

MY HIDDEN 1541

Chapter 1541: The Enemy of Women

Gu Weiwei rang off, went to the bathroom of the teahouse and put on the new dress.

She adjusted her hair in front of the mirror and found that she looked way too plain. Then she took out some makeup from her bag and drew a very elegant makeup style.

But with this delay, she ended up leaving at the peak hour.

They had been stuck in the traffic jam for more than one hour.

Fu Hanzheng had already arrived at the banquet, but she was nowhere to be seen. So he called again.

“Still not here?”

“I’m in a traffic jam, so it may take a while,” Gu Weiwei said helplessly.

If she had known about this, she would not have wasted so much time at the teahouse and she would have made it in time.

Hearing her words, Fu Hanzheng did not urge her any more.

“No hurry, be careful.”

Gu Weiwei moved with the traffic and when she came to the private club, it was already very late.

She did some last minute makeup touches in the car, carried her bag and went into the club. Since Fu Hanzheng had left the invitation card behind with her this morning, the bellboy showed her the way politely.

But before Fu Hanzheng found her, Mrs. Fu called.

She was afraid that something was wrong with the two children, so she hurried to the empty courtyard to answer the call.

“Aunt, what is it?”

“Weiwei, Tiantian fell off the sofa,” Mrs. Fu said apologetically.

Gu Weiwei’s heart skipped a beat. “How is she? Is she badly injured? Is she crying hard?”

“There were cushions on the floor, so she was not injured. She just cried for a while and now she is much better,” Mrs. Fu said. If she had not been appeased, she would not have called her.

Hearing that she had fallen onto the cushions and stopped crying, Gu Weiwei felt slightly relieved.

“As long as she isn’t crying. Have they eaten anything?”

“They ate chicken noodle soup at lunch and some fruits in the afternoon, and each of them drank a bottle of milk.” Mrs. Fu reported the two children’s meals truthfully.

Gu Weiwei smiled and said, "Remember to feed them some water."

"Hey, hey, are you with Hanzheng now?" Mrs. Fu asked.

"Yes, we will pick up the children later," Gu Weiwei said.

Hearing that they were together, Mrs. Fu said with a smile, "No need to hurry, they are very obedient here. You two rarely have a date alone after you had the two children. You can pick them up tomorrow."

Gu Weiwei felt helpless. What on earth was she thinking?

"If there is nothing else, I will hang up now."

"Don't worry, we will take good care of the children," Mrs. Fu said and rang off.

Gu Weiwei rang off and returned to the corridor with her phone in the bag, ready to find Fu Hanzheng.

But when she came to the small banquet hall, Fu Hanzheng was nowhere to be seen. She was about to call him and ask where he was, when a woman's voice stopped her.

"Mu Weiwei, what are you doing here?"

Gu Weiwei looked sideways and found that Li Xing'er, who she ran into at MG, was here too.

It turned out that the banquet she was supposed to attend was the banquet with Fu Hanzheng.

Without saying a word, Li Xing'er and several young ladies came over to her.

"Well, she did show up, but she still must have snuck in."

"You know pretty well who snuck in." Gu Weiwei countered.

She was here with an invitation card, and Li Xing'er and Wei Ziting were not wealthy enough to enter Fu Hanzheng's circle.

So it was not hard to tell who had snuck in.

Chapter 1542: Enemy of Women 2

The men who came over with Li Xing'er's group sized her up and said, "Isn't that Movie Queen Mu Weiwei?"

"I heard that she is the rumored girlfriend of Third Master."

"Third Master has got a new girlfriend, maybe she's just an ex-rumored girlfriend?"

"You have not shown up for two years, what are you doing here? This is not an entertainment industry banquet."

....

Li Xing'er snorted as she sized up Gu Weiwei.

"Mu Weiwei, if you are here seeking a sugar daddy, at least show something otherwise no one will notice you."

When she asked her to come, she said that she did not need it.

Then she followed her here and snuck in somehow.

