

MY HIDDEN 361

Chapter 361: Threatening My Girlfriend? (Extra)

Gu Weiwei stared at Fu Hanzheng in astonishment. She knew that he was coming but she did not expect that he would be here so fast.

Fu Hanzheng said to her with a gentle voice, as he reached out for her, "Weiwei, come here."

Gu Weiwei walked over to Fu Hanzheng, under the surprised gaze of Gu Siting and Kuroda Shio and then whispered, "Jolin is still missing."

Fu Hanzheng touched her head, showing his consolation.

The move was so gentle yet the look he threw to Gu Siting was lethally cold.

"I heard that you are threatening my girlfriend?"

"Your girlfriend?"

Gu Siting sized up the beautiful young girl next to him and then glanced at the cold yet cunning Fu Hanzheng – did he fall for such a young girl?

Fu Hanzheng said with a low voice, as he became very displeased about Gu Siting's wandering eyes, "Wait for me in the car."

Gu Weiwei glanced at him and Gu Siting and left the cafe obediently to go into the car.

The moment she left, the empty cafe was dominated by an air of coldness from the two opposing men.

"If you and your men still want to leave Hua Land safe and sound, you better stay away from us." Fu Hanzheng warned with a cold voice.

Since the Dorrans Family were still their supporters, he did not want to kill him and end up bringing himself trouble before everything was ready.

Otherwise, he would not allow him to leave Hua Land alive.

Gu Siting laughed in disbelief. "President Fu seems to have a very particular taste for women..."

He did not expect that this girl was not Fu Shiyi's girlfriend but was instead Fu Hanzheng's.

No wonder Fu Shiyi was very nervous about him inviting Mu Weiwei to the Gu Family in A Land.

"I am always better at picking women." Fu Hanzheng snorted.

He had been afraid that after what happened yesterday, she would run into trouble.

So he asked her bodyguard to stay alert.

The moment he drove back to the apartment, he didn't even have time to go upstairs, before he heard that the cafe she went to was full of Gu Siting's men.

“Your girlfriend is just a newbie in the film industry.” Gu Siting said with a smile.

He had checked Mu Weiwei’s background and found that every success she had done was completed by herself, not through Fu Hanzheng.

“My girlfriend is like me, we work with our own abilities.” Fu Hanzheng sneered.

“Unlike you... you always depend on a woman.”

If not for Gu Weiwei and the Dorrans Family who kept them safe, Gu Siting would not have survived to the present day.

Gu Siting looked furious but he had to swallow down the anger since they were in Hua Land.

“You invited my girlfriend to visit the Gu Family, so I have also removed your fiancée.”

Fu Hanzheng showed a cold smile. “But we from the Fu Family would not invite her home, since such an outsider is so filthy.”

Having said those words, he left.

“Fu Hanzheng!” Gu Siting called out to him and said, “You and I have the grudge, so why are you doing this to my woman!”

Fu Hanzheng turned around and reminded him.

“You did it to my woman first and I am just paying you back.”

Instead of saying anything more, he left and went into the car. Together, he and Gu Weiwei went back to the apartment.

Kuroda Shio said, after answering the call,

“Mr. Gu, Ms. Ling Yan has been taken away from the hospital.”

One of Fu Hanzheng’s bodyguards said, “President Gu, if you release Miss. Mu’s agent, you will see Ms. Ling in time.”

Their boss was really narrow-minded when it came to his girlfriend, just as Second Master had said.

Chapter 362: Jolin Collapses

It was night-time and the wind felt a little cold.

Sitting in the car, Gu Weiwei felt her tensed heart relax, as the cold wind blew in.

Actually, she had not been that calm in front of Gu Siting.

After all, they had been living together for more than twenty years and she was worried that even a single tiny look or move of hers, would make him suspicious.

Therefore, the moment she saw him as she walked into the cafe, she was trying very hard to stay calm and also pretending to be the person he had never known.

However, she had never expected that he was trying to take her away, back to A Land with him.

She had very much wanted to be brought back home the moment she was reborn as Mu Weiwei but today she was very worried that he would find her.

Gu Siting was not the man she used to know or maybe she had never thoroughly known Gu Siting before.

Fu Hanzheng had noticed her dumb-founded look the moment he walked out of the cafe and joined her in the car.

After he went into the car, he closed the window for her.

“What are you thinking?”

