

MY HIDDEN 1271

Chapter 1271: Not as Loving as Fu Hanzheng

Gu Siting stayed silent but he was very jealous.

He had thought that after what happened at the wedding, it would be impossible for her and Fu Hanzheng.

She had not returned to the Gu Family because she was still angry with him.

As long as Cayman Dorrans did not stop her, she would be willing to return to the Gu Family after meeting him several times.

But what he had not expected was that she and Fu Hanzheng were still in contact with each other, despite the elders' firm objection.

They even... had a child.

"Her surname is still Gu, of course it has something to do with me."

"I never cared about her surname, she is just Mrs. Fu from today onwards." Fu Hanzheng stressed each word.

Gu Siting smiled coldly. "You don't care what her surname is, but she came to the Gu Family at the age of one and lived with me for more than twenty years. The first thing she said when she was young was to me. The first cake she made was for me and the first piano song she played was for me too. There are too many things between us that you don't know about."

"I don't want to know about her life in the Gu Family, just like she doesn't want to remember anything about the Gu Family." Fu Hanzheng looked cold and said word by word, "The past is the past, and I can't be involved with her past, but her future will definitely not be yours."

What was he up to?

Was he trying to tell him about her past in the Gu Family, and the memories she had with him for more than twenty years, so that he could give up on this relationship?

Fu Hanzheng was not that stupid. He knew what was most important.

The most important thing was for her to be by his side and be happy.

Everything else was unimportant. Her past was unimportant, and her surname was unimportant...

Gu Siting gritted his teeth. He had underestimated Fu Hanzheng's feelings for her.

It was also at this moment that he suddenly realized that he did not love her as much as Fu Hanzheng did.

At least when she was still at the Gu Family, he did not love her as much as Fu Hanzheng did.

If he had done it at that time, he might not have noticed what happened afterwards, and she would not be living with Fu Hanzheng right now. He could only watch them being lovey-dovey, and it hurt deeply.

“No matter how long she has lived in the Gu Family or how much she has known the Gu Family, she will never return to the Gu Family. Never,” Fu Hanzheng said as he brushed past Gu Siting and returned to the hotel opposite the hospital.

Standing still for a long time, Gu Siting felt as if his heart had been stabbed.

If she and Fu Hanzheng retreated from this relationship, he would have the chance to bring her back to the Gu Family.

But Fu Hanzheng was still with her even though he knew everything.

And she was still with him even though she knew that Fu Hanzheng was the Gu Family’s worst enemy.

Seeing her, their child and Fu Hanzheng, even he himself felt that the hope of bringing her back was very slim.

He was not convinced, but he was helpless.

“President Gu, we should be prepared.” Kuroda Shio reminded him.

Fu Hanzheng was a very vengeful man. Every time they met, he would try his best to attack the properties under the Gu Family’s name in the mall and even steal the collaborators of Gu’s Enterprise.

Without a doubt, this would happen again.

But the Gu’s Enterprise was at a critical moment, and he could not let Fu Hanzheng keep pursuing him.

Chapter 1272: Gu Siting

Fu Hanzheng left the hospital and returned to the hotel opposite without saying a word.

It was not until they entered the elevator that Yuan Meng carefully explained.

“We finished the checkup and were about to return when we ran into Gu Siting. But judging from his reaction, he probably did not expect to meet her.”

...

Instead of talking with her, Fu Hanzheng made a call.

“Gu Siting is in Paris. What is his purpose here? Answer me as soon as possible.”

Lei Meng was startled and replied instantly, “Got it, Boss.”

The Fu Family and the Gu Family had a deep grudge against each other. Coupled with the grudge between Mrs. Fu and the Gu Family, it was totally not a new grudge.

Yuan Meng shut up. She knew without asking that Fu Hanzheng was trying to steal the business of Gu’s Enterprise.

Fu Hanzheng was normally cold and elegant, but when he was competing with the Gu Family in the business field, he was a total thief.

As long as it was a project targeted by the Gu Family, they would do everything they could to get it, even if they could not get it.

This time, he was definitely going to steal the money.