Gu Weiwei sized up Li Xing'er who was wearing a V-neck gown and said calmly, "Mrs. Wei, you look even more desperate than me."

Li Xing'er gritted her teeth. She was not stingy about showing off her breasts, because she had given birth to a child.

But after what she said, it seemed that she was the one looking for a sugar daddy here.

"All the female guests here are part of a couple, and even if they are not part of a couple, they are from the invitees' families. What about you? Who brought you here?"

"I came here by myself, why?" Gu Weiwei sneered.

Hearing these words, Li Xing'er threw a look at the socialites and ladies next to her and said sinisterly, "Keep an eye out for your husbands and boyfriends, ladies, don't let them be seduced by some vixen!"

Hearing her words, all the women looked at Gu Weiwei warily.

She was dressed conservatively, but she was young and pretty. There were very few pretty girls like her in the entertainment industry, and she was the kind of girl that men liked.

So everyone felt threatened.

"Mu Weiwei is a Movie Queen, and she doesn't need to be taken care of by someone like this, does she?"

"Even if Third Master dumps you, you don't have to come here to find your next boyfriend, do you? The Fu Family are here too!"

"Get out of here now, or I will get someone to send you out."

....

The noble ladies were all worried that this young and pretty girl would seduce their men.

Seeing her being ostracized, Li Xing'er added fuel to the fire.

"When she was dealing with Third Master, she got him to give her many resources, invest money in her movie making and help her get the Mu Family's company back. Then she brought it over to the Fu Family; she is very capable."

Hearing what she said, those madams became even more alarmed.

An older man called over one of the staff members of the club.

"It is a private banquet today, why is just anyone allowed in here?"

"This is a private place, and people who don't know anything would think that it is somewhere else."

"Hurry up, get her out of here, in case she ruins everyone's mood."

....

The staff was not the doorman, so he said to Gu Weiwei after hearing what the ladies said, "Miss. Mu, this is a private banquet and you may have come to the wrong place. Please leave."

Gu Weiwei glanced at the women who regarded her as a thorn in their eyes and took out the invitation card from her bag.

"Did you come to the wrong place?"

The staff bowed and apologized after seeing the invitation card.

"Sorry, I didn't know you were Mr. Zhou's guest."

The invitation cards were usually given out by the host, and the female guests were all plus-one family members of the invitees.

There were very few female guests with invitation cards of their own like this today.

Chapter 1543: From My Husband

Li Xing'er's face changed and asked in disbelief, "Why do you have the invitation card?"

Wei Ziting's invitation card was from a friend who was abroad who could not make it, so he asked if he could come instead and bring someone else too.

Actually, she was not invited by the owner of the club.

And most of the wealthy ladies around her were brought here by their husbands and boyfriends; they weren't attending by themselves.

She was just as surprised as those ladies who had been urged by her to drive Mu Weiwei out of the club.

They did not even have an invitation card, so where did an outdated female star like her get one?

"Someone gave it to me," Gu Weiwei said. She put the card into her bag and was about to find another place to call Fu Hanzheng.

Only one invitation card was given to Fu Hanzheng, but his face was more useful than the invitation card, so she got the invitation card instead.

Before she left, Li Xing'er snorted mockingly.

"It seems that you are not here to find a sugar daddy, but for someone else already."

That must have been her sugar daddy's invitation card.

It seemed that she must have climbed up the social ladder to be here.

Gu Weiwei sneered and said straightforwardly, "Thanks to your auspicious words, I have found a sugar daddy who is much better than the one at your home. Can you move away now?"

Hearing her words, the women behind Li Xing'er started to mumble, "Could she have been hired by Master Zhou?"

“This private club belongs to Master Zhou and it is Master Zhou who is hosting the event today. He was the one who gave out the invitation cards.”

“But Master Zhou has Miss. Yu with him, right?” someone said as she glanced at the tall and slender lady dressed in custom-made Chanel.