Gu Weiwei came back to herself and threw a sideways glance at him.

“I was a little frightened, when Gu Siting said that he was bringing me to A Land.”

Fu Hanzheng took hold of her hands, which felt a bit cold. “He won’t, as long as I am with you.”

He doesn’t permit anyone to bring her away from his side, whatever way they may try.

Gu Siting would never be able to do that.

Gu Weiwei looked at the cold side profile of the man and felt a bit distressed.

He used to be the Gu Family’s enemy and hers too but she had never expected that she would end up being by his side because of the call of destiny.

Fu Hanzheng threw a look at her as he was driving.

“Why are you staring at me like that.”

“I was just thinking...” Gu Weiwei looked forward and sighed softly, “What if I had met you earlier.”

Fu Hanzheng laughed. “You were too young back then.”

She would have been too young if they had met earlier.

It was the right moment, right now.

Gu Weiwei stayed silent. What she meant was not what he thought she meant.

She had been angry about the cruel destiny that kept tormenting her but if all she had experienced to allow her to be by his side... Then she found that all of it was worth it.

It took just a few minutes between the cafe and the apartment but she did not think of the question until they arrived at the apartment.

“Oh right, Jolin...”

“He should be safe by now.”

Seeing her slightly distressed face, Fu Hanzheng had thought that she was still frightened.

So he swept her into his arms and kissed her.

“It is fine now. As long as I am here, no one will be able to take you away from me.”

Gu Weiwei let herself stay in his arms and then reminded him as she looked up.

“Didn’t you have a video meeting?”

Fu Hanzheng checked the time and realized that he still had an international video meeting to attend.

“Take a rest now, I will drive you to the set after the meeting.”

Seeing Fu Hanzheng entering the study, she received a call from Fu Shiyi, who was looking to gossip.

“I just heard from Lei Meng that my brother went to rescue you?”

“Yes.” Gu Weiwei answered lazily.

If Fu Hanzheng had not been there, she might not have been able to get rid of Gu Siting but she still could not figure out why Gu Siting was trying to bring her back to A Land.

“How do you feel? Wasn’t my brother cool, handsome and striking?” Fu Shiyi asked proudly.

“...”

Gu Weiwei just could not accept the exaggerations he was spouting.

“I am hanging up if you don’t have anything else to say.”

“Oh I do!” Fu Shiyi laughed sinisterly and said, “Jolin just learned that you are involved with my brother, so he is collapsing! You deal with the fallout yourself.”

That annoying agent was receiving payback for countering him all this time.

Chapter 363: Jolin Collapsed

Finishing the conversation with her, Fu Shiyi grabbed his car keys and went to meet Jolin, just wanting to see how desperate he had become.

“Second Fu, let’s go and see how one loses his love!”

“Damn you, I have work to do!” Fu Shiqin walked upstairs in bitterness.

His brother had left piles of work just to be on a date with his love and his younger brother was playing around all the time, so he was the only person who was devoted to the family business.

Hearing his words, Fu Shiyi hummed and walked out of the door, driving straight to Shiyi Culture.

The moment he entered Jolin’s office, he noticed him crying constantly and wiping away his tears with tissues.

“Oh my, you look so sad!”

Fu Shiyi sat down opposite him, looking quite pleased by his sadness.

Jolin was so annoyed at the sight of him.

“You knew that Weiwei and your brother are involved as a couple, so that’s why you assigned me to her on purpose!”

He had been caught by Gu Siting’s men when he got off of work and Gu Siting then pretended to be him, so as to lure out his girl.

He had been worried that Gu Siting and his men would do her some harm.

However, as he was tied up by Gu Siting’s men in the storage room, he watched his idol coming to Mu Weiwei’s rescue, through the crack of the door.

And he also heard him saying that she was his woman, his girlfriend...

His heart was crushed so terribly, so instantly.

“Didn’t you say that only a man like my brother can be a match for your girl?” Fu Shiyi shrugged.

“I just casually said that but then they did it for real!” Jolin snapped.

He had been admiring that man for ages and yet, he had not even been able to touch a single strand of his hair but his girl had got him already.

“They are a real couple, you would never be able to do that with my brother, alright?” Fu Shiyi asked with a smile.

Having been countered by him for so many years, he felt so relieved to see him wallowing in bitterness.

