

MY HIDDEN 1491

Chapter 1491: A Fairy

A girl who could make Fu Hanzheng fall for her and make Qin Man think so highly of her, must be a fairy.

But no matter what they asked, Fu Shiqin and Qin Man did not reveal anything.

Qin Man checked the time and said, "Eat first. Lui, wait for me."

"Got it, Aunt." Qin Lv nodded.

Fu Shiqin was still being pestered by the crowd about his sister-in-law.

But this time, he refused to reveal anything more.

Since they could not get anything from him, they started to guess.

"Could it be Meng Ruya? Didn't Mrs. Fu always like her?"

"Damn, if Meng Ruya married Fu Hanzheng, she would have told everyone about it."

"Exactly, what kind of idea is that? Meng Ruya is nothing compared to that fairy."

"Can't you see that Meng Ruya has been transferred to some corner? Is that the kind of treatment someone who is Mrs. Fu should receive?"

...

Therefore, many people turned down Meng Ruya, the first suspect.

"If it is not Meng Ruya, then it must be someone from the Jing Family, right?"

"Are you stupid? If it were my sister, I would not be curious." Master Jing countered.

"Then if she is not from our industry, where did Boss Fu get her?"

"She must have fallen from the sky." Fu Shiqin pursed his lips.

Sister-in-law and his brother barely interacted in her previous life, but after sister-in-law died and was reborn, they became the love of each other's lives.

This was a heaven-sent opportunity.

While everyone was curious about who Mrs. Fu was, only Qin Lv was eating and drinking in silence.

They discussed for a while and realized that he had not participated, so someone asked, "Lui, don't tell us that you've met Fu Hanzheng's wife too."

Qin Lv glanced at them indifferently.

"I have."

The others were so angry that they banged their fists on the table. "Why haven't we seen her before?!"

They were so curious about who had accepted Fu Hanzheng.

“Is she really pretty?” someone asked.

“Yes,” Qin Lv answered calmly.

“Is Fu Hanzheng really as spoiling as Second Brother said?”

Qin Lv pursed his lips and nodded after a long while.

If Fu Hanzheng had not been so possessive towards her, he might have had a chance.

“That woman is either a fairy or a monster, otherwise how can she be wooed by Fu Hanzheng?” someone said.

During the entire meal, they tried so hard to figure out who Fu Hanzheng had married.

After the dinner, Qin Man asked Qin Lv to leave with her.

Fu Shiqin and everyone else left and went home.

Qin Man and her nephew said goodbye to everyone at the door and left in the car.

Qin Man never drank, so she drove them home.

As the car drove away from Chaofang Mansion, she glanced at her nephew Qin Lv in the passenger’s seat.

“Lui, are you sure that you have properly handled the Gu Family’s visit to the Qin Family?”

Fu Hanzheng must have sensed something when he asked Fu Shiqin to gather everyone and said those words on purpose.

They were well aware of the relationship between the Fu Family and the Gu Family, and they were never on good terms with each other.

Therefore, as long as they had some relationship with the Fu Family, they would avoid it.

Even in the overseas market, they would never work with the Gu Family, no matter how much potential the Gu Family had.

Chapter 1492: The Gap Between the Qin Family and the Fu Family

Qin Lv stayed silent before he countered. “Aunt, what are you suspecting?”

“I know that you are still not convinced about Weiwei,” Qin Man said with a serious face as she waited at the red light, “But her heart is not with you. She already has children with Fu Hanzheng. You don’t have a chance anymore. You should let it go.”

She felt sorry for her nephew and his failed love.

But Weiwei had no intention of leaving Fu Hanzheng, and Fu Hanzheng had no intention of breaking up with her either.

So no matter how unwilling he was, he would not have a chance.

She had not known that their divorce was in name only, so she had thought that he would have a chance.

In the end, she realized that Lui never had a chance.

What Fu Hanzheng said today could not have been for no reason.

She knew that the other men would not dare to fight Fu Hanzheng.

But what she was worried about was that Lui would not be able to let go of his broken heart and turn against Fu Hanzheng.

Fu Hanzheng had only one trigger point before, and that was the Gu Family. Now he had Weiwei.