“Master Zhou and Miss. Yu seem to have broken up these last few days, maybe Master Zhou has fallen for this vixen,” someone mumbled.

Hearing these words, Master Zhou’s girlfriend turned pale and she came over to Gu Weiwei.

“So Movie Queen, worth tens of billions, is just a b*tch who seduces someone else’s fiancé,” she said as she was about to slap her.

But Gu Weiwei was not someone who would allow herself to be beaten. She grabbed hold of the wrist and flung it away.

“I don’t know any Master Zhou, and if someone can’t keep her mouth shut, you better watch out for your hands too, otherwise...” Gu Weiwei glanced at the woman’s well-maintained hands and snorted. “It would be such a waste if such beautiful hands are gone.”

“You don’t know any Master Zhou?” Miss. Yu looked at this proud-looking girl and interrogated her. “Where did you get the invitation card if it was not from Master Zhou?”

“Of course someone gave it to me,” Gu Weiwei said.

Obviously, Miss. Yu still did not quite believe what she said. “Everyone here is here with an invitation card and no one brought you in. But you said that he did not give you the invitation card?”

When Zhou Qi’an said that he did not want to marry her and that he had found the girl he truly loved and wanted to break up with her.

At his private banquet today, another woman came alone with an invitation card.

Also, she was an actress he had admired before.

How could she deny that she was the vixen who seduced her fiancé?

“Truly, the invitation card was given by Master Zhou and yet you are not that vixen?”

“Master Zhou and Miss. Yu are already engaged, and yet you are here as the mistress?! How shameless!”

....

Gu Weiwei glanced at the noble ladies who regarded her as their enemy.

“My husband gave it to me, is there a problem?”

Chapter 1544: Husband

Li Xing’er sneered.

“Your husband? When did you get married?”

Gu Weiwei chuckled. "Do I need to inform you that I am getting married?"

Li Xing'er had been trying her best to meet Mrs. Fu these past few days, but now she was sneering at her. Hopefully, she would slap herself in the face.

Li Xing'er looked around and said, "I have known her for more than ten years, but I have never heard of her getting married. Are any of the men you know married?"

"Mr. Ji is married, but Mrs. Ji is here," Miss. Yu said.

Hearing these words, Li Xing'er sneered.

"Mu Weiwei, so what if you are the mistress? You are so shameless as to call him husband!"

"I still want my face. Compared to your mother who became my stepmother and you who married Wei Ziting, am I more shameless than you?" Gu Weiwei said with a smile. She did not lose out in front of these noble ladies.

Miss. Yu and the other ladies looked at Li Xing'er suspiciously.

Li Xing'er turned slightly pale, but she refused to admit it.

"Her mother passed away and my mother remarried. Brother Ziting did not like her, so he ended the engagement and got together with me.

"Mu Weiwei, are you trying to hide the fact that you are a mistress by now making up stories about me?"

....

Gu Weiwei pursed her lips impatiently.

"You keep saying that I am the mistress, but who has seen it?"

"We don't need anyone to see it. All the female guests are here as wives or girlfriends, but I have never heard of anyone marrying you." Li Xing'er was sure that she was the sugar baby of this man.

If she was really married, there would have been news about her.

But since she dared to come to such an occasion, her sugar daddy must have spoiled her rotten.

"That is your problem," Gu Weiwei said. Instead of calling Fu Hanzheng, she texted him and told him that she was here.

"Okay, then tell me who your husband is," Li Xing'er kept asking.

Gu Weiwei was not in a hurry to tell them, when she saw how eager they were.

"Why should I tell you?"

"So she just doesn't want to tell us, or maybe she doesn't know the person or isn't married?"

Seeing that she did not dare to reveal the man's name, Li Xing'er became even more certain that either there was no such man or she was not married, but being kept by a man.

Seeing that they were so curious, Gu Weiwei decided to play with them instead of leaving.

“Why ask me when you don’t believe me?”

She thought that even if she said that she was Mrs. Fu, none of them would believe her.

So she might as well stay silent.