“I didn’t expect for it to happen either.” Jolin blew his nose and said with his hands over his chest, “But I defended her and she slept with my idol! I feel so heart-broken!”

“You are wrong because it was your idol who slept with your girl.” Fu Shiyi corrected.

Although it was Mu Weiwei who had irritated his brother first, it was his brother who had been courting her all this time.

Jolin’s heart collapsed even more after hearing that.

“Can’t you just shut up?!”

“Also, they are living together.” Fu Shiyi was so happy to pour salt on someone else’s wound.

Jolin wailed even more loudly – no wonder his girl had always been so mysterious when she was in the capital and refused to tell him where she lived.

It was all because she was spending time with his idol!

“Oh, do you remember asking me about your girl being in a relationship last time?” Fu Shiyi laughed sinisterly as he added even more cruel information, “My brother was visiting her on set last time and he was right there in her room, sounds exciting?”

Jolin glared at Fu Shiyi and then asked him, “So that Baby Zheng on her phone...”

“That is my brother!” Fu Shiyi laughed.

Jolin took a deep breath, he did not want to be laughed at by his evil boss any more.

“She has your brother as her supporter, so why is she still going through auditions and playing supporting roles?”

With one word from Fu Hanzheng, she could be in any film! What was the point of going through all the hassle?

“She likes to use her own ability rather than my brother’s.” Fu Shiyi checked the time and reminded him. “Oh, shouldn’t you be picking up your girl right now?”

Jolin checked the time and found that he should head to the airport now. His girl had work to do tomorrow.

Private matters should not be blended with work.

He was about to text his girl and remind her about going to the airport but Fu Shiyi said, as he adjusted his hair by looking at the front facing camera, “You can go there by yourself, my brother is definitely driving her there. Oh, if you are lucky, you can be overwhelmed with their love from them!”

Chapter 364: Fu Hanzheng Splurges

At the Jinxiu Compound.

After the international conference meeting, Fu Hanzheng accompanied her after dinner.

However, instead of going straight to the capital airport, they went to a minor-sized airport, not far away from Fu’s Enterprise.

At the sight of the G650 business plane standing in the bay, Gu Weiwei threw a look at the man who had splurged his money.

“When did you buy it?”

Fu Hanzheng said, as he took her hands and boarded the plane, “Recently. So that I can visit you often.”

She had to stay on set for many months for this film and he himself was a busy man too.

If he was going to meet her, he did not necessarily have the right flight when he needed one and waiting for the flight would also waste a lot of time for them too.

“You splurged and don’t use me as the excuse.” Gu Weiwei snorted.

Although she had been used to a luxurious life, she had never witnessed anyone who would purchase a private jet just to visit his lover who was far away from home.

Fu Hanzheng sat down and covered her up with a blanket.

“It will still take a couple of hours to arrive there and I still have some files to read, so take a nap. I will wake you up when we land.”

Gu Weiwei adjusted her seat and tried to fall asleep with her eyes closed. She needed to do filming early tomorrow morning and she did need a good rest.

Gradually, she fell asleep. When Fu Hanzheng was reading the file, he threw a sideways glance at her and smiled, before continuing with the work.

It took less than two hours to arrive at the film site of the Eyes of the Eagle.

The chairs on a private jet were cozy and broad, so Gu Weiwei had a very good sleep. Instead of waking her up, he wrapped her up and carried her off of the plane and moved her into the car.

It was not until they arrived at the hotel, when Gu Weiwei woke up with a pair of drowsy eyes.

Then she noticed that Fu Hanzheng had not only accompanied her here but also brought his own luggage, which was packed away by their private butler.

“Are you planning to live here?”

Seeing her waking up, Fu Hanzheng put forward his opinion straightforwardly.

“I told you, I don’t like long-distance relationships.”

It would take a few more months before she finished filming. Was he going to wait for her alone during these months without doing anything?

Sitting in bed sleepily, Gu Weiwei said, “Good, as long as it pleases you.”

He had a private jet and it took just a couple of hours for him to arrive here – it was not something she could stop.

After finishing tidying up, the private butler said goodnight to them and left.

Gu Weiwei did not have much desire to sleep after her previous nap.

She woke up from the bed and found the script, she was planning to go through the work she was going to do the next day.

Having washed himself, Fu Hanzheng saw her reading the script, so he swept her into his arms and asked, “Not sleeping now?”