If Lui was in contact with the Gu Family, he would have touched two of Fu Hanzheng's sore spots.

"Aunt, I have let it go," Qin Lv said calmly.

The light turned green and Qin Man drove past the intersection and said seriously, "Since you have let go of her, you can call her Aunt when you meet her in the future. You are a man and you must let go."

If you have the chance, try your best to fight for it. If you don't have the chance, don't pester.

"Got it, Aunt." Qin Lv instantly agreed to her order.

"I hope that this will be the last time the Fu Family will mention the Gu Family to us." Qin Man warned with a gentle voice.

Although she always talked back to Fu Hanzheng and Fu Shiyi when they met, they had been friends for years.

Business cooperation was also closely related, and they could not be enemies.

"We are not the only ones that the Gu Family have found. Compared to them, the Qin Family is more capable, so that's why they came to me twice." Qin Lv looked calm and found an excuse for the matter. "I know what is important and I will not do anything rash."

"It's good that you know. If you irritate him, I won't be able to protect you." Qin Man warned.

She had seen how cruel Fu Hanzheng could be to his enemies.

She did not want him to use those methods on the Qin Family one day.

Qin Lv stayed silent for a while and asked casually, "Aunt, the Qin Family might not necessarily be lesser than the Fu Family, but haven't Grandpa and Dad ever thought about taking their place?"

Qin Man looked sideways. "Only you would think that. You can't see the difference between the Qin Family and the Fu Family."

"What do you mean?" Qin Lv did not understand.

No family in the entire Hua Land could exceed the Qin Family, but the Qin Family was always slightly worse than the Fu Family.

Qin Man sighed and explained patiently as she drove.

“You think that the Qin Family and the Fu Family are equal in strength because no family has surpassed the Qin Family, and you think that you can replace the Fu Family if you want to. That is such a childish idea.

Currently it is a win-win situation for the Qin Family and the Fu Family, but if this situation is broken, the Qin Family will suffer.”

...

Lui was young and frivolous. There were many things he did not understand, which was why he had such a problem with his pride.

The Qin Family would not be able to replace the Fu Family, and no other family in Hua Land could do that. She and every elder in the family knew that very well.

Therefore, they had been keeping in touch with the Fu Family all these years.

Chapter 1493: Spare Tire

Hearing Qin Man’s explanation, Qin Lv looked serious.

He did not tell anyone at home that he had taken a very dangerous step.

But Fu Hanzheng was already suspicious, and he wasn’t sure if everything could go on smoothly.

Qin Man talked for a long time and then called out to her nephew who was sitting next to her.

“Lui?”

...

“Lui?”

Qin Lv came back to himself. “Aunt, what is it?”

“What are you thinking about?” Qin Man asked.

“Nothing, I am a bit drunk,” Qin Lv smiled and said helplessly.

Qin Man said, “The matter of pursuing Weiwei is over, so call her Aunt when you see her.

When you take over the company in the future, you will have to have a long-term relationship with Fu’s Enterprise, don’t ruin the relationship because of such a small matter.”

...

Qin Lv smiled. “Got it, Aunt.”

He thought to himself that his relationship with Fu Hanzheng would never get better.

Qin Man parked the car in the garage and went home with Qin Lv.

The moment they entered the house, they saw Meng Ruya sitting in their home.

Also, she was sitting next to Qin Lang of the Qin Family, looking quite intimate.

“What are you doing here?” Qin Man sounded unfriendly.

After interacting with her several times since she returned home, she had never liked this distant cousin of hers.

If Mrs. Fu’s family had not been related to the Meng Family and their distant family had not been related to the Meng Family, she would not have known that she had such a cousin.

Seeing her coming home, Mrs. Qin said to Qin Lang, “It is getting late, drive Ruya home first.”

“Wait, we have a driver, why are you making him drive her home?” Qin Man stopped her brother.

“I am free anyways,” Second Master Qin said and urged Meng Ruya to get her things so they could leave.

“You don’t have time, I have important work to discuss with you, let the driver drive her home,” Qin Man said resolutely.

