

# MY HIDDEN 1421

## Chapter 1421: Familiar Words 2

Yuan Meng could clearly see Gu Yun Che sitting opposite Luo Qianqian.

Seeing his slight change in expression, she smiled inwardly. Sure enough, there was a chance.

Maybe Luo Qianqian had never met him before, but he must have met Luo Qianqian, or maybe... he had met someone who looked very similar to Luo Qianqian.

That was why he had such a big reaction when Luo Qianqian said that he feels familiar.

Luo Qianqian could tell that something was different with the man, so she gripped her coffee cup and explained.

“Mr. Gu... I don’t mean anything else, I just... I just hope that I can see you again. Of course, I promise that I won’t cause you any trouble.”

...

Due to her nervousness, Luo Qianqian could not speak smoothly.

Gu Yun Che sized her up. “Do you want to see me or is it for Gu Weiwei?”

“Gu Weiwei?” Luo Qianqian frowned in confusion.

Gu Yun Che changed his words when he saw her expression.

“Mu Weiwei.”

“Weiwei?” Luo Qianqian was confused and asked, “You know Weiwei?”

Gu Yun Che could tell that she really did not know anything about it, so he gave up asking.

“Qianqian, no one has everything going according to their wishes in life. You have already caused me trouble by wanting to see me in the future.”

Maybe she did not know about Gu Weiwei yet, but their meeting would be used by Gu Weiwei or Fu Hanzheng sooner or later.

Also, seeing her would only remind him of the past.

Luo Qianqian’s eyes turned red when she thought of this being the last time they would meet.

“I am sorry, I didn’t mean to cause trouble for you and your family.”

She thought that the trouble he was talking about must have come from his family.

He must have gotten married and had children, which was why he was so bothered by her request.

Hearing her words, Yuan Meng felt her forehead. This girl looked very smart, but why was she not smart at this critical moment?

That man surnamed Gu was so perverted, how could he possibly have a family? Which blind woman would want to be with him? That was the fate of being alone.

She had thought that she would be able to advance bravely, but when he said that he was troubled by her, she was ready to retreat.

Gu Yun Che could not bear to see her disappointed face.

“You are thinking too much. I don’t have a family, it is just a personal problem.”

Yuan Meng, who had thought that she was going to lose, brightened up when she heard his words. This Gu man was indeed interested in Luo Qianqian.

Luo Qianqian blinked in astonishment. Did he mean that he was not married?

Her request didn’t cause trouble for his family?

Her request didn’t cause trouble for his family?

But why did she feel so heart-broken when she had thought that he was already married and had a child?

Why was she so happy when she found out that he was not married?

“Qianqian, we are from different worlds. It is not a good thing for you to be too close to me.” Gu Yun Che took a sip of coffee and removed the complicated thoughts in his eyes.

However, Luo Qianqian blurted out.

“I am not afraid.”

“But it is not good for me either. Go home and continue with your original life,” Gu Yun Che said.

Yuan Meng could not help but roll her eyes. He did not want her to get too close to him, yet he kept calling her Qianqian and explaining that he was not married. Was he stupid?

What people from different worlds? Why did he say that they were not from the same planet?.

## **Chapter 1422: Online Love**

Luo Qianqian stayed silent for a while and nodded in agreement.

She did not want to become strangers with him, but she also did not want to make things difficult for him because of her own thoughts.

Therefore, no matter how unwilling she was, she could only agree that this was the last time they would meet.

Yuan Meng, who was watching them from the side, was very confused.

If she accepted it, she would never be able to meet him again and her heart would go on strike.

Gu Yun Che finished the coffee and finished the slice of cake. He wiped his lips with a napkin and said, "The cake is delicious, thank you."

Having said these words, he stood up and was about to leave.

Luo Qianqian had accepted that this was the last meeting, but when she saw him leaving, she suddenly stood up.

"Mr. Gu, I won't see you again, but... can we contact each other? Just occasionally contact each other online?"

Gu Yun Che stayed silent for a moment. "I don't use such technology methods."

Luo Qianqian grabbed her bag and started to rummage through it, but failed to find anything. In a hurry, she emptied her bag onto the table.

Then she took out her phone from the pile and gave it to him.

"This is for you, use this to contact me."