“I am not that sleepy anymore after the nap.” Gu Weiwei said.

Fu Hanzheng raised his eyebrows, grabbed the script and put it aside.

“If you are not that sleepy... let’s do something else.”

Having said those words, he leaned forward and kissed her right on her supple lips.

Before Gu Weiwei realized what had happened, she was already in bed and her dress was gone.

She interrogated him angrily as the man’s kisses rained down.

“So you asked me to sleep in the jet, because you wanted to sleep with me in the hotel?”

Fu Hanzheng chuckled. “Something like that.”

Gu Weiwei struck him hard on the chest. “But we did it last night!”

He had been tossing her back and forth throughout the entire night the night before and she did not turn him down because she did need to be away for a couple of months from that day on.

But he had accompanied her to the set and tried to ask for more.

“It’s two different days.”

Fu Hanzheng laughed and smothered her with kisses, so she could not utter any more angry words.

Chapter 365: No More Love-Filling

Gu Weiwei’s face turned slightly red and her bright eyes became dizzy because of his affection.

The man’s gentle kiss, as well as the softness he brought to her skin, made her obsessed.

“Ah...”

She gasped as the painful pressure arose.

Although it was not the first time for her, his size was still a bit too big for her, despite the sufficient f*replay.

As drops of sweat rolled down him, Fu Hanzheng breathed as he thr*sted into her and he consoled and caressed her as he stared into her eyes.

As the first step was conquered, the profound sound of panting and the loving moans echoed in the silent bedroom.

Because of Fu Hanzheng, Gu Weiwei inevitably got up late.

Jolin arrived at the hotel on the morning flight and after a couple of hours napping, he waited for her down in the lobby.

But an hour had passed and she was still nowhere to be seen.

Xu gazed at Jolin’s swollen eyes in astonishment. “Brother Jolin, what happened to your eyes?”

“Allergies.” Jolin lifted his sunglasses, blocking his eyes.

“What is Weiwei doing? She is never late. Should we go up and check on her to see if she’s okay?”

Xu checked the time and mumbled worriedly.

“No, she is coming down soon.” Jolin snorted with an expressionless face.

What if the boss was there? He was not going up to be filled with their love.

Having said the words, he received the call from the crew that urged them to do the makeup.

Jolin threw an impatient look at the elevator – Fu Shiyi had said that she was coming the night before, was she really here?

After a few calls from the crew, he had to call his girl to ask about it.

However, after the phone call went through, it was not Mu Weiwei who answered... it was a man's voice instead that answered the call.

"Hang on, she is coming down in 15 minutes."

Jolin: "..."

He truly did not want to go upstairs to be drowned in their love but a simple call still struck in his heart.

So the boss was still there? Of course, he spent the night with her.

As for why she was getting up late... he knew the reason.

He was just about to hang up when his girl's voice arose.

"Fu Hanzheng, where is my script, where did you put it?"

That voice was not pure or simple but sounded quite flirty.

Jolin hung up with tears coming out of his eyes – he really couldn't be her agent anymore.

Fu Hanzheng hung up the phone and dressed nicely in a suit, he found the script for her that was lying under the pillow on the sofa.

Gu Weiwei stuffed the phone and the script into her bag and was about to dash downstairs, when he called out to her.

"Weiwei!" Fu Hanzheng stopped her and reminded her. "You forgot the morning kiss."

Gu Weiwei glared back at him. "Forget the kiss, I am an hour late!"

Having said those words, she rushed to the elevator and joined the agent and the assistant downstairs.

As the three of them were together, they rushed into the same car and hurried to the set.

Gu Weiwei got into the car and surveyed Jolin.

"Eh... you were not injured last night right?"

"Not externally but very much so, internally." Jolin snorted with sunglasses on.

His wound was slowly healing, when the call ripped it open once again. Oh damn, his idol had been stolen away by his girl!

Gu Weiwei touched her nose, she consoled him when she realized that he was talking about her and Fu Hanzheng.

"Well, you should understand that it is better that I have him than those other b*tches right?"

Chapter 366: Good Treatment (Extra)

"..."

Startled for a few seconds, Jolin seemed to find this comment... reasonable.

If his idol must have a woman, she was definitely much more acceptable than any of the other ones.

Seeing that he seemed to be accepting her, Gu Weiwei patted him on the shoulders and said, "Don't worry, I will treat your idol well."