Feeling helpless, Qin Lang asked the driver to drive Meng Ruya home safely.

Seeing her leaving, Mrs. Qin said to Qin Man, “What kind of attitude is this? Maybe she will become your second sister-in-law in the future, be polite.”

“Second sister-in-law?” Qin Man snorted and glanced at her second brother. “Are you blind? You want to marry someone like her?”

“Qin Man, what is wrong with Ruya? What is with your attitude?” Qin Lang sat down, looking unfriendly.

Qin Man rolled her eyes and gritted her teeth.

“She used to want to marry into the Fu Family, but now she has run out of chances and come to you. Do you know what this makes you?”

In the past, Meng Ruya and Second Brother did have some dealings for each other, but they were just acquaintances. They were not that close, so she did not mind.

But what was going on right now? She could not become Mrs. Fu, so she had changed her mind and wanted to become Mrs. Qin?

“Man, what is wrong with you today?” Mrs. Qin did not understand why her daughter looked so fierce the moment she entered the house.

“Fu Hanzheng betrayed her, it’s not her fault.” Qin Lang argued.

Qin Man snorted and said sharply, “Do you know that you are now a spare tire?”

Did she tell you that she had been so devoted to Fu Hanzheng that after waiting for him for so many years, Fu Hanzheng got tired of the old and went to find a young and pretty girl, so he abandoned her and you decided to take over?”

Chapter 1494: Spare Tire 2

“Qin Man!” Qin Lang bellowed.

“What is it? Did I say something wrong?” Qin Man raised her eyebrows, showing no fear.

Since she had been either away on business or busy with work, she had very little time to spend here.

She had no idea that after Meng Ruya had run into trouble with Fu Hanzheng she had tried to glue herself to her second brother.

Seeing them arguing, Mrs. Qin tugged at Qin Man and tried to persuade her.

“Stop it, Man.”

However, Qin Man was not going to show mercy.

“Qin Lang, I don’t think you are short-sighted, but you are blind. Can’t you tell what Meng Ruya is like?”

“I know what she is like, but I don’t know what you are like.” Qin Lang was so angry that his face had turned ashen.

Qin Man got so annoyed. Meng Ruya always acted gentle and pure in front of men and elders.

Fu Hanzheng was a very sharp man. He had never liked her and had never allowed her to enter the Fu Family.

But now, her brother is being blind. He must have thought that Meng Ruya was gentle and kind-hearted, and that she must have had her heart broken by Fu Hanzheng.

She was such a b*tch that even she was impressed.

“If you want to date her or play with her, you can do whatever you want. But if you want to marry her, I will kill her first!”

...

“What did you just say?!”

Mrs. Qin did not expect her daughter to say such a thing, so she snapped.

But she also knew that her youngest daughter had always been stubborn and decisive. She would definitely do whatever she said, “Anyway, I am dropping the topic here, you can do whatever you want,” Qin Man said.

If her second brother was just feeling lonely and wanted to develop a physical relationship with Meng Ruya, she would not object. It was normal for men to have such thoughts.

But if he wanted to marry her, he would bring disaster upon the family.

She would never allow that.

“Why do you care about who I marry or not?” Qin Lang bellowed furiously.

“Hey, I don’t care if you marry someone else, but if it is her, I will.” Qin Man countered.

She had not been paying attention for months and now Meng Ruya was trying to ruin her family. Did she really think that she, Qin Man, was weak?

The eldest son of the Qin Family, namely Qin Lv's father, interrupted and tried to persuade her.

"Ruya and Fu Hanzheng did have a relationship, but that is all in the past, don't take it too seriously."

"When did she have a relationship with Fu Hanzheng? Ask Fu Hanzheng what relationship he had with her." Qin Man snorted.

It was not the Qin Family's fault that they were not as good as the Fu Family, it was just that all the men of the Qin Family had problems with their eyes.

"There was nothing between her and Fu Hanzheng, so it is better that she is innocent, right?" Mrs. Qin said.

Qin Man felt her forehead, feeling that she was going to explode.

"She is not a kind-hearted person and you are all fooled by her appearance."