When Fu Hanzheng came over, everything would be solved.

“I think that she is either not married or brought here by Master Zhou. Master Zhou once said that the woman he likes is from the entertainment industry.”

“Yes, I remember that Master Zhou once asked our cinemas to support her movie schedule.”

“Miss. Yu, don’t listen to her lies! She is that vixen!”

....

Gu Weiwei brushed away the hair on the side of her face. It had been Fu Shiyi who had persuaded Zhou’s Film Group to support the cinemas, not her.

If she had not mentioned it, she would have forgotten about it.

But after what they said, it seemed as if she was having an affair with Master Zhou, whom she had never met before.

Chapter 1545: Protective Husband

Miss. Yu, who had got rid of her suspicion, started to suspect Gu Weiwei again after being instigated by these people.

Hatred arose on her exquisite face as she bellowed at the staff.

“Get her out of here!”

“Miss. Yu, she is here with an invitation card. She is Master Zhou’s guest.” The staff hesitated.

Miss. Yu got even more annoyed when she heard ‘Master Zhou’s guest’.

“I don’t care how she got in, I don’t want to see her here. Either she scrams, or you scram.”

Seeing Miss. Yu who was easily instigated, Gu Weiwei said with a smile, “Miss. Yu, you have no evidence, and yet you are driving me out just because someone else says something. Are you stupid?”

“What did you say?” Miss. Yu looked fierce.

Gu Weiwei sighed. “I have said so much, but you don’t listen to a single word I say. You believe everything they say. Don’t you have a brain to make sound judgment?”

“You said that she is stupid, but you are full of tricks, otherwise you would not have seduced her fiancé.” Li Xing’er continued to add fuel to the fire.

She might not be able to deal with Mu Weiwei right now, but everyone present was a noble lady of the capital and killing Mu Weiwei would be a piece of cake.

“Li Xing’er, I had thought that you would be smarter after what happened two years ago.” Gu Weiwei snorted and shook her head in disappointment. “I didn’t expect that you would have forgotten how it felt to be slapped across the face. Aren’t you afraid of being slapped again?”

“Who do you think you are?” Li Xing’er snorted.

Gu Weiwei checked the reply on her phone and said kindly, “My husband is very protective. He hates it when I am wronged. He will be very angry when he sees you bullying me.”

Fu Hanzheng said that he was talking with someone and asked Fu Shiyi to pick her up.

“Your husband?” Miss. Yu sneered. “Then ask your husband to come out and see what he can do to us.”

Even if Master Zhou came out, he would not dare to do anything to her.

When Wei Ziting and several men came out, they saw them standing in the corridor of the courtyard.

“What is it? Why aren’t you coming in?”

Li Xing’er went over to Wei Ziting’s side and said with a gentle voice, “Mu Weiwei somehow got an invitation card and snuck into this place. She seems to be in touch with Master Zhou, so that Master Zhou’s fiancée, Miss. Yu, came over.”

Gu Weiwei felt her forehead and pushed the hair behind her ears.

This woman was so good at making up stories and performing, yet she had not won a single award after so many years. That was not an easy achievement.

In her opinion, the Academy Award should have been given to her instead.

Wei Ziting turned to Gu Weiwei and became startled when he saw the pretty young girl.

It had been two or three years since he last saw this girl, and after just two years, Mu Weiwei had become so amazing.

She had a pure, fairy-like look and a pair of charming eyes. She looked both like an innocent fairy and a charming fairy. No one had ever been able to combine these two conflicting temperaments so perfectly.

She was, without a doubt, the most desirable lover for any man, judging from her looks and body.

It wasn’t just him, the men who came out with him all gazed at her.

The way the men looked at Gu Weiwei successfully created a wave of hatred among the women.

Miss. Yu was just about to flare up, when Fu Shiyi came out with Ding Dongdong.

“What is everyone doing here?”

Chapter 1546: Face Slapping

Seeing Fu Shiyi coming over with his female companion, Li Xing’er smiled proudly – this was going to be a good show.