Unconvinced, Jolin asked with a small voice, "Is Boss really... straight?"

"..."

Gu Weiwei's smile collapsed as she answered with a small voice, "If you keep having thoughts over my man, I will change my agent."

"I am just asking... not really wanting to do something. Or I would have done it ages ago." Jolin snorted with arms crossed.

Gu Weiwei whispered, as she went through the script, "It's good that you haven't done anything, otherwise you would have been lying deep, down in the tomb."

Jolin took some deep breaths, brought out his phone, opened the encrypted album and started to delete the pictures of his idol that he had been keeping.

At the first picture, he shivered.

Gu Weiwei threw a look at the album accidentally and raised her eyebrows.

"Where did you get these pictures?"

All of them were of Fu Hanzheng!

Some were from news articles and some were just stay-at-home pictures.

"Some from the news, some were sold by Third Master." Jolin reluctantly deleted one picture after staring at it for ages.

Gu Weiwei grabbed the phone and deleted everything in one go.

Then she gave the phone back to him.

"I haven't been through each one yet!" Jolin bellowed.

She took away all of his collections, within a single second.

"First of all, he is straight. Secondly, he is taken and thirdly, I can't tolerate you anymore." Gu Weiwei warned.

"You..."

Jolin pointed at her, feeling angry but unable to do anything.

Gu Weiwei folded the script and clenched her hand into a fist, as she thought of the pictures in the album that were all sent by Fu Shiyi.

She had been feeling sorry for him being abducted and sent parachuting and she had also asked Fu Hanzheng to treat his brother nicely.

But it seemed that a brother like this, should have been shot into space with a rocket.

“These are all for private matters.” Jolin adjusted his gaze and asked, “Why did the Gu Family want you to be in A Land?”

Before last night, Gu Siting had no idea of the relationship between her and Boss, so he could not have possibly kidnapped her just to threaten Boss.

“I wish I knew.” Gu Weiwei replied.

“But Boss asked someone to take away Ling Yan from the hospital and it seems that she has not been released yet.” Jolin said.

Oh god, his idol was so cool last night but he had not been there to rescue him but to rescue her.

“Ling Yan was taken away?”

Gu Weiwei frowned – Fu Hanzheng did not mention anything about that last night.

“I heard it myself! And his threatening words sounded rather fierce too, Gu Siting was probably, seriously pissed.” Jolin replied.

Gu Weiwei nodded thoughtfully. Gu Siting might not come to her after what happened last night.

“Xue Qing, the Asian Queen was arrested because of drugs and the news has become the headline, so people are currently distracted away from Movie Queen Ling.” Jolin did not expect that a legendary Movie Queen was such a low and immoral person.

“But it is a fact, so even if people are distracted about it, it is still a stain on Movie Queen Ling’s record and now she is no longer a perfect, legendary Movie Queen.”

Gu Weiwei chuckled. Ling Yan had more than those few stains on her...

But she had time to reveal her true face to the public.

Chapter 367: Deadly Frightened

The night when Fu Hanzheng drove Gu Weiwei to the set, Gu Siting, who went back to the hotel, could not fall asleep throughout the entire night.

Kuroda Shio sent out his men to track Ling Yan but a few hours had passed and no accurate information had been delivered.

“The capital is very vast and the Fu Family is powerful. If he truly wants to keep her hidden, it would take us some effort.”

Gu Siting opened the liquor cupboard and sipped some whiskey from a glass.

“The journalists are constantly on us all the time, so don’t look for her anymore. She will be released when it is time.”

“But what if the Fu Family does something bad to Ms. Ling Yan...” Kuroda Shio uttered some words yet ceased without finishing.

It was more than life matters, when it came to the grudge between the Fu Family and the Gu Family.

“If he does do anything to her, then his little girlfriend will not have a peaceful time either.” Gu Siting looked fierce.

Before, he had no idea that she was his girl, so he had tried to do something about her but now he had told him straightforwardly that Mu Weiwei was his girlfriend, he had to be discreet after all.

But how could it be so coincidental?

That girl was called Weiwei too, although the characters were different, they sounded so similar.

Weiwei...

They were two completely different people and their age gap was huge too, yet he could see a tinge of Weiwei in her.

“Fu Hanzheng and Mu Weiwei left the capital city two hours ago.” Kuroda Shio said.