Having made the call, Fu Hanzheng glanced at Yuan Meng next to him.

“You must take good care of her and the child.”

Gu Siting was a maniac who faked people’s death and kidnapped people. Now that he knew that they had children, he might do something to them.

The adults could fight back, but if the children fell into his hands, they would be in a very passive position.

Therefore, he had to hurry up with the plan of remarrying when he returned home, so that she and the child could return to the Fu Family, so that they would be safe.

“Got it, I will be very wary of Gu Siting,” Yuan Meng said confidently.

Fu Hanzheng nodded and returned to the suite.

Gu Weiwei was feeding the two children water when she saw the man.

“I didn’t expect him to come here.”

“I know.” Fu Hanzheng’s face was no longer as cold as before. “How was the child’s test?”

“No problem, we can go home now,” Gu Weiwei said.

Fu Hanzheng thought for a while and said, “Then I’ll arrange the flight for tonight. Shiqin and Shiyi will pick you up at the airport.”

Gu Siting was in Paris and he might try to approach her.

He asked her and the child to return home as soon as possible. With everything arranged for her to leave and Yuan Meng and Lei Ning around, it was much safer than staying in Paris.

Since she was sent here in secret, he did not bring any trusted bodyguards with him.

Also, after they left, he would then have time and energy to figure out why Gu Siting was in Paris.

“Okay, I will get them ready as soon as possible.”

After Gu Weiwei fed the two children water, the little girl, who had not been able to enjoy being hugged by her mother these past two days, stretched out her chubby hands for a hug.

Helpless, she put down the water bowl and picked up her clingy daughter.

Fu Hanzheng went to take hold of his son who was lying in the baby’s bed and sucking his hands.

“When I am not around, I will ask the nursery teacher to take care of them with you, don’t tire yourself out.”

“Got it,” Gu Weiwei answered helplessly.

Although she liked to take care of the two children, without his help, she still knew how to behave.

Now the two children were much easier to take care of. With Yuan Meng and Lei Ning’s help, she basically had nothing to worry about.

“Also, let the family know about the children, as soon as possible.” Fu Hanzheng reminded her.

Only when the family knew about the existence of the children would they be able to return to the Fu Family..

Chapter 1273: Back Home

Gu Weiwei knew that he was in a hurry to let the Fu Family know about the existence of the two children, so that she and the children could return to the Fu Family as soon as possible.

In this way, she and the children would be safe and he would be relieved.

“Got it.”

In Fu Hanzheng’s arms, Youyou was playing with his tie. The rash on his face and body had not subsided, but he was already feeling better.

As he was playing with Fu Hanzheng’s tie he brought it to his mouth and was about to taste it.

Fu Hanzheng removed his tie from his hands helplessly. “No.”

However, Youyou did not give up and reached out for it again.

Fu Hanzheng gave him a hug so that he would not be interested in his tie.

Facing Tiantian who was sitting in Gu Weiwei’s arms, Youyou and Tiantian started to chat happily. The more they talked, the more excited they became and the more they waved.

Gu Weiwei brushed away Tiantian’s short hair and threw a look at Fu Hanzheng who was holding his son.

“Fu Hanzheng, why didn’t you ask me about my past?”

“It’s not important,” Fu Hanzheng said calmly.

The past was in the past and he could not control it, but it was enough for him to grasp their future.

Gu Weiwei smiled deeply. From the moment she met this man, she was destined to fall for his gentleness.

“What is important?”

“You are the most important.” Fu Hanzheng looked at her with a spoiling gentleness.

Gu Weiwei chuckled and pointed at the two children.

“What about them?”

“They come after you,” Fu Hanzheng answered without thinking.

Gu Weiwei lowered her head and kissed her daughter’s soft hair. “Sorry for giving you such a father.”

Fu Hanzheng asked, “What about you? Am I in front or behind them?”

Gu Weiwei laughed dryly. “In front, in front.”

He was already too old to be competing with six-month old children.

Fu Hanzheng checked the time and said, “I will keep an eye on the children, get ready and tell everyone. Let’s go to the airport as soon as possible.”

Gu Siting was nearby and he did not want them to stay here for long.