Gu Yun Che looked at the phone and then at the girl's hopeful face.

Finally, he could not bear to see the disappointment on her face, so he took the phone after a moment of hesitation.

"Okay!"

Luo Qianqian smiled. "Goodbye, Mr. Cru."

"Goodbye." Gu Yun Che nodded and left the cafe with her phone.

Seeing him going downstairs, Luo Qianqian walked to the window and saw him leaving the cafe and walking among the crowd, before disappearing completely.

Yuan Meng approached her and patted her shoulders. "Alright, stop looking, he is gone."

Luo Qianqian came back to herself and blushed in embarrassment.

"Sister Yuan Meng."

Yuan Meng approved of Luo Qianqian's boldness and the moment she gave the phone to Gu Yun Che was just beautiful.

More importantly, he had accepted it.

This not only meant that he was special to her, but also that they could find him in the future.

"Although it is the last time we will meet, no one can be sure about the future."

Luo Qianqian smiled and said nothing.

Yuan Meng continued to encourage her. "Didn't he accept your phone? At most, you can start an online relationship..."

"Who wants an online relationship?"

Luo Qianqian countered, but her face was so red that her thoughts were revealed.

"It is not an online relationship, it is an online couplet. You can contact each other online." Yuan Meng did not tease her but said as she walked downstairs with her arm over her shoulders, "Flirt with him online first. When the time comes, even if you don't say that you want to meet him, he will still come to meet you. Men are all like this. They say that they don't want to with their mouths, but their bodies are more honest than anything else..."

"Sister Yuan Meng, what are you talking about?" Luo Qianqian looked even more embarrassed.

Yuan Meng chuckled and lit a cigarette.

"He saved you, the damsel in distress, it is understandable that you are moved. I support you."

"We are done here, let's go home today," Luo Qianqian said.

Although she had told her family that she was safe, her mother and grandparents were worried, so she should go home with her father.

"Didn't you say that you still have many important things to do yesterday? But you are going home now?" Yuan Meng asked in amusement.

What she meant by 'important things' was meeting this Gu person today.

### **Chapter 1423 Don't Be His Enemy**

"I... I don't want my family to worry."

Luo Qianqian flushed, but she did not tell her what she was thinking.

Actually, she was afraid when she saw Gu Yun Che stepping over the blood on the ground.

But when she saw his gentle eyes and expression today, she was no longer afraid.

All that was left was her heart beating wildly.

"Okay, I will arrange for someone to take you home. I am busy," Yuan Meng said with a smile.

Anyway, if she continued to stay here, she might not be able to see Gu Yun Che again.

If she asked someone to take Luo Qianqian home, she could go back to Italy.

Back at the hotel, Luo Qianqian returned to her room and started to pack her luggage.

Yuan Meng returned to her own room and reported the progress to Fu Hanzheng.

"The meeting is over. Although the livestream did not work, the results are good for us."

"Something beneficial for us?" Fu Hanzheng asked.

Yuan Meng said as she played with the lighter, "Gu Yun Che is indeed special to Luo Qianqian. Although this is the last time they will meet, but..."

Fu Hanzheng lowered his voice, he was impatient with her for keeping him in suspense.

"But what?"

"But he accepted Luo Qianqian's phone, so they should be able to contact each other in the future," Yuan Meng said.

If he accepted it, it meant that they could contact each other online.

As long as they were still in contact, she did not believe that he would not fall for this honey trap.

"Good," Fu Hanzheng said. As long as he was still in contact with Luo Qianqian, they would be able to track him.

Compared to searching for a needle in a haystack, this was much easier.

"I am going to arrange for Luo Qianqian and her father to return home. I don't care how she contacts Gu Yun Che in the future," Yuan Meng said.

"Okay, I will monitor it," Fu Hanzheng said with a low voice.

He was deeply worried about this mysterious Gu Yun Che after hearing what she and Yuan Shuo said.

But now, there was finally something about

him.

"Yuan Shuo asked me to tell you that as long as this man promises not to be on the same side as Gu Siting it's fine, but... don't become his enemy." Yuan Meng thought of Yuan Shuo's repeated reminders and told Fu Hanzheng what she meant.