So before Fu Shiyi could call Gu Weiwei sister-in-law, she said, "Third Master, she is your friend, please tell us how to deal with her."

"What?" Fu Shiyi was confused.

What was wrong with these people? Didn't they know that their brother had been waiting for their sister-in-law for so long?

Seeing Fu Shiyi here, Miss. Yu said with a serious face, "This is a private banquet, where did this actress get the invitation card? She is not leaving!"

"Leave?" Fu Shiyi raised his eyebrows. Who would dare to let her leave?

But when he saw his sister-in-law, he realized that she did not tell them that she was with his brother.

Otherwise these people would never dare to drive Mrs. Fu out.

Someone standing next to Ding Dongdong started to add fuel to the fire.

"Miss. Ding, Mu Weiwei used to be rumored to be with Third Master. Third Master invested money in her and gave her resources. You must be careful."

"I know," Ding Dongdong said calmly.

Gossip was a very vague thing and Mu Weiwei was Fu Shiyi's sister-in-law, why should she be careful?

"You should be wary of this vixen who seduces other men."

"Vixen?" Ding Dongdong raised her eyebrows and looked at the man who was speaking. The look in her eyes said: Are you crazy?

Was Fu Hanzheng's wife going to seduce another man?

He must have lost his mind to slander her in this way.

Seeing that she was confused, the man said, "You must be wary of her seducing Third Master."

However, Ding Dongdong greeted Gu Weiwei politely after hearing what she said, "Weiwei, long time no see."

Hearing her greeting, Li Xing'er and the others were startled. So Third Master's current girlfriend knew his ex-girlfriend?

Gu Weiwei smiled. "Yes, long time no see, Miss busy woman."

They had expected that Fu Shiyi's girlfriend would tear Mu Weiwei apart, but they greeted each other as if they were old friends.

Could it be that this woman was here for Third Master?

Seeing Gu Weiwei, Fu Shiyi and Fu Shiyi's girlfriend, Ding Dongdong, greeting each other without hesitation, they had already guessed what the two girls were up to.

Fu Shiyi could tell what these people were up to. They did not know that she was his sister-in-law, so they thought that she was here seeking a sugar daddy.

Also, they suspected that she was here for Master Zhou.

Therefore, Master Zhou's fiancée Miss. Yu tried all she could to stop his sister-in-law from entering.

Although he could slap their faces right now by calling her sister-in-law, he did not do that.

Of course, his brother had to be the one to stand up for his sister-in-law. That would be a very satisfying scene.

"Alright, let's talk inside, what are we standing in the corridor for?"

"Third Master, what about her?" Miss. Yu pointed at Gu Weiwei and said.

Fu Shiyi glanced at Gu Weiwei. "Of course she's coming in, her husband has been waiting for her for ages."

Having said these words, he and Ding Dongdong walked past the crowd and headed towards the banquet hall.

The word 'husband' had stunned everyone.

"Did Third Master just say that Mu Weiwei's husband is inside?"

Chapter 1547: His Brother

Li Xing'er looked a bit panicked. Could she really be married?

But before they came to the banquet today, they had asked around about everyone who was here and found no one married to Mu Weiwei.

Seeing Gu Weiwei leaving with Fu Shiyi and Ding Dongdong, Miss Yu turned to Li Xing'er.

"Mrs. Wei, didn't you say that she is not married?"

But Third Master seemed to know that she was married and he even knew who she was married to.

Li Xing'er was also a bit flustered. "We did not find out who she is married to. Unless she is yet to get married, of course then her friends would know something about it."

Miss Yu looked dubious, and others started to talk among themselves.

"All the married men have their wives with them, who is her husband anyways?"

"I think she is lying. I know pretty well that no one here is married to her."

"She can lie, but Third Master said that her husband is inside..."

"Third Master might be trying to help her because he can't forget her."

....

Li Xing'er panicked at first, but gradually calmed herself down.