Although he knew that Gu Siting would not dare to do anything, he did not want them to stay in the vicinity of Gu Siting.

Gu Weiwei did not object but put her younger daughter Tiantian onto the bed, tidied up the baby stuff in the room and made a call to urge the nurse and Yuan Meng to get ready.

Within two hours, everyone was ready.

Yuan Meng came over with Yuan Bao. “Everything is ready, we can leave now.”

Fu Hanzheng carried his son Youyou whilst Gu Weiwei carried her daughter Tiantian and they went downstairs to the car, heading towards the airport.

When they were on the plane, he kissed the two children, unwillingly saying goodbye.

Then he hugged Gu Weiwei.

“Shiqin will pick you up at the airport and take you to your new place.”

“Okay.” Gu Weiwei nodded and remembered Gu Siting who was also in Paris. “You should go home as soon as possible and be careful.”

With the grudge between the Fu Family and the Gu Family, she was afraid that he would start a fight with Gu Siting in Paris.

He had only sent them here to drop them off safely, so he did not bring many trusted aides with him. It would be a loss if he really went to fight with Gu Siting and his men.

Fu Hanzheng caressed her face and kissed her forehead.

“When you get off the plane, tell me, so that I know you are safe.”

Yuan Meng covered her son’s eyes. “This is not suitable for the eyes of children, don’t look.”

The three children were here, yet these two were hugging and kissing in front of them. They were never done..

Chapter 1274: Face Slapping

Fu Hanzheng saw Gu Weiwei and the others onto the plane and did not get off the plane until the crew urged him.

He did not get into the car and was only ready to return to the hotel when he saw their plane take off.

On the way home, Lei Meng called to report the information.

“Boss, Gu Siting is working with the Anderson Family, for a secret government project in France.”

Fu Hanzheng said straightforwardly, “Give me the details of the project.”

“Boss, the project is almost confirmed. They will hardly let you interfere.” Lei Meng reminded him.

This was a collaboration made by the Anderson Family and they had already reached an agreement. It would be very difficult for Fu’s Enterprise to get involved and steal the project.

“If we can’t get it, then we can’t let them get it smoothly either,” Fu Hanzheng said coldly.

The project that the Gu Family was involved in must be snatched away. If the Gu Family and the Anderson Family were involved, they would have to interfere even more.

If they could get it, they would. If they could not get it, the other party would have to pay the price.

Lei Meng did not remind him anymore. “I will send you what I have found. Also, I have arranged for someone to go there. The Gu Family and the Anderson Family are both in France. Boss, I’m also sending people over to accompany you.”

“Got it,” Fu Hanzheng said and added. “Don’t let the old mansion know that I am in France.”

Weiwei had returned home from France today. If the old mansion knew that he was also in France, then all their efforts to return home would have been in vain.

“Yes, Boss.” Lei Meng agreed.

Fu Hanzheng rang off but did not return to Dubai immediately. Instead, he was going to arrange for someone to mess up Gu Siting’s affairs before returning to Dubai.

If he had not been in a hurry to deal with the matter of sending Weiwei and the children home, he would have been very happy to deal with him immediately here.

Not far from the hotel where Gu Weiwei and the others stayed, Gu Siting was staying in another five-star hotel.

When he came back from the hospital, the scene of Gu Weiwei holding the child kept repeating in his mind.

Kuroda Shio came in and said, “President Gu, I heard that Fu Hanzheng and Gu Weiwei had only arrived in Paris recently.”

“Where did they arrive from?” Gu Siting asked.

“Dubai,” Kuroda Shio said.

A year ago, Fu Hanzheng went to Dubai to prepare for an international project with the Arab League and stayed there.

However, they had not expected that Miss Weiwei was also there.

Also, it was very possible that their child was born there.

Gu Siting looked distressed. They had known that Fu Hanzheng was in Dubai, but he had not expected that she, who had disappeared from the entertainment industry for a year, would be by Fu Hanzheng’s side in Dubai.

If he had not run into her today, he did not know when he would have found out about everything.