Fu Hanzheng, who was lethal and cold, was showing great care to a 19-year-old girl. It was such an unexpected thing.

Gu Siting fiddled with the glass in his hands thoughtfully and said, “Keep an eye out for Mu Weiwei from now on.”

“But what about Fu Hanzheng...?”

Kuroda Shio felt a bit embarrassed. It was not an easy thing to track the person protected by Fu Hanzheng under the Fu Family’s territory.

Also, Fu Hanzheng would not allow them to do that either.

“Get some local person to do it, just keep an eye out for her. An artist always has journalists following them.” Gu Siting said.

Kuroda Shio sized him up discreetly and inquired.

“So, Mr. Gu, you are doing this because she is Fu Hanzheng’s girlfriend or because... you see Ms. Weiwei in her?”

Outsiders might know nothing about him and Weiwei but he clearly knew about it, after being in the Gu Family for so long.

However, he had no idea what his feelings were towards Ms. Weiwei.

He had given her an amazing life but he gave her so little love and company.

And now he was missing her desperately, when she was gone.

Gu Siting took a sip of whiskey and replied to Kuroda Shio after a long silence.

“Leave me alone, you can go now.”

He needed to think about what had happened today... about Mu Weiwei, Fu Hanzheng and the constant grudge between the Fu Family and the Gu Family.

Kuroda Shio bowed deeply, left the room and closed the door.

Gu Siting could not fall asleep throughout the entire night as he watched the scenery outside the window.

Dawn came and Kuroda Shio came knocking at the door and said, "Mr. Gu, Ms. Ling Yan is here."

"How is she?" Gu Siting asked with a sideways glance.

"Overly frightened and at the hospital now." Kuroda Shio took a look at him and said, with a complicated look on his face, "They locked her up in the... specimen lab for human bodies."

Even a man would be very frightened if trapped in such a place, let alone a lady.

Fu Hanzheng was so narrow-minded and immoral.

All they had done was invite Mu Weiwei to his place several times, without knowing her relationship with him and yet, he still took revenge.

If it were not for Ling Yan's previous operation, she would have been frightened to death.

Chapter 368: A Doctor

The same morning when Ling Yan was released, He Chi posted a video in the Bringing Fu Hanzheng Down Team group-chat.

The video showed Ling Yan screaming in fright when she was trapped in the lab and it was a clip from the CCTV.

Gu Weiwei did not notice the message when she was at work but Fu Shiqin, who had just gone to work, and Fu Shiyi, who was on his way to go abroad, saw it first.

[Oh gosh, my brother imprisoned her there?]

That perverted He Chi had a lab with human body parts. They were all soaked in formaldehyde and there were even some human skeletons as well.

When the lab was first built, Fu Shiqin was set up by Fu Shiyi and ended up inside there once, he remembered being furious.

And now their brother was so fierce that he trapped Gu Siting's fiancée in that horrible place overnight.

Fu Shiyi asked curiously [Was Movie Queen Ling frightened to death?]

He Chi: [Not yet, but half dead. She has just been carried outside]

He had thought that when his key was borrowed, it was because Fu Shiqin and Fu Shiyi had pissed him off, so he wanted to trap them.

Yet when he watched the CCTV camera, he noticed that it was a girl, namedly the very famous Movie Queen Ling Yan.

Fu Shiyi [That is the normal conduct for our brother, not at all unexpected.]

He was never kind-hearted towards his own brothers, let alone others.

It was a good thing that Gu Siting didn't really do anything to their Sister-in-law, otherwise Movie Queen Ling would not only have visited the specimen lab, but also become one.

Fu Shiqin, who had worked overnight, replied with black-rings under his eyes.

[Just think of one way to hasten the Little Demon Plan, please, I am working like hell here.]

Fu Shiyi: [He Chi, you are a doctor, think of a way, please, my interest has just been doubled and I am almost dead!]

He Chi replied: [Damn you all, I am a doctor, not God who delivers babies!]

Fu Shiyi: [Oh yeah, Jolin told me last night that Gu Siting planned to bring Sister-in-law back to A Land!]

Fu Shiqin: [Bastard, always drooling over someone else's wife!]

He Chi: [Shouldn't we be happy that someone is fighting against your brother?]

But what he had said was seriously refuted by the two brothers of the Fu Family.