The two of them had faced Gu Yun Che before, so they knew how dangerous he was. Fu Hanzheng knew everything from them, but if he made Gu Yun Che his enemy over Weiwei, he would be even more terrifying than Gu Siting

"He is related to Weiwei's life and death, so I will be careful," Fu Hanzheng said.

Everything he had done would keep her and the two children safe.

Therefore, he would not do anything that would endanger them.

"Also, the Gu Family seems to be very mysterious these days, be careful." Yuan Meng reminded him.

Gu Siting still had not given up. Recently, they had been paying attention to the internal conflict between the Dorrans Family and the Anderson Family.

Therefore, Fu Hanzheng had to deal with the Gu Family himself.

Also, the elders of the Fu Family did not want the Dorrans Family to interfere in the grudge between the Fu Family and the Gu Family.

Gu Siting thought that it was best for Weiwei to stay with the Gu Family, but that was just his wishful thinking.

At the end of the day, he was just jealous that Fu Hanzheng had her and wanted to get her back from Fu Hanzheng.

He might be sincere, but he was definitely not as sincere as Fu Hanzheng.

### **Chapter 1424 Love at First Sight!**

That night, Luo Qianqian and her father returned to the capital of Hua Land.

Early in the morning, she bought a new phone with Ji Cheng

Then she created a new WeChat account with the new phone number and sent the number and password to the phone she gave to Gu Yun Che.

But after the text was sent, it disappeared without a trace.

Ji Cheng answered a call and said,

“Weiwei wants to meet us, but she is being watched by the media these days, so let’s go to her home. She has been worried about you these past two days.”

Also, she really wanted to go to her home and hug those two cute little buns.

Luo Qianqian came back to herself and nodded.

“Sure.”

“Then let’s go now,” Ji Cheng said and then changed her mind. “Actually let’s go later, I will buy something for the little buns first.”

Having said these words, she dragged Luo Qianqian to the mall nearby and bought a pile of things for the two little buns, before heading towards the Grand View Villa. Gu Weiwei was just pushing the two children back from the park when she saw them. She quickened her pace.

“You are here already?”

“I wanted to see your children.” Ji Cheng stuffed the things into Luo Qianqian’s hands and went to tease the little ones.

Gu Weiwei gave the two children to the nurse and helped Luo Qianqian carry some things.

“You are not injured, right?”

“No, I was just a bit frightened. Luckily, Sister Yuan Meng and the rest arrived in time,” Luo Qianqian said. They walked in and Gu Weiwei asked someone to deliver tea and fruits to them. “It’s good that you are fine, take a good rest.”

Luo Qianqian checked her phone and said with a smile, “I have to write songs for the two new albums, I am afraid I will not be able to rest.”

"If possible, we can discuss if you need time off with the company." Gu Weiwei saw that she looked very different from before and feared that she was not feeling well after what she had experienced

"Okay, I will try my best..."

Before Luo Qianqian finished the words, her phone rang and she picked it up.

Seeing that it was just a notification, she put it down in disappointment. "Qianqian, who are you waiting for? I have seen you looking at this new phone 800 times." Ji Cheng complained with Youyou in her arms.

Gu Weiwei glanced at her phone and found it strange too.

She had checked her phone several times since she entered the apartment.

She seemed to be waiting for something important.

"No, I just changed the phone number and informed my family and friends, so I keep checking for their responses." Luo Qianqian defended herself.

"No, it's not family or friends. I used to text you ten times and you would only reply to one of them. Even when your father texted you, you would think about going back and forth before replying. Is it that important now?" Ji Cheng could not believe it. She approached her with Youyou in her arms and glared at her. "Tell me the truth, are you in a relationship behind our backs?"

Luo Qianqian threw a look at Ji Cheng and Gu Weiwei and whispered after a moment of hesitation, "No, not yet."

"Oh, so you do have someone. Who is he? When did you get to know each other and what is his job..." Ji Cheng asked a series of questions.

Gu Weiwei smiled and joined in.

"Tell us the truth." "We haven't known each other for long, but... he saved my life when I was kidnapped in Nice," Luo Qianqian said hesitantly.

Hearing her words, Ji Cheng looked very curious and sighed excitedly.

"The hero saves the beauty, it is love at first sight!"