At the hospital, he had thought that she had given birth to the child behind Fu Hanzheng’s back, and despite the child... he was still glad that she had finally left Fu Hanzheng.

But Fu Hanzheng suddenly showed up.

At that moment, no one knew that he was so jealous.

He had stopped their wedding and even used the mentality of the elders of the Fu Family to make them divorce. He had thought that they would be separated completely.

In the end, they had never separated.

The way Fu Hanzheng had stayed by her side made him, who had blamed her for his father’s death, look terrible.

He did not want to admit this, but reality slapped him hard across the face..

Chapter 1275: Back to the Capital

In the capital city of Hua Land.

Gu Weiwei’s flight back home arrived at four in the afternoon. Fu Shiyi and Fu Shiqin stopped their work and went to the airport to pick her up.

Also, their cars were full of toys and snacks for their nephew and niece.

Sitting in the car, Fu Shiyi kept adjusting his hairstyle with the front facing camera on his phone.

“Are you done? We are here to pick up our sister-in-law, nephew and niece, what are you doing all dressed up like this?”

He had said that he was only going to pick up his sister-in-law, nephew and niece, but he had even seen a hairstylist before he came. Who would want to see his hairstyle?

“My nephew and niece will like me if I look better,” Fu Shiyi said confidently.

Fu Shiqin snorted. “They are not even here yet, so how do you know? They might not even like you.”

“It’s you who doesn’t like my handsome Third Uncle appearance, you are the worst!” Fu Shiyi countered.

Therefore, before Gu Weiwei and the two children arrived, the children’s uncles started to argue with each other over who would make them more happy.

They had argued for more than an hour when they finally received Lei Ning’s text that the plane was about to land.

After reading the message, the two of them opened the door and got out of the car. Soon, they saw a small plane descending from the sky, ready to land at the airport.

When the plane landed, they drove up to the stairs.

With her sleeping daughter in her arms and Youyou in the arms of the nurse, they descended the stairs. Both of the children had just fallen asleep too.

They had just carried the children off the plane, when Fu Shiyi and Fu Shiqin came to pick them up excitedly.

“Youyou, Tiantian, Second Uncle is here to pick you up.”

“Third Uncle has brought you lots of delicious and fun things.”

...

The two little ones, who were sleeping, were woken up by their noise and Tiantian cried as she snuggled in her mother’s arms.

The boy snorted at the noise but soon fell asleep again.

Gu Weiwei looked at the culprit who had woken up her child as she tried to comfort her crying daughter.

“You two! Can’t you be quiet, they are sleeping.”

Hearing the words, Fu Shiyi glared at Fu Shiqin.

“It is your fault, you must have woken them up.”

“You are blaming me? You are worse than me!” Fu Shiqin countered furiously.

“Alright that’s enough, you are still arguing?” Gu Weiwei’s expression sank.

Fu Shiyi and Fu Shiqin shut up and craned their necks to look at the two cute children in Gu Weiwei’s and the nurse’s arms. They looked so cute with their round faces and chubby arms.

“Sister-in-law, can I hold him?” Fu Shiqin looked at Youyou who was in the arms of the nurse.

Gu Weiwei understood that her son was a very obedient child, so she nodded at him.

The nurse showed Fu Shiqin how to carry the child and gave the child to him.

Fu Shiqin took the soft-looking Youyou into his arms and sighed excitedly.

“Oh, why does he feel so small and soft? He feels so sweet to hold.”

“Me too, me too!” Seeing him hugging the baby boy, Fu Shiyi reached out for him too.

But Fu Shiqin was not going to let go.

“No, I am not done yet.”

When he returned from Dubai, they were still young, but now, they had become so chubby.

Fu Shiyi stopped reaching out for the child, fearing that he would hurt the child, so he got very jealous.

“Eh, what is this redness?”

“It’s the rash that arose in Paris and it should go away tomorrow,” Gu Weiwei said as she got into the car with Tiantian in her arms..

Chapter 1276: Second Uncle

She had just carried Tiantian into the car when Fu Shiqin carefully carried the sleeping Youyou into the back seat.

Fu Shiyi went to the driver’s seat and glanced at the two children behind him through the rear-view mirror.