Fu Shiqin: [That is another matter, an external conflict! Damn you, you truly want my brother dead right?]

Fu Shiyi: [True! Gu Siting is nothing compared to my brother! My brother is far better than him!]

He Chi: [...Do you love him or hate him? I am confused.]

Fu Shiyi: [Blended!]

Fu Shiqin:[Both!]

[He Chi has left the chat]

....

After Gu Weiwei's being away for two days, the whole set hastened the filming process.

Since they needed to catch up with the work, they didn't finish until very late at night.

The moment she entered the room, she saw the utterly handsome man seated by the table. He got up to greet her.

"Why so late?"

Gu Weiwei glared back at him with teeth clenched.

"Many failed takes because of you!"

She used up too much energy the night before, so she had many failed takes in the martial art scenes of today.

Fu Hanzheng raised his eyebrows. "I remember that you are not that easily satisfied."

There was one time, when she kept pestering him, so that he could not leave the bed.

"I..." Gu Weiwei knew that he was teasing her about the time, when she tried to rescue Yuan Meng, so she said furiously, "You better go home now!"

He said that he did not like long-distance relationships but all of these things were excuses!

He had been stimulated and so, he was thinking of all kinds of methods to get laid.

Chapter 369: No Meeting in Bed

Fu Hanzheng did not care about her protests. He dialed the internal line so the private butler delivered the snacks for her.

Since both of the meals during the day were lunch boxes, Gu Weiwei threw herself at the snacks, instead of urging him to go.

Fu Hanzheng went into the bathroom to fill the bath with water and then he came out of the bathroom to deal with work. He sized up the girl who was eating a snack, when she finished, he reminded her.

"The water is done, go and take a bath."

Gu Weiwei grabbed her nightgown, went into the bathroom and locked the door, before taking off her clothes.

Hearing the locking sound, Fu Hanzheng smiled – did she really need to be so defensive against him?

After the bath, Gu Weiwei said seriously as she stood in front of his desk, "You are affecting both my work and yours here, go home!"

"No, my work is not affected." Fu Hanzheng said.

Work was never finished but the time when they could meet each other was quite limited.

Gu Weiwei said, "But you affect my work!"

When he was here, she was always worried that someone would discover a man in her room.

Fu Hanzheng thought for a while and said, "I will try not to."

Annoyed, Gu Weiwei said, "Please go home, you can visit me once a week! You come here every day after work and leave early in the morning, it sounds so tiring!"

Fu Hanzheng replied, "Nope."

"Then please think about your brother! Second Master is seriously tormented!"

Fu Shiqin kept posting pictures about how he had black eye-rings and bloodshot eyes because of overtime at work on WeChat Moments and how he had been seriously damaged.

Fu Hanzheng said with a smile, "He doesn't matter."

His expression and gaze were telling her that she was the most important thing of all.

“You are so not like a brother! Your brother works overtime, so he has really dark eye-rings and he has lost several kilos too.”

Gu Weiwei felt sorry for Fu Shiqin who was working so much.

Fu Hanzheng devoted himself to the file and signed it, as he said slowly, “He does have black eye-rings but those were painted on, on purpose. And... he has not lost weight but gained half a kilo instead.”

“....”

Gu Weiwei raised her eyebrows – why were these people so dramatic?

Fu Hanzheng signed the paper, put down the pen and said, “It is late, let’s sleep.”

As if facing an enemy, Gu Weiwei took a few steps backwards.

“I don’t care, you must go home!”

“Sorry, it is not up for discussion.” Fu Hanzheng said carefully.

She was still at work, so he knew where to visit her but when the filming finished, she would need to fly about everywhere to do the promotional work and by that time, she would be nowhere to be seen.

“If you are not leaving, I am leaving, I will share the bed with my assistant.” Gu Weiwei said, as she started to pack up her things.

Fu Hanzheng gripped her hand. “Why are you so unwilling to meet me?”

Gu Weiwei replied, “I don’t want to meet you in bed!”

If she had known that saving Yuan Meng would bring herself so much trouble, she would not have done it.

Fu Hanzheng chuckled. He was restraining himself thinking about her young age.

“I will not affect your work any more.”

Gu Weiwei gazed up at him and realized that it would be impossible for him to leave.

“You don’t have to leave on some conditions.”

Fu Hanzheng nodded. “Do tell.”