They had no idea how Meng Ruya targeted Weiwei at the Fu Family or how she tried to ruin Weiwei and Fu Hanzheng's relationship. But when they saw her pretending to be gentle and kind, they were all convinced.

"I think you are the one with bad intentions!" Qin Lang looked at Qin Man coldly and reprimanded her.

"You make her sound so horrible for no reason. Did she offend you?"

Qin Man massaged her temples. Her second brother was blind beyond help.

"Sure, you want to marry her, right? But only unless I stop breathing in this Qin Family."

She had no control over what Meng Ruya did in the Fu Family.

But if she wanted to bring harm to the Qin Family, she would not be polite.

Chapter 1495: Brainwashed?

Qin Lang glared fiercely at his stubborn sister and left the living room, returning to his own room.

Seeing her second son leaving, Mrs. Qin said to Qin Man.

"Little Man, your second brother has loved you the most since you were little, can't you be more considerate?"

"If I didn't care about him, I wouldn't be like this," Qin Man said.

Her parents only had her two brothers and her. Her father had a stroke in his early years and his two brothers took great care of her.

But it was also because of this reason that she could not let Meng Ruya, that evil person, harm her second brother.

"Ruya is gentle and attentive, and it is rare that your second brother likes her too, why must you object?" Mrs. Qin sighed, not understanding what was going on.

Qin Man massaged her eyebrows. Meng Ruya was always good at pleasing the elders. Mrs. Fu had been so convinced by her that she wanted Meng Ruya to be with Fu Hanzheng.

Luckily, Fu Hanzheng was not interested in her and ended up being with Weiwei.

Seeing that she could not enter the Fu Family, Meng Ruya turned to their home.

Also, she must have had this intention before. While she was pleasing the Fu Family, she was also pleasing their family. If she lost her chance with the Fu Family, she would have a spare tire.

She hated this kind of woman who looked gentle and kind on the surface but was full of tricks on the inside. She could do whatever she wanted, but if she wanted to enter the Qin Family, she would have to kill her first.

“Mom, brother, you have been fooled by her appearance. Why don’t you ask what she is like from the Fu Family?”

“We all know that she used to court Fu Hanzheng, but it is not her fault that things didn’t go well. You courted Fu Hanzheng before too, and now she and your brother have fallen for each other. We have been worried about your brother’s marriage for so many years already.” Mrs. Qin tried to persuade her.

Their eldest son was already so old and their second son’s fiancée had passed away in a car accident, so they had given up on them getting married. They had been very worried all these years.

It was not easy for him to find someone he liked, and Meng Ruya knew everything about him, so of course they would support her.

Qin Man was annoyed. It seemed that her family had been brainwashed.

“Even if you are in a hurry, you can’t be so desperate.”

“It is late, apologize to your second brother tomorrow.” Mrs. Qin did not plan to consider Qin Man’s opinion.

Qin Man glanced at Qin Lv. “You know Meng Ruya well. Talk with your grandma.”

“Well... I am not sure either.” Qin Lv chose to stay neutral at his father’s suggestion.

Also, he had little contact with Meng Ruya and he was not sure about her personality.

“Damn, all of you must have been brainwashed by Meng Ruya.” Qin Man gritted her teeth.

“Little Man!” Mrs. Qin’s face sank and she said seriously, “Your two brothers have been very busy with work these past few years when you were abroad. Luckily, Ruya often comes to take care of us. You are being too much.”

“Ha, it is so difficult for her. When she is pleasing the elders of the Fu Family, she still has to care about you.” Qin Man snorted.

After Weiwei and Fu Hanzheng got together, she had made many small moves and even tried to use her to ruin Fu Hanzheng and Weiwei’s relationship. She had seen everything.

Although these things were not evil, they were definitely evil intentioned.

She would not allow such a person to enter the Qin Family and cause trouble at her home.

Chapter 1496: My Wife Will Be Angry

For the entire night, the Qin Family was in a mess because of Qin Man and Meng Ruya.

Qin Man was so annoyed that she could not sleep the entire night. The following day, she took half a day off and went straight to the headquarters of Fu's Enterprise.