“Second Brother, do you know how to carry a child? You are not sitting well while holding him.”

Fu Shiqin adjusted his posture and said to the man in front of him, “Drive your car properly, don’t keep looking behind you. Are you ready to be responsible if something happens?”

Hearing his words, Fu Shiyi thought of his nephew, niece and sister-in-law sitting behind him, so he withdrew his gaze and started to focus on driving.

Fu Shiqin looked down at his nephew who was sleeping soundly in his arms. “Youyou has a nose and eyes that resemble our brother’s when he was younger.”

“He has the same temper too.” Gu Weiwei chuckled.

Youyou had always been obedient. As long as he was full and comfortable in his diapers, he would not cry or make a fuss.

Unlike Tiantian, who needed someone to pamper her when she was going to sleep and when she woke up; she would also cry non-stop when she was not feeling well.

“A son is like his father, he is indeed like our brother.”

Fu Shiqin’s heart melted as he held Youyou’s chubby hands.

It felt so soft and easy to pinch.

Gu Weiwei held the child in the car and did not care about anything else. Yuan Meng carried several suitcases of luggage into the car and followed Fu Shiyi.

It took more than an hour to drive from the airport to their new home and the two children woke up when they reached home.

The moment Fu Shiyi parked the car, he opened both back doors and approached Fu Shiqin, as he was carrying the child.

“Second Brother, you have been hugging him for so long, it is time for me to carry him.”

“No.” Fu Shiqin approached Gu Weiwei with the child in his arms, refusing to let Fu Shiyi hold Youyou.

Fu Shiyi failed to get a hug from Youyou, so he turned to Tiantian who was lying on Gu Weiwei’s shoulders.

He clapped and stretched out his hands.

“Tiantian, let Third Uncle carry you, alright?”

Tiantian blinked and turned away, turning down Fu Shiyi’s hug.

Gu Weiwei smiled helplessly. “Tiantian is a bit shy, she needs to be more familiar with you before she can be hugged.”

Fu Shiyi sighed sadly and led them into the villa.

“The first floor is very spacious, and according to our brother’s request, the master bedroom and the nursery are both on the first floor.”

“The sofa in the living room is only placed in the corner and the floor is covered with soft cushions, so that the children can play on the floor. The servants will do the disinfection and cleaning periodically.”

“This is the children’s playroom and this is their walk-in closet.”

...

Yuan Meng followed them and watched the layout of the room.

“Hey, why don’t you just build a palace for them?”

The two children were only six-months old and they already had a nursery, a playroom and a walk-in closet.

“If they want it, we can build it,” Fu Shiyi said proudly.

Yuan Meng: “...”

When the nurse finally arrived at home, she quickly gave the two children the milk powder.

Fu Shiqin took over the milk bottle and fed it to the little boy. Lying in his arms, Youyou started to drink the milk seriously.

With the younger daughter in her arms, Gu Weiwei held the milk bottle for her. The little girl was always very focused until she was full. She kept drinking the milk with the bottle in her chubby hands, totally ignoring the new environment.

When she was full, she gave the child to Fu Shiyi who had been staring at her for a long time.

“You can hold her for a while, she is in a good mood after eating.”

This little foodie was always obedient when she was full..

Chapter 1277: Second Uncle 2

Fu Shiyi took over Tiantian carefully and did not dare to move his hands too much, fearing that he would drop the child.

After a long while, he smiled excitedly.

“Oh my gosh, why is she so soft? Her hands are so soft and so are her feet. She is so cute.”

...

Soon, Fu Shiyi and Tiantian got to know each other better. The little girl kept laughing at his antics, making Fu Shiyi very excited.

However, no matter how Fu Shiqin teased Youyou, the boy remained calm.

“Youyou, can’t you just smile?”

Seeing that Fu Shiqin had used up all his skills to make Youyou laugh, Gu Weiwei reminded him sympathetically.

“Youyou is more like his father... he is more mature.”

Tiantian was very lively and could not stop laughing.

However, her brother Youyou was very calm. No matter how funny he was, he was always calm and collected. He had inherited his father’s temper.

