed, we are going to the hospital for a physical examination,” Fu Hanzheng said.

Gu Weiwei was surprised. “Where are you feeling unwell?”

“You should do a postnatal checkup.” Fu Hanzheng stressed.

Gu Weiwei nodded in astonishment, realizing that it was time for her to do the examination.

Since some tests required an empty stomach, she could not eat breakfast before going.

She went back to her room and changed into some light clothes. She asked the nurse to take care of the two children and went into the car to follow him to the hospital.

After several empty stomach examinations, Fu Hanzheng gave her the bag.

“I brought a sandwich and milk from home, eat them and then do the examination.”

Gu Weiwei was also hungry, so she found a place to eat the food and gave him some.

After the series of examinations, they had been delayed at the hospital for almost two hours.

They took a pile of examination reports and went to the surgeon, a blonde middle-aged woman.

After reading the results, she said with a pure British accent, “Mrs. Fu is doing well, she is fine.”

Gu Weiwei smiled without saying a word. With the nutritionist urging her to eat and the yoga teacher teaching her postnatal recovery, she would of course be able to recover well.

“Thanks.”

She thanked her and was about to leave.

Fu Hanzheng asked at this moment, “She is fully recovered, does it still affect her love life?”

The blonde doctor nodded and said with a smile, “Of course, you need to be careful about using contraception.”

Having said these words, she turned to Fu Hanzheng.

“Don’t worry, she is fully recovered and can handle the s*x.”

Gu Weiwei felt her face heating up. When the woman finished the words, she urged Fu Hanzheng.

“Can we leave now?”

Fu Hanzheng nodded and led her out to wait for the elevator.

Gu Weiwei mumbled as she got into the car, "Check what? There is no problem at all, we are just wasting time."

"It's very important," Fu Hanzheng said as he drove.

Because the results meant that he could finally stop being a vegetarian.

Gu Weiwei understood what he meant. Her face, which had just calmed down, started to burn again.

"So that is what you are concerned about."

Fu Hanzheng frowned. What he was most concerned about was her health, followed by their s*x life.

"It is normal for someone who has been a vegetarian for more than a year to care about this."

Although it was not a big deal that she was in the middle of pregnancy, he did not dare to touch her because of the twins.

He was at the age where he was full of energy and the woman he loved the most was by his side. It was not easy for him to survive until now.

Gu Weiwei glanced at the man next to her. She was not looking at someone, but at a ferocious beast that was about to be released..

Chapter 1258: Bad Couple Life?

But Fu Hanzheng only drove her home and gave her a late morning kiss at the doorstep.

"I may be late tonight, no need to wait for me for dinner."

Gu Weiwei nodded and watched him get into the car and leave.

With a fork in one hand and a plate of cut fruits in the other, Yuan Meng bumped her shoulder when she entered the house.

"What is it? Bad couple life?"

"Who said that?" Gu Weiwei denied.

Yuan Meng put a piece of fruit into her mouth. "I am not blind, I can tell from your face."

Gu Weiwei squinted at her. "Does your husband know that you are so gossipy?"

"He knows," Yuan Meng said confidently.

Gu Weiwei was speechless.

Yuan Meng followed her and whispered, "Could it be that because you were pregnant and had children, your Boss Fu has been holding it in for too long and something is wrong?"

"You are the problem!" Gu Weiwei countered straightforwardly.

"No problem, then what are you doing at the hospital?" Yuan Meng raised her eyebrows.

When she came out, they had already left and the servant said that she was going to the hospital for a checkup.

"I did the postnatal examination, what are you thinking?" Gu Weiwei glared at Yuan Meng who was gossiping.

Yuan Meng gave up on gossiping and went back to teasing the three children.

Gu Weiwei let out a sigh of relief inwardly. She was really afraid of talking about this topic with Yuan Meng. She just could not stand that woman when she was fishing for information.

Sitting on the sofa, Youyou and Tiantian were both amused by Yuan Meng.