After the meeting with Fu Shiqin, Xu Qian said as he walked out of the meeting room, "Boss, Miss Qin Man is here."

Before Fu Hanzheng could react, Fu Shiqin mumbled, "Is she so free these days, coming to our place during working hours?"

Out of curiosity, he followed him to his brother's office.

"The Ministry of Foreign Affairs is so leisurely, why are you visiting me during work hours?"

Qin Man was too lazy to talk with them, so she said to Fu Hanzheng, "I need your help with something."

Fu Hanzheng glanced at her. "Business or personal?"

"Private matter," Qin Man said.

Fu Hanzheng turned her down instantly. "I can't help you."

"I haven't told you what it is yet," Qin Man said.

Fu Hanzheng sat at the desk and leafed through the files Xu Qian had delivered to him.

"My wife will be upset if I help anyone other than her."

"Weiwei is not as stingy as you." Qin Man snapped.

However, Fu Hanzheng still turned her down.

"I don't want to help anyone else."

"I..." Qin Man got so annoyed. She was just here asking them for help and now he was showing off his love.

Fu Shiqin was used to it, but he was curious why Qin Man needed their help.

"Sister Qin Man, what can't you do yourself?"

"It is not that I can't do it, it is just that it is not convenient for me to do this," Qin Man said.

She had not been in the country for years and had been busy with work after she returned home, so she wanted to investigate Meng Ruya and the Meng Family, so that her family could give up on Meng Ruya and not allow her to marry into the Qin Family.

But if she asked her family's intelligence network to do it, her mother and second brother would definitely know about it.

In that case, even if something was found, they would not believe her.

So she had to ask them for help.

“What is it?” Fu Shiqin asked curiously.

Qin Man thought for a while. Even if Fu Hanzheng did not help, she could still ask Second Brother.

Although he was not the one in charge of the Fu Family, he was still the second-in-command and he could make a decision about investigating someone.

Qin Man looked at Fu Shiqin and said, “Help me find out everything about Meng Ruya and the Meng Family, especially the shameful things they’ve done.”

“Meng Ruya?” Fu Shiqin raised his eyebrows and asked in astonishment, “Isn’t that your cousin? How did she offend you?”

“She couldn’t marry into the Fu Family, but now she wants to sleep with my brother,” Qin Man said angrily.

Fu Shiqin burst into laughter but was stopped by Qin Man’s glare.

“Oh, I heard about this, but I didn’t expect it to be true.”

“My mother and my brother seem to have been brainwashed by her. They all think that she is gentle and kind-hearted and suitable to be Mrs. Qin; it’s just like how she used to persuade and pamper your mother.”

“Didn’t your second brother’s fiancée die? All these years he has never thought about getting married but now that he wants to marry Meng Ruya, he must have truly fallen for her. Is it really appropriate for you to break them up?” Fu Shiqin teased with a suppressed smile.

Actually, Meng Ruya was indeed very good at pleasing people. Apart from his brother, everyone in the family had been quite satisfied with her.

It was not until Sister-in-law appeared that they gradually recognized her true face.

But he had not expected that after failing at overeating his brother, she would turn to Qin Man’s second brother.

Also, they were even talking about marriage now.

Chapter 1497: Not Suitable

Hearing his gloating tone, Qin Man glared at him.

“What did you say?”

“Your second brother has no problem with it, but if you ruin it, the family will definitely not be harmonious.” Fu Shiqin explained with a smile.

However, Meng Ruya was very capable this time. She had dealt with the elders of the Qin Family and the second eldest son of the Qin Family.

She had failed to deal with his brother before, so it was useless to continue trying to please his parents.

But now that she had taken care of the Qin Family, there was only Qin Man left opposing her, so she had a great chance of becoming Mrs. Qin.

Qin Lang was in the Ministry of Foreign Affairs and it was the promotion period, so she would become the wife of an official.

Qin Lang was a very smart man when it came to diplomacy, but he was not very smart when it came to picking women.

“That is because they were fooled by her fake gentleness. They are blind, but I am not blind.”

“Think about it, Meng Ruya is only a little fake and vain. She hasn’t actually done anything wrong. Also, your second brother is the one marrying her, not you. Why must you separate them?”