Fu Shiqin got so annoyed that he slapped his thigh. “Just as your father wishes! Why does he have to be so stubborn?”

It was so weird for a six-month old boy to be so calm.

“What is wrong with his temper?” Gu Weiwei squinted at him. He made it sound as if her husband and son were very bad-tempered.

Startled, Fu Shiqin changed his attitude.

“Steady, steady, steady! Yes, brothers should be steady.”

Gu Weiwei made a call to Fu Hanzheng to tell him that she was safe, when the brothers were helping to take care of the children.

A few seconds later, Fu Hanzheng picked up.

“Got off the plane?”

“Fu Shiqin and Fu Shiyi have already brought us to our place. The layout and decorations are very good,” Gu Weiwei said with a gentle voice.

If it was at Yijing Pavilion, the bedrooms were upstairs and the living room and dining room were downstairs. When it came to living life, it was far less suitable for the two children to live here.

“As long as you can live comfortably. If you need anything, ask Shiqin and the others,” Fu Hanzheng said.

Gu Weiwei glanced at the two children who were playing with their two uncles. The twin uncles were holding twin children, it was a very funny scene.

“What about you, have you returned to Dubai?”

Fu Hanzheng stayed silent for a moment and asked, “Where are the children?”

He did not tell her the truth, and did not tell her that he was still in Paris.

With her intelligence, she would definitely be worried if she knew that he was in Paris because of Gu Siting.

Gu Weiwei chuckled. “They are playing with their two uncles.”

“How is the rash on Youyou? Is it gone?” Fu Hanzheng asked with concern.

Gu Weiwei said, “Only a little bit left, you won’t be able to tell by tomorrow.”

Hearing her words, Fu Hanzheng felt a bit relieved.

“Get the nurse to take care of the children these next two days, take a good rest.”

“Got it, take a good rest too, we will be waiting for you.” Gu Weiwei had a sweet and gentle expression.

“Okay, I will come home as soon as possible,” Fu Hanzheng said.

Gu Weiwei ended the call and returned to the living room. She saw Fu Shiyi and Fu Shiqin placing the two children on the sofa, whilst they were playing with each other on the floor.

“There is nothing much here to do, you can go back and do your work.”

“No.”

Fu Shiqin was feeding the children the fruits and mush prepared by the nutritionist. Seeing the two children eating so happily, he felt very pleased.

“Are you sure?” Gu Weiwei frowned.

His phone must have rung dozens of times since he picked them from the airport.

At that time, she glanced at him and saw that it was Xu Qian. He must have asked him to deal with work.

“No, not at all,” Fu Shiqin said.

What was he busy with? No work was as cute or satisfying as his nephew or niece!

Chapter 1278: Cute

The moment he picked up his nephews and nieces, Fu Shiqin stopped thinking of going back to the company and Fu Shiyi stopped going to work. He tried his best to tease the two babies.

They even made a bet to see who would make Youyou laugh first.

However, Tiantian was always the happiest one. Youyou looked at the two uncles who were playing tricks on him calmly.

Seeing that they were having fun and the two children were not making a fuss, Gu Weiwei was happy to unpack her luggage.

Yuan Meng glanced at the scene in the living room and said with a smile, "If Youyou can talk, he will definitely ask these two uncles if they are stupid."

One was the Deputy President of the company and the other was a popular young actor. At this moment, they were kneeling on the floor and playing with the two children who were sitting on the sofa.

One moment they were rolling on the floor mats, the next moment they were screaming like animals. All kinds of excellent skills were shown.

Especially Fu Shiyi, who had totally ruined his cold and uninhibited image in the entertainment industry.

Gu Weiwei glanced at them and found that these two dumb-headed men had become even more of a lost cause in front of their nephew and niece.

However, the two children got along very well with their Second Uncle and Third Uncle. They played together for a few hours and did not cry or make a fuss. They even let them feed them milk and water.

Gu Weiwei unpacked her luggage and ate dinner with Yuan Meng. She asked Fu Shiqin and Fu Shiyi to come and eat, but they were too busy playing with the children to eat.

She reminded them when dinner was served.