Sitting on the carpet, Yuan Meng sighed as she looked at the two lovely twins who were smiling so brightly.

"Oh, you two are so smart. What did you do in your past life to make you so cute in this life?"

Also, they had a very generous father and a very talented mother.

"Nothing at all. They are so cute because I gave birth to them." Gu Weiwei stepped forward and corrected him.

The two little fellows, who had just turned half a year old, had chubby faces and round eyes. When they smiled, their eyes turned into crescent moons, looking cute and sweet.

"You two are definitely going to be trouble in the future." Yuan Meng sighed.

"It's not like I am not ruining your family." Gu Weiwei snorted.

"Ah, if I don't go to hell, who will? You are already ruining my family, so let your daughter ruin my son," Yuan Meng said with a smile.

Hearing the words, Gu Weiwei's face sank.

"Hey, you are not done yet, you are still thinking about my daughter."

Yuan Meng surrendered and put down the topic.

However, even if they did not talk about this topic, she and Yuan Meng were still arguing.

In the afternoon, they took the three children out for a walk and it was dinner time when they returned home.

Fu Hanzheng said that he was not coming home for dinner tonight, so Gu Weiwei asked the servant to leave him a portion and did not wait for him.

After dinner, she bathed the two children and put them to sleep before handing them over to the nursery teacher.

However, she was so tired that she fell asleep after taking a shower.

It was not until late at night when she was pulled into his arms and the man's lips were upon her neck.

She turned around. "What time is it?"

"11 p.m.," Fu Hanzheng answered and kissed her earlobe. "Mrs. Fu, you have owed me for more than a year, shouldn't you pay me back?"

"What... do I owe you?" Gu Weiwei shrank her neck and played dumb..

Chapter 1259: So Weak

"Forgotten?" Fu Hanzheng chuckled and smiled sinisterly. "Then let's slowly think about it?"

The hot lips moved from her neck to her chin and then to her lips.

Her breathing and heartbeat gradually lost control as she wrapped her arms around the man's neck and responded to his gentle kiss.

The intimacy that she had not experienced for a long time made her look forward to it but also afraid.

Having received her permission, Fu Hanzheng unbuttoned her pajamas one button after another and kissed the girl's smooth skin gently and passionately.

Although he was very thirsty, he still restrained himself to take care of her.

Gu Weiwei was stripped naked by him and she reminded him as she panted.

"We have no... no condoms."

Fu Hanzheng reached out for the things he had bought and waved them in front of her eyes.

"I brought some back."

He had been thinking about how to get back the yearly debt he owed her since he drove her to the hospital for the checkup at noon.

Gu Weiwei glared at him furiously. "Sure enough, you have been up to no good ever since you left the hospital."

She was still talking when he opened the condom in front of her.

They had been living together for more than a year, but Fu Hanzheng had been very restrained.

But the look in his eyes made her feel that she would be eaten up.

However, nothing was as scary as she had thought.

After two rounds, she was sweating and panting heavily in bed. She was so tired that she did not want to move.

Fu Hanzheng brushed away her sweaty hair and kissed her lips.

"Want me to carry you to take a shower?"

Gu Weiwei shook her head resolutely. Her past experience told her that it was not just a bath in the bathroom.

Fu Hanzheng chuckled. "You are sweating and you are not feeling well."

Gu Weiwei pulled the blanket and turned her back to him.

"It is okay, I want to sleep."

Seeing that she was too tired, Fu Hanzheng let her be and kissed her on the face.

"Good night, Mrs. Fu."

It was a very tiring job to take care of the two children in the daytime, and Gu Weiwei had a very deep sleep after being forced to roll around twice in the middle of the night.

So when she woke up, Fu Hanzheng had already left for work.

She got up, took a shower and got changed. She rushed out when she heard the child crying.

Sure enough, it was Tiantian who was crying again, but she soon calmed down in her arms.

Yuan Meng looked at the faint traces of kisses on her neck and teased.