### **Chapter 1425 Pregnancy**

Luo Qianqian blushed and pursed her lips.

"It's nothing like what you said!"

"So you are not waiting for his call and message?" Gu Weiwei chuckled.

Seeing the anxiety in her eyes, she thought that she had not recovered because of the kidnapping. So it was not because she had been held hostage, but because she was waiting for a reply.

"Before I went abroad, I remember someone saying that she was going to devote her life to music," Ji Cheng said with a smile.

Luo Qianqian felt her forehead guiltily. At that time, she did want to devote her entire life to the music career she loved.

But she had not met him yet.

Gu Weiwei took a sip of the black tea and asked curiously, "What is he like? Chinese or Italian?"

Only Yuan Meng's men and Fu Hanzheng's men were there. Could it have been one of them?

"Chinese," Luo Qianqian said and sighed with disappointment. "But... he said that he doesn't want to see me again." "Don't want to see you?" Ji Cheng said furiously, "Tell me, who dares to say that he doesn't want to see you? I will hit him until he sees you."

Luo Qianqian threw a look at the excited Ji Cheng. "I don't think that even a hundred of you can beat him."

He had killed so many kidnapers, so he must have been very skilled.

Ji Cheng pursed her lips. "Are you saying that you have a crush on him now?"

The other party said that he did not want to see her, but judging from her expression, she was still missing him.

"I don't know." Luo Qianqian shook her head helplessly.

She just missed him and wanted to contact him.

But it seemed that they would never be able to contact each other again.

Gu Weiwei could tell that she had fallen for him, otherwise she would not have been so distracted.

"Why doesn't he want to see you?" "He said that he will be troubled if we meet again." Luo Qianqian told the truth.

Gu Weiwei frowned. "He is married?"

Luo Qianqian shook her head. "No, he just... said that we are from different worlds because of him."

Hearing that he was Chinese and someone from a different world, Gu Weiwei thought that he was someone arranged by Fu Hanzheng.

After all, most of the people who would say these things were related to the underworld.

But as long as he was not a bad person and Qianqian liked him, she could tell Fu Hanzheng to get him a better job.

"As long as he is not married, anything else can change. There's no hurry." Gu Weiwei chuckled and asked, "Can you tell us who that person is?"

Well, when Fu Hanzheng came home from work, she would have to find out more about that man before she could be sure that he was worth Qianqian's time.

Luo Qianqian hesitated for a while and said, "Gu Yun Che."

“Gu Yun Che?” Gu Weiwei frowned and suddenly remembered that Yuan Meng had mentioned this name before.

However, she had been out of the loop while she was pregnant for over a year and apart from the name, she could not remember anything else.

“Yes.” Luo Qianqian nodded.

She had texted him hours ago and there was still no reply.

Did he see the message?

Or had he got rid of the phone long ago?

She was hesitating if she should make a call later, but when she thought of how he said that she would cause him trouble, she did not have the courage to make the call.

### **Chapter 1426 Boyfriend?**

Seeing her disappointed face, Gu Weiwei and Ji Cheng exchanged a look.

“Qianqian, if that man doesn’t like you, I can introduce you to one of my cousins.”

“No, please, don’t introduce me to any of your family. I am already unlucky to have known you. If I marry someone related to you I will be very unlucky.” Luo Qianqian could tell that they were worried about her, so she quipped at Ji Cheng playfully. “If you don’t like my cousins, I can ask my father to find you some soldiers from the army. They are both good-looking and skilled. They are all good boyfriend material. You will be very satisfied.” Ji Cheng suggested fearlessly. Luo Qianqian looked at her speechlessly. “I am telling you not to introduce me to anyone, alright?” “You are pretty and talented, is that man blind? How doesn’t he like you?!” Ji Cheng snorted. Luo Qianqian squinted at her. “Aren’t you blind to praise me for being pretty and talented in front of the Movie Queen?”

“Although you are not as good as Weiwei, you are already a famous, talented girl,” Ji Cheng said enviously. Weiwei was not a human being, but Luo Qianqian was already a pretty girl among her peers.

Although she was not as beautiful as Weiwei, she was still a cold beauty and a very talented composer.

Hearing her words, Luo Qianqian looked even more distressed.