Fu Shiqin was very open-minded. Her second brother liked her and yet she was trying to break them up. What was the grudge?

“Hey, Second Brother, what are you talking about?” Qin Man raised her eyebrows.

Fu Shiqin surrendered and said, “Sister Qin Man, it is not right for us to get involved in your family’s affairs.”

This was a matter that the elders of the Qin Family had agreed upon and Qin Lang was also interested in Meng Ruya. If they helped her ruin it, wouldn’t they be offending others?

“So you are not helping me?” Qin Man asked.

If she could find someone else, she wouldn’t have come and begged them.

“No.” Fu Shiqin shook his head.

Although he did not like Meng Ruya either, Qin Lang and her had fallen for each other, so it was not right for them to cause trouble.

If Qin Man caused trouble herself, it was fine because she was a member of the Qin Family after all, but if outsiders like them were involved, they would become enemies.

Also, they were very busy now and they had no time to get involved with their family’s affairs.

“Just take it that I am begging you, alright?”

Fu Hanzheng ignored her and focused on his work.

Fu Shiqin glanced at his brother and cursed himself for being curious. He laughed dryly.

“Sister Qin Man, we really can’t interfere in this matter.”

“Are you going to watch this woman ruin my family?” Qin Man gritted her teeth and asked.

Seeing that she was not giving up, Fu Shiqin tried to persuade her.

“Sister Qin Man, you don’t like her, but your family and your second brother do. Your second brother has not thought of getting married for so many years, and now he wants to marry her. If you break them up, your brother will never get married. What do you think?”

“It is better to stay single forever than to marry such a person,” Qin Man said angrily.

Anyway, she could not tolerate such a person entering the Qin Family.

“But your second brother likes her.” Fu Shiqin spread out his hands and said, “The key lies with your second brother. If your second brother likes her, no one can stop him. But if your second brother doesn’t like her, no one can force Meng Ruya to him. This is a reference to my brother.”

“I just asked you to check something, so I can break up the couple. Why are you so avoidant?” Qin Man asked anxiously.

This matter could not be investigated by the Qin Family, but it could not be left to a random outsider who could not be trusted.

So she had to ask them for help.

But Fu Hanzheng only showed off his love to her and Fu Shiqin kept turning her down, making her feel helpless.

Chapter 1498: Embarrassment

“It’s too messy,” Fu Shiqin said without hesitation.

They couldn’t participate in the private affairs of the Qin Family.

Qin Man pointed at them. “Okay, you won’t help me, right? If I can’t think of a way to stop her from marrying into the Qin Family. My surname is no longer Qin.”

Having said these words, she left Fu Hanzheng’s office.

Seeing her leaving, Fu Shiqin sighed.

“It is a good thing that you did not like Meng Ruya.”

Meng Ruya loved a person because of their money, status and good looks, followed by everything else.

She had wanted to marry into the Fu Family and become the Mrs. Fu of the richest family.

Fortunately, his brother had never taken her seriously.

In the end, his brother and sister-in-law got together and Meng Ruya could not separate them. In the end, his brother transferred her out of Fu’s Enterprise and his mother forbade her from entering the Fu Family.

It was hopeless for her to marry into the Fu Family, so she went to the Qin Family without saying a word.

Meng Ruya was not a very nice person, but she was indeed good at pleasing the elders. His parents had been so pleased by her years ago.

Therefore, it was not hard to imagine how much the elders of the Qin Family liked her.

The elders liked her and the second son of the Qin Family liked her too. No matter how much Qin Man objected to it, it was impossible to change it.

“Do you have too little work to do?” Fu Hanzheng asked coldly.

“I am going back to work now.”

Hearing his brother’s weird tone, Fu Shiqin instantly snuck back to his office.

Qin Man left Fu’s Enterprise, went back to the Ministry of Foreign Affairs and had two important meetings. After work, she met a private detective.

After discussing the price with the man, she drove home.

When she returned home, Meng Ruya was here again, cooking with Mrs. Qin in the kitchen. The happy atmosphere made her realize that Meng Ruya was seen as a member of the Qin Family and she, the daughter of the Qin Family, was seen as unnecessary.