Gu Weiwei said, “First of all, no more demanding for s*x!”

She had been so tired because of work in the daytime and she would die if she had to do that with him at night.

“What if you desire it?” Fu Hanzheng replied.

“I won’t!”

Gu Weiwei felt very helpless – she had created a very large misunderstanding because of what happened before.

“Just one condition?” Fu Hanzheng continued to see her fury.

“And don’t let anyone from the set notice that you are in my room!” Gu Weiwei warned seriously.

Fu Hanzheng thought for a while. “Okay.”

Gu Weiwei said, “Thirdly, go back to the capital if the first condition is breached!”

Chapter 370: The Love

Because of the three rules, Fu Hanzheng settled down here.

He came to visit her every night and then hurried back to the capital in the morning.

Jolin already knew about their relationship, so Fu Hanzheng did not stop him from entering their floor. He did not want her going downstairs just because something came up.

However, Jolin did not go up to talk with her if it could be solved over the phone.

It was already quite hurtful, when he found out that she had taken away his idol and he did not want to see them showing off their love in front of him.

Before dawn broke, Gu Weiwei was woken up from her dream.

Her face rubbed against his arms and said, “Leaving now?”

“Yes.” Fu Hanzheng kissed her on the forehead, he felt unwilling to get up.

Although he had given Fu Shiqin all he could, he still needed to attend some important meetings in person.

He could not find any more time to be here due to the overload of work.

When he left early in the morning, Gu Weiwei got up earlier than she usually did, so that Jolin was left incredulous, when he saw that his girl started work, so early in the morning.

“Boss is gone?”

Whenever the Boss was here, he always had to urge her to get up everyday.

“Can you stop gazing at my man everyday?” Gu Weiwei glared at him.

“I don’t have to gaze at him to understand if he is here with you or not, just look at your own face!” Jolin snorted.

When Boss was around, she always came downstairs with a happy face but when she came down with a serious face, it basically meant that the boss was not here.

“Could it be so obvious?”

Gu Weiwei touched her face in disbelief.

“Many people in the crew are asking me if you are in a relationship now.” Jolin rolled his eyes at her.

She could conceal everything else but she just could not conceal the tinge of sweetness – it was way too obvious.

He could talk nonsense in front of everyone, by saying that she was happy because work was going smoothly.

Fu Hanzheng was too busy to visit her, so Gu Weiwei had to throw herself into the filming. She had to work both during the day and night too.

When she failed the take in the rain scene, she got a fever the following day.

Jolin received her call before dawn broke, so he went to buy the medicine and had it delivered upstairs.

“I can tell the Director that we are heading to the hospital first?”

It was very easy to catch a cold in the freezing winter, when she was making the rainy scene.

Gu Weiwei took the medicine and said as she laid down, “Just a small cold and I can go to work after a small nap. The work is not that important today.”

Still worried, Jolin sat down on the sofa and watched her instead of leaving.

A couple of hours later, Gu Weiwei got up when the alarm went off. She brought herself to get up and washed herself.

“Really no hospital?” Jolin asked.

“We can go there in the afternoon after work.”

Gu Weiwei grabbed her things after checking the time and was about to leave after opening the door.

However, the moment she opened the door, she bumped into Fu Hanzheng who was with He Chi. He Chi sized Gu Weiwei up from head to toe

“She looks completely fine! I am leaving to catch the plane.”

But Fu Hanzheng threw a serious look at him, which stopped him from leaving.

Fu Hanzheng approached her with a frown look and reached out for her forehead.

“Still going out after having such a fever?”

Gu Weiwei looked up and said with a hoarse voice, “I took some medicine.”

Fu Hanzheng picked her up and put her down on the bed. Then he shouted at the man in the living room.

“He Chi!”

Reluctantly, He Chi entered with the medicine box and gave him the thermometer.

Fu Hanzheng put the thermometer in her mouth and asked with a worried tone, “How are you feeling?”

Gu Weiwei replied, “I have a headache, throat-ache, stomachache...”

She got soaked in the rain and had a cold, and her period had come as well.

Jolin was startled – she had just said it was only a small cold and said that she could finish the work today but when the Boss was here, she suddenly turned weak?

Damn, he was smothered with love!

If he had known that he would be so bombarded with love from the couple, after discovering their secretive love, he truly wished that he had never discovered it at all.