“Alright, it depends on fate, I am not that stupid.”

Ji Cheng could not persuade her, so she turned to Gu Weiwei and said, “Weiwei, please talk to her.”

As a friend, she could not bear to see her sad because of a man.

That man did not like her now, and even if she courted him, her heart might be broken by that man.

She and Weiwei were both very lucky to have met their own loves and it was the other party who courted them.

Therefore, when she saw Luo Qianqian being sad because of this man, she could not help but feel sorry for her.

“It is not easy to make someone understand.” Gu Weiwei smiled helplessly.

Relationships were never about outsiders.

Luckily, Luo Qianqian was not deeply involved yet. When she found out about that man, she would either help her or persuade her to give up.

Ji Cheng pinched Youyou’s chubby hands and tried to calm herself down.

“What about if I tell my father to get someone from the special forces to bring that man back to you?”

“Are you a bandit?” Gu Weiwei chuckled and asked, “Do you want me to be your boyfriend instead?”

“He is so stupid.” Ji Cheng snorted.

“Please, please, don’t do anything!”

Luo Qianqian put her hands together and looked scared.

She understood that they were worried about her, but this was her own matter and what they did would only bring more trouble to Mr. Gu.

Also, the men they would arrange would not be a match for him and he might even kill them.

Ji Cheng threw a look at Gu Weiwei as if asking for her opinion.

Gu Weiwei brushed Youyou’s hair and whispered, “You will only make it harder for her to get along with him if you do anything.”

“What should we do?” Ji Cheng sighed helplessly. Gu Weiwei said in amusement, “Do you think that a relationship is like when you buy things from the supermarket and you can easily return them back if you don’t like them? Your cousin has been courting you for so many years and Fu Hanzheng courted me for a while too, we can’t be impatient with Luo Qianqian’s matter.”

Hearing her words, Ji Cheng thought that it made sense.

Even if she and Weiwei were doing well in love, they had only settled down after a few years. Qianqian had just gotten to know someone, so there was no hurry.

## **Chapter 1427 Love**

Although Gu Weiwei and Ji Cheng were both curious about who the Mr. Gu was that Luo Qianqian cared so much about, Luo Qianqian did not reveal much, so they did not ask anything more.

Ji Cheng was attracted by the topic at first, but soon she became immersed in the joy of teasing the two cute children.

The two little buns sat on the sofa together. They looked very similar and they were chubby too.

But they were too small and soft, and she was afraid that she would hurt them. “Weiwei, you must have saved the galaxy in your past life to have such a handsome husband and such a cute little bun.” “It is useless to be jealous.” Gu Weiwei smiled. Ji Cheng glared at her angrily. “Don’t mess with me, or I will steal your children!”

“Aren’t you afraid of being beaten to death by her President husband?” Luo Qianqian snorted.

The two of them spent the entire afternoon at Weiwei’s villa. Seeing that Fu Hanzheng and Fu Shiqin would be coming home from work soon, Luo Qianqian suggested that they leave, but Ji Cheng was still unwilling to leave the two little buns.

“It is already so late, just stay for dinner and then I’ll ask someone to drive you home.” Gu Weiwei suggested.

“I don’t want to be force fed your displays of love,” Luo Qianqian said straightforwardly.

They had seen how sweet she was with Fu Hanzheng.

“I am going home too, my cousin asked me out for dinner,” Ji Cheng said.

Having listened to these words, Luo Qianqian glared at her.

“Will you die if you don’t show off your love too?”

“Then come and play when you have time.” Seeing that they did not want to stay for dinner, Gu Weiwei did not ask them to stay again.

Ji Cheng and Luo Qianqian hugged her one after another and left unwillingly after hugging the two babies.

They had been gone for less than an hour and Fu Hanzheng was back from work.

The moment he entered the house, he gave her a hug out of habit and glanced at the fruit juice glasses on the table.

“We have guests here?”

“Ji Cheng and Qianqian were here,” Gu Weiwei said calmly and asked Fu Hanzheng, “Is Mr. Gu Yun Che, whom Qianqian likes, someone from the Fu Family?”

Fu Hanzheng shook his head with a smile. “No, it is someone she met in France.”

“Not from the Fu Family or one of Yuan Meng’s men?” Gu Weiwei was surprised.