"It is getting late, shouldn't you two go home?"

"No," Fu Shiyi and Fu Shiqin said in unison.

Gu Weiwei frowned. "They are going to go bathe and sleep, what are you still doing here?"

"We can sleep together." Fu Shiyi expressed.

Gu Weiwei said, "I am sure that their nursery can't fit you."

"Even if they don't sleep in the cot, they will sleep with their mother. Do you still want to sleep with them?" Yuan Meng raised her eyebrows and asked with a smile.

Fu Shiyi and Fu Shiqin exchanged a look. "Then... let's eat first."

If his nephew and niece slept with sister-in-law and they asked her to let them join in and share a bed with them, his brother would fly back and beat them to death.

But the little buns were so cute that they just wanted to bring them home with them.

They ate in the dining room and Gu Weiwei and the nurse took the two children to bathe.

She had just finished washing Youyou when Fu Shiyi and Fu Shiqin came running in. Seeing the nurse carrying Youyou out of the bathroom, they followed her obediently.

“Ah, he is so cute.”

Fu Shiqin kept taking pictures of the chubby boy.

The little bun was chubby but he was not overly fat. He looked cute and sweet.

After the nurse helped Youyou to get dressed, she placed him in the cot and let him play inside.

At the beginning, he was playing with his own hands when he accidentally touched his ears. He widened his eyes out of curiosity and touched his ears for a long time.

Seeing him touching his ears, Fu Shiyi frowned.

“Are his ears itchy?”

Seeing him reaching out for the child, one of the nurses stopped him.

“Second Master, it is not that his ears are itchy. Children learn a lot of things through touch and taste. He is just curious about his ears.”

Hearing the words, Fu Shiyi and Fu Shiqin leaned against the cot and stared at Youyou curiously.

“Oh, your ears are so cute too.”

“Oh, he is so cute!”

...

Chapter 1279: Lovely

Gu Weiwei finished bathing her youngest daughter Tiantian and came out with her daughter in her arms. She threw a look at the two Uncles who were still surrounding Youyou.

“What are you two still doing here? Not working tomorrow?”

“I don’t want to work anymore,” Fu Shiqin replied. He just wanted to stay here and spend time with the babies.

“I don’t want to work tomorrow either.” Fu Shiyi expressed.

Gu Weiwei sighed speechlessly. She helped her younger daughter put on the pajamas and went into the nursery to stay with Youyou.

“We have no intention of leaving now that we’ve returned. When are you two going?”

Fu Shiyi and Fu Shiqin threw a look at the two cute babies in the cot and screamed because of the cuteness when they saw Tiantian chewing on his fists.

They were about to leave but when they saw Tiantian's cute face, they could not bear to leave.

"But sister-in-law, when do you plan to let my father know about the existence of the two children?"

"You can make the arrangements anytime," Gu Weiwei replied.

Anyway, she only needed to take care of the two children. If the elders of the Fu Family found out about it, as long as they insisted that the children were secretly born after the divorce and refused to give them custody, that would be enough.

"Then we will see," Fu Shiqin said.

He had thought that if the children were a bit older, only then would he inform his father.

But when they saw how cute they were, they would not be able to resist, even if they were not at the age where they could call them grandparents.

"Yes, it would be better if they know before your brother comes home," Gu Weiwei said.

When the elders of the Fu Family discovered the existence of the two children, they would either agree to let her remarry Fu Hanzheng or ask her for the custody of the children.

Either way, they would not object to her meeting Fu Hanzheng.

Fu Shiyi and Fu Shiqin exchanged a look. "Yes, that is what we think too. Then our brother can come and meet you when he comes home."

"Okay." Gu Weiwei nodded, thought for a while and said, "Don't make it too obvious, your family are not stupid."

"Don't worry, as long as they meet two cute little buns, they won't care about anything." Fu Shiyi snorted.

They must have given up on his brother because they were now urging him and Fu Shiqin to get married and have children.

But how could they get married and have children?

If they saw these two cute little buns, they would be overjoyed.

"It is late, go home now." Gu Weiwei urged.