“True, if she is really married, she would have told us who she is married to.”

Seeing Gu Weiwei leaving with Fu Shiyi, Wei Ziting threw a look at Li Xing'er, who looked unkind, and suddenly realized something complicated.

He had thought that Li Xing'er was pretty and gentle, but after the scandal two years ago, her parents went to jail one after another, and after spending so much time with her, she had become totally different.

But Mu Weiwei, whom he had not seen for years, had become so outstanding.

Men were always like this. When they got what they had wanted, they would start to miss what they had lost.

Miss Yu was eager to know if the woman was having an affair with her fiancé, so she followed her into the banquet hall.

The other ladies were also curious to see if she was married, so after Miss Yu left, they followed behind her.

Li Xing'er had been lost in thought, when she finally came to and turned around, and saw Wei Ziting standing behind her, looking a bit confused.

“What is it?”

“Nothing.” Wei Ziting came back to himself and followed her inside.

What he was thinking was that he had thought that she was prettier than Mu Weiwei, but now he found that she was worse in every aspect.

She was not as pretty or as elegant as Mu Weiwei was, and he just could not figure out why he had thought that she was pretty.

In the banquet hall, Fu Hanzheng and Master Zhou had just come out of the lounge and were talking about the future of a project, when Fu Hanzheng kept glancing at the entrance of the banquet hall.

Fu Shiyi had been out for a long while and he had not yet brought her in.

After a long time, he saw Fu Shiyi and Ding Dongdong coming in. When he saw the girl coming in behind them, his calm and cold look turned warm instantly.

Master Zhou and the others were just talking, when their cold-looking friend burst into a smile. They looked as if they had seen a ghost.

“President Fu, your smile is a bit... scary.”

They were used to his cold and serious face, and so when he suddenly smiled, it made them feel creeped out.

Fu Shiyi approached them with Gu Weiwei and said, “She was blocked by a bunch of women, no wonder she was not here yet.”

Miss Yu followed up behind them and saw Fu Shiyi going over to Master Zhou and his friends. She walked up to him quickly.

“Zhou Qi’an, who is this woman?”

Third Master must have been helping him to find the girl.

Chapter 1548: My Wife

Zhou Qi’an looked displeased and glanced at Gu Weiwei who was with Fu Shiyi.

“Movie Queen of Billions, Mu Weiwei, what about it?”

Hearing these words, Miss Yu glared at Gu Weiwei and accused.

“You want to cancel the engagement because of this vixen, right?”

And she claimed that she did not know who he was, but the moment she entered the room, she came over to him. What a pretentious woman!

Hearing the unfriendly words, Fu Hanzheng’s expression sank and he looked at Gu Weiwei.

Gu Weiwei shrugged helplessly. She was helpless too. The moment she entered the room, she had become the vixen that these women talked about.

Seeing Miss Yu approaching, Li Xing’er and the other ladies leaned forward to watch the show.

Fu Hanzheng was about to speak when Fu Shiyi threw a look at his brother and stepped forward.

“Master Zhou, there seems to be some misunderstanding between you two.”

“Misunderstanding?” Miss Yu sneered and pressed Zhou Qi’an. “She came to you the moment she entered the room, and you still dare to say that she was not hired by you?”

Zhou Qi’an looked at his fiancée impatiently. “If you can’t control yourself, please leave.”

A girl with such a temper would only embarrass him.

“You have brought the vixen here, how am I supposed to control myself?” Miss Yu said as she looked up and pointed at Gu Weiwei who was standing between Fu Shiyi and Fu Hanzheng.

“Master Zhou, she came in with your invitation card.” A young lady stepped in to help.

Zhou Qi’an threw a look at Gu Weiwei in astonishment. Although he knew that she was a Movie Queen worth tens of billions of yuan, he was sure that he had not given her an invitation card, so as to invite her to his private banquet.

The invitation cards he gave out were all for the friends he had known for years. How did she get the invitation card?