She had thought that it was someone they had arranged to go there to rescue her. That way she could have found out more about that person and found out if he and Luo Qianqian were suitable, as well as where the problem in their relationship was.

“No, but what is it? Still want to be a matchmaker?” Fu Hanzheng asked with a smile.

It seemed that she did not remember who Gu Yun Che was.

Yuan Meng and he had mentioned Gu Yun Che’s name to her before but it was only once or twice and she might not remember it.

“Qianqian is not in a good mood because of him, so that’s why I mentioned this person. I want to know who he is and see if I can help her,” Gu Weiwei said.

Fu Hanzheng took hold of her shoulders and sat down as he said with a gentle voice, "You better not interfere too much in their relationship."

"But I need to know if that man is reliable or not, and if he is worthy of Qianqian's attention," Gu Weiwei said.

Fu Hanzheng chuckled. "Love is not about being worthy of attention, it is just whether you like it or not."

The pompous words made Gu Weiwei hesitant.

She wanted to know what kind of person he was, in case he was someone not worthy of Qianqian's love, so that she could let him go when she was not deeply in love with him yet.

But just as he had said, relationships were never about being worthy or not of attention, just whether you liked it or not.

### **Chapter 1428 Demons?**

Since the two children were already asleep, Fu Shiqin could not tease the little buns, so he sat down in the dining room and started to eat.

He was drinking fruit juice and playing with his phone.

He opened his Moments out of curiosity and accidentally saw Fu Shiyi's Moments.

(The back view of the girl I like is so pretty!)

It was a picture of Ding Dongdong's back when she was abroad and Fu Shiyi's own shadow was reflected on the floor.

What was even more crazy was that Fu Shiyi's picture on WeChat had been changed to a picture of him and Ding Dongdong in couple outfits.

Fu Shiqin spat out the juice in his mouth.

"Damn!"

The dishes on the table were ruined by his mouthful of juice.

Fu Hanzheng frowned. "What are you doing?"

Gu Weiwei looked disdainfully at him. "You are so dirty!"

Fu Shiqin glanced at the dishes on the table and shrank his neck guiltily. "Well... I was shocked by Third Brother."

Fu Hanzheng said to the servant who was still preparing the soup in the kitchen, "Make the dishes again please, he can eat these ones by himself."

Gu Weiwei sat down and threw a look at Fu Shiqin who looked deeply troubled.

"What is wrong with Fu Shiyi?"

She had just finished the words when Fu Shiyi came back with a suitcase.

“What are you talking about?”

“Third Brother, are you so useless? Ding Dongdong is abroad and yet you are chasing after her and going to see her?” Fu Shiqin complained.

Gu Weiwei, who was just drinking water, choked on the water. So this was what it meant to be a pushover, right? Was it appropriate to share such shocking news at the dinner table?

“You also would be the same in front of your girlfriend, but... you are single,” Fu Shiyi said proudly. “As if Ding Dongdong is really your girlfriend.” Fu Shiyi snorted.

Gritting his teeth, Fu Shiyi made a call and soon the call went through.

“Baby, I am home.”

Having said these words, he turned on the speaker and Ding Dongdong’s voice came through.

“It’s good that you are home. I need to postpone my work for another week.”

“Didn’t you say that you were coming home this weekend? Why did you postpone it for another week? What if I miss you?” Fu Shiyi sounded depressed as he held the phone.

Ding Dongdong said, “Shame!”

“Baby, my heart aches when you say that.” Fu Shiyi sounded wronged.

Ding Dongdong softened her tone as if she could not bear to see him like this.

“I will miss you too.”

Hearing these words, Fu Shiyi raised his eyebrows at Fu Shiqin proudly.

Gu Weiwei frowned. They were showing off their love in front of them, so she cleared her throat and said, “Dongdong, we will miss you too.”

Fu Shiyi turned off the speaker and said as he held the phone, “My sister-in-law was by my side just now and said that she has not seen you for a long time. When you are back, she wants to invite you home. Her children are very cute.”

Ding Dongdong agreed.

Then Fu Shiyi said as he held the phone, “Then I will pick you up when you come home.”

Fu Shiqin watched in astonishment as Fu Shiyi finished the call proudly. He just could not believe that this man was not single anymore.