“Cousin, you are back. Aunt and I made your favorite soup.” Meng Ruya smiled when she saw her.

Qin Man tossed her bag onto the sofa. “Mom, can’t I even have a good meal?”

“What is it now?” Mrs. Qin said with a dark expression.

“Her being here affects my appetite.” Qin Man looked at Meng Ruya who was pretending to be nice and suppressed her anger.

Meng Ruya pursed her lips and stayed silent for a few seconds. Then she removed her apron and said, “Aunt, I just thought of something. You can eat now, I am leaving now.”

“Why should you leave? You have been helping us for so long, let’s eat dinner first.” Mrs. Qin took hold of Meng Ruya and said to Qin Man, “Don’t eat if you have no appetite.”

“Aunt, I better go home. I really have something to do.” Meng Ruya looked like she was going to cry because of Qin Man.

The more she behaved like this, the more Mrs. Qin detained her and lectured Qin Man.

Qin Man gritted her teeth and approached Meng Ruya when Mrs. Qin left.

“Meng, I know what you are like.”

“Cousin, what are you talking about?” Meng Ruya looked at her innocently.

Qin Man sneered. “Stop pretending. Leave before I get angry.”

“Cousin, I don’t know what has displeased you, but Second Brother and I are sincere,” Meng Ruya said sincerely.

“Didn’t you treat Fu Hanzheng sincerely too? You are so sincere.” Qin Man snorted. If she had been able to marry into the Fu Family, she would not have given up on Fu Hanzheng.

Chapter 1499: Green Tea and Look

Meng Ruya pursed her lips and was speechless. Her eyes turned red and she started to cry.

“Cousin.”

“Don’t pretend to be weak and pitiful in front of me, I don’t like it.” Qin Man snapped.

Her mother and second brother had been coaxed by her gentle and weak style, but she hated it the most.

When Qin Lang returned from work, he came into the kitchen and saw his sister’s arrogant look. He saw that Meng Ruya had reddened eyes, and pulled her behind his back.

“Qin Man, what are you doing?”

“Nothing, we were just talking.”

Qin Man shrugged and went into the dining room to eat.

Qin Lang consoled Meng Ruya and took her into the dining room, sitting far away from Qin Man.

And then he gave her a velvet box in front of Qin Man.

“This is a custom-made watch that I saw you liked last time.”

Meng Ruya looked at the luxurious diamond watch and smiled in astonishment.

“This is too expensive.”

Qin Lang took the watch and was about to put it on when Meng Ruya withdrew her hand and turned him down.

Finally, Qin Lang forced her to put it on.

“It doesn’t matter if it is expensive or not, as long as you like it.”

Meng Ruya pursed her lips. “Thank you, Second Brother.”

Then she accepted the diamond watch.

The servants delivered the food one by one and Mrs. Qin and Qin Lv’s family of three came to the table.

“Madam, Master, Second Master, what would you like to drink?”

“It is rare that you are here, open a bottle of red wine,” Qin Lv’s father said with a smile.

Qin Lang said, “Just give me the fruit juice, I need to drive you back.”

What he meant was that he was going to drive Meng Ruya home later.

Qin Man chewed on the food in her mouth and asked, “Is there any green tea at home?”

“Yes, do you want Biluochun or Liu’an melon slices?” the servant asked.

“Let’s make a cup of Biluochun tea for Miss. Meng. The green tea suits her best.” Qin Man sneered.

Hearing her words, the servant went downstairs and made a cup of Biluochun and brought it to Meng Ruya.

Mrs. Qin thought that her daughter had changed and accepted Meng Ruya, so she started to show some goodwill.

Her daughter had thought it through and apologized to Meng Ruya through the tea.

“This is the new tea we have at home today. Since it is from Xiao Man, try it.”

But Meng Ruya did not look that happy.

She knew clearly that Qin Man was not apologizing to her, but cursing her.

Qin Lang had just given her the diamond watch when Qin Man had turned around and asked someone to make her a cup of green tea. She even said that the green tea was very compatible with her, so she was indirectly cursing her for being a green tea b*tch.