Fu Shiyi took the opportunity when Miss Yu was arguing with Zhou Qi’an and whispered to his brother, “Brother, Sister-in-law was surrounded by these women and she couldn’t get in. They called her a vixen and a mistress!”

Hearing these words, Fu Hanzheng looked cold and turned to Gu Weiwei.

Gu Weiwei smiled helplessly and whispered, "They would not believe me if I told them that I am Mrs. Fu."

Before Zhou Qi'an could figure out what was going on, his fiancée, Miss Yu, asked him to drive her out. Otherwise, no one would have a good day.

This scene made everyone curious, and some even wondered if Zhou Qi'an was really with this Movie Queen worth tens of billions.

Fu Shiyi whispered to his brother, "Brother, stay calm, let them argue. You can do something when they are done."

Zhou Qi'an did not want to drive her away according to the request of his fiancée, so Miss Yu thought that he was the one who brought her here. She was now even more persistent.

So the banquet turned into the scene of their argument.

Miss Yu pointed at Gu Weiwei and snapped.

"Zhou Qi'an, if you don't get her out of here today, no one will have a good time."

"This is my place, not yours. You can leave if you want to." Zhou Qi'an was not at all convinced by her unreasonable behavior.

Hearing these words, Miss Yu became even more certain that Zhou Qi'an was protecting his mistress.

"Zhou Qi'an, must you be so cruel for the sake of an actress?"

Fu Hanzheng's face turned cold and his voice sounded cold too.

"Miss Yu, what has my wife done to make you be so mean?"

"Your... your wife?" Miss Yu looked at the man in astonishment.

Fu Hanzheng took hold of Gu Weiwei's shoulders and said calmly, "This is my wife, Weiwei."

Chapter 1549: Slap Across the Face

Seeing Fu Hanzheng taking hold of the girl next to him, everyone was so startled that their eyes almost popped out.

Everyone knew that Fu Hanzheng was obsessed with cleanliness and never liked physical contact with anyone.

Also, he had never been intimate with any woman.

But what they saw was this cold-looking man taking hold of a woman's shoulders intimately, and when he looked down at her, the coldness in his eyes was replaced by gentleness.

Miss Yu stood there in embarrassment. Everything she had said and done had turned into an unreasonable joke.

“Why is she... Mrs. Fu?”

“I don’t need to answer that question, but what do you mean by constantly slandering my wife?” Fu Hanzheng looked up at Miss Yu and turned lethal.

“I... I...” Miss Yu stuttered for a long while and failed to come up with an explanation.

The ladies who had been helping Miss Yu got so frightened when they saw Fu Hanzheng introducing the vixen as Mrs. Fu.

During the past few days, they had tried all they could to find out something about Fu Hanzheng’s wife, so as to flatter her.

But they had just cursed Mrs. Fu and almost drove her out.

Before they were able to suck up to her, they had already made an enemy of her.

The women were just thinking about how to smooth things over with Mrs. Fu, when Fu Shiyi pointed at them and said to Fu Hanzheng, “Miss Yu is not the only one who has given my sister-in-law trouble. This group of people blocked my sister-in-law from entering and even tried to drive her out.

“If I had not gone out to pick her up, she would have been driven out.”

....

Hearing these words, Fu Hanzheng glanced at those ladies Fu Shiyi pointed to.

Many people shivered when he glanced at them.

And their husbands and boyfriends were so annoyed that they almost vomited blood.

In this industry, everyone respected Fu Hanzheng, but these stupid women bullied Fu Hanzheng’s wife. Were they all crazy?

“President... Fu, we did not mean it. We did not know that she was your wife, we thought...”

“What?” Fu Hanzheng asked coldly.

“We thought that Master Zhou brought her here.” Miss Yu was no longer as noisy as before. She answered obediently.

“Even if you didn’t know about it, you shouldn’t be bullying people here.” Fu Shiyi interrupted and threw a look at Zhou Qi’an. “Everyone here is here for Master Zhou, what are you doing?”