He had thought that Ding Dongdong would torment him for another year or so.

Seeing his dumbfounded expression, Fu Shiyi felt that he had not shown off enough. He pointed at his own clothes and said, “See this? This is a couple’s outfit.”

He pulled out a picture of them wearing the couple's outfits.

"Ha, she can promise you today and dump you tomorrow. Isn't that normal?" Fu Shiqin snorted.

"Single men are so jealous," Fu Shiyi said as he removed his clothes and got changed.

Fu Shiqin could not stand it any more and criticized him. "You need to get changed after a meal, not before, are you stupid?"

"I just don't want to ruin the precious couple's clothes." Fu Shiyi got changed and sat down, ready to eat.

Fu Hanzheng frowned unhappily. "Move out with your things later."

"I just came home." Fu Shiyi was displeased.

"You are showing off your love in front of our brother, get out of here now!" Fu Shiqin echoed his brother.

"No problem, we can show off too," Gu Weiwei said to Fu Hanzheng in a sweet voice, "Honey, I want to eat shrimps, peel them for me."

Fu Hanzheng put down the chopsticks and brought over the plate of shrimps in front of Fu Shiyi.

"..." Fu Shiqin felt that this meal was a huge blow to him.

Fu Shiyi was showing off in front of him, and so was his brother and sister-in-law. Are you all demons?

### **Chapter 1429 Marrying**

Fu Shiqin had a very emotionally damaging dinner.

Fu Shiyi ate and talked about his date with Ding Dongdong abroad.

As he spoke, he kept using the pictures on his phone to prove what he said. "Look, my baby made me coffee. How did she become so smart? Even the coffee tastes so good."

Fu Shiqin rolled his eyes. "It is just a cup of instant coffee, nothing to show off about!"

"So what if it is instant coffee? Are you looking down on instant coffee?" Fu Shiyi was displeased by Fu Shiqin's attitude and showed an even more shameless expression. "Making instant coffee also requires skills, and unless you control the temperature and amount of water well, it won't taste good."

Gu Weiwei felt her forehead. She had not expected that Fu Shiyi would be so crazy when he was showing off his love.

"Alright, alright, you can drink it forever." Fu Shiqin did not want to talk with him any more.

Fu Shiyi snorted proudly. "If Dongdong makes me a cup, I will drink it for the rest of my life."

"Third Master, that is enough, can you spare Second Master?" Gu Weiwei reminded him.

A cup of instant coffee was enough to make him boast.

But Fu Shiyi would not give up.

He had been chasing after her for so long and now he had finally succeeded in his love. Of course he had to show off his love.

“Also, Dongdong made me breakfast this morning, look! The fried egg is crispy on the outside and tender on the inside, the porridge is also soft and tasty.”

Fu Shiqin looked at the picture of a plate of fried eggs and a bowl of porridge that was almost cooked into hard rice and found it very annoying

He had wanted to counter him, but thought better of it and said inwardly, “Forget it, this brother is stupid, forgive him.”

But Fu Shiyi just would not stop.

“Look, my Dongdong is so pretty on the catwalk.”

Fu Shiqin smiled and snorted. “Are you sure you want to talk about your girlfriend in front of such a beautiful woman?”

“What is it? Dongdong is the most beautiful woman in the world!” Fu Shiyi slapped the table and said.

Gu Weiwei frowned at Fu Shiyi who was almost possessed. What was wrong with this man?

Fu Shiyi sensed that she was looking at him, so he threw a discreet look at her and became slightly smarter.

“Sister-in-law, I am not saying that you are not pretty, I am saying that Dongdong is the most beautiful in my eyes, and you are the most beautiful in our brother’s eyes. Both are beautiful, both are beautiful...”

Fu Hanzheng peeled a plate of shrimps for Gu Weiwei, wiped his hands and glanced at Fu Shiyi.

“No matter who thinks that your sister-in-law is the most beautiful, I don’t accept any counter arguments.”

Fu Shiqin was so stuffed with watching his brothers show off their love that he lost his appetite, even when facing his favorite sweet and sour pork ribs.

It was just a dinner, why were they showing off their love?

Fu Shiyi had just fallen in love and he could not stand it any more.