However, Qin Lang and Mrs. Qin did not know what she meant and thought that she was being nice.

Therefore, no matter how displeased she was, she still had to drink the tea.

Qin Man sneered. So she did not want to leave?

Fine! She had all kinds of methods to deal with her, so she would take her time.

Meng Ruya was angry, but in order to maintain the gentle image in front of Qin Lang and the elders of the Qin Family, she had to tolerate Qin Man’s sneering.

She just could not understand why she was so against her and her second brother when she and Qin Man had no grudge against each other.

Fu Hanzheng had been taken away by Mu Weiwei, so Mrs. Fu was no longer available.

The remaining two brothers of the Fu Family were not her cup of tea either.

Although the Qin Family was not as wealthy as the Fu Family, Qin Lang’s career was going well and the Qin Family was very wealthy, so being Mrs. Qin was not that bad.

Chapter 1500: Loyal and Adorable Boy

At villa seven.

Qin Lang and Meng Ruya became the gossip at Fu Shiqin’s dining table, and Fu Shiyi gasped in astonishment.

“Meng Ruya is indeed good at seducing men.”

“Luckily our brother was chaste and did not fall for her charms.” Fu Shiqin praised his brother.

Fu Shiyi took a sip of red wine and continued to gossip.

“In the eyes of the elders, Meng Ruya is the type of daughter-in-law they like the most. No wonder so many people from the Qin Family are brainwashed.”

"It is different from our situation this time . Qin Lang has fallen for it too, and now only Qin Man is objecting." Fu Shiqin sighed.

"If Qin Lang is willing, why is Qin Man objecting? Isn't that too much work?" Fu Shiyi mumbled.

Fu Shiqin took a bite of a chicken wing and continued to gossip.

"With Third Miss Qin's combat ability, Qin Lang and Meng Ruya will suffer."

Qin Man was hot-tempered and would not stop until she reached her goal.

Unless Qin Lang and Meng Ruya truly loved each other to death, she would definitely ruin everything.

They talked excitedly.

"It seems that Meng Ruya went to the Qin Family again today. The Qin Family must be very lively now."

"Oh my, I am so curious about what happened between Qin Man and Meng Ruya."

...

Fu Hanzheng and Gu Weiwei had never participated in the gossip.

Fu Shiyi and Fu Shiqin had been talking for a long time before they realized that their brother and sister-in-law were not talking. So they asked curiously, "Sister-in-law, don't you think anything about this?"

When she first came to the Fu Family, Meng Ruya had harmed her many times.

After she got together with his brother, Meng Ruya had been causing trouble everywhere. Why did she not have any reaction when she heard the news?

"I am not as gossipy as you." Gu Weiwei snorted.

She could not even find time to worry about herself and her two children, so why would she have the time to care about these unimportant people?

"She bullied you before," Fu Shiyi said.

"I took revenge." Gu Weiwei shrugged.

Meng Ruya was not a bad person, but neither was she a good person or a kind person. It was good that she had nothing to do with the Fu Family now.

As for what she and the Qin Family wanted to do, it was their family's business and not theirs.

Fu Shiqin pursed his lips. His sister-in-law cared about nothing apart from his brother and the two children.

"But you did not help Qin Man, did you?" Gu Weiwei asked.

This was the Qin Family's family matter after all, and it was not good for them to get involved.

"Of course not, our brother said that he doesn't help anyone else apart from you," Fu Shiqin said with a smile.

Gu Weiwei smiled and threw a look at the man who was eating in silence.

“Oh my, so obedient?”

“Obedient?!” Fu Shiyi almost choked.

Only sister-in-law would dare to describe his brother as obedient.

However, his brother cooperatively replied, “Of course.”

“Why am I still so sad when I am not single?” Fu Shiyi came back to himself and sighed at Fu Shiqin.

Fu Shiqin said nothing. He, as a single man, was suffering even more.

His brother was as cunning as a fox in the business world and as fierce as a wolf. However, the moment he came home and stood in front of his sister-in-law, he instantly looked like a loyal and loving little boy.