Fu Shiyi and Fu Shiqin said goodbye to Youyou and Tiantian unwillingly. They had just arrived at the living room, when He Chi came home from work.

"Hey, you already brought her here?"

Seeing him coming, Fu Shiyi and Fu Shiqin took hold of his shoulders and dragged him to meet their nephew and niece.

"What took you so long? My nephew and niece are super cute!"

"Also, Youyou resembles my brother very much."

...

They dragged He Chi to the nursery to check on the two children.

Therefore, Youyou and Tiantian were watched for another hour.

Gu Weiwei checked the time and urged them.

“Are you done? Can’t you come over tomorrow?”

After flying for more than ten hours and taking care of the two children, they really needed to rest.

“Okay, we’ll come tomorrow, tomorrow.” Fu Shiyi waved goodbye to the two children.

Fu Shiqin said as he walked away, “Sister-in-law, we are staying with He Chi. Call us if you need anything, we will be back over soon..”

Chapter 1280: So Dramatic

Finally, Gu Weiwei saw them off.

She went back to the room and put the two children to sleep before she went to rest.

The following morning, she had just changed the two children’s clothes and carried them to the living room, when she saw Yuan Meng dressed in a male outfit coming downstairs with Yuan Bao.

“What are you planning now?”

“You know that Anderson is planning something these days, so it’s better to be safe.” Yuan Meng adjusted her wig and said, “I will send Yuan Bao to kindergarten and will be back in the afternoon.”

Gu Weiwei threw a sympathetic look at Yuan Bao. Did this boy really not feel anything towards his mother who kept changing her appearance?

Yuan Meng had just left with Yuan Bao when Fu Shiyi and Fu Shiqin came running towards them.

“Youyou, Tiantian, Second Uncle is going to work,” Fu Shiqin said as he took hold of Youyou’s hands and Tiantian’s hands, saying goodbye to them unwillingly.

Seeing him holding their hands tightly, Fu Shiyi protested.

“Are you done? I have not held their hands yet.”

Fu Shiqin released them unwillingly and Fu Shiyi followed suit.

“Baby Youyou, Baby Tiantian, Third Uncle is going to make money to buy food for you.”

Gu Weiwei was speechless.

These two uncles were so dramatic.

Fu Shiyi and Fu Shiqin stayed there for almost an hour, before they left for work unwillingly.

Gu Weiwei took care of the two children and ate some food. Then she contacted Jolin at breakfast and told him about her return home.

Then she made a call to Luo Qianqian and Ji Cheng and told them that she had returned home and that they could have a gathering when they had time.

After Fu Shiyi and Fu Shiqin went home from work, they started to test their father.

But they had to think of a way to let them run into their sister-in-law.

After all, their sister-in-law was too famous in Hua Land to allow her to meet his father in public.

Also, his father did not like to go out, so it was not easy to create this opportunity.

Especially when she had to be discreet.

They two were just worrying when his father asked Fu Shiqin, "Has Fu's Enterprise developed a very good villa area in the capital these days?"

"Yes, who do you want to buy it for?" Fu Shiqin asked distractedly.

Fu Shengying leafed through the newspaper and said, "An old friend who was abroad is going back to the capital to settle down. He asked if there was a quiet and peaceful villa district."

Fu Shiqin rolled his eyes and said with a smile, "Zhujiang is a very nice place, and mainly for families. He Chi just bought one there, why don't you visit it when you have time?"

As long as his father was there, he would be able to run into his sister-in-law.

"Forget it, just give me a copy of the pictures and videos and I will send them to his family." Fu Shengying was not interested in seeing the villa in person.

"The pictures used for promotion are all photoshopped, so you have to experience the comfort of living there yourself. You have nothing to do at home anyway, and it is close to Forest Park, so you can take it as a walk to get some exercise." Fu Shiyi chimed in.

Mrs. Fu looked at her two sons who were exchanging glances with each other and suggested.

"Go and take a look. Since it is a request from an old friend, you better do your best."

Fu Shengying thought for a while and decided to find a place for them to live in person. When their family returned home, he could introduce them to Shiqin and Shiyi.

"Okay, let's go the day after tomorrow.."