"Seeing Fu Hanzheng so pleased this morning, I thought that you would not be able to get out of bed today."

Gu Weiwei glared at her. "Old woman, I don't want to hear you talking."

Yuan Meng gave her a bowl of red date and lotus seed porridge and said with a smile, "Here, eat more, your kidneys will be better."

Gu Weiwei threw a look at the porridge and lost her appetite.

Yuan Meng continued to eat and said to her, "I am not trying to lecture you, but you need to train hard. Look at your small body, you are so weak, you can't even stand Fu Hanzheng's pressure."

"It's none of your business!" Gu Weiwei gritted her teeth.

Did she think that she was like her, who could leave a man unable to get out of bed?

Chapter 1260: So Weak 2

Ever since Fu Hanzheng started to have fun, Gu Weiwei felt that she was suffering every single day.

For the first two days, Fu Hanzheng restrained himself because he was worried about her health, but he let her go twice in one night.

However, the man who had been starved for too long started to become greedy within a few days and tried to get back the s*x life he was owed for more than a year.

He went to work every day happily, but Gu Weiwei often failed to get up until noon.

When she woke up, it was almost lunchtime.

The moment she came to the living room, she was teased by Yuan Meng.

“I told you, you are too weak now.”

Gu Weiwei glared at her. “I just don’t sleep well, what are you thinking?”

“Hehe, Fu Hanzheng went out early in the morning and you stayed in bed all the way until this hour. Did you two talk about life and ideals overnight again?” Yuan Meng snorted.

She looked so lazy and charming, and it was obvious that she had been fiercely loved by a man, so how could she lie to her eyes?

Gu Weiwei looked down at the food, too lazy to explain anything more.

She had not felt better the day before, but now she was suffering even more.

Also, it was very exhausting to take care of the two children.

“Isn’t Uncle Fu the most gentle man? Why is he mistreating you now?” Yuan Meng asked.

But when she thought about it, she realized that it was impossible to be gentle in bed, especially for someone who had been a vegetarian for more than a year.

Gu Weiwei looked up and glared at her. “Can I gag you?”

However, Yuan Meng was never a smart person in front of her.

“Oh yes, there is a spa nearby and the masseuse is very skilled. Do you want to try it out?”

“No need.”

Gu Weiwei turned her down. She was already so tired that she did not need to stretch herself anymore.

What was more, she did not want anyone to see her old love bites.

However, after taking care of the two children in the afternoon, she became even more tired and sleepy.

Since Fu Hanzheng had been very busy these days and barely came home for dinner, they did not wait for him. Instead, she bathed the babies with Yuan Meng’s help.

After washing Youyou, Yuan Meng helped to put on his clothes and went out to play.

She was busy washing the younger daughter, when the lively girl splashed water all over her.

When she wasn’t doing that, she would just put her fists into her mouth.

“Tiantian, you can’t eat your hands!”

However, when she removed her hand, the girl giggled and stuffed the other hand into her mouth. She was so annoyed that she did not know whether to laugh or cry.

Fu Hanzheng returned and heard the mother and daughter's voices the moment he entered the master bedroom. The moment he entered the room, he saw his younger daughter splashing in the bathtub with water everywhere.

He approached her, took hold of Gu Weiwei's waist and kissed her on the cheek.

"I will do it, go and get changed."

Gu Weiwei looked at him sideways and told him some instructions.

"Don't let her eat her hands, they are full of soapy water."

"Got it." Fu Hanzheng rolled up the sleeves of his expensive shirt and took over the task of bathing his daughter.

When he finished the bathing and came out with a towel around her small body, Gu Weiwei had already changed out of her wet clothes.

Fu Hanzheng put the chubby girl into bed, wiped off the water on her with a towel, put on diaper pants and put on the pajamas.

Gu Weiwei took over her daughter and went out to find Youyou, who was being watched by Yuan Meng.

Fu Hanzheng frowned at the sight of the mother and daughter.. Why did he feel that his wife was a bit angry today?