His brother and sister-in-law had been married for ages and they were showing off their love too.

Had they ever thought about how a single man like him would feel?!

“Apart from myself, Dongdong is the most beautiful thing in my eyes.” Fu Shiyi countered fearlessly.

Gu Weiwei was speechless. “You are showing off your love in front of me?”

“Sister-in-law, you have been showing off your love for so many years, why can’t I show off?” Fu Shiyi smiled.

Gu Weiwei put down the bowl and chopsticks and said with a smile, "So what if we show off our love? You can get married and have children too."

### **Chapter 1430 Love Show**

"I... I will get married one day." Fu Shiyi squinted at Fu Shiqin and snorted proudly. "Unlike someone who will always be single."

He could not show off in front of his brother and sister-in-law, but he could show off in front of his second brother who was single!

Fu Shiqin gritted his teeth. If his brother and sister-in-law were not here, he would have flipped the table and started a fight.

"Third Brother, want a one-on-one fight?" "No, Dongdong doesn't like me fighting." Fu Shiyi turned down the request of a real fight. "Then don't show off your love in front of me. I don't like your love. It is poisonous." Fu Shiqin did not conceal his disdain towards his third brother.

He was willing to accept his brother and sister-in-law's love.

But he refused to witness his Third Brother's love.

"Aww... You have nothing to show off, I am so jealous." Fu Shiyi snorted proudly.

"..." Fu Shiqin was speechless.

He was so annoyed, but it was true that he could not show off. That was the most infuriating thing.

His brother and sister-in-law used to be so full of love that he could do nothing but be smothered by it, but he did not want to watch Fu Shiyi's love.

"Third Master, share with us how you managed to get yourself promoted," Gu Weiwei asked with interest after eating.

Fu Shiyi said with a sweet smile, "At first, I said that I was coming to find her, but she ignored me. I left her a message when I got off the plane and she still did not come to pick me up. Then a series of car accidents happened on the way to her apartment from the airport. She thought that I was injured too, so she came to find me and revealed her true feelings."

Fu Shiqin snorted. "You are so lucky." "I am not a dog now, but you, you are a single man." Fu Shiyi kept stimulating his Second Brother.

"Ding Dongdong is too soft-hearted." Fu Shiqin sighed. She should have tormented him for longer.

"That is because she loves me too much. What do you, a lonely single man, know?" Fu Shiyi smiled deeply when he thought of the worried girl who came to the site of the car accident.

"If you dare to mention the word single again in front of me, I will get ten handsome men from all walks of life and send them to Ding Dongdong tomorrow." Fu Shiqin warned with his teeth clenched.

Gu Weiwei reminded Fu Shiyi as she looked at him.

"Don't smile so brightly."

“It feels so good to be in a relationship.” Fu Shiyi smiled brightly with one hand resting on his cheek.

“Alright, I know you are no longer single, stop showing off, alright?” Gu Weiwei said speechlessly.

She was not used to this Fu Shiyi who was being so flirty and weird.

Fu Shiyi was displeased. “So are you also not allowed to show off your love?”

It was because his Dongdong was not home yet, otherwise he wouldn't be so arrogant.

“Fine,” Gu Weiwei said with a smile.

Fu Hanzheng took hold of her shoulders and smiled gently. “You can show off.”

“I am not that childish.” Gu Weiwei expressed.

“True.” Fu Hanzheng smiled dotingly.

Fu Shiyi stretched, got up and dragged his luggage back to his room.

However, the moment he pushed open the door, he found that there was no furniture inside, only stuffed toys.

The bear and the rabbit were taller than a grown adult man and there were all kinds of Lego blocks on the shelf.

He returned to the living room and asked with displeasure, “Where is my room?”

“I tossed your things into He Chi's villa,” Fu Shiqin said.

“Don't Youyou and Tiantian already have a toy room? Also, they are not able to play with such large teddies. They can't play with Lego and the rest either...” Fu Shiyi complained unhappily.

The two teddies occupied half of the room and there were all kinds of Lego toys, which were for the nephews and nieces who could not even crawl yet.

Fu Hanzheng said calmly, “That is your sister-in-law's toy room.”

Fu Shiqin was speechless.

Fu Shiyi was speechless.