What he meant was that she was not only bullying his sister-in-law, but also humiliating Zhou Qi’an.

Miss Yu had been yelling at Zhou Qi’an a minute ago, but now she looked totally different. Facing Fu Hanzheng and Zhou Qi’an’s questioning look, she turned pale.

When they first arrived, Fu Hanzheng did say to Zhou Qi’an that he was going to introduce his wife.

Then she ran into Mu Weiwei who said that the invitation card was given by her husband.

But they had no idea that the husband she was talking about was Fu Hanzheng.

When she said that her husband was protective, she was right.

“Mr. Fu, Mrs. Fu, I am sorry for the misunderstanding, but...” Miss Yu said and pointed at Li Xing’er, “It was Mrs. Wei who misled us, saying that Mrs. Fu was here to look for a sugar daddy. That was how the misunderstanding arose.”

Chapter 1550: Slap Across the Face 2

Li Xing’er was totally startled when Fu Hanzheng announced that Mu Weiwei was Mrs. Fu.

Mu Weiwei was... Mrs. Fu?

She did not want to believe it, but the way she behaved with Fu Hanzheng made her believe that Mu Weiwei, whom she hated deeply, had married Fu Hanzheng, the most famous tycoon of Hua Land.

She shivered when she came back to herself after being pointed at by Miss Yu, and her face turned pale as if she had been slapped.

She had thought that Mu Weiwei was up to no good here, so she did not show any mercy.

But what she had not expected was that the person she had just insulted turned out to be Fu Hanzheng’s wife.

She and Fu Shiyi were rumored to be together, not because they were together, but because she married into the Fu Family.

During the past two years when she quit filming, it was not because she had no resources, but because she got married and had children.

She had been trying all she could to find out who Mrs. Fu was, so as to suck up to her to get some opportunities for Far East Enterprise, so that they could work with Fu’s Enterprise.

But now, she offended everyone.

She had not only offended them, but also made them her enemy.

She had not only made enemies with the Fu Family, but also the many noble ladies present.

After all, if she had not instigated them, they would not have slandered Mrs. Fu together.

If the Fu Family hated them, they would blame her for everything.

“I... I heard it from someone else.”

“Who told you that, Mrs. Wei?” Gu Weiwei asked with a smile.

“I... I...” Li Xing’er had no words to counter. She was just guessing.

Unable to explain anything, she turned to Wei Ziting for help.

But Wei Ziting was not in the mood to defend her. He just wanted to strangle her to death.

The reason why he tried so hard to sneak her into Zhou Qi'an's private banquet was because he wanted her to establish a good relationship with these wealthy families, so that Far East Enterprise could have more opportunities for cooperation.

But because of her stupidity, she had not only offended Fu Hanzheng, but also everyone present.

In this way, she would not only be unable to work with them, but also be taken revenge on in the business field.

But Mu Weiwei, who had been broken up with by him, had become Mrs. Fu.

Also, judging from the way Fu Hanzheng looked at her, he was spoiling her rotten.

Since Wei Ziting was not helping her, Li Xing'er was put into an even more awkward position. Standing there with so many pairs of eyes upon her, she got so embarrassed that she wanted to dig a hole and hide herself in it.

Gu Weiwei smiled and said, "Mrs. Wei says that I am here for my sugar daddy, but it's true, I am here for my sugar daddy!" she said as she threw a look at Fu Hanzheng next to her.

Fu Hanzheng happened to look at her too. They smiled at each other, showing how sweet they were.

Seeing this scene, all the ladies threw the blame to Li Xing'er in order to please Gu Weiwei.

"Yes, it was Mrs. Wei who stopped Mrs. Fu and humiliated her."

"If she had not instigated us, we would not have had a fight with Mrs. Fu."

....

Seeing the scene, Miss Yu started to complain too.

"It was Mrs. Li who kept misleading us so we misunderstood Mrs. Fu."

Li Xing'er bit her lips and did not dare to counter.
